Lamb Checkoff Referendum Program

USDA will offer lamb producers, feeders, and first handlers the opportunity to vote in a nationwide referendum on whether to continue or terminate the Lamb Promotion, Research, and Information Order, authorized under the Commodity Promotion, Research, and Information Act of 1996. The referendum will be held **Feb. 2-27, 2009** and conducted at USDA's Farm Service Agency (FSA) county offices.

To be eligible to vote, persons must certify and provide documentation, such as a sales receipt or remittance form, which shows they have been engaged in the production, feeding, or slaughtering of lambs during the period, Jan. 1, 2008, through Dec. 31, 2008. Beginning Feb. 2, 2009, and continuing through Feb. 27, 2009, persons eligible to vote should obtain Form *LS-86-1: Lamb Promotion, Research and Information Order Referendum* from a FSA county office either in person, by mail, fax, or via the Internet at:

<http://www.ams.usda.gov/lsmarketingprograms> and then click on the "Lamb Referendum Information" link and then click on the Form "LS-86-1".

Persons must vote in the referendum at the FSA county office where their administrative farm records are maintained. For those persons not participating in FSA programs, the opportunity to vote will be provided at the FSA county office where the person owns or rents land. Note, Form LS-86-1 will only be available on the AMS website between the dates of **Feb. 2, 2009 through Feb. 27, 2009**.

Form *LS-86-1* and supporting documentation must be returned in person, by mail, or by fax to the appropriate county FSA office. The form and documentation returned in person or by fax must be received in the appropriate county office prior to the close of business on Feb. 27, 2009. The form and documentation returned by mail must be postmarked no later than midnight on Feb. 27, 2009, and received in the county FSA office by March 6, 2009.

USDA monitors activities of the American Lamb Board. The mandatory program is financed by producers, seedstock producers (breeders), feeders, and exporters who are assessed one-half cent (\$.005) per pound when live ovine animals are sold. The first handler, primarily packers, pays an additional 30 cents per head on ovine animals purchased for slaughter.

Copies of the Final Rule and Notice are available from the Marketing Programs Branch; Livestock and Seed Program, AMS, USDA; STOP 0251 - Room 2628-S; 1400 Independence Avenue, SW; Washington, D.C. 20250-0251; tel. (202) 720-1115; or via the Internet at:

www.ams.usda.gov/lsmarketingprograms.

Crop Disaster Program Sign-up Deadline

The Farm Service Agency's (FSA) Crop Disaster Program (CDP) sign-up period for years 2005-2007 will **end Feb. 27, 2009**.

The ending date of Feb. 27 applies to the receipt of a signed and completed FSA-840 application along with all supporting documentation and required forms at the applicable county FSA office. Sign-up information and required forms are available at each county FSA office. Late filed applications will not be approved after the Feb. 27 deadline.

All application determinations will be made by March 27, 2009. For further questions about CDP and the sign-up deadline, producers may contact their county FSA office or visit FSA's website at: <http://www.fsa.usda.gov>.

Kansas City Mails 1099-G

During the last week of January, producers who have received payments from FSA should have also received a CCC-1099-G from the Kansas City office. A CCC-1099-G is a report to the Internal Revenue Service about FSA payments made to you during the previous calendar year. The CCC-1099-G is a service to help participating producers report taxable income. It is not intended to replace the program participant's responsibility to report income to the IRS.

If you received a CCC-1099-G, we recommend that you check the amounts shown with those in your records to see that the amounts are correct. Refunds will no longer be reported on the 1099-G, but will be available online from the FSA Financial Inquiries (FSA-FI) web-based database. Program participants with eAuthentication user ID's and passwords can access their refund information at FSA-FI and select "Inquiry Type 1099/Refund Reports". Refund amounts are displayed on the Producer's Year-to-Date Activity web page.

If you have a question concerning the 1099-G refund information, you may contact your local FSA office for assistance locating the correct payment data. If you choose to visit the office, bring your CCC-1099-G with you.

DCP Sign-up Continues

Sign-up for the 2009 Direct and Counter-cyclical Payment (DCP) Program continues **until June 1, 2009**. The June 1, 2009 deadline is mandatory for all participants. FSA **will not** accept any late-filed applications.

Online sign-up is available to all producers who are eligible to participate in the DCP Program and can be accessed at: www.fsa.usda.gov/dcp and then click on the "Access eDCP Services" link, under the "I Want to..." section. To access the service, producers must have an active USDA eAuthentication Level 2 account, which requires filling out an online registration form at: <http://www.eauth.egov.usda.gov> and then click on the "Create an Account Page" link, and lastly followed by a visit to the local FSA Service Center for identity verification.

FSA computes DCP Program payments using base acres and payment yields established for each farm. Eligible producers receive direct payments at rates established by statute regardless of market prices. For 2009, you may request to receive advance direct payments based on 22 percent of the direct payment for each commodity associated with the farm. FSA began to issue advance direct payments in December 2008. Counter-cyclical payment rates vary depending on market prices and are issued only when the effective price for a commodity is statutorily set below its target price.

Eligible producers for the DCP Program are also eligible to enroll in the Average Crop Revenue Election (ACRE) Program or the Counter-cyclical Program. The enrollment period for the ACRE Program will begin in the spring. You may first enroll in the DCP Program, receive advance direct payments and then later modify your enrollment to the ACRE program or you may wait and elect to enroll in DCP and ACRE at the same time in spring 2009.

For more information about DCP, visit your local FSA office or go online to read the DCP factsheet at: http://www.fsa.usda.gov/Internet/FSA_File/dcp2008.pdf.

County Committee Meetings

The four-member Crawford County Farm Service Agency committee meets once a month. The committee has established 8:30 a.m. on the second Tuesday of each month as its regular meeting time and the Crawford County FSA office as its meeting place. We will post a notice on the county office bulletin board if the committee must reschedule the time or place of its next meeting.

County committee members are:

Chairman Terry Corney, representing LAA-3.

Vic Chairman Donovan Scott, representing LAA-2

Allen Schimpf, representing LAA-1.

Trudy Ruehle, County Committee advisor.

USDA Designates 45 Ohio Counties as Primary Natural Disaster Areas

The U.S. Department of Agriculture designated forty-five Ohio counties as primary agricultural natural disaster areas, making certain farmers and other agricultural producers in the counties eligible for low-interest emergency loans from USDA's Farm Service Agency (FSA).

The following counties were designated as primary natural disaster areas, due to excessive rain, and high winds related to Hurricane Ike that occurred from Sept. 14, 2008 through Sept. 16, 2008.

Those counties are: Adams, Ashland, Auglaize, Brown, Butler, Carroll, Champaign, Clark, Clinton, Columbiana, Coshocton, Crawford, Darke, Delaware, Erie, Fairfield, Fayette, Greene, Guernsey, Hamilton, Hancock, Hardin, Holmes, Huron, Jefferson, Knox, Licking, Logan, Madison, Mahoning, Marion, Morgan, Muskingum, Noble, Perry, Pickaway, Seneca, Shelby, Stark, Tuscarawas, Union, Van Wert, Warren, Washington, and Wood.

Counties eligible because they are contiguous to those listed above are: Allen, Athens, Belmont, Clermont, Franklin, Harrison, Henry, Highland, Hocking, Lorain, Lucas, Medina, Mercer, Miami, Monroe, Montgomery, Morrow, Ottawa, Paulding, Pike, Portage, Preble, Putnam, Richland, Ross, Sandusky, Scioto, Summit, Trumbull, Wayne, and Wyandot.

All counties listed above were designated natural disaster areas on December 31, 2008, making all qualified farm operators in the designated areas eligible for low-interest emergency loans from USDA's FSA, provided eligibility requirements are met. To qualify, farmers must be unable to obtain credit from commercial sources. Farmers in eligible counties have eight months from the date of the declaration to apply for loans to help cover part or all of their actual losses. FSA will consider each loan application on its own merits, taking into account the extent of losses, security available and repayment ability. FSA has a variety of programs, in addition to the emergency loan program, to help eligible farmers recover from adversity.

USDA has also made other programs available to assist farmers, including the Emergency Conservation Program, Federal Crop Insurance and the Noninsured Crop Disaster Assistance Program.

Interested farmers should contact their local FSA county office for further information on eligibility requirements and application procedures for these and other programs.

NAP Coverage Deadline

March 16th is the last day for producers to apply for Non-Insured Crop Disaster Assistance Program (NAP) coverage using Form CCC-471, Application for Coverage, and pay the service fee at the county office. To download the electronic "*NAP Basic Provisions Document*", form CCC-471 NAP BP, go to:

http://www.fsa.usda.gov/Internet/FSA_File/ccc_471_nap_b.p.pdf. The application and service fee must be filed by **March 16th**, the deadline date for 2008 spring planted crops which include: forage sorghum, oats, potatoes, soybeans, sunflowers and all spring planted specialty crops grown for food.

The service fee is \$250 per crop per county or \$750 per producer per county. The fee cannot exceed a total of \$1875 per producer with farming interest in multiple counties. Limited resource producers may request a waiver of service fees. To qualify, a producer must be a landowner, tenant or sharecropper who shares in the risk of producing an eligible crop.

Farm Loan Programs

The Farm Service Agency (FSA) offers loans for farmers and producers to purchase farmland and finance agricultural operations. FSA loan programs are designed to help producers who are temporarily unable to obtain private or commercial credit. In many cases, applicants are beginning farmers who have insufficient net worth to qualify for financing through a commercial lender. In other instances, borrowers might have suffered setbacks from natural disasters or might be persons with limited resources.

Farm ownership loans or farm operating loans may be obtained as direct loans for a maximum of up to \$300,000. Currently, guaranteed loans can reach a maximum indebtedness of \$1,094,000. Emergency loans are always direct loans for farmers who may have suffered physical or production losses in disaster areas designated by a Presidential or Secretarial disaster declaration. Rural Youth Loans, Loans to Beginning Farmers and loans for socially disadvantaged applicants are also available through FSA.

For detailed information, contact your local FSA county office to setup an appointment with a Loan Approval Official.

USDA Designates 47 Ohio Counties as Primary Natural Disaster Areas

The U.S. Department of Agriculture designated forty-seven Ohio counties as primary agricultural natural disaster areas, making certain farmers and other agricultural producers in the counties eligible for low-interest emergency loans from USDA's Farm Service Agency (FSA).

The following counties were designated as primary natural disaster areas, due to drought that occurred from July 1, 2008 and continuing.

Those counties are: Adams, Allen, Ashland, Athens, Auglaize, Belmont, Brown, Butler, Clark, Clermont, Clinton, Crawford, Defiance, Erie, Franklin, Fulton, Hamilton, Hancock, Hardin, Henry, Highland, Hocking, Holmes, Huron, Knox, Licking, Logan, Lucas, Marion, Monroe, Montgomery, Morrow, Ottawa, Perry, Pickaway, Pike, Preble, Ross, Scioto, Seneca, Union, Van Wert, Warren, Washington, Williams, Wood, and Wyandot.

Counties eligible because they are contiguous to those listed above are: Champaign, Coshocton, Darke, Delaware, Fairfield, Fayette, Greene, Guernsey, Harrison, Jackson, Jefferson, Lawrence, Lorain, Madison, Medina, Meigs, Mercer, Miami, Morgan, Muskingum, Noble, Paulding, Putnam, Richland, Sandusky, Shelby, Stark, Tuscarawas, Vinton, and Wayne.

All counties listed above were designated natural disaster areas on December 31, 2008, making all qualified farm operators in the designated areas eligible for low-interest emergency loans from USDA's FSA, provided eligibility requirements are met. To qualify, farmers must be unable to obtain credit from commercial sources. Farmers in eligible counties have eight months from the date of the declaration to apply for loans to help cover part or all of their actual losses. FSA will consider each loan application on its own merits, taking into account the extent of losses, security available and repayment ability. FSA has a variety of programs, in addition to the emergency loan program, to help eligible farmers recover from adversity.

USDA has also made other programs available to assist farmers, including the Emergency Conservation Program, Federal Crop Insurance and the Noninsured Crop Disaster Assistance Program.

Interested farmers should contact their local FSA county office for further information on eligibility requirements and application procedures for these and other programs.

Youth Loans

The Farm Service Agency makes loans to rural youths to establish and operate income-producing projects in connection with 4-H clubs, FFA and other agricultural groups. Projects must be planned and operated with the help of the organization advisor, produce sufficient income to repay the loan and provide the youth with practical business and educational experience. The maximum loan amount is \$5000.

Youth Loan Eligibility Requirements:

- Be a citizen of the United States (which includes Puerto Rico, the Virgin Islands, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands) or a legal resident alien
- Be 10 years to 20 years of age
- Live in a rural area or in a town of 50,000 people or fewer
- Must obtain a written recommendation and consent from a parent or guardian if the applicant has not reached the age of majority under state law
- Comply with FSA's general eligibility requirements
- Be unable to get a loan from other sources
- Conduct a modest income-producing project in a supervised program of work as outlined above
- Demonstrate capability of planning, managing and operating the project under guidance and assistance from a project advisor. The project supervisor must recommend the project and the loan, along with providing adequate supervision.

To find out more about the FSA Rural Youth loan program, contact your local FSA county office to setup an appointment with a Loan Approval Official.

Bank Account Changes

Current policy mandates that FSA payments be electronically transferred into your bank account. In order for timely payments to be made, producers need to notify the FSA county office if your account has been changed or if another financial institution purchases your bank. Payments can be delayed if the FSA office is not aware of updates to your account and routing numbers.

Customer Statement

January signals the beginning of a new year, and a time to gather financial records and starting to think about filling out a 1040. Producers who have signed up for a USDA eAuthentication Level 2 account will be able to access their farm data via their Customer Statement. The website is available at: <http://customerstatement.usda.gov/>.

The Customer Statement puts a range of USDA services and programs into a single report that's at your fingertips and available online, 24 hours a day, seven days a week. **For a producer replacement 1099 Call 1-866-729-9705.** It allows USDA customers to view their participation, application and payment status in various commodity and conservation programs; information on farm loans; and conservation plan and land unit information.

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual's income is derived from any public assistance program. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotope, etc.) should contact USDA's TARGET Center at (202) 720-2600 (voice and TDD). To file a complaint of discrimination, write to USDA, Director, Office of Civil Rights, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410, or call (800) 795-3272 (voice) or (202) 720-6382 (TDD).
