County Committee Election Results

Congratulations to Dwight Piper. Dwight was reelected to represent farmers from Kingston, Porter, Berkshire, Genoa, Trenton & Harlem Townships on the county committee. Dwight was elected to his third consecutive term. The election results for Local Administrative Area #3 are:

Dwight Piper — Elected to the county committee (COC),
Karen Debolt — 1st alternate to COC,

FSA appreciates all of the voters for taking the time to complete the election ballot. The county committee system works only because of your participation.

The committee members will hold their organizational meeting in January to determine who will serve as the county committee chairman and vice-chairman.

2009 SURE Sign-up Begins Jan. 10

The sign-up period for the 2009 crop year Supplemental Revenue Assistance Payments (SURE) program begins on Jan. 10, 2011. SURE is one of five disaster programs included in the Food, Conservation, and Energy Act of 2008 that provides assistance to farmers and ranchers who have suffered losses due to natural disasters.

This program provides a tremendous amount of assistance to producers who have suffered from natural disasters, and is part of the 'safety net' designed to assist farmers and ranchers who feed America and the world. USDA encourages producers who suffered losses during the 2009 crop year to visit their local FSA office to learn more about the SURE program.

To be eligible for SURE a farm must have:

- At least a 10 percent production loss on a crop of economic significance;
- A policy or plan of insurance under the Federal Crop Insurance Act or the Noninsured Crop Disaster Assistance Program (NAP) for all economically significant crops;

Been physically located in a county that was declared a primary disaster county or contiguous county by the Agriculture Secretary under a Secretarial Disaster Designation. Without a Secretarial Disaster Designation, individual producers may be eligible if the actual production on the farm is less than 50 percent of the normal production on the farm due to a natural disaster. Producers considered socially disadvantaged, a beginning farmer or rancher, or a limited resource farmer may be eligible for SURE without a policy or plan of insurance or NAP coverage.

For more information on the 2009 SURE program, visit any FSA county office or <http://www.fsa.usda.gov/sure>.

LDP Deadline on Unshorn Wool, Mohair and Lamb Pelts

Eligible producers have **until Jan. 31, 2011**, to apply for LDPs for wool, mohair and unshorn pelts produced during the 2010 crop year.

Eligible producers must have beneficial interest in the pelts, owned the lamb for at least 30 calendar days before the date of slaughter and sell the unshorn lamb for immediate slaughter. Producers must also comply with wetland conservation and highly erodible land conservation provisions on all lands they operate or have interest in.

To qualify for payment, pelts must have been produced by an eligible producer from live

unshorn lambs of domestic origin in the United States.

USDA Introduces an Online Tool to Assist Beginning and Socially Disadvantaged Farmers

An online tool has been established that can link retiring farmers who have expiring Conservation Reserve Program contracts with beginning farmers who are interested in bringing the land into production. The new online resource, TIP Net, is a website provided by the Farm Service Agency (FSA). Through the Transition Incentives Program (TIP), producers with land for sale or lease are introduced to qualified beginning or socially disadvantaged farmers and ranchers who want to buy or rent land for their operations.

The interest in TIP during the first six months of implementation has far exceeded our expectations. This tool should make TIP even more effective in facilitating the transition of land to our next generation of farmers.

TIP provides up to two additional Conservation Reserve Program (CRP) annual rental payments to a retired or retiring owner or operator with an expiring CRP contract. To qualify, the landowner must sell or lease the CRP land to a beginning or socially disadvantaged farmer so the new operator can convert some or all of the land to production using sustainable grazing or crop production methods.

For beginning and socially disadvantaged farmers who cannot qualify for conventional credit, FSA offers financing as well. FSA makes direct loans and guaranteed loans made by conventional farm lenders to finance the purchase and operation of a farm. Each fiscal year, the agency targets a significant portion of its direct and guaranteed farm ownership and operating loan funds to beginning and socially disadvantaged farmers. In addition to the funding reserves, FSA operates a special "down payment" loan program to assist socially disadvantaged and beginning farmers in purchasing a farm. Like TIP, this program can help retiring farmers transfer their land to future generations.

For additional information on FSA farm loan contact your local FSA office to setup an appointment with a Loan Approval Official. TIP Net can be found online at <http://www.fsa.usda.gov/tipnet>.

Special Accommodations

Special accommodations will be made upon request for individuals with disabilities, vision impairment or hearing impairment. If accommodations are required,

individuals should contact the county FSA office staff directly or by phone.

Financial Inquiries for FSA Producers

January signals the beginning of a new year, and a time to gather financial records and start thinking about filling out a 1040. Producers who have signed up for a USDA eAuthentication Level 2 account will be able to access their farm data through Financial Inquires for FSA Producers. The site is available under Online Services on the Ohio FSA webpage at <http://www.fsa.usda.gov/oh>.

If you need to inquire about a particular electronic deposit, program payment, debt, or 1099G – USDA Level 2 customers can go here to view financial information.

Applications for FSA Loans

Farmers that intend to apply to the Farm Service Agency for loan assistance for the upcoming crop year are encouraged to file their applications as early as possible. Filing early will help ensure that your loan is processed and approved as early as possible so that planting decisions can be made.

Not applying early can result in a delay in processing loans due to the volume of applications that must be processed in date order. Contact your local FSA Loan Approval Official for more details and assistance in applying.

Faxed Signatures

Certain faxed signatures shall be accepted for all applicable program forms or other documents approved for faxed signatures, if all other signature requirements are met.

Reasonable Accommodations

Reasonable accommodations will be made, upon request, for individuals with disabilities, vision impairment, or hearing impairment to attend or participate in meetings or events sponsored by the Farm Service Agency. If you require special accommodations to attend or participate in one of our events, please call the FSA county office and we will be happy to make any needed arrangements.

Controlled Substance

Any person who is convicted under federal or state law of a controlled substance violation could be ineligible for USDA payments or benefits. Violations include

planting, harvesting or growing a prohibited plant. Prohibited plants include marijuana, opium, poppies and other drug producing plants.

Power of Attorney

FSA has a required power of attorney form available for those who find it difficult to visit the county office personally because of work schedules, distance, health, etc., that enables the participant to designate another person to conduct his or her business at the office. This can be done by completing an FSA-211, Power of Attorney. The form is available at your local USDA Service Center or online at:

http://forms.sc.egov.usda.gov/efcommon/eFileServices/Forms/FSA0211-0211A_081217V02.pdf .

Bank Account Changes

Current policy mandates that FSA payments be electronically transferred into your bank account. In order for timely payments to be made, producers need to notify the FSA county office if your account has been changed or if another financial institution purchases your bank. Payments can be delayed if the FSA office is not aware of updates to your account and routing numbers.

Appeal Process

After an FSA official makes a decision on your request for USDA services or application, you will be sent a letter informing you of the decision and options you can pursue if you disagree.

Generally, program participants have three choices — an informal review with the original agency decision-maker, an opportunity for mediation and finally an appeal to the next level of authority within the agency.

LDP Deadline on Unshorn Wool, Mohair and Lamb Pelts

Eligible producers have until Jan. 31, 2011, to apply for LDPs for wool, mohair and unshorn pelts produced during the 2010 crop year.

Eligible producers must have beneficial interest in the pelts, owned the lamb for at least 30 calendar days before the date of slaughter and sell the unshorn lamb for immediate slaughter. Producers must also comply with wetland conservation and highly erodible land conservation provisions on all lands they operate or have interest in.

To qualify for payment, pelts must have been produced by an eligible producer from live unshorn lambs of domestic origin in the United States.

Loans for Socially Disadvantaged

FSA has a number of loan programs available to assist applicants to begin or continue in agriculture production. Loans are available for operating type loans and/or purchase or improve farms.

While all qualified producers are eligible to apply for these loan programs, the FSA has targeted funding for members of Socially Disadvantaged Applicants. A socially disadvantaged applicant is one of a group whose members have been subjected to racial, ethnic or gender prejudice because of his or her identity as members of the group without regard to his or her individual qualities. For purposes of this program, socially disadvantaged groups are women, African Americans, American Indians, Alaskan Natives, Hispanics, Asian Americans, and Pacific Islanders. For detailed information on loan eligibility or the different loan programs available, contact your local FSA office to setup an appointment with a Loan Approval Official. FSA loans are only available to applicants who meet all the eligibility requirements and are unable to obtain the needed credit elsewhere.

DCP Sign-up & Advance Payments

Enrollment for the 2011 Direct and Counter-cyclical Program (DCP) has begun and will continue through June 1, 2011. Advance payments of 22% on the 2011 DCP program will be available starting December 1, 2010. The remaining 78% of your DCP payment will be issued after October 1, 2011.

Eligible producers receive direct payments at rates established by statute regardless of market prices. DCP contract signatures for enrollment are due by the **sign-up deadline of June 1, 2011.**

For more information producers can contact their local FSA office.
