Marion County Committee Election Results

Congratulations to Dale Snyder! Dale was re-elected to represent farmers from Marion, Claridon, Grand Prairie, Scott and Tully Townships on the county committee. Dale was elected to his 3rd consecutive term. The election results for Local Administrative Area 3 are:

Dale Snyder — Elected to the county committee (COC),

Roger Kepford — 1st alternate to COC,

FSA appreciates all of the voters for taking the time to complete the election ballot. The county committee system works only because of your participation.

Informational Meeting Set for Conservation Reserve Program Participants

The Marion County FSA Office is hosting an informational meeting to discuss Mid-Contract Management for participants in the Conservation Reserve Program (CRP) and the Conservation Reserve Enhancement Program (CREP).

Mid-Contract Management (MCM) is a program requirement for contracts with a start date of 2004 and later. Program participants are required to perform at least 1 management activity as part of their approved conservation plan. The management activity shall ensure plant diversity and wildlife benefits, while ensuring protection of the soil and water resources. Management activities are site specific and are used to enhance the permanent cover. MCM cannot be done during the last 3 years of the contract.

Two meetings will be held on **Wednesday, January 25, 2012**: a **2:00 PM** meeting will be held at the Marion County USDA Service Center (1100 E. Center St., Marion) and a **6:00 PM** meeting will be held at Elgin High School (1239 Keener Rd. S., Marion). Please call the office at 740-387-1315 to reserve your spot and designate which time you'd like to attend.

LDPs for Wool and Unshorn Lamb Pelts

Eligible producers have until Jan. 31, 2012, to apply for Loan Deficiency Payments (LDP) for wool and unshorn pelts produced during the 2011 crop year.

Eligible producers must have beneficial interest in the wool and pelts, owned the lamb for at least 30 calendar days before the date of slaughter and sell the unshorn lamb for immediate slaughter. Producers must also comply with wetland conservation and highly erodible land conservation provisions on all lands they operate or have interest in.

To qualify for payment, pelts must have been produced by an eligible producer from live unshorn lambs of domestic origin in the United States.

Faxed Signatures

Certain faxed signatures shall be accepted for all applicable program forms or other documents approved for faxed signatures, if all other signature requirements are met.

Highly Erodible Land and Wetland Conservation Compliance

Landowners and operators are reminded that in order to receive payments from USDA, compliance with Highly Erodible Land (HEL) and Wetland Conservation (WC) provisions are required. Farmers with HEL determined soils are reminded of tillage, crop residue, and rotation requirements as specified per their conservation plan. Producers are to notify the USDA Farm Service Agency prior to conducting land clearing or drainage projects to insure compliance. Failure to obtain advance approval for any of these situations can result in the loss of eligibility and all Federal payments.

Appeal Process

After an FSA official makes a decision on your request for USDA services or application, you will be sent a letter informing you of the decision and options you can pursue if you disagree.

Generally, program participants have three choices — an informal review with the original agency decision-maker, an opportunity for mediation and finally an appeal to the next level of authority within the agency.

County Committee Minority Advisors

FSA County Committee (COC) Advisors are a valued voice for under-represented groups and socially disadvantaged farmers and ranchers. County committee members and their county executive directors, actively reach out to producer groups who are under-represented on county committees.

Eligibility requirements for COC Advisor nominee include:

- be actively participating in farming or ranching in the county or area;
- be willing and available to serve as an advisor, if appointed; and
- indicate in writing their willingness to serve.

Duties and Responsibilities of COC Advisors include:

- attend each COC meeting, including executive sessions;
- participate in all deliberations;
- increase awareness of and participation in FSA activities, including elections, by eligible voters to ensure that socially disadvantaged group problems and viewpoints are understood and considered in FSA actions;
- help to develop interest and incentives in socially

disadvantaged group members for considering FSA work as a career;

- active soliciting candidates from socially disadvantaged groups for nomination during the election process; and
 - able to perform special duties at COC's request.
- Note: Advisors do not have authority to sign documents.

Interested individuals should submit a written letter that outlines their abilities and qualifications, as well as their willingness to serve, postmarked by Jan. 31, 2012. The Marion County Committee will review these submissions and recommend a minority advisor to the Ohio FSA State Committee. The Ohio FSA State Committee will appoint the minority advisor, whose term will begin March 1st, 2012. County Committee advisors serve for a 12-month period not to exceed 9 consecutive years.

Interested individuals should mail their letters to the Marion County Farm Service Agency, 1100 E. Center St., Suite A, Marion, Ohio, 43302. If you have any questions regarding this position, please contact Molly Brock, County Executive Director at 740-387-1315, or by email at molly.brock@oh.usda.gov.

Financial Inquiries for FSA Producers

January signals the beginning of a new year, and a time to gather financial records and start thinking about filling out a 1040. Producers who have signed up for a USDA eAuthentication Level 2 account will be able to access their farm data through Financial Inquires for FSA Producers. The site is available under Online Services on the Ohio FSA webpage at <http://www.fsa.usda.gov/oh>.

If you need to inquire about a particular electronic deposit, program payment, debt, or 1099G – USDA Level 2 customers can go here to view financial information.

Grasslands Reserve Program Sign-up Deadline Announced

The Ohio Farm Service Agency (FSA) is accepting applications for the 2012 Grassland Reserve Program (GRP). The deadline is **January 31, 2012** for applicants to submit offers for **GRP easement** and **GRP rental contracts**.

The GRP is a jointly administered program between FSA and Natural Resources Conservation Service (NRCS). The purpose of GRP is to assist landowners and operators to protect grazing uses and related conservation values by conserving and restoring grassland resources on eligible private lands.

Eligible land includes privately owned grazing lands,

land located in an area that historically has been dominated by grassland or savannas, or grassland that has the potential to serve as wildlife habitat of significant ecological value. Incidental lands may be included to allow for the efficient administration of a rental contract or easement.

Landowners and producers are encouraged to contact qualified personnel at their local USDA Service Center to assist in answering any questions on GRP or help in the application process.

Special Accommodations

Special accommodations will be made upon request for individuals with disabilities, vision impairment or hearing impairment. If accommodations are required, individuals should contact the county FSA office staff directly or by phone.

Hispanic and Women Farmers

A process to resolve the claims of Hispanic and women farmers and ranchers who believe they were discriminated against when seeking USDA farm loans has been established.

If you believe that the United States Department of Agriculture (USDA) improperly denied farm loan benefits to you between 1981 and 2000 because you are Hispanic, or because you are female, you may be eligible to apply for compensation.

For additional information on this and other settlement issues contact:

- **Hispanic and Women Farmer Claims Process:** www.farmerclaims.gov or call 1-888-508-4429
- **Pigford – The Black Farmers Discrimination Litigation:** www.blackfarmercase.com or call 1-866-950-5547
- **Keepseagle - The Native American Farmers Class Action Settlement:** www.IndianFarmClass.com or call 1-888-233-5506

Individuals interested in participating in the claims process may register to receive a claims package, or may obtain more information, by visiting the website or by calling the Farmer and Rancher Call Center. USDA cannot provide legal advice to potential claimants. Persons seeking legal advice may contact a lawyer or other legal services provider.

Pigford Settlement Claims Filing Period Open for African American Farmers and Ranchers

Agriculture Secretary Tom Vilsack would like to remind African American farmers and ranchers that the period to file a claim in the Pigford II settlement has opened. African American farmers and ranchers who believe they

are entitled to compensation under the Pigford II settlement must file a claim within 180 days in order to receive cash payment or loan forgiveness.

In February, USDA and Department of Justice announced an agreement with African American farmers to settle the Pigford II litigation for \$1.25 billion. Congress passed the Claims Resolution Act of 2010 that funded the settlement in November 2010, and the bill was signed by President Obama in December 2010.

The settlement arises from a class action lawsuit against USDA that alleges the Department discriminated against African-Americans who applied for or attempted to apply for farm loans or other farm benefits between January 1, 1981 and December 31, 1996. The settlement applies only to African-American farmers who meet specific eligibility requirements, including the requirement that they previously submitted a request to file a late claim in the 1999 Pigford I class action Consent Decree.

The filing period opened November 14, 2011, and continues for 180 days, until May 11, 2012.

Claimant services representatives can also be reached through calling 1-877-810-8110 or 1-866-950-5547. Claimants must register for a claims package (by calling the number or visiting the website) and the claims package will be mailed to claimants. All those interested in learning more or receiving information about the claims process and claims packages are encouraged to attend a meeting and contact the website or claims telephone number.

The website is: www.blackfarmercase.com

The call number is: 1-877-810-8110 or 1-866-950-5547

Claims period: November 14, 2011 to May 11, 2012

Farming Operation Changes

If you have bought or sold land, or if you have added or dropped rented land from your operation, make sure you report the changes to the office as soon as possible. You need to provide a copy of your deed or recorded land contract for purchased property. Failure to maintain accurate records with FSA on all land you have an interest in can lead to possible program ineligibility and penalties. Making the record changes now will save you time in the spring. Update signature authorization when changes in the operation occur. Producers are reminded to contact the office of a change in operations on a farm so that records can be kept current and accurate.

Power of Attorney

FSA has a required power of attorney form available for those who find it difficult to visit the county office personally because of work schedules, distance, health, etc., that enables the participant to designate another person to conduct his or her business at the office. This can be done by completing an FSA-211, Power of Attorney. The form is available at your local USDA Service Center or online at:

http://forms.sc.egov.usda.gov/efcommon/eFileServices/Forms/FSA0211-0211A_081217V02.pdf .
