Part 1 Introduction and Purpose

1 Purpose and Sources of Authority

A Handbook Purpose

This handbook is designed to assist FSA in understanding:

- regulations governing direct loan regular or routine servicing
- roles and responsibilities in implementing regulations and other responsibilities in direct loan regular or routine servicing.

B Sources of Authority

The sources of authority for this handbook include:

- 7 CFR Part 765 and other regulations that may be referenced throughout this handbook
- various laws and statutes passed by Congress, including CONACT.

C Regulation References

Text in this handbook that is published in CFR is printed in **bold** text. CFR citation is printed in brackets in front of the text. The references and text:

- are intended to highlight the requirement spelled out in CFR
- may be used to support FSA adverse decisions.

***--Note:** Cross-references printed in bold are citing a section of CFR. The handbook paragraph or subparagraph where the cross-referenced CFR text can be found is printed in non-bold text in parenthesis (within the bold text).

Example: Subparagraph 118 A provides “[**7 CFR 765.205(c)**] (1) **For loans secured by chattel, the subordination must meet conditions contained in paragraphs (b)(1) through (b)(12) of this section** (subparagraph 117 A).”

The text “**paragraphs (b)(1) through (b)(12) of this section**” refers to 7 CFR 765.205 (b)(12). The non-bold reference indicates that 7 CFR 765.205(b) is included in subparagraph 117 A.--*

C State Supplements

See Exhibit 4 for State supplements required by this handbook. SED's shall:

- issue required supplements, and any additional supplements, according to 1-AS, paragraph 216
- obtain approval of State supplements according to 1-AS, paragraph 220.

3 FLP Forms

A Form References

Except as provided in this paragraph, this handbook refers to forms according to the new forms numbering system that becomes effective December 31, 2007. Forms executed before December 31, 2007, may have a number different from that referenced. See 1-FLP, Exhibit 5 for a comparison of form numbers before and after December 31, 2007.

Note: See Exhibit 1 for titles of forms referenced in this handbook.

With the exception of FSA-2510, FSA-2512, and FSA-2514, form numbers are not referenced in CFR (**bold**) text. CFR refers to forms by either:

- the common name of the form

Example: CFR may state, “a promissory note”, instead of stating, “FSA-2026”.

- purpose or the information collected.

Example: CFR may state, “a shared appreciation agreement”, instead of stating, “FSA-2543”.

This handbook may refer to the following forms by title and/or form number.

Form Number	Form Title
FSA-2026	Promissory Note
FSA-2029	Mortgage/Deed of Trust
FSA-2543	Shared Appreciation Agreement

3 FLP Forms (Continued)**B FSA-2029**

All references to FSA-2029 within this handbook are intended as a reference to the applicable State-specific Mortgage or Deed of Trust. State-specific Mortgages or Deeds of Trust are available on the FFAS Employee Forms/Publications Online Website at <http://intra3.fsa.usda.gov/dam/ffasforms/forms.html> and are numbered FSA-2029 “ST”.

Notes: “ST” represents the appropriate State acronym.

SED is not required to issue a State supplement for the State-specific version of FSA-2029.

C Notary Acknowledgement

Forms do not include preprinted text for the Notary Acknowledgement because numerous States have State-specific laws establishing required text. Therefore, a fillable text area is provided under the “Acknowledgement” heading. SED’s shall issue State supplements providing the appropriate Notary Acknowledgement text to be inserted.

D Applicant and Borrower Signatures

Forms completed by applicants or borrowers include a signature box to accommodate multiple signatures. Separate signature lines are not provided because the number of signatures required for an entity applicant or borrower cannot be determined in advance. Instructions for completing forms will provide guidance to applicants or borrowers on signature requirements.

Forms prepared by FSA for the applicant or borrower’s signature include a fillable area instead of preprinted signature lines. County Offices shall insert a signature line and the name of each applicant, borrower, entity member, or other individual required to sign the form.

SED’s shall issue a State supplement addressing State-specific signature requirements.

3 FLP Forms (Continued)

E State Office Modified National Forms

State and County Offices shall use national forms unless their use is prohibited by State law. If modification to a national form is required to comply with State law, the State Office shall submit a copy of the national form showing the necessary modifications, through the State Directives Management System.

Note: State-specific forms based on national forms will be made available on the FFAS Employee Forms/Publications Online Website at <http://intra3.fsa.usda.gov/dam/ffasforms/forms.html> with the same form number as the national form, followed by the State acronym.

F State-Created Forms

State Offices may create forms, as necessary, when a national form is not available. State-created forms shall be assigned a 5-digit number establishing linkage to the appropriate FLP handbook, followed by the State acronym, according to the following.

IF the form pertains to...	THEN the form number shall be...
more than one FLP handbook	FSA-2000-1 ST, FSA-2000-2 ST, FSA-2000-3 ST, etc.
1-FLP	FSA-2100-1 ST, FSA-2100-2 ST, FSA-2100-3 ST, etc.
2-FLP	FSA-2200-1 ST, FSA-2200-2 ST, FSA-2200-3 ST, etc.
3-FLP	FSA-2300-1 ST, FSA-2300-2 ST, FSA-2300-3 ST, etc.
4-FLP	FSA-2400-1 ST, FSA-2400-2 ST, FSA-2400-3 ST, etc.
5-FLP	FSA-2500-1 ST, FSA-2500-2 ST, FSA-2500-3 ST, etc.
6-FLP	FSA-2600-1 ST, FSA-2600-2 ST, FSA-2600-3 ST, etc.

Notes: “ST” represents the appropriate State acronym.

Before using State forms imposing information collections on 10 or more persons per year, State Offices shall work with the National Office to obtain OMB approval.

SED shall issue State supplements, as applicable, to address the use of all State-specific and State-created forms.

Exception: State-specific FSA-2029’s do not require State supplement issuance.

4 FSA Exception Authority

A General

[7 CFR 765.501] On an individual case basis, the Agency may consider granting an exception to any regulatory requirement or policy of this part if:

(i) The exception is not inconsistent with the authorizing statute or other applicable law; and

(ii) The Agency's financial interest would be adversely affected by acting in accordance with published regulations or policies and granting the exception would resolve or eliminate the adverse effect upon the Agency's financial interest.

Authority for granting approval of an exception is held only by the Administrator and the DAFLP.

4 FSA Exception Authority (Continued)**B Submitting Exception Requests**

SED's must submit an exception request, in writing, to the Administrator or DAFLP. The request must describe the status of the account, including:

- a brief background on the case
- total outstanding FSA indebtedness; loan types and amounts
- current status of the account; if it is delinquent, where it is in Primary Loan Servicing
- type of security (chattel or real estate) and estimated value
- prior liens
- proposed plan of action that warrants the exception request
- what procedure is to be waived
- the adverse effect to FSA resulting from compliance with the regulation and how it would be eliminated or minimized through the exception
- discussion of graduation
- how the action is in the best interest of the Government
- additional information that SED thinks will be needed to review the case.

A decision as to whether an exception request will be submitted will be at FSA's discretion and is not appealable.

A request for an exception to program regulations should not be pursued under normal servicing conditions. FSA considers requests submitted under extraordinary circumstances only.

Part 2 (Reserved)

16-30 (Reserved)

Part 3 Limited Resource Loans**31 Reviewing a Borrower's Account****A Overview**

This Part describes the process for routine interest rate review of limited resource loans.

B Borrower Account Reviews

[7 CFR 765.51(a)] A borrower with limited resource interest rate loans is required to provide the Agency annually the operation's financial information to determine if the borrower can afford to pay a higher interest rate on the loan. The Agency will review the information provided in accordance with § 761.105 of this chapter (1-FLP, *--paragraph 263).--*

The authorized agency official will usually review borrower accounts during the year-end analysis; however, reviews may be completed at any time.

Note: See 1-FLP, Part 8, Section 5 for more information on the year-end analysis.

Based on results of the review, the authorized agency official may adjust the interest rate, if the:

- borrower's debt service margin shows that the borrower can afford to pay a higher interest rate according to subparagraph 32 A
- borrower makes a request to be removed from limited resource rates according to subparagraph 32 B
- borrower defaults on the loan agreements according to subparagraph 32 C.

The authorized agency official must approve the interest rate change by signing and dating the "8R", "Interest Rate Adjustment" ADPS transaction screen print. Additionally, the interest rate change will be reflected in FBP credit decision documents. Both documents should be filed in the borrower case file. The "8R" ADPS transaction will be attached to the promissory note.

When a review is completed and no change is to be made to the borrower's interest rate, an "8M", "Limited Resource Loan Review" ADPS transaction will be processed reflecting the date the review was completed. A screen print of this transaction will be signed and dated by the authorized agency official and filed in the borrower's case file.

32 Increasing and Decreasing Interest Rates

A Debt Service Margin

[7 CFR 765.51(b)] If the borrower's farm operating plan shows that the debt service margin exceeds 110 percent, the Agency will increase the interest rate on the loans with a limited resource interest rate until:

- (1) A further increase in the interest rate results in a debt service margin of less than 110 percent; or**
- (2) The interest rate is equal to the interest rate currently in effect for the type of loan.**

TDCLCR from FBP is used to establish eligibility for limited resource rates. TDCLCR is located in the Repayment Capacity/Sensitivity and the Ratio/Indicators Reports within FBP.

If TDCLCR exceeds 110 percent, the authorized agency official will recalculate the borrowers total debt repayment by replacing the current interest rate with an interest rate that is 1 percentage point above the current interest rate. If the current regular interest rate is less than 1 percent higher than the borrower's existing limited resource rate, the authorized agency official will:

- apply the regular interest rate to the total debt repayment calculation
- recalculate the borrower's TDCLCR using the new total debt repayment amount.

This process is repeated, using increments of 1 percent, if needed, until the interest rate that allows the borrowers TDCLCR to be as close to, but not less than, 110 percent is identified or the regular interest rate currently in effect has been achieved. Increments of less than 1 percent may only be used to reach the regular interest rate currently in effect.

Example: The current interest rate for the type of loan is 7.25 percent. The limited resource interest rate is 5 percent. After increasing the interest rate by full percentage points to 7 percent, if the 110 percent TDCLCR requirement can still be met, the rate may be increased by 0.25 percent to reach the current full interest rate for the type of loan.

If the borrower has more than 1 limited resource loan, the authorized agency official will alternate increasing the interest rate on 1 loan at a time, until the borrowers TDCLCR is as close as possible, but not less than, 110 percent or the regular interest rate currently in effect has been reached for all existing limited resource loans.

32 Increasing and Decreasing Interest Rates (Continued)**B Borrower Request**

The authorized agency official may adjust the interest rate on a borrower's limited resource loan to the regular interest rate for that type of loan, if all of the following provisions apply:

- borrower makes the request in writing
- borrower's TDCLCR at the regular interest rate is greater than or equal to 100 percent
- regular rate is lower than or equal to the limited resource rate.

C Loan Agreement Default

[7 CFR 765.51(c)] Except as provided in paragraph (d) (subparagraph D) of this section, the Agency will increase the limited resource interest rate to the current interest rate for the type of loan, if the borrower:

- (1) Purchases items not planned during the term of the loan;**
- (2) Refuses to submit information the Agency requests for use in reviewing the borrower's financial condition;**
- (3) Ceases farming, as described in § 765.253 (paragraph 99); or**
- (4) Is ineligible due to disqualification resulting from Federal Crop Insurance violation according to 7 CFR part 718 (1-CM).**

D Deferred Loans

[7 CFR 765.51(d)] If the borrower has limited resource interest rate loans that are deferred, the Agency will not change the interest rate during the deferral period.

33 Borrower Notification

A Sending Notification Letters

The authorized agency official must notify a borrower of any decision to change an interest rate with a letter similar to Exhibit 20. The letter must inform the borrower of:

- the new interest rate
- the authorization and reason for the change in interest rate
- the effective date of the new rate
- the amounts of new payments and dates due
- appeal rights, unless the borrower requested the rate increase.

The letter must be sent by certified mail and a copy must be placed in the borrowers file. The authorized agency official will not apply the increased interest rate until 30 calendar days after the letter is sent to the borrower. If the borrower appeals FSA's decision to increase the interest rate, the rate will not be changed until the appeal is concluded.

B Change in Regular Interest Rate

If the rate is being changed to the regular rate, and as of the effective date the regular rate of interest is something other than the rate noted in Exhibit 20, the borrower will receive the lower of the 2 rates.

34-45 (Reserved)

Part 4 Borrower Graduation**46 Graduation Requirements****A General**

The direct FLP is not a permanent lending program and should be viewed as a temporary source of credit. By statute, FSA periodically conducts graduation reviews to assess the borrower's ability to graduate to commercial credit. The borrower must provide FSA with all the information requested for the reviews. Borrowers whose financial condition has improved to a point they can refinance their debt with commercial credit will be asked to seek other financing and partially or fully payoff their FSA debt.

The requirements of this Part apply only to program borrowers or borrowers with a combination of program loans and NP's. A graduation of all program loans is considered a full graduation even though the borrower may still have NP's remaining.

B Graduation Criteria

[7 CFR 765.101(a)] In accordance with the promissory note and security instruments, the borrower must graduate to another source of credit if the Agency determines that:

- (1) The borrower has the ability to obtain credit from other sources; and**
- (2) Adequate credit is available from other sources at reasonable rates and terms.**

[7 CFR 765.101(b)] The Agency may require partial or full graduation.

- (1) In a partial graduation, all FLP loans of one type (i.e all chattel loans or all real estate loans) must be paid in full by refinancing with other credit with or without an Agency guarantee.**
- (2) In a full graduation, all FLP loans are paid in full by refinancing with other credit with or without an Agency guarantee.**
- (3) A loan made for chattel and real estate purposes will be categorized according to how the majority of the loan's funds are expended.**

46 Graduation Requirements (Continued)

B Graduation Criteria (Continued)

FSA will review provisions of individual promissory notes to ensure that graduation language is included. Some older promissory notes do not contain graduation clauses; these loans are not subject to the same graduation requirements.

C Reminding Borrowers to Graduate

Every October, FSA will send a letter similar to Exhibit 21 to all borrowers to remind them of their obligation to graduate, if their financial condition improves to the point that they qualify for commercial credit.

47 **Graduation Review Process****A Obtaining Underwriting Criteria From Local Lenders**

Each October, the authorized agency official shall contact local lenders to obtain their underwriting criteria for making agricultural loans. Information gathered from these contacts will be summarized on Exhibit 22, with any additional comments in narrative form, and placed in the county operational files FLP 2-2 “Agriculture Lender Contacts” and FLP 4-2 “Graduation”, according to 25-AS. At a minimum, the narrative for each lender will contain the following:

- lender’s interest in refinancing FSA borrowers, including interest in receiving the graduation prospectus described in subparagraph D
- lender’s rates, terms, fees, loan conditions, and policies for annual operating, term operating, and real estate loans.

B Obtaining Financial Data

***--[7 CFR 765.101(c)] The borrower must submit all information that the Agency requests in conjunction with the review of the borrower’s financial condition.**

The borrower will provide upon agency request, a current balance sheet, actual financial performance, and a projected farm budget at least every 2 years. Except for borrowers with only youth loans or whose accounts are flagged “bankruptcy”, “acceleration”, “FP Cap”, or “other” as determined by OGC, the authorized agency official will send Exhibit 23 and the--* required forms to request current financial information from the borrower to evaluate the potential for refinancing to commercial credit. Exhibit 23 will be sent twice if the borrower does not supply the required information. The first time Exhibit 23 is sent, the borrower will be given 30 calendar days to supply the required information. The second Exhibit 23 will be sent on day 15, only if the required information has not been submitted and will give the borrower 15 calendar days to submit the required information. If the borrower has provided the financial information required to conduct a year-end analysis, or current financial data is *--available for other reasons, this same information may be used in the graduation review--* process. The borrower’s financial information will be utilized to classify accounts according to 1-FLP, Part 8.

C Screening Borrowers

The authorized agency official will screen all borrowers classified as a “1” or “2” (commercial or standard) on RC 736, by comparing local underwriting criteria with the most recent financial information provided by the borrower. Borrowers with limited resource interest rates, and youth loan borrowers under 18 years of age, will be excluded from graduation regardless of the classification code. If the borrower’s financial information indicates they cannot meet local underwriting criteria, the authorized agency official shall document why the borrower, despite being classified a “1” or “2,” is unlikely to graduate. The authorized agency official will record this on RC 736 and in the borrower’s individual case file. RC 736 will be placed in operational file FLP 4-2, according to 25-AS.

If the borrower’s financial information indicates that the borrower meets local underwriting criteria and graduation is possible, the borrower’s prospectus will be forwarded according to subparagraph D.

47 Graduation Review Process (Continued)

D Sending Prospectus

[7 CFR 765.101(d)] The Agency may provide a borrower’s prospectus to lenders in an attempt to identify sources of non-Agency credit and assess the lenders’ interest in refinancing the borrower’s loan. The Agency will notify the borrower when the borrower’s prospectus is provided to one or more lenders.

If the borrower’s financial information indicates they meet local underwriting criteria, the authorized agency official will:

- include the borrower’s name, loan type, balance sheet, and projected cash flow on Exhibit 24
- send Exhibit 24 to commercial lenders.

Exhibit 24 asks lenders to indicate an interest in further review of borrowers listed. The lenders review will determine if they would be willing to refinance FSA.

When an authorized agency official includes a borrower’s information on Exhibit 24 and sends it to a lender, a copy of Exhibit 24 will be sent to the borrower with a cover letter with language similar to:

“Enclosed, please find Exhibit 24. This exhibit has been sent to several lenders in the area so they could review your financial information and consider refinancing your FSA account.”

E Applying for Commercial Credit

[7 CFR 765.101(e) If a lender expresses an interest in refinancing the borrower’s FLP loan, the borrower must:

- (1) Apply for a loan from the interested lender within 30 days of notice; or**
- (2) Seek guaranteed loan assistance under the market placement program in accordance with section 762.110(g) of this chapter (2-FLP, paragraph 72).**

An authorized agency official will assist the borrower with completion of an application for guaranteed loan, if a lender expresses an interest in providing assistance with a guarantee.

See 2-FLP for information on guaranteed loans.

47 **Graduation Review Process (Continued)**

E Applying for Commercial Credit (Continued)

If any lenders are interested in refinancing FSA, the authorized agency official will send the borrower a letter similar to Exhibit 25 listing lenders that are interested in refinancing the borrower's FSA loans.

The borrower must contact the lenders listed in the letter and complete an application for commercial credit within 30 calendar days.

If the borrower finds a creditor who will make a loan to refinance FSA at reasonable rates and terms, the borrower must graduate.

[7 CFR 765.101(f)] The borrower will be responsible for any application fees or purchase of stock in conjunction with graduation.

If a commercial lender rejects the borrower, the borrower must obtain from the lender written evidence that specifies the reasons for rejection. The borrower must submit these documents to FSA.

F Transferring and Assigning FSA Liens

[7 CFR 765.103] The Agency may assign its lien to the new lender when the borrower is graduating and all FLP debt will be paid in full.

Lien instruments may be assigned to the new lender by SED with the concurrence and as directed by Regional OGC.

48 Borrower Noncompliance of Graduation

A Borrower Noncompliance With Graduation Requirements

[7 CFR 765.102] Borrower failure to fulfill all graduation requirements within the time-period specified by the Agency constitutes default on the loan. The Agency will accelerate the borrower's loan without offering servicing options provided in 7 CFR Part 766 (5-FLP).

If the borrower fails to provide requested financial information or to graduate when able to do so, the authorized agency official will notify the borrower of the noncompliance, FSA's intent to accelerate the loans, and appeal rights according to 1-APP.

The authorized agency official must prepare and submit all required documents for concurrence to accelerate and liquidate. This adverse action does not require primary loan servicing. See 5-FLP, Parts 15 and 16 for more detail on the acceleration and liquidation process.

49-60 (Reserved)

Part 5 Borrower Payments**61 General****A Purpose**

This Part identifies how payments received by FSA from the borrower are to be applied to borrower loans. For borrowers with chattel security, this Part refers to proceeds that FSA will apply to the borrower's FLP debt according to FBP and FSA-2040.

B Acceptable Payment Forms

[7 CFR 765.151(a)] Borrowers must submit their loan payments in a form acceptable to the Agency, such as checks, cash, and money orders. Forms of payment not acceptable to the Agency include, but are not limited to, foreign currency, foreign checks, and sight drafts.

C Processing Payments

[7 CFR 765.151(b)] The Agency credits the borrower's account as of the date the Agency receives payment.

When FSA receives a payment, the authorized agency official must record and process the payment according to 3-FI. Any subsequent correction of applications will be processed using FSA-2429 according to 3-FI.

A receipt for payments received will be given when cash is received or the borrower requests a receipt with other payment forms.

61 General (Continued)

D Identifying Regular and Extra Payments

When FSA receives a payment from the borrower, the authorized agency official will identify the source of income from which the payment was derived. The source of the income or proceeds is essential to determine whether FSA applies payments as regular or extra.

[7 CFR 765.152(a)] Regular payments are derived from, but are not limited to:

- (1) The sale of normal income security;**
- (2) The sale of farm products;**
- (3) Lease income, including mineral lease signing bonus;**
- (4) Program or disaster-related disbursements from USDA or crop insurance entities;
and**
- (5) Non-farm income.**

[7 CFR 765.152(b)] Extra payments are derived from any of the following:

- (1) Sale of chattel security other than normal income security;**
such as farm equipment and breeding livestock.
- (2) Sale of real estate security;**
- (3) Refinancing of Agency debt;**
- (4) Cash proceeds of insurance claims received on Agency security, if not being used to repair or replace the security;**
- (5) Any transaction that results in a loss in the value of any Agency basic security;**
- (6) Refunds of duplicate disaster program benefits to be applied on an EM loan; or**
- (7) Refunds of unused loan funds.**

61 General (Continued)

E Canceling Undisbursed Loan Funds

After a loan has been closed, FSA-2425 will be used to cancel the obligation of funds that will not be used by the borrower. No interest accrues, since the funds were obligated, but not advanced.

FSA-2072 must also be prepared and submitted with a copy of FSA-2425 to FSC, FLOO at the following address:

USDA, FSA, FSC, FLOO, FC-533
PO BOX 200003
--ST LOUIS MO 63120-0003.--

The original FSA-2425 with the borrower's signature will be stapled to the original promissory note in the locking-type, fire-resistant file cabinet. A copy of FSA-2425 will be placed in the borrower's file in position 2 with the note and an ADPS Unclosed (UN) Screen *--screen-print, after completion of the deobligation by FLOO.--*

FSC, FLOO's record of the loan will indicate the loan amount was reduced after deobligation. Keeping the FSA-2425 with the promissory note (both original and copy) is the paper trail evidence that the loan amount was reduced after closing and the borrower consented.

DLS will be updated as required.

62 Regular Payments**A Applying Regular Payments**

[7 CFR 765.153(a)] A regular payment is credited to a scheduled installment on FLP direct loans and Non-program loans. Regular payments are applied to loans in the following order:

- (1) Annual operating loan;**
- (2) Delinquent FLP installments, paying least secured loans first;**
- (3) Non-delinquent FLP installments due in the current production cycle in order of security priority, paying least secured loans first;**
- (4) Any future installments due.**

Regular payments received will be credited by FSC, FLOO to loans in the order provided in subparagraph 64 A, beginning first with administrative costs and protective advances plus interest. Administrative costs and protective advances will only add on to FO and SW. For other loan types, a new loan account is established. The loan number for these loans is generally between 75 and 99. Any protective advance or administrative cost charged back to a borrower's account is immediately due and payable.

62 Regular Payments (Continued)**B Regular Payments From Real Estate Sale Security With SED Approval**

[7 CFR 765.152(c)] Notwithstanding any other provision of this section, payments derived from the sale of real estate security will be treated as regular payments at the Agency's discretion, if the FLP loans will be adequately secured after the transaction.

When FSA becomes aware that the borrower is selling all or a portion of the real estate security, FSA-2060 should be requested from the borrower. When FSA receives the payment from the sale of real estate security, the authorized agency official must consult FSA-2060 to determine the loan to which the payment should be applied, generally in the order of lien priority.

Note: If the borrower requests that payments resulting from the sale or exchange of real estate security be applied to current, delinquent, or unmatured loan installments; the borrower, with the assistance of the authorized agency official, must complete and submit FSA-2060. Only SED's may approve this application of funds. The authorized agency official will forward the completed FSA-2060 and any other materials required to SED for review. The authorized agency official will inform the borrower of the decision and provide appeal rights according to 1-APP, if FSA-2060 is not approved.

63 Extra Payments

A Applying Extra Payments

[7 CFR 765.153(b)] An extra payment is not credited to a scheduled installment and does not relieve the borrower’s responsibility to make scheduled loan installments, but will reduce the borrower’s FLP indebtedness. Extra payments are applied to FLP loans in order of lien priority except for refunds of unused loan funds, which shall be applied to the loan for which the funds were advanced.

64 Distributing Payments to Loans

A Order

[7 CFR 765.154] The Agency applies both regular and extra payments to each loan in the following order, as applicable:

- (a) Administrative costs and protective advances plus interest;**
- (b) Deferred non-capitalized interest;**
- (c) Accrued deferred interest;**
- (d) Interest accrued to date of payment; and**
- (e) Loan principal.**

B Distribution

Distribute payments according to the following.

IF the loan...	THEN...
number is identified correctly on the payment information	FSC, FLOO will automatically distribute the payment to borrower debt according to subparagraph A.
costs are separate from their parent loan (usually identified by loan numbers between 75 and 99)	the payment needs to be specifically identified to be applied to those loan cost accounts and then to the original loan.

C Notification of Account Activity and Status

*--FSC, FLOO will forward to the borrower and the local FSA office:

- “Reminder of Payments to be Made”, 60 calendar days before the installment due date, that shows the borrower the installments due on each loan and provides VRU telephone number (1-888-518-4983)

Note: VRU is a secure automated system that requires a PIN number, and guides borrowers in obtaining the status of their loans at any time. If further loan information is needed, such as a payoff amount, borrowers are directed to call the FSA office.

- FSA-2065 annually, that shows the loan status, all transactions completed during the calendar year, and VRU telephone number.--*

65 Final Payments

A Calculating the Final Payment

When FSA is notified of the date the borrower will make the final payment, the authorized agency official calculates the final payoff amount by checking the “TPOF” field of the ADPS AI and PF Status Screens.

The authorized agency official shall verify that no other accounting transactions are pending that would affect the payoff amount. This may include, but is not limited to, payments that may not yet have been applied, loan costs that may not be posted on the account yet, interest rate changes, accounting corrections, and shared appreciation recapture.

--Final payoffs shall be verified by 2 agency officials to lessen the possibility of an incorrect payoff amount being provided. Both officials will sign and date Exhibit 26 and initial the-- AI and PF Status Screens and any other documentation to certify the amount. Exhibit 26 will be forwarded to the borrower.

B Supervised Bank Accounts

If a borrower has a supervised bank account, the authorized agency official may apply any remaining funds in the account to the final payoff, or release the remaining funds in the supervised bank account to the borrower after they have paid the account in full.

See 1-FLP, Part 4 for more information on supervised bank accounts.

C Overpayment

[7 CFR Part 765.155(c)] If an Agency miscalculation of a final payment results in an overpayment by the borrower of less than \$10, the borrower must request a refund from the Agency in writing. Overpayments of \$10 or more automatically will be refunded by the Agency.

The authorized agency official sends any borrower requests for refund of overpayments to FSC, FLOO and forwards refunds issued by FSC, FLOO to the borrower.

65 Final Payments (Continued)

D Underpayment

[7 CFR Part 765.155(d)] If an Agency miscalculation of a final payment amount results in an underpayment, the Agency may collect all account balances resulting from its error. If the Agency cannot collect an underpayment from the borrower, the Agency will attempt to settle the debt in accordance with subpart B of 7 CFR part 1956.

If the authorized agency official discovers that the borrower underpaid FSA in an amount that exceeds \$10, the account will be serviced according to 5-FLP, Part 10.

If the promissory notes or security instruments have been released, the authorized agency official will immediately request guidance from the State Office, who will consult OGC.

If voluntary payment is not made to pay the debt in full, if a compromise offer is not made or accepted, or if court action is not initiated to collect the debt, the account will be referred for collection under TOP and cross-servicing after appropriate notice, if the remaining debt exceeds \$100.

Debt cancellations over \$10 will only be processed after all other attempts to collect the debt have been exhausted.

65 Final Payments (Continued)**E Borrower Refunds**

[7 CFR Part 765.155(b)] If the borrower refunds the entire loan after the loan is closed, the borrower must pay interest from the date of the note to the date the Agency received the funds.

F Security Instrument Releases

[7 CFR Part 765.155(a)] (1) Unless the Agency has reservations regarding the validity of the payment, the Agency may release the borrower's security instruments at the time payment is made, if the borrower makes a final payment by one of the following methods:

- (i) Cash;**
- (ii) U.S. Treasury check;**
- (iii) Cashier's check; or**
- (iv) Certified check.**

[7 CFR Part 765.155(a)(2)] Security instruments will only be released when all loans secured by the instruments have been paid in full or otherwise satisfied.

The authorized agency official will check FSA's automated systems, including ADPS and MAC, and all information in the borrower's file.

SED may issue a State supplement providing guidance about actions and filing fees for the release of loan security instruments.

[7 CFR 765.155(a)(3)] The Agency will return the paid note and satisfied security instruments to the borrower after the Agency processes the final payment and determines that the total indebtedness is paid in full.

After verifying that the loans are paid in full and the payment has cleared, the authorized agency official will close the case files and return the documents to the borrower according to 25-AS, paragraph 89. Any assignments held by FSA will be terminated using Exhibit 27 and satisfaction of liens will be recorded on FSA-2433.

When the final payment of an insured farm ownership account is paid in full and the note and security instrument are held by the lender, FSA-2434 will be completed and sent to the borrower with the promissory note marked "Paid in Full". SED will be consulted for consultation with OGC if the security is under a trust assignment or declaration of trust.

Part 6 Protecting FSA's Security Interests

Section 1 General Security Preservation and Lien Protection

96 Servicing Policy

A Overview

This Part describes FSA's policies on general security preservation and lien protection, subordinations, junior liens, severance agreements, and releases of liens without monetary consideration.

B General Policy

[7 CFR 765.201] All Agency servicing actions regarding preservation and protection of Agency security will be consistent with the covenants and agreements contained in all loan agreements and security instruments.

96 Servicing Policy (Continued)**C Security Inspections**

Chattel security will be inspected annually except in cases where the authorized agency official has justified in the assessment or analysis that no undue risk exists. However, all chattels will be inspected at least every 2 years.

Example: An FO borrower who has been current with FSA and has provided chattels only as additional security might not need an annual inspection.

The authorized agency official:

- will inspect real property security at least once every 3 years
- should conduct more frequent inspections for a delinquent borrower or a borrower who has been indebted to FSA for less than 1 full crop year.

The purpose of inspections is to:

- verify that the borrower possesses all the property listed in the security instruments
- determine that the borrower is maintaining security properly
- update security instruments.

The authorized agency official will record all security inspections in the running record of the borrower's case file and in MAC.

A field visit to complete a security inspection is a good time to:

- review the accomplishments and goals (assessment) with the borrower
- emphasize any agreements that have been made
- discuss any concerns about the operation
- discuss any proposed changes.

For chattel secured loans, the following will be documented on the FSA-2028 work copy:

- individual security items that are inspected
- any revisions to the condition of the individual items
- number and condition of livestock and equipment
- any discrepancies from original livestock numbers that were discussed.

Note: See Part 7 for guidance on handling discrepancies.

--97 Maintaining Debt Instruments--**A Identifying Debt Instruments**

Debt instruments are documents that show a debt owing with the terms of the debt amount, interest rate, years, etc. These instruments can include any of the following:

- accelerated repayment agreements

***--Note:** Many of these documents are considered essential FLP records that require maximum protection and must be filed in locking-type, fire-resistant file cabinets, according to 25-AS, subparagraph 82 E.--*

--97 Maintaining Debt Instruments (Continued)--

B Conducting Yearly Debt Instrument Inventory

In March of each year, FSC, FLOO provides County Offices with RC 830A listing all borrowers who should have debt instruments maintained in the County Office.

RC 830A includes the following for each borrower:

- name and case number
- fund code and loan numbers
- date of loan
- interest rate
- amount of noncapitalized interest, if applicable
- principal loan amount
- account flag.

When RC 830A is received, County Offices shall:

- verify that the debt instruments exist * * *

Notes: Debt instruments such as bankruptcy plans and discharge orders should be attached to the instruments which they amend.

Shared appreciation payment agreements are not currently reflected on RC 830A, but should be noted and checked for accuracy.

- compare the information provided on RC 830A to the related debt instrument to identify any discrepancies

Note: Review findings shall be documented on RC 830A.

--97 Maintaining Debt Instruments (Continued)--

B Conducting Yearly Debt Instrument Inventory (Continued)

- take necessary corrective action when the:
 - difference in the principal loan amount or noncapitalized interest amount is more than \$100
 - interest rate must be corrected

Note: Attach a copy of the letter changing the interest rate to the promissory note (it is **not** necessary to correct promissory notes when the rate on the promissory note does not match RC 830A as a result of the interest rate being modified based on a limited resource review).

- obtain guidance from the OGC regional attorney, through the State Office, about any necessary corrections to promissory notes, NRBRA's, or shared appreciation agreements
- ensure that copies of all instruments are filed in case files

--submit cases requiring corrections to the State Office coordinator on FSA-2446 and State Office coordinator's will send completed FSA-2446's to FLOO by:--

- FAX to:
 - 314-539-3111 for States 01 through 32
 - 314-539-6447 for States 33 through 64
- mail to:

USDA-FSA-FSC-FLOO
PO Box 200003
St. Louis, MO 63120

Note: State Office coordinators should track and monitor the submission and resolution of account corrections using FSA-2445.

- obtain guidance from OGC regional attorney, through the State Office, about the need to replace lost or missing debt instruments
- advise SED of the review results by July 31 of each year and retain RC 830A as a subdivided file under FLP 4-1, "Reports" according to 25-AS until the next year's report has been received and reviewed.

98 Maintaining * * * Security Instruments

A Maintaining * * * Security Documents

Each County Office must maintain * * * security instruments according to 25-AS.

B Maintaining Current Information

FSA must review or renew financing statements, security agreements, and other documents for each borrower periodically. County Offices should use MAC to identify and track security instruments that need to be continued or updated. The authorized agency official will notify the borrower of any required information and documents. Notification, if not made in writing, should be documented in the running case record.

C Obtaining New FSA-2028's

FSA obtains new FSA-2028's when:

- a security interest is taken in crops
- FSA obtains additional security
- modifications to the security listed on the working copy of current FSA-2028's have been made
- *--deemed necessary to protect FSA's security interests.--*

SED will issue a State supplement to specify when to obtain a new FSA-2028 based on State law. * * *

98 Maintaining * * * Security Instruments (Continued)**D Continuing, Amending, or Obtaining New Financing Statements**

Unless State law provides otherwise, financing statements filed according to UCC are effective for 5 years from the filing date. The authorized agency official must continue existing financing statements to retain FSA's security position beyond the original 5-year period. The authorized agency official will file the appropriate continuation form within the *-6-month period before the end of the current 5-year period to extend the effective date of the original filing for an additional 5 years.

Note: A lien search is not required when the financing statement is properly continued.

The authorized agency official shall amend or file a new financing statement only if the--* debt will be additionally secured either by:

- property not already described specifically or by type in the existing financing statement
- crops growing or to be grown that are not already covered by the existing financing statement
- fixtures not already described on the existing financing statement.

SED's will issue State supplements as needed to provide additional guidance and ensure compliance with State laws and procedures. Supplements should include the appropriate forms to be used for continuation, amendment, or new filings.

98 Maintaining * * * Security Instruments (Continued)

E Obtaining Assignments

FSA may require that borrowers assign FP payments to FSA for FLP loan payments. Assignments for program payments will be maintained according to 63-FI.

SED's will issue State supplements as needed to:

- provide guidance on maintaining existing assignments
- ensure compliance with State laws.

F Real Estate Security Instruments

Real estate security instruments will be obtained, corrected, amended, or continued according to applicable State law. SED's will issue State supplements to provide guidance for complying with State requirements.

To be eligible for any kind of FSA loan servicing options, the borrower must be in compliance with loan agreements. The authorized agency official will fully document a borrower's noncompliance (such as the failure to report using security proceeds) in the borrower's case file. Documentation must include, but is not limited to:

- type, nature, circumstances, and reasons for noncompliance

Borrowers in noncompliance will be given the opportunity to correct the matter whenever possible. If the borrower does not resolve the issue, FSA will notify the borrower of nonmonetary default according to 5-FLP, paragraph 66 and will consider civil and criminal action under 5-FLP, Part 11.

C Lack of Good Faith

If loan servicing is to be denied based on borrower noncompliance, a determination of "Lack of Good Faith" must be made and the authorized agency official must have a documented record of borrower loan agreement failures or nonmonetary default actions in the borrower's case file to substantiate that determination.

101 Making Protective Advances**A Allowed Protective Advance Uses**

[7 CFR 765.203] When necessary to protect the Agency's security interest, costs incurred for the following actions will be charged to the borrower's account:

FSA may act to protect its interest when the borrower fails to do so. If there is a prior lien, FSA will not make protective advances unless the prior lienholder refuses to take action. The authorized agency official must document evidence of the prior lienholder's refusal to take action in the borrower's case file. Further, the authorized agency official must document that advancing Government funds to protect FSA collateral is in FSA's best interest based on the equity available for FSA recovery or as determined through 5-FLP, Exhibit 37.

FSA will make protective advances according to 1-FLP, Part 7 on program loan expenses. Once a protective advance is made, that protective advance is a debt owing and immediately due and payable. Borrowers will immediately be notified of a nonmonetary default and serviced according to 5-FLP. According to 5-FLP, Part 4, only protective advances used to pay real estate taxes may receive primary loan servicing. All other protective advances cannot be restructured and must be immediately repaid by the borrower.

Borrower payments received will be applied first to annual operating loans and then to any advance made for protective advance purposes according to Part 5.

[7 CFR 765.203(a)] Maintain abandoned security property;

FSA may only make a protective advance for necessary emergency repairs, if the borrower abandons the property or the property is custodial property. Total expenditures for emergency repairs in excess of \$1,000 must have prior SED approval. The authorized agency official will determine if the borrower has abandoned the property according to 5-FLP, paragraph 701.

[7 CFR 765.203(b)] Preserve inadequately maintained security;

FSA may maintain security that the borrower has not adequately maintained, but has not abandoned. FSA must document in the borrower's case file the borrower's failure to maintain the security adequately. Expenditures under this paragraph must receive prior approval from SED.

101 Making Protective Advances (Continued)**A Allowed Protective Advance Uses (Continued)****[7 CFR 765.203(c)] Pay real estate taxes and assessments;**

FSA may pay borrower real estate taxes and assessments. FSA will make protective advances to pay delinquent real estate taxes only if there is imminent danger that the property will be forfeited. SED will issue a State supplement on processing actions, procedures, and timing for the payment of a borrower's real estate taxes.

[7 CFR 765.203(d)] Pay property, hazard, or flood insurance;

FSA may make protective advances to maintain insurance coverage on security only to protect FSA's financial interests and with the express concurrence of the Administrator.

FSA may make protective advances to maintain security instruments only when necessary to protect the interest of FSA.

[7 CFR 765.203(g)] Pay ground rents;**[7 CFR 765.203(h)] Pay expenses for emergency measures to protect the Agency's collateral; and**

The authorized agency official will determine when it is appropriate to make protective advances for the payment of harvesting costs, ground rents, or expenses for emergency measures to protect FSA's collateral on a case-by-case basis.

[7 CFR 765.203(i)] Protect the Agency from actions by third parties (5-FLP, paragraphs 602 and 603).**B Protective Advance Alternatives**

FSA may consider making a loan, releasing income, loan servicing, subordination, or transfer and assumption, if the borrower meets all applicable eligibility, feasibility, and security requirements instead of making a protective advance.

102 Notifying Potential Purchasers

A States With CFS

[7 CFR 765.204(a)] The Agency participates and complies with central filing systems in States where CFS has been organized. In a State with a CFS, the Agency is not required to additionally notify potential purchasers that the Agency has a lien on the borrower's chattel security, unless specifically required by State law.

States with CFS maintain records reflecting liens placed against agricultural products according to the Food Security Act of 1985. It is the purchasers' responsibility to obtain information about lien filings using CFS.

B States Without CFS

[7 CFR 765.204(b)] In a State without CFS, the Agency follows the filing requirements specified for perfecting a lien on a borrower's chattel security under State law. The Agency will distribute the list of chattel and crop borrowers to sale barns, warehouses, and other businesses that buy or sell chattels or crops. In addition, the Agency may provide the list of borrowers to potential purchasers upon request.

--The notification to potential purchasers listed by the borrower on FSA-2040 will be sent-- by certified mail, completed by using Exhibit 29, and include the following:

- FSA Office address (the name and address of any secured party)
- name and address of each debtor
- *--Social Security number of each debtor, or other approved unique identifier, and if a debtor does business other than as an individual, the tax ID number
- description of the farm products given as security, including:
 - reasonable description of the farm product or products produced by the borrower (such as type and amount of crops, livestock, or farm machinery)
 - crop year
 - county (or counties) in which the products are produced or located
 - any payment obligations imposed on the buyer by FSA (the secured party) as a condition for release of the security interest.

To ensure that purchasers are aware of the Government's security interests, this notification will be updated annually by a new Exhibit 29 or Exhibit 30. If there are any material changes or at the discretion of FLM's, a new Exhibit 29 and/or 30 should be sent more often.

If requests are made for notification beyond the listed requirements, they can only be sent by Exhibit 29 to business firms in the trade area that buy chattel or crops or sell them for commission.--*

103 FSA Responsibilities Under Third Party Actions

A County Office Responsibility

When the authorized agency official learns about a third party action or other borrower failure to comply with the loan agreement that could jeopardize FSA's security interest, the authorized agency official:

- will immediately send the borrower notice to cure the defaults according to 5-FLP, Part 3
- must send the notice to the borrower when FSA is made a party to a court action that could affect FSA's security interest.

Continued servicing of the account should proceed according to 5-FLP, Part 18.

B SED's Responsibility

SED's will:

- consult with OGC about all lawsuits involving the property and any other third party actions when necessary
- advise the authorized agency official on the actions the County Office should take to protect FSA's security interest.

104-115 (Reserved)

Section 2 Subordinations

116 Requesting Subordinations

A Borrower Application

[7 CFR 765.205 (a)] The borrower must submit the following, unless it already exists in the Agency's file and is still current as determined by the Agency:

[7 CFR 765.205 (a)] (6) Verification of all debts.

*--A credit report is required unless current credit information is already contained in the borrower's case file or is otherwise available. The credit report fee will be paid by FSA unless the borrower has also applied for an FLP loan.

See 3-FLP, subparagraph 42 A for the verification process of non-farm income and debts.--*

116 Requesting Subordinations (Continued)

B Processing Subordination Requests

The authorized agency official will enter the following information into MAC/DLS:

- date the application is received
- applicant name
- type of assistance requested
- subordination amount requested.

117 Conditions for Real Estate Subordinations**A Real Estate Security**

[7 CFR 765.205(b)] For loans secured by real estate, the Agency will approve a request for subordination if all of the following conditions are met:

- (1) The borrower is not in default or will not be in default on Agency FLP loans by the time the subordination closing is complete;**
- (2) The loan will be used for an authorized Agency loan purpose or is made in conjunction with a guaranteed loan;**
- (3) The credit is essential to the farming operation, and the borrower cannot obtain the credit without a subordination;**
- (4) The borrower can demonstrate, through a current farm operating plan, the ability to repay all debt payments scheduled, and to be scheduled, during the production cycle;**
- (5) The Agency loan is still adequately secured after the subordination, or the value of the loan security will be increased by an amount at least equal to the advance to be made under the subordination;**
- (6) The borrower is not able to graduate;**
- (7) If the borrower is an entity and the Agency has taken real estate as additional security on property owned by a member, a subordination for any authorized Agency loan purpose may be approved when it is needed for the entity member to finance a separate farming operation, provided the subordination does not cause the unpaid principal and interest on the Agency loans to exceed the value of loan security or otherwise adversely affect the security;**
- (8) The borrower must not be ineligible as a result of a conviction for controlled substances according to 7 CFR part 718 of this chapter (1-CM);**

117 Conditions for Real Estate Subordinations (Continued)**A Real Estate Security (Continued)**

- (9) The borrower must not be ineligible due to disqualification resulting from Federal Crop Insurance violation according to 7 CFR part 718 (1-CM):**
- (10) The borrower will not use loan funds in a way that will contribute to erosion of highly erodible land or conversion of wetlands as described in subpart G of 7 CFR part 1940;**
- (11) There is no other subordination outstanding with another lender in connection with the same security;**
- (12) The subordination is limited to a specific amount, the loan made in conjunction with the subordination will be closed within a reasonable time and has a definite maturity date;**
- (13) In the case of real property purchase or exchange, the Agency will obtain a valid mortgage and the required lien position on the real property. The Agency will require title clearance and loan closing for the property in accordance with § 764.402 of this chapter (3-FLP, Part 11);**
- (14) Any planned development of real estate security will be performed as directed by the creditor, approved by the Agency, and will comply with the terms and conditions of § 761.10 of this chapter (1-FLP).**
- (15) Subordination of SAA mortgages may only be approved when there is no increase in the debt which is prior to the SAA debt; and**
- (16) If a borrower has only a Non-program loan, the Agency does not permit subordination. The Agency may subordinate Non-program security when it is also security for a program loan with the same borrower in accordance with this section.**

118 Conditions for Chattel Subordinations**A Chattel Security**

[7 CFR 765.205(c)] (1) For loans secured by chattel, the subordination must meet conditions contained in paragraphs (b)(1) through (12) of this section (subparagraph 117 A).

B Second Subordinations on Chattel Security

[7 CFR 765.205(c)(2)] The Agency will approve a request for a second subordination to enable a borrower to obtain crop insurance, if the following conditions are met:

(i) The creditor to whom the first subordination was given did not provide for payment of the current year's crop insurance premium, and consents in writing to the provisions of the second subordination to pay insurance premiums from the crop or insurance proceeds;

(ii) The borrower assigns the insurance proceeds to the Agency or names the Agency in the loss payable clause of the policy; and

(iii) The subordination meets the conditions under paragraphs (b)(1) through (12) of this section (subparagraph 117 A).

C CCC Loans

CCC-679's will be used according to 8-LP instead of a subordination when FP makes a CCC loan to the borrower. FSA does not subordinate to CCC loans.

119 Appraisal Requirements**A Appraisals**

[7 CFR 765.205(d)] An appraisal of the property that secures the Agency loan will be required when the Agency determines it necessary to protect its interest. Appraisals will be obtained in accordance with § 761.7 (1-FLP) of this chapter.

At a minimum, real estate appraisals will be obtained when property is to be improved, purchased, or exchanged. FSA does not require an appraisal for real estate security when the:

- loan for which the borrower requests the subordination is to refinance an existing prior lien and the resulting prior lien will not be increased
- borrower's case file contains an existing appraisal that is less than 1 year old and FSA determines the appraisal to still be sufficiently accurate.

FSA does not require an appraisal for chattel security when the:

- proposed subordination is for annual operating and family living expenses only and the projected income from farm production exceeds the subordination amount
- existing FSA appraisal is less than 1 year old and the authorized agency official determines it to be adequate (the authorized agency official must consider property additions to, and deletions from, the latest FSA appraisal) and fully document the decision.

120 Approving or Denying Subordination Requests**A Approval Authority**

Except for SED's, loan approval officials may approve subordinations if the amount of the subordination, plus the principal balance of existing subordinations, is not more than their approval authority for the type of loan being subordinated. When the lien priority for more than 1 type of loan is subordinated, the total amount of the approval official's authority will be limited to the loan with the lowest approval authority for that official. SED authority to approve subordinations is limited to \$1 million total EM indebtedness; otherwise, SED's may approve subordinations regardless of the amount. SED's may delegate their authority for approving subordinations to qualified State Office employees.

Note: SED's are the only FSA official with approval authority for subordinating real estate security for an operating-type loan purpose.

An authorized agency official will approve or deny real estate subordinations using FSA-2060, FSA-2455, or other formats required in State supplements as necessary to meet State legal requirements.

Once an authorized agency official approves or denies a subordination, it is closed according to State supplements. The authorized agency official must enter the date that FSA approves an application in MAC.

B Appeal Rights

If a subordination request cannot be approved, the borrower will be notified of all appeal rights according to 1-APP.

121-125 (Reserved)

Section 3 Junior Liens

126 General Conditions for Junior Liens

A General Policy

[7 CFR 765.206(a)] The borrower will not give a lien on Agency security without the consent of the Agency. Failure to obtain Agency consent will be considered by the Agency when making eligibility determinations for future requests for assistance and may adversely impact such requests.

To request FSA approval of a junior lien, the borrower must submit to FSA:

- FSA-2001, with items A-1, C-1, C-5A, D-4A, D-4B, E-18A, and E-18B completed for chattels
- FSA-2060 for real estate cases (FSA will assist the borrower in completing FSA-2060)
- a copy of the farm operating plan submitted to the junior lienholder
- an FBP or other similar plan of operation that shows the junior lien and repayment schedule
- any other information necessary for FSA to make a decision.

126 General Conditions for Junior Liens (Continued)**B Conditions for Consent to a Junior Lien**

[7 CFR 765.206(b)] The Agency will consent to the terms of a junior lien if all of the following conditions are met:

[7 CFR 765.206(b)] (1) The borrower's ability to make scheduled loan payments is not jeopardized;

[7 CFR 765.206(b)] (2) The borrower provides the Agency a copy of the farm operating plan submitted to the junior lienholder, and the plan is consistent with the Agency operating plan;

[7 CFR 765.206(b)] (3) The total debt against the security does not exceed the security's market value;

FSA will not obtain appraisals to consider junior liens. Any appraisal required by FSA to make this decision must be supplied by the borrower or lender and will be reviewed by FSA to ensure that all 1-FLP requirements are met.

[7 CFR 765.206(b)] (4) The junior lienholder agrees in writing not to foreclose the security instrument unless written notice is provided to the Agency;

[7 CFR 765.206(b)] (5) The borrower is unable to graduate; and

[7 CFR 765.206(b)] (6) The junior lien will not otherwise adversely impact the Agency's financial interests.

C Unapproved Junior Liens

FSA will consider an unapproved junior lien on security when determining future borrower eligibility for FSA loanmaking or servicing actions.

127-135 (Reserved)

Section 4 Severance Agreements**136 Conditions for Severance Agreements****A Severance Agreements Conditions**

[7 CFR 765.207] For loans secured by real estate, a borrower may request Agency consent to a severance agreement or similar instrument so that future chattel acquired by the borrower will not become part of the real estate securing the Agency debt. The Agency will consent to severance agreements if all of the following conditions are met:

- (a) The financing arrangements are in the financial interest of the Agency and the borrower;**
- (b) The transaction will not adversely affect the Agency's security position;**
- (c) The borrower is unable to graduate;**
- (d) The transaction will not jeopardize the borrower's ability to pay all outstanding debts to the Agency and other creditors; and**
- (e) The property acquired is consistent with authorized loan purposes.**

The borrower must submit all information required under subparagraph 126 A to request FSA consideration.

B Items That May Be Included in a Severance Agreement

Examples of items that the borrower may acquire subject to a chattel lien and; therefore, may be included in a severance agreement are:

- silos
- storage bins
- bulk milk tanks
- irrigation or other income producing facilities.

C Approving Severance Agreements

The authorized agency official will approve a severance request by executing FSA-2060 and the necessary severance agreements. OGC approval must be obtained on a severance agreement submitted on a form that has not previously been approved for use in the State. SED's may issue State supplements on approving severance agreements, as appropriate.

137-145 (Reserved)

Section 5 Release of Real Estate and Chattel Security Liens Without Monetary Consideration

146 Release Without Monetary Consideration

A Release Because of Mutual Mistakes

SED's can authorize a release because of mutual mistakes only when they do all of the following:

- determine that a mutual error existed when the security was included in FSA's mortgage or lien
- obtain OGC's advice on whether a mutual mistake was made
- substantiate that the mistake was made
- document the findings in the borrower's case file.

B Release Because of No Evidence of Indebtedness

The authorized agency official may release a borrower's mortgage or lien, if the records of State and County Offices and FSC, FLOO contain no evidence of an existing indebtedness secured by the mortgage or lien.

Note: The authorized agency official should verify that the borrower has no outstanding debt with the Rural Housing and Rural Development Finance Offices.

147 Releasing Valueless Liens

A Conditions for Releasing Valueless Liens

*--SED's are authorized to release FSA mortgages or other liens, if 1 of the following is determined:

- the mortgage or lien has no present or prospective value
- enforcement of the mortgage or lien would be ineffectual or uneconomical.

SED authority may:

- **only** be exercised as follows:
 - for the borrower to convey title of the property to a third party
 - if the Government is liquidating the security
 - because of litigation.
- **not** be redelegated; however, an acting SED may approve releases.--*

SED's cannot release a valueless judgment lien or valueless statutory redemption rights, except with OGC's consent.

B Information Required to Release a Valueless Lien

To determine the present or prospective value of the security to be released, the authorized agency official should obtain all of the following:

- market value appraisal report on the security prepared according to 1-FLP, Part 6 except in cases in which FSA determines that the lien is invalid
- names of the holders of prior liens on the property
- written verification of the amount secured by each lien that is before FSA's
- amount of taxes or assessments
- other items that might constitute a prior claim.

The authorized agency official must document this information in the borrower's case file and submit it to SED for review.

148-160 (Reserved)

Part 7 Disposition of Security**Section 1 Disposition of Normal Income and Basic Chattel Security****161 General Requirements****A Security Accounting**

[7 CFR 765.301(a)] The borrower must account for all security.

The borrower must comply with the requirements in subparagraphs B through H.

B Fair Market Value

[7 CFR 765.301(b)] The borrower may not dispose of chattel security for an amount less than its market value. All proceeds, including any amount in excess of the market value, must be distributed to lienholders for application to the borrower's account in the order of lien priority.

[7 CFR 765.301(b)(1)] The Agency considers the market value of normal income security to be the prevailing market price of the commodity in the area in which the farm is located.

The authorized agency official may consult readily and commonly available sources of price information to assess the adequacy of the price.

[7 CFR 765.301(b)(2)] The market value for basic security is determined by an appraisal obtained in accordance with § 761.7 of this chapter (1-FLP, Part 6).

FSA may require an appraisal to determine the fair market value of basic chattel security, unless the security is sold through a legitimate public auction.

C FSA Lien Release

[7 CFR 765.301(c)] When the borrower sells chattel security, the property and proceeds remain subject to the Agency lien until the lien is released by the Agency.

161 General Requirements (Continued)

D Consent of Lienholders for Release of Proceeds

[7 CFR 765.301(d)] The Agency and all other lienholders must provide written consent before a borrower may use proceeds for a purpose other than payment of lienholders in the order of lien priority.

The authorized agency official may permit the borrower to use proceeds from the sale of normal income security for payment of transaction costs before application to FSA loan balances if:

- costs incurred are considered routine and customary marketing costs for the transaction
- the borrower cannot pay the costs
- the purchaser will not pay the costs.

The authorized agency official may require:

- that the borrower provide receipts or other documents that can be used to verify the type and amount of transaction costs
- the borrower to reimburse FSA, if it is determined that any of these conditions have not been met.

E Disruption of Farming Operation

[7 CFR 765.301(e)] The transaction must not interfere with the borrower's farming operation or jeopardize the borrower's ability to repay the Agency loan.

When reviewing the borrower's proposal for disposition of basic security and use of proceeds, the authorized agency official must determine if and how the proposed disposition and use of proceeds will affect:

- the financial viability of the borrower's operation, including the borrower's ability to repay obligations to FSA and non-FSA creditors
- the management of the borrower's operation
- FSA's security interest.

The authorized agency official may approve the transaction after determining that it will improve the borrower's financial position or structure in such a way that improves the borrower's ability to repay FSA loans or improves the financial basis of the operation.

161 General Requirements (Continued)

F Furthering FSA Program Objectives

[7 CFR 765.301(f)] The disposition must enhance the program objectives of the Agency loan.

G Security Exchange or Replacement

[7 CFR 765.301(g)] When the borrower exchanges security property for other property or purchases new property with sale proceeds, the acquisition must be essential to the farming operation as well as meet the program objectives, purposes, and limitations for the type of loan.

H Proceeds Payable to Both the Borrower and FSA

[7 CFR 765.301(h)] All checks, drafts, or money orders which the borrower receives from the sale of Agency security must be payable to the borrower and the Agency. If all Agency loan installments and any past due installments, for the period of the agreement for the use of proceeds have been paid, however, these payments from the sale of normal income security may be payable solely to the borrower.

162 Annual Agreement for Disposition of Normal Income and Basic Chattel Security**A Annual Agreement**

[7 CFR 765.302(a)] The borrower and the Agency will execute an agreement for the use of proceeds for each production cycle, including proceeds from the sale of milk, crops on hand or in storage, planned proceeds from Government payments, crop insurance and insurance proceeds derived from the loss of security.

[7 CFR 765.302(b)] The agreement for the use of proceeds will remain in effect until the proper disposition of all listed chattel security has been accomplished, or the remaining chattel security has been transferred to a new agreement for the use of proceeds.

FSA will assist the borrower in completing FBP and FSA-2040 that describes how the borrower will dispose of security and use sale proceeds. The agreement is completed at least annually.

B Annual Agreement Usage

[7 CFR 765.302(c)] The borrower must report any disposition of basic or normal income security immediately to the Agency.

[7 CFR 765.302(d)] If a borrower wants to dispose of chattel security not listed or in a way different than provided on the agreement for the use of proceeds, the borrower must obtain the Agency's consent before the disposition.

[7 CFR 765.302(e)] If the borrower sells security to a purchaser not listed in the agreement for the use of proceeds, the borrower must immediately notify the Agency of what property has been sold and of the name and business address of the purchaser.

**162 Annual Agreement for Disposition of Normal Income and Basic Chattel Security
(Continued)****B Using the Annual Agreement (Continued)**

When the borrower sells chattel security, the authorized agency official must complete the “Actuals” column of the agreement to record the:

- quantity of security sold
- way in which the security was sold (such as to wholesaler, to neighbor)
- date of sale
- amount of proceeds received
- use of proceeds.

The authorized agency official must indicate whether approval is granted for the disposition and use of proceeds by marking “yes” or “no,” initialing, and dating the agreement in the appropriate location. If the disposition or use of proceeds is not authorized on the agreement, the authorized agency official shall take action according to Section 2.

C Borrower Recordkeeping Requirements

[7 CFR 765.302(h)] The borrower must maintain records of dispositions of chattel security and the actual use of proceeds. The borrower must make these records available to the Agency at the end of the period covered by the agreement for the use of proceeds.

The authorized agency official may require that the borrower provide receipts or other documentation to verify the chattel security sale.

D Government Payments and Insurance

The borrower must submit documentation of all Government payments, crop insurance, and insurance proceeds derived from the loss of security.

**162 Annual Agreement for Disposition of Normal Income and Basic Chattel Security
(Continued)****E Modifying and Updating Annual Agreements**

[7 CFR 765.302(f)] The borrower must provide the Agency with the necessary information to update the farm operating plan and the agreement for the use of proceeds in accordance with § 761.102 (1-FLP) of this chapter.

[7 CFR 765.302(g)] Changes to the agreement on the use of proceeds will be recorded, dated, and initialed by the borrower and the Agency.

FSA and the borrower will document agreed upon changes to FBP and FSA-2040 through entering, initialing, and dating mutually accepted modifications as indicated for each FBP and FSA-2040. See 1-FLP, paragraph 241.

Note: The authorized agency official and the borrower must complete a new FBP and revise FSA-2040 for major changes to the borrower's farming operation.

SED's may issue further guidance as needed on the changes that require FBP revision or replacement.

When FSA and the borrower agree to revisions over the telephone, the authorized agency official will:

- initial and date the change
- mark FBP or FSA-2040 with "Revised through telephone contact."
- send written confirmation to the borrower of any significant changes
- have the borrower date and initial the change the next time the borrower is in the County Office.

163 Using Proceeds From Chattel Security

A General Requirements

[7 CFR 765.303(a)] (1) Proceeds from the sale of basic security and normal income security must be remitted to lienholders in order of lien priority.

(2) Proceeds remitted to the Agency may be used as follows:

(i) Applied to the Agency debt;

(ii) Pay customary costs appropriate to the transaction.

(3) With the concurrence of all lienholders, proceeds may be used to preserve the security because of a natural disaster or other severe catastrophe, when funds cannot be obtained by other means in time to prevent the borrower and the Agency from suffering a substantial loss.

(4) Security may be consumed as follows:

(i) Livestock may be used by the borrower's family for subsistence;

(ii) If crops serve as security and usually would be marketed, the Agency may allow such crops to be fed to the borrower's livestock, if this is preferable to marketing, provided the Agency obtains a lien or assignment on the livestock, and livestock products, at least equal to the lien on the crops.

163 Using Proceeds From Chattel Security (Continued)**B Releasing Normal Income Security for Essential Family Living and Farm Operating Expenses**

[7 CFR 765.303(b)] In addition to the uses specified in paragraph (a) of this section, the agreement for the use of proceeds will allow for release of proceeds from the sale of normal income security to be used to pay essential family living and farm operating expenses. Such releases will be terminated when an account is accelerated.

See Exhibit 2 for essential family living and farm operating expenses. FSA may not consider all of the examples included in the definition as essential for every family and farming operation. The authorized agency official must consider all of the following:

- the individual borrower's operation
- what is typical for that type of operation in that area
- what is an efficient method of production considering the borrower's resources.

When the borrower and FSA cannot agree on security releases for essential family living and operating expenses, the borrower must request the release in writing. If rejected, the authorized agency official will notify the borrower, in writing, why the requested release was denied, including why the expenses requested for release are not basic, crucial, or indispensable to the family, the farming operation, or both. Appeal rights will be included with the notification. See 1-APP for appeal procedures.

C Basic Security

[7 CFR 765.303(c)] (c) In addition to the uses specified in paragraph (a) of this section:

- (1) Proceeds from the sale of basic security may not be used for any family living and farm operating expenses.**
- (2) Security may be exchanged for chattel property better suited to the borrower's needs if the Agency will acquire a lien on the new property at least equal in value to the lien held on the property exchanged.**
- (3) Proceeds may be used to purchase chattel property better suited to the borrower's needs if the Agency will acquire a lien on the purchased property. The value of the purchased property, together with any proceeds applied to the Agency debt, must at least equal the value of the Agency lien on the old security.**

164-165 (Reserved)

166 Releasing Security Interest**A Lien Release General Requirements**

[7 CFR 765.305(a)] When Agency security is sold, exchanged, or consumed in accordance with the agreement for the use of proceeds, the Agency will release its security interest to the extent of the value of the security disposed.

B Specific Security Item Releases

When releasing specific items that must be recorded under UCC or chattel mortgage laws, the authorized agency official will use FSA-2470 or other form approved by OGC and required by State law. However, FSA may not deliver the actual release until 15 calendar days after receiving the payment unless the payment is made in cash, money order, certified check, or check from a known and reputable lender. When SED's must approve a transaction or when FLM or DD want advice on approval of a transaction, the borrower's case folder and any other information pertinent to the transaction will be sent to the State Office. The authorized agency official must ensure that only specific items are released. When specific items are listed on FSA-2028, the authorized agency official shall record the disposition on the working copy of FSA-2028 and FSA-2040.

166 Releasing Security Interest (Continued)**C Releasing Wool and Mohair Lien Conditions**

[7 CFR 765.305(b)] Security interests on wool and mohair may be released when the security is marketed by consignment, provided all of the following conditions are met:

- (1) The borrower assigns to the Agency the proceeds of any advances made, or to be made, on the wool or mohair by the broker, less shipping, handling, processing, and marketing costs;**
- (2) The borrower assigns to the Agency the proceeds of the sale of the wool or mohair, less any remaining costs in shipping, handling, processing, and marketing, and less the amount of any advance (including any interest which may have accrued on the advance) made by the broker against the wool or mohair; and**
- (3) The borrower and broker agree that the net proceeds of any advances on, or sale of, the wool or mohair will be paid by checks made payable jointly to the borrower and the Agency.**

The authorized agency official may execute releases of FSA's lien on wool and mohair on FSA-2465. As FSA-2465 is not a binding agreement until executed by all parties in interest, including the borrower, the broker, and FSA. The authorized agency official may execute it before other parties.

167-180 (Reserved)

Section 2 Unapproved Disposition of Security**181 Initial FSA Actions Upon Discovery****A Unauthorized Chattel Security Disposition Discoveries**

[7 CFR 765.304(a)] If a borrower disposes of chattel security without Agency approval, or misuses proceeds, the borrower must:

(1) Make restitution to the Agency within 30 days of Agency notification; or

(2) Provide disposition or use information to enable the Agency to consider post-approval within 30 days of Agency notification.

The authorized agency official must document an unapproved disposition of chattel security on FSA-2040 and in the borrower's case file running record.

Borrower disposal of security or use of proceeds in a way not listed on FSA-2040 violates the loan agreement and FSA will not release its security interest.

Upon noting an apparent unauthorized disposition of security, FSA will notify the borrower using Exhibit 31.

If the borrower does not make restitution or provide information necessary for FSA to post-approve the sale within 30 calendar days, the authorized agency official will notify the borrower of nonmonetary default according to 5-FLP, Part 3, and proceed according to 5-FLP, Part 11, Section 2.

181 Initial FSA Actions Upon Discovery (Continued)

B Notification to Third Party Purchasers

With SED concurrence, the authorized agency official will send Exhibit 32 by certified mail to third-party purchasers when the:

- disposition cannot be approved
- third party has purchased collateral for an FSA loan
- borrower is unable or unwilling to make restitution and has been notified according to 5-FLP, Part 3.

If FSA is in liquidation, FSA will often attempt to liquidate remaining chattel security on which FSA holds a first lien before making demand or taking civil action against third-party purchasers. Exhibit 32 makes demand on the third-party purchaser to return the property or pay the value of the security to FSA within 30 calendar days.

If no response has been received within 30 calendar days, Exhibit 33 will be forwarded to the purchaser by SED. If satisfaction is not made within 15 calendar days, SED will forward the account to OGC according to 5-FLP, paragraph 421.

182 Post-Approval of Chattel Security Disposition**A Post-Approval of Unapproved Dispositions**

When FSA discovers that a borrower has disposed of all or some of the security property not listed on the agreement or has used funds for some purpose not listed on the borrower's agreement, FSA may post-approve the disposition if all of the requirements of paragraph 163 are met.

The authorized agency official must document the decision to post-approve an unauthorized chattel property disposition on the agreement and in the borrower's case file.

B Denying Post-Approval Requests

The authorized agency official may not post-approve a disposition of chattel security if the use of proceeds does not comply with paragraph 163. Servicing will continue according to subparagraph 181 A.

C Determining the Disposed Security's Value

FSA will not release its lien if the security was sold for less than the market value, until the full value of the security is remitted to FSA.

FSA will determine the disposed security's value in each unapproved disposition case through either:

- the most recent appraisal
- a current value price listing for similar property
- an updated property value appraisal based on FSA-2028 information.

183 Requirements for Handling Borrower Noncompliance**A Future Eligibility Decisions**

[7 CFR 765.304(b)] Failure to cure the first unauthorized disposition in accordance with paragraph (a) of this section, or a second unauthorized disposition, whether or not cured, constitutes a non-monetary default, will be considered by the Agency when making eligibility determinations for future requests for assistance, may adversely impact such requests, and may result in civil or criminal action.

FLM will process the nonmonetary default according to 5-FLP, Part 3. The default can be corrected by post-approval, but will be considered by FSA in future eligibility decisions. If FSA does not post-approve the transaction or the borrower does not make restitution, FSA will proceed according to 5-FLP, Part 11, Section 2.

184-195 (Reserved)

Section 3 Real Estate Security Partial Releases

196 Requirements

A General

[7 CFR 765.351] The borrower must obtain prior consent from the Agency for any transactions affecting the real estate security, including but not limited to, sale or exchange of security, a right-of-way across security, and a partial release. The Agency may consent to such transactions provided the conditions in this section are met.

B Conditions for Approval

[7 CFR 765.351(a)] The following conditions apply to all transactions affecting real estate:

- (1) The transaction will enhance the objectives for which the Agency loan or loans were made;**
- (2) The transaction will not jeopardize the borrower's ability to repay the Agency loan, or is necessary to place the borrower's operation on a sound basis;**

Note: Partial releases after acceleration can be approved, according to subparagraph 197 E, as items (1) and (2) can be met by orderly liquidation.

- (3) The amount received for the security being disposed of or the rights being granted is not less than the market value;**
- (4) Any proceeds in excess of the market value are remitted to lienholders in the order of lien priority;**
- (5) The transaction must not interfere with the borrower's farming operation;**
- (6) The market value of the remaining security is adequate to secure the Agency loans, or if the market value of the security before the transaction was inadequate to fully secure the Agency loans, the Agency's equity in the security is not diminished;**
- (7) The environmental requirements of subpart G of 7 CFR part 1940 must be met;**
- (8) The borrower cannot graduate to other credit; and**
- (9) The borrower must not be ineligible due to disqualification resulting from Federal Crop Insurance violation according to 7 CFR part 718.**

196 Requirements (Continued)

C Sale of Timber, Gravel, Oil, Gas, Coal, or Other Minerals

[7 CFR 765.351(b)] (1) Agency security instruments require that the borrower request and receive written consent from the Agency prior to certain transactions, including but not limited to, cutting, removal, or lease of timber, gravel, oil, gas, coal, or other minerals, except small amounts used by the borrower for ordinary household purposes.

(i) The sale of timber from real estate which secures an Agency loan will be considered a disposition of a portion of the security.

(ii) For loans secured by real estate before December 23, 1985, the Agency has a security interest in mineral products, gravel, oil, gas, coal, or other resources and the sale by unit or lump sum payment will be considered a disposition of security.

(iii) For loans secured by real estate on or after December 23, 1985, the Agency has a security interest in mineral products, gravel, oil, gas, coal, or other resources if the value of such products was included in an appraisal. When the Agency has a security interest, the sale of such products will be considered a disposition of a portion of the security.

D Compensation for Damage to Real Estate Security

[7 CFR 765.351(b)(2)] Any compensation the borrower may receive for damages to the surface of the real estate security resulting from exploration for, or recovery of, minerals must be assigned to the Agency. Such proceeds will be used to repair the damage, and any remaining funds must be remitted to lienholders in the order of lien priority or, with all lienholders' consent, used for an authorized loan purpose.

E Disposition of Security for Outstanding ST's

[7 CFR 765.351(a)(10)] The disposition of real estate security for an outstanding ST loan will only be authorized if the transaction will result in full repayment of the loan.

Commodities produced by the property, such as when timber is thinned, can be sold without paying ST in full, as long as all proceeds are applied to ST.

196 Requirements (Continued)

F Exchange of Security Property

[7 CFR 765.351(c)] (1) When an exchange of security results in a balance owing to the borrower, the proceeds must be used in accordance with § 765.352 (paragraph 197).

(2) Property acquired by the borrower must meet program objectives, purposes and limitations relating to the type of loan involved as well as applicable requirements for appraisal, title clearance and security.

G Sale Under a Contract for Deed

[7 CFR 765.351(d)] A borrower may sell a portion of the security for not less than its market value under a contract for deed subject to the following:

(1) Not less than 10 percent of the purchase price will be paid as a down payment and remitted to lienholders in the order of lien priority;

(2) Payments will not exceed 10 annual installments of principal plus interest or the remaining term of the FSA loan, whichever is less. The interest rate will be the current rate being charged on a regular FO loan plus 1 percent or the rate on the borrower's notes, whichever is greater. Payments may be in equal or unequal installments with a balloon final installment;

(3) The Agency's security rights, including the right to foreclose on either the portion being sold or retained, will not be impaired;

(4) Any subsequent payments must be assigned to the lienholders and remitted in order of lien priority, or with lienholder's approval, used in accordance with § 765.352; (paragraph 197)

(5) The mortgage on the property sold will not be released prior to either full payment of the borrower's account or receipt of the full amount of sale proceeds;

(6) The sale proceeds applied to the borrower's loan accounts will not relieve the borrower from obligations under the terms of the note or other agreements approved by the Agency;

(7) All other requirements of this section are met.

197 Allowable Use of Proceeds From the Release of Real Estate Security**A Applying Proceeds to Liens**

[7 CFR 765.352(a)] Proceeds from transactions affecting the real estate security may only be used as follows:

(1) Applied on liens in order of priority;

B Use of Proceeds for Paying Costs

[7 CFR 765.352(a)(2)] To pay customary costs appropriate to the transaction, which meet the following conditions:

(i) Are reasonable in amount;

(ii) Cannot be paid by the borrower;

(iii) Will not be paid by the purchaser;

(iv) Must be paid to consummate the transaction; and

(v) May include postage and insurance when it is necessary for the Agency to present the promissory note to the recorder to obtain a release of a portion of the real estate from the mortgage.

Examples of customary costs may include:

- abstracts
- judgment liens
- real estate broker's commissions
- real estate taxes that must be paid to complete the transaction
- reasonable attorney's fees
- surveys
- title examination
- title insurance.

197 Allowable Use of Proceeds From the Release of Real Estate Security (Continued)**C Use of Proceeds for Land Development**

With SED consent, proceeds may also be used for:

[7 CFR 765.352(a)(3)] For development or enlargement of real estate owned by the borrower as follows:

- (i) Development or enlargement must be necessary to improve the borrower's debt repayment ability, place the borrower's farming operation on a sound basis, or otherwise enhance the objectives of the loan;**
- (ii) Such use will not conflict with the loan purposes, restrictions or requirements of the type of loan involved;**
- (iii) Funds will be deposited in a supervised bank account in accordance with subpart B of part 761 (1 FLP, Part 4) of this chapter;**
- (iv) The Agency has, or will obtain, a lien on the real estate developed or enlarged;**

- conduct a final inspection of the borrower's property after construction completion.

197 Allowable Use of Proceeds From the Release of Real Estate Security (Continued)**D Additional Proceeds Usage Requiring FSA Consent**

With SED's consent, proceeds may be applied to FSA as regular payments, according to paragraph 62.

E Pending Liquidation

[7 CFR 765.352(b)] After acceleration, the Agency may approve transactions only when all the proceeds will be applied to the liens against the security in the order of their priority, after deducting customary costs appropriate to the transaction. Such approval will not cancel or delay liquidation, unless all loan defaults are otherwise cured.

Necessary and customary costs appropriate to the transaction:

- include only those costs that the borrower cannot pay from their own resources
- do not include capital gains taxes or junior liens.

198 Appraisals**A Appraisal Requirements**

[7 CFR 765.353(a)] (1) The Agency will obtain an appraisal of the security proposed for disposition.

(2) The Agency may waive the appraisal requirement when the estimated value is less than \$25,000.

[7 CFR 765.353(b)] The Agency will obtain an appraisal of the remaining security if it determines that the transaction will reduce the value of the remaining security.

A new appraisal report for the security to be:

- transferred or released will be obtained when the authorized agency official believes it necessary to protect the financial interests of the Government or when the transaction involves more than \$25,000
- retained will only be obtained when the authorized agency official determines that the value of the retained property could be adversely affected by the loss of the transferred or released property.

Appraisal reports under this section may show the current market value of the property being transferred or released, and the property being retained, on a single appraisal report or on separate appraisal reports.

The value of rights to mining products, gravel, oil, gas, coal or other minerals will be specifically included as a part of the appraised value of the real estate security.

[7 CFR 765.353(c)] Appraisals, when required, will be conducted in accordance with § 761.7 of this chapter (1-FLP, Part 6).

--199 Approving or Denying Partial Releases--

A Approval Authority

Approval officials may approve partial releases when FSA indebtedness, after the transaction, does not exceed their approval authority for the type of loan or a combination of types of loans according to 1-FLP, subparagraph 29 D. When more than 1 type of loan is involved in the transaction, the loan approval authority of the approval official will be the highest combination amount authorized in 1-FLP, subparagraph 29 D for any loan types involved. SED is authorized to approve any transaction consistent with this section.

200-210 (Reserved)

Section 4 Transferring Quotas

211 Requirements

A Basic Policy

FP regulates how quotas may be moved from farm to farm. However, when FSA is the lienholder on allotments or quotas tied to FSA real estate collateral, FSA treats quotas as any other basic security. See paragraph 196. The authorized agency official must protect FSA's security interest in a borrower sale or lease of allotments or quotas that affect borrower security, operational feasibility, or both.

Borrowers must use FSA-2060 to apply for consideration under this Part.

B Quota Sales

[7 CFR 765.351(e)(2)] The sale of an allotment must comply with all conditions of this subpart.

FSA considers a sale of an allotment as a sale of a portion of the security. See paragraph 196.

C Quota Leases

[7 CFR 765.351(e)(1)] The Agency will not approve any crop allotment lease that will adversely affect its security interest.

The authorized agency official may approve a quota lease for a period not to exceed 1 year, if the terms of the lease will not adversely affect the loan. DD's may approve quota leases that exceed 1 year. FSA requires the borrower to assign the rental proceeds to FSA. Allotment leases may be for all or a portion of the total allotment.

D Allotment/Quota Transfers

[7 CFR 765.351(e)(3)] The borrower may transfer crop allotments to another farm owned or controlled by the borrower. Such transfer will be treated as a lease under § 765.252 (subparagraph 99 E).

The authorized agency official should process allotment/quota transfers according to subparagraph C.

212 TTPP Payments**A Future TTPP Payments to Borrowers**

FLP has a lien on future TTPP payments made to FLP borrowers. This lien is established by FSA-2028, real estate mortgage, deed of trust, or any instrument granting FSA a lien on such proceeds or payments.

If borrowers retain TTPP contracts and receive payments annually, the annual TTPP payments are normal income security and should be projected on FBP and shown on FSA-2040.

B Releasing Payments to Purchasers

If borrowers want to sell a contract to a third party investor, the purchaser must make the payment payable jointly to the borrower and FSA to obtain a lien release from FSA. The proceeds distribution will be recorded on FSA-2040 according to the following.

For borrowers who are current on all FLP loans:

- the proceeds will be applied to the borrower's next annual FLP installment on all loans according to Part 5
- any remaining funds will be released as normal income security or applied as an extra payment on the borrower's FLP debt as the borrower wants.

For borrowers who are past due on any FLP loan, proceeds will be applied according to the following:

- first to past due loans until they are current
- second to the next annual FLP installment on all loans according to Part 5
- any remaining funds will be released as normal income security or applied as an extra payment on the borrower's FLP debt as the borrower wants.

Upon delivery of the funds to FSA for application, FLM will prepare FSA-2470 according to subparagraph 166 B or other format approved by OGC and required by State law, releasing only the specifically identified TTPP payments to the purchaser.

213-230 (Reserved)

Part 8 Withdrawing Existing Party**231 Withdrawal Requirements****A General**

If a jointly liable party requests FSA approval for withdrawal from an entity and conveyance of interest in the security to the remaining members in the entity, FSA considers this request according to this Part when all of the following conditions are met:

- a remaining spouse or entity member is already personally liable for the debt
- there is no change in the entity name (except in divorce cases when the account must be renamed to match the remaining spouse)
- FSA can issue FSA-2080 according to subparagraph B.

If a proposed action does not meet the requirements of this subparagraph, FSA will process the withdrawal as a transfer and assumption according to Part 9.

Note: For the purposes of this Part and Part 9, an entity is defined as a husband and wife, partnership, corporation, or any other entity in which more than 1 person is liable for the debt.

231 Withdrawal Requirements (Continued)

B FSA-2080's

[7 CFR 765.406(b)(4)] Except for loans in default being serviced under 7 CFR part 766 (5-FLP), if an individual who is jointly liable for repayment of an Agency loan withdraws from the farming operation and conveys all of their interest in the security to the remaining borrower, the withdrawing party may be released from liability under the following conditions:

- (i) A divorce decree or property settlement states that the withdrawing party is no longer responsible for repaying the loan;**
- (ii) All of the withdrawing party's interests in the security are conveyed to the persons with whom the loan will be continued; and**
- (iii) The persons with whom the loan will be continued can demonstrate the ability to repay all of the existing and proposed debt obligations.**

When a transfer is not required under Part 9, and an existing party is requesting a release on FSA-2080, it must be submitted to the local FSA office detailing which members want to be released from liability and which members will remain liable for the debt. In addition, the borrower entity must both:

- file, with the proper authority, documentation that properly identifies and legally accomplishes the intended withdrawal and submit copies of this documentation to FSA

Note: This could include a divorce decree or documentation of a change in the corporation or partnership composition.

- submit:
 - a new FBP that projects the repayment ability of the remaining entity members or new entity that will be liable for the debt
 - any other documentation required by FSA in connection with the proposed withdrawal, such as individual financial statements and earning statements of the withdrawing party
 - a copy of the document transferring any security interest from the withdrawing party to the remaining borrower, and could include a new deed or bill of sale to the remaining members of the borrower entity.

231 Withdrawal Requirements (Continued)

C Approval Authority

--When FSA's debt plus prior liens, less the market value, is \$1 million or more (including-- principal, interest, and other charges), FSA-2080's must be approved by the Administrator or designee. FLM's may approve FSA-2080's when all FLP security is transferred and the total outstanding FLP debt is assumed; otherwise, SED's must approve FSA-2080's. All cases requiring FSA-2080's from SED's will be submitted for review or debt settlement under RD Instruction 1956-B.

If the borrower is delinquent, FSA will consider FSA-2080's according to 5-FLP, subparagraph 84 D.

232-245 (Reserved)

Part 9 Transfer of Real Estate and Chattel Security

246 Transfer of Security and Assumption of Debt

A General

[7 CFR 765.401(a)] (1) Approval of a security transfer and corresponding loan assumption obligates a new borrower to repay an existing Agency debt.

(2) All transferees will become personally liable for the debt and assume the full responsibilities and obligations of the debt transferred when the transfer and assumption is complete. If the transferee is an entity, the entity and each member must assume personal liability for the loan.

(3) A transfer and assumption will only be approved if the Agency determines it is in the Agency's financial interest.

FBP for the new entity must demonstrate the repayment ability and management capacity of the transferee.

[7 CFR 765.401(b)] A borrower must request and obtain written Agency consent prior to selling or transferring security to another party.

FSA requires the transfer and assumption of security and FSA debt when:

- a new borrower wants to replace the existing borrower
- a new member wants to join the borrower entity
- an entity member withdraws when remaining entity members are not personally liable for the debt.

Note: For the purposes of this Part and Part 8, an entity is defined as a husband and wife, partnership, corporation, or any other arrangement in which more than 1 person is party to the debt.

*--B ST's

ST's will only be transferred on NP rates and terms according to subparagraph 248 E, unless transfer is required because of the death of a borrower, in which case transfer will be considered according to Part 10.--*

246 Transfer of Security and Assumption of Debt (Continued)**C Junior Liens**

When a transferee assumes:

- the transferor's entire FSA debt, SED's must concur with the proposed transfer of any junior liens
- less than the full amount of FSA's debt, junior liens to the assumed debt are prohibited.

D Partial Transfer and Assumption

A borrower may transfer FSA indebtedness in whole notes only. The borrower and transferee may not split an individual loan. The borrower must demonstrate that a proposed partial sale is in the best financial interest of the operation and that the sale will not adversely affect the security and/or Government's financial interest.

The compensation received by the transferor and applied to the transferor's FSA debt may not be less than the * * * market value of the property sold.

When the value of the property exceeds the debt to be assumed, the transferee may pay with cash on hand or obtained through credit. FSA applies such cash payment to the transferor's indebtedness according to Part 5.

E Determining the Assumption Amount

[7 CFR 765.403(d)] The transferee must assume the lesser of:

- (1) The outstanding balance of the transferor's loan; or**
- (2) The market value of the security, less prior liens and authorized costs, if the outstanding loan balance exceeds the market value of the property.**

F Determining the Value of the Security Property

The value of the security property must be determined before approving a transfer and assumption. Appraisals will be conducted according to 1-FLP, Part 6. The appraisal determines the value of the security and the amount of the indebtedness that may be assumed.

247 Types of Transfers and Assumptions**A New Eligible Borrower**

[7 CFR 765.403(a)] The Agency may approve transfers of security with assumption of Agency debt, other than EM loans for physical or production losses, by transferees eligible for the type of loan being assumed if:

(1) The transferee meets all loan and security requirements in part 764 (3-FLP) of this chapter for the type of loan being assumed; and

(2) The outstanding loan balance (principal and interest) does not exceed the maximum loan limit for the type of loan as contained in § 761.8 (1-FLP) of this chapter.

Before a sale, the borrower and the proposed transferee should contact their local FSA office and submit or participate in completion of the documents to initiate the transfer and assumption process. The completed documents may include:

- complete application by the proposed transferee for the type of loan and amount of debt to be assumed according to 3-FLP, Part 3
- narrative by the authorized agency official describing the proposal
- appraisal from the transferor's file, with a copy to the transferee's file
- transferring "deed" or "bill of sale" from the transferor to the transferee
- FSA-2025
- FSA-2060
- FSA-2080, if applicable
- FSA-2476
- FSA-2489
- additional documents such as UCC1's, FSA-2028's, and mortgages as required.

247 Types of Transfers and Assumptions (Continued)**B Adding a New Member to a Borrower Entity**

To add new members to an existing borrower entity, the proposed individual entity members and the entity as a whole must meet the eligibility requirements as defined in 3-FLP, Part 4.

The borrower and the proposed entity member should contact their local FSA office and submit or participate in the completion of the documents to initiate the transfer and assumption process. The completed documents may include:

- complete application by the proposed new entity for the type of loan and amount of debt to be assumed according to 3-FLP, Part 3
- narrative by the authorized agency official describing the proposal
- FSA-2025
- new FSA-2026's, if needed
- FSA-2476
- security instruments, as appropriate.

247 Types of Transfers and Assumptions (Continued)**C Withdrawing a Member and the Remaining Members are Not Jointly Liable**

If a personally liable party withdraws from an entity and all remaining entity members are not jointly liable for the debt, FSA will process the transfer and assumption according to this Part. Accordingly, all transferees will become personally liable for the debt and assume the full responsibilities and obligations of the debt transferred when the transfer and assumption is complete. If all remaining entity members are jointly liable, the withdrawal is processed according to Part 8.

The borrower and the proposed transferee should contact their local FSA office and submit or participate in completion of the documents to initiate the transfer and assumption process. The completed documents may include:

- FBP, for the new entity demonstrating the repayment ability and management capacity of the remaining borrower entity
- updated farm assessment
- documents identifying the reason for the withdrawal such as a death certificate, a divorce decree, or a change in the composition of a corporation or partnership
- documentation of the transfer of the property such as a “deed” or “bill of sale” to the remaining members of the borrower entity
- narrative by the authorized agency official describing and recommending the proposal
- FSA-2025
- FSA-2026, FSA-2489, or both
- FSA-2080, if applicable
- FSA-2476
- new security instruments, as appropriate.

247 Types of Transfers and Assumptions (Continued)

D NP Applicant

FSA may allow NP assistance only when it is in FSA's best interest.

FSA allows NP assistance only to accommodate enhanced collection potential for outstanding loans.

The documents FSA requires for a NP transfer and assumption are the same as for a program eligible applicant, except FSA does not need to determine the borrower's eligibility.

248 Assumption Terms**A Basic Policy**

Loans will generally be assumed on new rates and terms. A loan may only be assumed on the same rates and terms according to paragraph C.

B Eligible Applicant - New Rates and Terms

[7 CFR 765.403(e)] The interest rate and loan term will be determined according to rates and terms established in part 764 (3-FLP) of this chapter for the type of loan being assumed.

C Eligible Applicant - Same Rates and Terms

A transfer and assumption of all debt and security processed at the same rates and terms does not require an appraisal.

[7 CFR 765.402] An eligible applicant may assume an Agency loan under the same rates and terms as the original note if:

(a) The original borrower has died and the spouse, other relative, or joint tenant who is not obligated on the note inherits the security property;

(b) A family member of the borrower or an entity comprised solely of family members of the borrower assumes the debt along with the original borrower;

(c) An individual with an ownership interest in the borrower entity buys the entire ownership interest of the other members and continues to operate the farm in accordance with loan requirements. The new owner must assume personal liability for the loan;

(d) A new entity buys the borrower entity and continues to operate the farm in accordance with loan requirements; or

Note: The new entity must replace the present entity.

248 Assumption Terms (Continued)

C Eligible Applicant - Same Rates and Terms (Continued)

(e) The original loan is an EM loan for physical or production losses and persons who were directly involved in the farm's operation at the time of the loss will assume the loan. If the original loan was made to:

(1) An individual borrower, the transferee must be a family member of the original borrower or an entity that is comprised solely of family members of the original borrower.

(2) A trust, partnership or joint operation, the transferee must have been a member, partner or joint operator when FSA made the original loan or remain an entity comprised solely of people who were original members, partners or joint operators when the entity received the original loan.

(3) A corporation, including limited liability company, or cooperative, the transferee must:

(i) Have been a corporate stockholder or a cooperative member when the Agency made the original loan or will be an entity comprised solely of people who were corporate stockholders or cooperative members when the entity received the loan; and

(ii) Assume only the portion of the physical or production loss loan equal to the transferee's percentage of ownership. In the case of entity transferees, the transferee must assume that portion of the loan equal to the combined percentages of ownership of the individual stockholders or members in the transferee.

D Transfer and Assumption of Types of Loans No Longer Made by FSA

[7 CFR 765.403(c)] Real estate loan types the Agency no longer makes (i.e. EE, RL, RHF) may be assumed and reclassified as FO loans if the transferee is eligible for an FO loan under part 764 of this chapter (3-FLP) and the property proposed for transfer meets program requirements.

248 Assumption Terms (Continued)

E Transfer of Security and Assumption of Debt by Ineligible Borrowers

See 1-FLP, Part 2 for levels of authority for approval of NP loans. SED has unlimited approval authority for NP loans. FSA approves NP loans on FSA-2025. Applications for NP assistance that cannot be approved will be denied by sending Exhibit 51 to the applicant. Applicants have 15 calendar days to request a review of the decision by the next level supervisor within FSA.

[7 CFR 765.404(a)] (1) The Agency will allow the transfer of real estate and chattel security property to applicants who are ineligible for the type of loan being assumed only on Non-program loan rates and terms.

(2) The Agency will reclassify the assumed loan as a Non-program loan.

[7 CFR 765.404(b)] Transferees must:

(1) Provide written documentation verifying their credit worthiness and debt repayment ability;

(2) Not have received debt forgiveness from the Agency;

(3) Not be ineligible for loans as a result of a conviction for controlled substances according to 7 CFR part 718; and

(4) Not be ineligible due to disqualification resulting from Federal Crop Insurance violation according to 7 CFR part 718.

E Transfer of Security and Assumption of Debt by Ineligible Borrowers (Continued)

[7 CFR 765.404(c)] The transferee must assume the total outstanding Agency debt or if the value of the property is less than the entire amount of debt, an amount equal to the market value of the security less any prior liens. The total outstanding Agency debt will include any unpaid deferred interest that accrued on the loan to the extent that the debt does not exceed the security's market value.

[7 CFR 765.404(d)] Non-program transferees must make a downpayment to the Agency of not less than 10 percent of the lesser of the market value or unpaid debt.

[7 CFR 765.404(e)] The interest rate will be the Non-program interest rate in effect at the time of loan approval.

See 1-FLP, Exhibit 17 for NP interest rates.

[7 CFR 765.404(f)] (1) For a Non-program loan secured by real estate, the Agency schedules repayment in 25 years or less, based on the applicant's repayment ability.

(2) For a Non-program loan secured by chattel property only, the Agency schedules repayment in five years or less, based on the applicant's repayment ability.

248 Assumption Terms (Continued)

F Modification of Security Instruments

Covenants in promissory notes and/or security instruments (mortgage or deed of trust) relating to graduation to other credit, inability to secure other financing, restrictions on leasing, FLP operation requirements, and consent to junior lien encumbrance will be deleted. Deletions are made by lining through only the specific inapplicable language with both the NP borrower and the approval official initialing the changes.

G Transfer from a NP Borrower

[7 CFR 765.403(b)] Applicants eligible for FO loans under part 764 (3-FLP) of this chapter may assume Non-program loans made for real estate purposes if the Agency determines the property meets program requirements. In such case, the Agency will reclassify the Non-program loan as an FO loan.

When a NP borrower proposes to sell security property, the authorized agency official may approve assumption of indebtedness on program or NP terms based on the eligibility of the transferee.

FSA does not release NP borrowers of liability.

249 Reviewing Transfer Request**A Reviewing Required Documents**

The authorized agency official will review the transfer request to assure that the documents required are present and complete according to paragraph 247. See 1-FLP, Part 2 for transfer and assumption approval authority.

If the required documents are incomplete or additional information is needed, FSA will request the transferor and the transferee to provide the additional information, as appropriate. The authorized agency official must inform the transferor and the transferee that FSA will not process the transfer request until the application is complete.

B Insurance Requirements

A transferee must obtain insurance according to 3-FLP, Part 6.

C Title Clearance

A transferee must obtain title clearance and legal services for closing a transfer according to 3-FLP, Part 11. FSA does not require title clearance and legal services when the interest of a liable party on the note is conveyed to another liable party who assumes the total indebtedness at same rates and terms.

D Reviewing Loan Application

The authorized agency official will review the application according to this Part and 3-FLP, Part 3.

E Approving or Denying the Transfer and Assumption

--The authorized agency official will use FSA-2025 to document approval of a transfer and-- assumption.

If FSA rejects the transfer and assumption request, the authorized agency official will notify the borrower of appeal rights according to 1-APP.

250 Closing the Transfer**A Basic Policy**

[7 CFR 765.405] The transferor and transferee are responsible for paying transfer costs such as real estate taxes, title examination, attorney's fees, surveys, and title insurance. When the transferor is unable to pay its portion of the transfer costs, the transferee, with Agency approval, may pay these costs provided:

- (a) Any cash equity due the transferor is applied first to payment of costs and the transferor does not receive any cash payment above these costs;**
- (b) The transferee's payoff of any junior liens does not exceed \$5,000;**
- (c) Fees are customary and reasonable;**
- (d) The transferee can verify that personal funds are available to pay transferor and transferee fees; and**
- (e) Any equity due the transferor is held in escrow by an Agency designated closing agent and is disbursed at closing.**

The authorized agency official will prepare closing documents according to 3-FLP, Part 11 and State and local requirements. Closing documents will be filed according to State law and as described in the State supplement.

B Final Processing

The authorized agency official will complete a "1M" ADPS transaction to record the transfer and assumption.

The signed documents in the transfer docket will be placed in the transferee's case file and the transferor's file shall be maintained according to 25-AS.

251 Determining Transferor Liability After Closing**A Full and Complete Transfer**

[7 CFR 765.406(b)(1)] The Agency may release the transferor from liability when all of the security is transferred and the total outstanding debt is assumed.

B Transfer and Assumption of a Portion of the Indebtedness

[7 CFR 765.406(a)] Agency approval of an assumption does not automatically release the transferor from liability.

[7 CFR 765.406(b)(2)] If an outstanding debt balance will remain and only part of the transferor's Agency security is transferred, the written request for release of liability will not be approved, unless the deficiency is otherwise resolved to the Agency's satisfaction.

[7 CFR 765.406(b)(3)] If an outstanding balance will remain and all of the transferor's security has been transferred, the transferor may pay the remaining balance or request debt settlement in accordance with subpart B of 7 CFR part 1956.

If all security has been transferred, the remaining debt will be considered for debt settlement instead of release of liability under this Section.

In partial debt and partial security transfer cases, the transferee may pay any sale price or security shortfalls to resolve deficiencies as approved by the authorized agency official by any of the following:

- cash contribution
- participation credit
- subsequent FSA loans.

If only a portion of the indebtedness is to be assumed by the transferee, the authorized agency official must recommend and SED must approve or deny settlement of the remaining indebtedness.

251 Determining Transferor Liability After Closing (Continued)

C Authority

The authorized agency official may consider and execute FSA-2080 in conjunction with the transfer and assumption action when all of the following conditions are met:

- transferee assumes the entire amount of the indebtedness
- transferee's indebtedness is fully secured
- transferor transfers all security
- transfer and assumption will not result in a loss to the Government.

If any of these requirements are not met, only SED's have the authority to execute FSA-2080's.

252-265 (Reserved)

Part 10 Deceased Borrowers**266 General****A Overview**

This Part describes the procedures FSA follows upon learning of the death of an FLP borrower.

B Contacting the Deceased's Family, Heirs, or Other Liable Parties

The authorized agency official will contact the family, heirs, or liable parties as soon as practical after the death of a borrower to discuss plans for the farm.

The authorized agency official will complete FSA-2490 to:

- determine how to proceed with the deceased borrower's account
- assess FSA's security position
- ensure FSA's security is adequately protected and maintained.

If no liable party remains, the heirs/representatives contacted will be informed that:

- the loan can be paid in full or assumed on eligible or ineligible rates and terms, if all requirements are met
- estates cannot be FSA program or NP borrowers.

If the account is not paid in full, assumed, or the liable parties fail to continue farming, the estate will be sent a servicing packet according to 5-FLP, paragraph 66.

266 General (Continued)

C Consulting SED

To complete FSA-2490 and determine an appropriate course of action, the authorized agency official will refer to State supplements, as appropriate; however, SED's will always be notified when:

- determining claim priority
- filing a proof of claim
- withdrawing a proof of claim
- initiating, participating in, or contributing to a probate or administrative hearing
- servicing a borrower's account when no will exists.

SED's will consult with OGC, as appropriate.

When necessary, the authorized agency official will forward the following information to SED:

- FSA-2490
- the borrower's case file
- a recommendation on how FSA should proceed with the borrower's account.

267 Servicing Options for Program Loan Accounts**A Continuation**

[7 CFR 765.451(a)] Following the death of a borrower, the Agency will continue the loan with any individual who is liable for the indebtedness provided that the individual complies with the obligations of the loan and security agreements.

The authorized agency official will process applicable changes to SCIMS and ADPS to change any name, account number, or case number.

B Transfer and Assumption

[7 CFR 765.451(b)] The Agency will continue the loan with a person who is not liable for the indebtedness in accordance with subpart I of this part.

See Part 9 for more information on transfer and assumptions.

C Net Recovery Buyout Agreements and FSA-2543's

If an unmatured net recovery buyout agreement or FSA-2543 exists at the time of the borrower's death, see 5-FLP, subparagraph 342 A or 361 B.

D Liquidation

If a deceased borrower's farm loan accounts cannot be paid in full, voluntarily liquidated, resolved through continuation with existing obligors, or transferred to a third party, the authorized agency official will begin processing according to 5-FLP, paragraph 66.

268 Servicing Options for NP Accounts**A General Policy**

When a borrower with only NP's dies, FSA shall determine whether the borrower's NP's may be continued or assumed by another party. If NP's cannot be continued or assumed, FSA shall liquidate NP's according to 5-FLP, Part 16.

B Continuation with a Jointly Liable Borrower

[7 CFR 765.452(a)(1)] The Agency will continue the loan with a jointly liable borrower if the remaining borrower continues to pay the deceased borrower's loan in accordance with the loan and security instruments.

The authorized agency official shall process applicable changes to SCIMS and ADPS to change the borrower's name and case number.

C Transfer and Assumption

[7 CFR 765.452(b)] A deceased borrower's loan may be assumed by an individual not liable for the indebtedness in accordance with subpart I of this part (Part 9).

[7 CFR 765.452(a)(2)] The Agency may continue the loan with an individual who inherits title to the property and is not liable for the indebtedness provided the individual makes payments as scheduled and fulfills all other responsibilities of the borrower according to the loan and security instruments.

See subparagraph 248 C for information on continuing or assuming a loan.

D Security Transfer Beyond Heirs

[7 CFR 765.452(c)] (1) The Agency will not continue a loan for any subsequent transfer of title by the heirs, or sale of interests between heirs to consolidate title; and

(2) The Agency treats any subsequent transfer of title as a sale subject to requirements listed in subpart I of this part (3-FLP, Part 10).

269-280 (Reserved)

Part 11 Borrowers Entering the Armed Forces

281 General

A Act Impact

The Servicemembers Civil Relief Act of 2003 and the Ronald W. Reagan National Defense Authorization Act for Fiscal Year (FY) 2005 both affect FSA loan servicing. The Servicemembers Civil Relief Act of 2003 authorization affects FLP borrowers on active duty at all times whereas the requirements of the Ronald W. Reagan National Defense Authorization Act for Fiscal Year (FY) 2005 are only implemented during a time of a war or national emergency as declared by the President or Congress.

282 Servicemembers Civil Relief Act of 2003**A Interest Rate**

Subject to paragraph 283, FSA may not charge interest exceeding 6 percent on existing FLP debt if the borrower enters full-time active military duty.

Upon learning that a borrower enters active duty, the authorized agency official shall send a notification letter to the borrower stating that the interest rate on their FSA loans will not exceed 6 percent while the borrower is on active military duty. The borrower shall submit written notice and a copy of the military orders calling the service member to military service and any orders further extending military service. The interest rate change will be effective with the date the military service started (as verified in the military orders submitted by the borrower).

If the borrower's interest rate is already lower than the 6 percent rate, the borrower will be notified that FSA will not increase the borrower's interest rate.

Adjustments to the interest rate based on military service must be processed by FSC, FLOO only; therefore, the authorized agency official should send a memorandum to FSC, FLOO that confirms the military service of the borrower and the effective date of that service.

In addition, the authorized agency official shall process applicable changes to SCIMS and ADPS to change the borrower's address to the address at which FSA may contact the borrower while on active military duty or the address of a designated power of attorney.

B Penalty for Violations

Violations of the Servicemembers Civil Relief Act of 2003 are misdemeanors. Knowingly violating the provisions of the Servicemembers Civil Relief Act of 2003 is punishable by fines, imprisonment for not more than 1 year, or both.

282 Servicemembers Civil Relief Act of 2003 (Continued)**C Borrower Contact**

When the authorized agency official learns that a borrower plans to enter the Armed Forces on full-time active duty, the authorized agency official shall immediately contact the borrower to ensure that someone adequately cares for the borrower's loan security during their absence. The authorized agency official shall determine whether the borrower wants to:

- retain chattel or real estate security while on active duty
- lease real estate security while on active duty
- dispose of chattel or real estate security before reporting to active duty.

D Power of Attorney

If the borrower decides to retain ownership of the FSA loan security while on active duty and there are no other parties liable for the debt, the authorized agency official shall encourage the borrower to authorize a power of attorney. The borrower may designate a power of attorney before entering active duty. A person designated with a power of attorney has the responsibility to ensure both:

- proper use and maintenance of the borrower's chattel and real estate security
- timely payment on the borrower's insurance, taxes, and FSA loan.

SED's shall issue State supplements for acceptable powers of attorney.

E Real Estate Security Leases

The authorized agency official, when appropriate, may encourage a borrower, while on active duty, to lease real estate security in which FSA has a security interest when the rental income fully repays the borrower's:

- annual installment
- real estate taxes
- required hazard insurance.

If the borrower decides to lease the real estate security, the authorized agency official may encourage the borrower to enter into a written lease and obtain an assignment of rental income proceeds in an amount sufficient to cover the borrower's annual FSA installment using FSA-2044.

282 Servicemembers Civil Relief Act of 2003 (Continued)**F Disposal of Security**

If the borrower decides to sell the security before entering military service, the borrower may:

- dispose of the security with a voluntary sale and then apply the sale proceeds to the balance of the FSA loan according to Part 5
- transfer the security and the loan to another person according to Part 9.

G Borrower Default

If, while serving on active duty, the borrower becomes delinquent on payments or is otherwise in default, the authorized agency official will send the borrower and the person designated by the borrower with power of attorney notices as required by 5-FLP, Part 3. SED's will fully use the exception authority granted in 5-FLP when additional time is needed by the borrower for submitting a complete servicing application.

FSA may not sell or seize a borrower's property while the borrower is on active duty and 3 months thereafter, except by court order. OGC and SED must provide consent before an authorized agency official may accelerate an account.

If the account has been referred to DOJ, FSA must notify DOJ that the borrower is entitled to relief under the Servicemembers Civil Relief Act of 2003.

H Security Abandonment

If the borrower abandons the security, FSA will service the borrower's account according to 5-FLP, Part 18.

I Failure to Cooperate

If the borrower fails to cooperate with FSA, the authorized agency official shall consult with the State Office for servicing guidance.

282 Servicemembers Civil Relief Act of 2003 (Continued)**J Treasury and Internal Administrative Offsets**

Treasury and internal administrative offsets will be discontinued once a borrower is ordered to report for induction or military service, and any payments received as a result of offset after the date the borrower was called to active duty will be refunded. Treasury offsets shall be suspended by State Offices by deleting affected loans each quarter on the Borrowers Eligible for TOP Offset Certified Screen or the Borrowers Eligible for TOP Offset Screen. Co-borrowers associated with this debt must also be deleted in an effort to reduce hardship on the family. See applicable FI directives for further information. The suspension will begin when the borrower is ordered to report for induction or military service and continues during the period of active duty and 3 months thereafter.

Note: Use delete code “07”, “Borrower was indebted to FSA before entering full time active duty military service and the account is being serviced according to the National Defense Act.”

K Treasury Cross-Servicing

Borrowers and co-borrowers called to active military duty similarly shall not be referred for cross-servicing.

Note: If the borrower has been referred to Treasury for cross-servicing, State Offices must FAX FSA-1956-22's with code “07” in item 14A to FSC, FLOO at 314-539-6266.

L Canceling the 6 Percent Interest Rate

If FSA decreased the borrower's interest rate, as soon as the authorized agency official verifies that a borrower is no longer on active duty, the authorized agency official shall send a letter to FSC, FLOO. This letter instructs FSC, FLOO to terminate the 6 percent interest rate and revert to the rate in existence before the assignment of the 6 percent rate.

283 Ronald W. Reagan National Defense Authorization Act for Fiscal Year (FY) 2005**A Suspension of Interest Accrual and Payments**

During a time of war or national emergency as declared by the President or Congress, the existing FLP payments of borrowers on active duty (National Guard members must be on duty at least 30 calendar days to be considered on active duty) will be deferred and interest will not accrue beginning on October 28, 2004, or the date in which they enter active duty, whichever is later. If any regular payments have been made since the date noted, October 28, 2004, the borrower should be contacted and the payment will be refunded at their request. The due dates of all payments due during and after such active duty will be deferred for a period of time equal to the time the borrower is on active duty during war or a national emergency.

Example: A borrower with an OL (matures January 15, 2009, annual payment on January 1) and a FO (matures February 15, 2030, annual payment on January 1) enters active duty on October 1, 2006, and is discharged on April 1, 2007 (182 days).

- Interest will not accrue from October 1, 2006, to April 1, 2007.
- The payments on both loans will be due on September 30 each year (April 1, 2007 + 182 days = September 30).

When information is received by the County Office that a borrower has entered or is entering active duty, the County Office will send:

- the borrower Exhibit 52, informing them that payments will be deferred and interest will not accrue during time of active duty
- FSC, FLOO a courtesy copy by FAX to:
 - 314-539-3111 for State coded 01 through 32
 - 314-539-6447 for State coded 33 through 64.

**283 Ronald W. Reagan National Defense Authorization Act for Fiscal Year (FY) 2005
(Continued)****B Reinstating Annual Payments and Interest Accrual**

The payment deferral and interest nonaccrual status will end on the earlier of the date the:

- war or national emergency is over
- borrower is released from active duty.

When information is received that the war or national emergency is over, or the borrower has been released from active duty, the County Office shall send:

- the borrower Exhibit 53, informing them that suspension and nonaccrual status has ended
- FSC, FLOO a courtesy copy by FAX to:
 - 314-539-3111 for State coded 01 through 32
 - 314-539-6447 for State coded 33 through 64.

C Acceleration or Foreclosure

FSA will not accelerate or foreclose on the property of a borrower in the armed forces during the borrower's tenure of service and for 3 months, thereafter.

Note: If the account has been referred to DOJ, notify DOJ that the borrower is entitled to relief under the Servicemembers Civil Relief Act of 2003 and the Ronald W. Reagan National Defense Authorization Act for Fiscal Year (FY) 2005 (subparagraph 281 A).

284-290 (Reserved)

Part 12 Transferring Borrower Records, Security, and Servicing Responsibilities

291 Procedures and Servicing Responsibility

A General

When a borrower moves from 1 office jurisdiction to another, FSA will transfer loan records and servicing responsibilities. In general, the County Office for the borrower's old location should transfer borrower records when the farm headquarters is relocated to another jurisdiction.

When FSA has referred an account to DOJ or Treasury, borrower records will remain in the existing County Office location.

A County Office may not transfer a borrower's records to another County Office while FSA is considering a debt settlement application for that borrower.

B Borrower Responsibilities

When FSA receives notification that a borrower intends to relocate loan security, the authorized agency official must notify the borrower of his or her responsibilities arising from the move.

A borrower who moves or plans to move must:

- notify the County Office in which the security is currently located that they want to move FSA security and provide the intended new address or property location through FSA-2495
- arrange for the care and/or disposition of any loan-related security or properties that the borrower will not move
- promptly execute and provide recording and lien search fees for any new security instruments FSA may require.

For moves within a county, the borrower may apply verbally for approval to relocate security.

291 Procedures and Servicing Responsibility (Continued)**C File Transfer and Notification Procedure**

When files or servicing responsibilities are proposed for transfer to another FSA jurisdiction within the same State, the transferring County Office must route FSA-2495, together with the borrower's case files, to SED for concurrence and processing guidance.

When the borrower proposes a move to another State, the transferring County Office must route FSA-2495 and the borrower's case file to the transferring SED. SED reviews the transfer material for relocation acceptability and route the transfer material to the receiving State's SED. In such cases, the receiving SED will then:

- contact transferring SED with any concerns or questions
- notify the transferring SED of the address of the receiving County Office
- forward the transferred material to the receiving County Office.

The receiving County Office should process the transfer using a "9G" ADPS transaction and the MAC "Move" function.

The transferring County Office:

- should send the receiving office the original security and debt instruments separately from the case file, by certified mail
- is responsible for notifying the borrower about whether the relocation of chattel security is authorized.

For moves within a county, the authorized agency official may verbally notify the borrower of FSA's decision. However, the authorized agency official should always document any decision in the borrower's case file.

If FSA does not approve the transfer, the transferring County Office will service the case according to 5-FLP, Part 3.

Transferring and receiving FSA Offices may request each other's assistance as appropriate.

For special or problem circumstances accompanying a security or records relocation, SED should seek assistance from the Regional OGC.

291 Procedures and Servicing Responsibility (Continued)**D Receiving Office Responsibilities**

New security instruments are necessary for borrower relocations and borrower crop and chattel relocations, unless other guidance is provided through a State supplement or from the Regional OGC.

The receiving County Office must obtain a new UCC1 and FSA-2028 (3-FLP, Part 10) when a borrower moves:

- to a new farm and crops or fixtures on new real estate will serve as security
- to a new farm which is to serve as security
- FSA chattel security to a new County Office location.

The receiving County Office must obtain a new UCC1 and FSA-2028 as soon as possible, but no later than 30 calendar days after the borrower's move.

If the borrower does not execute the new instruments, the County Office shall refer the case to SED with recommendations for appropriate action. Normally, the receiving County Office will notify the borrower according to 5-FLP, subparagraph 66 A (3) and proceed to liquidation with the assistance of the transferring County Office. For interstate moves, the receiving County Office must execute and file a new UCC1 with the following text:

“The above collateral was brought into ____ from ____ County, State of ____, subject to a security interest of the Secured Party.”

The receiving County Office should see the applicable State supplement for instructions and guidance on lien searches.

292-300 (Reserved)

***--Part 13 Servicing Borrowers With Both FSA and RD Loans**

301 General Servicing Procedures

A Payoff Requests

If a borrower with both FSA and RD loans requests payoff information from FSA, the agency official shall:

- provide the payoff information according to paragraph 65
- remind borrower of the RD loans
- provide information on how to request payoff information from RD.

B Graduation and Classification

For graduation requirements see Part 4. For classification requirements see 1-FLP, Part 8, Section 4.

Note: Copies of financial statements, cash flows, and other related documents may be shared by FSA and RD.--*

--301 General Servicing Procedures (Continued)*C Partial Release, Subordination, and Consent**

A request for partial release, subordination, and consent (for FSA this is FSA-2060) for security instruments that describe both the FSA and RD loan must be approved by both agencies. The agency receiving the request shall take the lead in processing the request.

Note: Borrowers may submit 1 request only.

The agency receiving the request will obtain any appraisals needed. Appraisal for farm tracts must meet the requirements of 1-FLP, Part 6, and appraisals for nonfarm tracts must meet RD requirements. Authority to execute these actions will be based on the established policies and procedures of each agency. FSA's policies and procedures are set forth under 1-FLP, Parts 6 and 7.

Response to the borrower's request will be issued by the agency that received the request.

If both agencies cannot approve the borrowers' request, the request will be denied and appeal rights provided. The denial will be issued by the lead agency. If only 1 agency cannot approve the borrowers' request, that agency will send the denial letter and provide appeal rights according to the agency's established procedures.

Note: Adverse decision letters issued by FSA must comply with 1-APP.--*

***--301 General Servicing Procedures (Continued)**

D Releasing Joint Security Instruments

FSA and RD State Office approval is required to release security instruments that describe both an FSA and RD loan. If all the security cannot be released because of outstanding obligations by the other agency, then do the following.

Step	Action	
1	IF...	THEN...
	FSA's debt is paid in full or satisfied first	FSA will send the original joint security instruments to RD with a letter indicating satisfaction of FSA debt.
	RD's debt is paid in full or satisfied first	RD will send FSA a letter indicating satisfaction of RD debt.
2	Return the promissory notes according to applicable agency procedures. FSA may return promissory notes to the borrower according to subparagraph 65 F.	
3	Attach a copy of the releasing agency's letter, if applicable, to the original security instruments.	
4	The remaining agency will release the security instruments when appropriate. After all debt against the security instrument has been paid in full or satisfied, FSA may release the security instrument according to subparagraph 65 F.	

E Determining Lien Position When Both FSA and RD Loans Were Made at the Same Time

The lien position is shared by both FSA and RD when the FSA FLP and RD loans were made at the same time, or the security was taken at the same time, and included on the same mortgage or deed of trust. The amount of the lien is proportionate to the total amount of debt owed on these loans. See 5-FLP, Exhibit 79 for calculating the proportionate share of security value for sales by borrower or losses covered by insurance.--*

***--301 General Servicing Procedures (Continued)**

F Losses Covered by Insurance

If insurance proceeds will be used to repair or replace joint security property, the agencies must decide which agency will oversee and approve the repairs and replacements and make all required inspections. Normally, the agency holding the greatest proportion of security value will be responsible for seeing that any repairs or replacements are completed. However, these duties may be shared by both agencies to the extent that FSA may handle all farm property and RD may handle all single family housing property. Copies of development plans and inspections shall be shared with the other agency. If FSA is responsible for supervision of repairs, see 1-FLP, Part 5.

Insurance proceeds to be applied against the debt will be applied based on lien priority according to subparagraph 301 E. Both agencies must approve any release of insurance proceeds of joint security property.

G Labor Housing Loans

If the security is the same for both FSA and/or Labor Housing loan, servicing will be handled according to this paragraph.--*

Definitions of Terms Used in This Handbook (7 CFR 761.2(b))**Abandoned Security Property**

Note: Most loan costs are tied to specific loans; however, PLAS will only "Add on" this cost if the loan fund code is that of farm ownership or soil and water. If the loan fund code is for operating, emergency, or other loan types, the cost item is established under a separate loan number with the same fund code as the original loan. This loan numbering system generally starts with loan 99 and works backwards (98, 97, 96) with each loan cost paid. The interest rate of the loan cost will be the same as the original loan; however, the loan account is immediately due and payable and will reflect a final year of the loan the same as the year the cost was paid.

Net Recovery Value of Agency Security

Net recovery value of Agency security is the market value of the security property, assuming that the lender in the case of a guaranteed loan, or the Agency in the case of a direct loan, will acquire the property and sell it for its highest and best use, less the lender's or the Agency's costs of property acquisition, retention, maintenance, and liquidation.

Net Recovery Value of Non-Essential Assets

Net recovery value of non-essential assets is the appraised market value of the non-essential assets less any prior liens and any selling costs that may include such items as taxes due, commissions, and advertising costs. However, no deduction is made for maintenance of the property while in inventory.

Non-Capitalized Interest

Non-capitalized interest is accrued interest on a loan that was not reclassified as principal at the time of restructuring. Between October 10, 1988, and November 27, 1990, the Agency did not capitalize interest that was less than 90 days past due when restructuring a direct loan.

Nonmonetary Default

A borrower is in nonmonetary default when the borrower has broken the loan agreement for a reason other than being delinquent.

Nonprogram Loan

Non-program loan is a loan on terms more stringent than terms for a program loan that is an extension of credit for the convenience of the Agency, because the applicant does not qualify for program assistance or the property to be financed is not suited for program purposes. It also must be authorized to own both real and personal property and to incur debt in its own name.

Subsequent Loan

A **subsequent loan** is any FLP loan processed by the Agency after an initial loan of the same type has been made to the same borrower.

Transfer and Assumption

REQUEST FOR GRADUATION INFORMATION

Dear:

At the time you obtained your loan from the Farm Service Agency (FSA), you were unable to get the credit you needed from conventional lenders. The objective of the FSA credit program is to provide you with temporary credit assistance. Once you become financially able to obtain credit from conventional lenders, you are required to obtain the credit you need to refinance and pay off your FSA loan.

Agency regulations require that we complete a review of your financial status and the progress you are making. In order to complete an accurate review, we ask you to provide the following information to our office:

- 1) Actual financial performance for the past year (copy of your last tax return or current income and expense records).
- 2) Current Balance Sheet and projected income/expense for next year.

Enclosed are forms you can use to complete items 1 and 2. If you already have a balance sheet and a current year's budget, copies of these and your last tax return or your actual records of income and expense for last year are acceptable. This information or other information in your case file may be provided to lenders to determine if they can refinance your Farm Loan Programs debt. PLEASE PROVIDE THIS INFORMATION TO OUR OFFICE BY:

(1st mailing) [insert date 30 days from letter].

(2nd mailing) [insert date 15 days from letter].

Failure to submit any required documents will result in acceleration of your account and the FSA will immediately move toward foreclosure. Graduation is mandated by law.

If you have any questions, concern, or need help putting this information together, let us know and we will help.

Sincerely,

BORROWER PROSPECTUS

Dear:

FSA is required to determine if direct loan applicants can obtain commercial credit with an FSA loan guarantee. Also, FSA direct loan borrowers must be referred to commercial lenders for guaranteed or nonguaranteed financing when they appear to meet the lending criteria of a cross-section of local lenders.

Your institution is among those that asked to receive prospectus information on all such FSA applicants and borrowers. Therefore, we have attached financial summary information on the following borrower for your review and consideration:

Name	Eligible for FSA Loan Guar.		Total Amount Existing FSA Term Loan(s)	Estimated Production Loan Needed	Lender Use	
	YES	NO			Refer	Do Not Refer

We would like to know whether we may refer this borrower to you for further consideration, and have enclosed a stamped, self-addressed envelope. Should more than one lender extend a firm offer to provide credit, the borrower will choose the lender.

FSA loan guarantees of up to 95 percent are available to qualified applicants and borrowers. FSA may guarantee up to \$ _____ in some circumstances. Interest assistance of 4 percent is also available to qualified applicants and borrowers. Guaranteed loan fees (1%) are waived whenever interest assistance is approved for that loan, and in cases where at least 50 percent of the guaranteed loan amount is composed of FSA debt that is being refinanced by the lender.

This borrower qualifies for a Market Placement application. In such cases, FSA will make the feasibility determination and present the lender with the completed initial application package for review.

Please return this letter within 10 days with your "Refer" or "Do Not Refer" wishes indicated. We are always available to answer questions you may have.

Sincerely,

LETTER TO NOTIFY BORROWERS TO REFINANCE THEIR FSA INDEBTEDNESS

Dear

The financial progress you have made since receiving your Farm Service Agency (FSA) loan(s) has been reviewed. You should take pride in the progress you have made. We share that pride with you and are pleased that we may have been of service.

Your FSA loan and security instruments require you to refinance the unpaid balance of your loan(s), when you have progressed to the extent that you can obtain credit from responsible cooperative or commercial lenders.

Lenders have been contacted to determine their requirements and the availability of credit to new customers. We have evaluated your financial progress, together with the lender requirements, and find that you should now be able to secure satisfactory credit to pay your FSA loan(s). Therefore, we request that you refinance your (type of loan, FO, OL, etc.) loan(s) in full.

The approximate balance is \$_____.

We suggest you contact the following lenders within 30 days. You may contact other lenders if they offer credit for the type of loan(s) being considered for refinancing. (List lenders that have indicated they would consider the credit.)

If you are unable to graduate your loan(s) in full, you will need to provide this office within _____ days with written evidence showing that you made an earnest effort to seek other credit. Such evidence should include:

- The name(s) of other lender(s) contacted
- The amount of loan requested by you and the amount, if any offered by the lender(s)
- The rates and terms offered by the lender(s) or the specific reason(s) why other credit is not available, and

If you wish, an appointment will be arranged to discuss questions you may have. Our telephone number is _____.

BORROWERS LEAVING ACTIVE DUTY

Dear

On October 28, 2004, the President signed into law the Ronald W. Reagan National Defense Authorization Act for Fiscal Year 2005 (the Act). As per this Act, interest did not accrue and payments were deferred on your Farm Service Agency (FSA) Farm Loan Program (FLP) loans when the United States was at war or during a national emergency and you were on active duty. As we understand these conditions no longer exist, interest is now accruing on your FLP loans and payments must resume. Your payments are deferred for a period of time equal to the time of your active duty. The period of time has, therefore, been added to the term of your FLP loans.

The beginning date of the deferred and non-accrual status was _____. The ending date of the deferral and non-accrual status was _____. The time period for your active duty, therefore, was _____.

Within the next 12 months, the following payments are due on your FLP loans:

Loan Number	Date Due	Amount
-------------	----------	--------

Please do not hesitate to contact this office if any further information is required.
