Part 1 Introduction and Purpose

1 Purpose and Sources of Authority

A Handbook Purpose

This handbook is designed to assist FSA in understanding:

- regulations governing direct loan regular or routine servicing
- roles and responsibilities in implementing regulations and other responsibilities in direct loan regular or routine servicing.

B Sources of Authority

The sources of authority for this handbook include:

- 7 CFR Part 765 and other regulations that may be referenced throughout this handbook
- various laws and statutes passed by Congress, including CONACT.

C Regulation References

Text in this handbook that is published in CFR is printed in **bold** text. CFR citation is printed in brackets in front of the text. The references and text:

- are intended to highlight the requirement spelled out in CFR
- may be used to support FSA adverse decisions.

Note: Cross-references printed in bold are citing a section of CFR. The handbook paragraph or subparagraph where the cross-referenced CFR text can be found is printed in non-bold text in parenthesis (within the bold text).

Example: Subparagraph 118 A provides “[**7 CFR 765.205(c)**] **(1) For loans secured by chattel, the subordination must meet conditions contained in paragraphs *(b)(3)(i) through (b)(3)(xiii) of this section** (subparagraph 117 A).”

The text “**paragraphs (b)(1)(i) through (b)(3)(xiii) of this section**” refers to 7 CFR 765.205 (b)(3). The nonbold reference indicates that 7 CFR 765.205(b) is included in subparagraph 117 A.--*

3 FLP Forms

A Form References

--Except as provided in this paragraph, this handbook references forms according to the forms numbering system that became effective December 31, 2007. Forms executed before December 31, 2007, may have a number different from that referenced. See 1-FLP, Exhibit 5 for a comparison of form numbers before and after December 31, 2007.--

Note: See Exhibit 1 for titles of forms referenced in this handbook.

With the exception of FSA-2510, FSA-2512, and FSA-2514, form numbers are not referenced in CFR (**bold**) text. CFR refers to forms by either:

- the common name of the form

Example: CFR may state, “a promissory note”, instead of stating, “FSA-2026”.

- purpose or the information collected.

Example: CFR may state, “a shared appreciation agreement”, instead of stating, “FSA-2543”.

This handbook may refer to the following forms by title and/or form number.

Form Number	Form Title
FSA-2026	Promissory Note
FSA-2029	Mortgage/Deed of Trust
FSA-2543	Shared Appreciation Agreement

4 FSA Exception Authority

A General

[7 CFR 765.501] On an individual case basis, the Agency may consider granting an exception to any regulatory (or 4-FLP handbook) requirement or policy of this part--* if:

(i) The exception is not inconsistent with the authorizing statute or other applicable law; and

(ii) The Agency's financial interest would be adversely affected by acting in accordance with published regulations or policies and granting the exception would resolve or eliminate the adverse effect upon the Agency's financial interest.

A decision as to whether an exception request will be submitted will be at FSA's discretion and is not appealable.

A request for an exception to program regulations should not be pursued under normal servicing conditions. FSA considers requests submitted under extraordinary circumstances only.

B Submitting Exception Requests

SED must submit an exception request to DAFLP by e-mail to **SM.FSA.DCWa2.AdmException** or **adminexception@wdc.usda.gov**. The e-mail subject should read "Administrator's Exception to (cite 4-FLP subparagraph) – (Borrower's Name and State)." An attachment must fully describe the status of the account, including:

- a brief background on the case
- total outstanding FSA indebtedness; loan types and amounts
- current status of the account; if it is delinquent, where it is in Primary Loan Servicing
- type of security (chattel or real estate) and estimated value
- prior liens
- proposed plan of action that warrants the exception request

4 FSA Exception Authority (Continued)

B Submitting Exception Requests (Continued)

- what procedure is to be waived
- the adverse effect to FSA resulting from compliance with the regulation and how it would be eliminated or minimized through the exception
- discussion of graduation
- how the action is in the best interest of the Government
- additional information that SED thinks will be needed to review the case.

Part 3 Limited Resource Loans

31 Reviewing a Borrower's Account

A Overview

This Part describes the process for routine interest rate review of limited resource loans.

B Borrower Account Reviews

[7 CFR 765.51(a)] A borrower with limited resource interest rate loans is required to provide the Agency annually the operation's financial information to determine if the borrower can afford to pay a higher interest rate on the loan. The Agency will review the information provided in accordance with § 761.105 of this chapter (1-FLP, paragraph 263).

The authorized agency official will usually review borrower accounts during the year-end analysis; however, reviews may be completed at any time. The limited resource interest rate review process will be tracked and monitored within DLS and documented in FBP.*

Note: See 1-FLP, Part 8, Section 5 for more information on the year-end analysis.

Based on results of the review, the authorized agency official may adjust the interest rate, if the:

- borrower's debt service margin shows that the borrower can afford to pay a higher interest rate according to subparagraph 32 A
- borrower makes a request to be removed from limited resource rates according to subparagraph 32 B
- borrower defaults on the loan agreements according to subparagraph 32 C.

*--The authorized agency official must approve the interest rate change by completing the Limited Resource Review section in the applicable FBP Credit Presentation. The interest rate change will be accomplished by completing the Limited Resource Review workflow in DLS.

When a review is completed and no change is to be made to the borrower's interest rate, a Limited Resource workflow will be processed in DLS. The authorized agency official will document the review in the applicable FBP Credit Presentation.*

32 Increasing and Decreasing Interest Rates

A Debt Service Margin

[7 CFR 765.51(b)] If the borrower's farm operating plan shows that the debt service margin exceeds 110 percent, the Agency will increase the interest rate on the loans with a limited resource interest rate until:

- (1) A further increase in the interest rate results in a debt service margin of less than 110 percent; or**
- (2) The interest rate is equal to the interest rate currently in effect for the type of loan.**

TDCLCR from FBP is used to establish eligibility for limited resource rates. TDCLCR is located in the Repayment Capacity/Sensitivity and the Ratio/Indicators Reports within FBP.

If TDCLCR exceeds 110 percent, the authorized agency official will recalculate the borrowers total debt repayment by replacing the current interest rate with an interest rate that is 1 percentage point above the current interest rate. If the current regular interest rate is less than 1 percent higher than the borrower's existing limited resource rate, the authorized agency official will:

- apply the regular interest rate to the total debt repayment calculation
- recalculate the borrower's TDCLCR using the new total debt repayment amount.

This process is repeated, using increments of 1 percent, if needed, until the interest rate that allows the borrowers TDCLCR to be as close to, but not less than, 110 percent is identified or the regular interest rate currently in effect has been achieved. Increments of less than 1 percent may only be used to reach the regular interest rate currently in effect.

Example: The current interest rate for the type of loan is 7.25 percent. The limited resource interest rate is 5 percent. After increasing the interest rate by full percentage points to 7 percent, if the 110 percent TDCLCR requirement can still be met, the rate may be increased by 0.25 percent to reach the current full interest rate for the type of loan.

If the borrower has more than 1 limited resource loan, the authorized agency official will alternate increasing the interest rate on 1 loan at a time, until the borrowers TDCLCR is as close as possible, but not less than, 110 percent or the regular interest rate currently in effect has been reached for all existing limited resource loans.

32 Increasing and Decreasing Interest Rates (Continued)**B Borrower Request**

The authorized agency official may adjust the interest rate on a borrower's limited resource loan to the regular interest rate for that type of loan, if all of the following provisions apply:

- borrower makes the request in writing
- borrower's TDCLCR at the regular interest rate is greater than or equal to 100 percent
- regular rate is lower than or equal to the limited resource rate.

C Loan Agreement Default

[7 CFR 765.51(c)] Except as provided in paragraph (d) (subparagraph D) of this section, the Agency will increase the limited resource interest rate to the current interest rate for the type of loan, if the borrower:

- (1) Purchases items not planned during the term of the loan;**
- (2) Refuses to submit information the Agency requests for use in reviewing the borrower's financial condition;**
- (3) Ceases farming, as described in § 765.253 (paragraph 99); or**
- (4) Is ineligible due to disqualification resulting from Federal Crop Insurance violation according to 7 CFR part 718 (1-CM).**

D Deferred Loans

[7 CFR 765.51(d)] If the borrower has limited resource interest rate loans that are deferred, the Agency will not change the interest rate during the deferral period.

33 Borrower Notification**A Sending Notification Letters**

The authorized agency official must notify a borrower of any decision to change an interest rate with a letter similar to Exhibit 20. The letter must inform the borrower of:

- the new interest rate
- the authorization and reason for the change in interest rate
- the effective date of the new rate
- the amounts of new payments and dates due
- appeal rights, unless the borrower requested the rate increase.

--The letter must be sent by regular mail, or hand delivered, and a copy must be placed in-- the borrower's file. The authorized agency official will not apply the increased interest rate until 30 calendar days after the letter is sent to the borrower. If the borrower appeals FSA's decision to increase the interest rate, the rate will not be changed until the appeal is concluded.

B Change in Regular Interest Rate

If the rate is being changed to the regular rate, and as of the effective date the regular rate of interest is something other than the rate noted in Exhibit 20, the borrower will receive the lower of the 2 rates.

34-45 (Reserved)

Part 4 Borrower Graduation

46 Graduation Requirements

A General

The direct FLP is * * * a temporary source of credit. By statute, FSA periodically conducts graduation reviews to assess the borrower's ability to graduate to commercial credit. The borrower must provide FSA with all the information requested for the reviews. Borrowers whose financial condition has improved to a point they can refinance their debt with commercial credit will be asked to seek other financing and partially or fully payoff their *--FSA debt. A graduation of all program loans is considered a full graduation even though the borrower may still have NP's remaining.

The requirements of this part apply only to program borrowers, except CL-only borrowers, and borrowers with a combination of program loans and NP's.

B CL-Only Borrowers

[7 CFR 765.101(g)] CLs are not subject to graduation requirements under this part.

Borrowers who have other program loans outstanding in addition to CL will be subject to graduation requirements on the other program loans only.--*

C Graduation Criteria

[7 CFR 765.101(a)] In accordance with the promissory note and security instruments, the borrower must graduate to another source of credit if the Agency determines that:

- (1) The borrower has the ability to obtain credit from other sources; and**
- (2) Adequate credit is available from other sources at reasonable rates and terms.**

[7 CFR 765.101(b)] The Agency may require partial or full graduation.

- (1) In a partial graduation, all FLP loans of one type (i.e. all chattel loans or all real estate loans) must be paid in full by refinancing with other credit with or without an Agency guarantee.**
- (2) In a full graduation, all FLP loans are paid in full by refinancing with other credit with or without an Agency guarantee.**
- (3) A loan made for chattel and real estate purposes will be categorized according to how the majority of the loan's funds are expended.**

46 Graduation Requirements (Continued)

C Graduation Criteria (Continued)

FSA will review provisions of individual promissory notes to ensure that graduation language is included. Some older promissory notes do not contain graduation clauses. These loans are not subject to the same graduation requirements.

47 Graduation Review Process

A Obtaining Underwriting Criteria From Local Lenders

Each October, the authorized agency official shall contact local lenders to obtain their underwriting criteria for making agricultural loans. Information gathered from these contacts will be summarized on Exhibit 22, with any additional comments in narrative form, and
 --placed in the county operational files FLP FLPF-4-B "Graduation", according to 32-AS.--
 At a minimum, the narrative for each lender will contain the following:

- lender's interest in refinancing FSA borrowers, including interest in receiving the graduation prospectus described in subparagraph D
- lender's rates, terms, fees, loan conditions, and policies for annual operating, term operating, and real estate loans.

47 Graduation Review Process (Continued)

B Obtaining Financial Data

[7 CFR 765.101(c)] The borrower must submit all information that the Agency requests in conjunction with the review of the borrower's financial condition.

The borrower will provide upon agency request, a current balance sheet, actual financial performance, and a projected farm budget at least every 2 years. Except for borrowers with only youth loans, only CL's or NP's, judgments, or CNC's, or whose accounts are flagged "BAP", "ACL", "FAP", "CAP", or otherwise as determined by OGC, the authorized agency official will send Exhibit 23 and the required forms to request current financial information from the borrower to evaluate the potential for refinancing to commercial credit. Exhibit 23 will be sent twice if the borrower does not supply the required information. The first time Exhibit 23 is sent, the borrower will be given 30 calendar days to supply the required information. The second Exhibit 23 will be sent on day 15, only if the required information has not been submitted and will give the borrower 15 calendar days to submit the required information. If the borrower has provided the financial information required to conduct a year-end analysis, or current financial data is available for other reasons, this same information may be used in the graduation review process. The borrower's financial information will be used to classify accounts according to 1-FLP, Part 8.

C Screening Borrowers

At least every 2 years, the authorized agency official will conduct electronic screening of all borrowers using the Graduation Review Workflow in DLS. All borrowers classified as a "1" or "2" (commercial or standard) are required to be screened and reviewed in DLS on an *--annual basis. Borrowers with limited resource interest rates, youth loan only, nonprogram only, judgment, CL, and CNC accounts, will be excluded from graduation regardless of--* the classification code. If the financial information provided indicates that the borrower cannot meet local underwriting criteria, the authorized agency official shall document why the borrower, despite being classified a "1" or "2," is unlikely to graduate. The authorized agency official will record this in the applicable FBP Credit Presentation and in the Graduation Review Workflow in DLS.

If the borrower's financial information indicates that the borrower meets local underwriting criteria and graduation is possible, the borrower's prospectus will be forwarded according to subparagraph D.

47 Graduation Review Process (Continued)

D Sending Prospectus

[7 CFR 765.101(d)] The Agency may provide a borrower's prospectus to lenders in an attempt to identify sources of non-Agency credit and assess the lenders' interest in refinancing the borrower's loan. The Agency will notify the borrower when the borrower's prospectus is provided to one or more lenders.

If the borrower's financial information indicates they meet local underwriting criteria, the authorized agency official will:

- include the borrower's name, loan type, balance sheet, and projected cash flow on Exhibit 24
- send Exhibit 24 to commercial lenders.

Exhibit 24 asks lenders to indicate an interest in further review of borrowers listed. The lenders review will determine if they would be willing to refinance FSA.

When an authorized agency official includes a borrower's information on Exhibit 24 and sends it to a lender, a copy of Exhibit 24 will be sent to the borrower with a cover letter with language similar to:

“Enclosed, please find Exhibit 24. This exhibit has been sent to several lenders in the area so they could review your financial information and consider refinancing your FSA account.”

E Applying for Commercial Credit

[7 CFR 765.101(e) If a lender expresses an interest in refinancing the borrower's FLP loan, the borrower must:

- (1) Apply for a loan from the interested lender within 30 days of notice; or**
- (2) Seek guaranteed loan assistance under the market placement program in accordance with section 762.110(g) of this chapter (2-FLP, paragraph 72).**

An authorized agency official will assist the borrower with completion of an application for guaranteed loan, if a lender expresses an interest in providing assistance with a guarantee.

See 2-FLP for information on guaranteed loans.

47 Graduation Review Process (Continued)**E Applying for Commercial Credit (Continued)**

If any lenders are interested in refinancing FSA, the authorized agency official will send the borrower a letter similar to Exhibit 25 listing lenders that are interested in refinancing the borrower's FSA loans.

The borrower must contact the lenders listed in the letter and complete an application for commercial credit within 30 calendar days.

If the borrower finds a creditor who will make a loan to refinance FSA at reasonable rates and terms, the borrower must graduate.

[7 CFR 765.101(f)] The borrower will be responsible for any application fees or purchase of stock in conjunction with graduation.

If a commercial lender rejects the borrower, the borrower must obtain from the lender written evidence that specifies the reasons for rejection. The borrower must submit these documents to FSA.

F Transferring and Assigning FSA Liens

[7 CFR 765.103] The Agency may assign its lien to the new lender when the borrower is graduating and all FLP debt will be paid in full.

--Promissory notes and lien instruments may be assigned to the new lender by SED with the-- concurrence and as directed by Regional OGC.

48 Borrower Noncompliance of Graduation**A Borrower Noncompliance With Graduation Requirements**

[7 CFR 765.102] Borrower failure to fulfill all graduation requirements within the time-period specified by the Agency constitutes default on the loan. The Agency will accelerate the borrower's loan without offering servicing options provided in 7 CFR Part 766 (5-FLP).

If the borrower fails to provide requested financial information or to graduate when able to do so, the authorized agency official will notify the borrower of the noncompliance, FSA's intent to accelerate the loans, and appeal rights according to 1-APP.

The authorized agency official must prepare and submit all required documents for concurrence to accelerate and liquidate. This adverse action does not require primary loan servicing. See 5-FLP, Parts 15 and 16 for more detail on the acceleration and liquidation process.

49-60 (Reserved)

Part 5 Borrower Payments**61 General****A Purpose**

This Part identifies how payments received by FSA from the borrower are to be applied to borrower loans. For borrowers with chattel security, this Part refers to proceeds that FSA will apply to the borrower's FLP debt according to FBP and FSA-2040.

B Acceptable Payment Forms

[7 CFR 765.151(a)] Borrowers must submit their loan payments in a form acceptable to the Agency, such as checks, cash, and money orders. Forms of payment not acceptable to the Agency include, but are not limited to, foreign currency, foreign checks, and sight drafts.

C Processing Payments

[7 CFR 765.151(b)] The Agency credits the borrower's account as of the date the Agency receives payment.

When FSA receives a payment, the authorized agency official must record and process the payment according to 64-FI. Any subsequent correction of applications will be processed using FSA-2429 according to 64-FI.

A receipt for payments received will be given when cash is received or the borrower requests a receipt with other payment forms.

*--Any subsequent correction of applications will be processed in NRRS. For the correction to be updated to borrower's account, the authorized agency official will need to submit FSA-2429 through NFAOC, FaSB, ECM system. Changes in application of loan payments shall not be for trivial or minor purposes. FSA-2429 **must** be submitted as soon as the error in application of payments is discovered or by December 31 of the current CY, to not adversely impact FSA issuance of IRS 1098. Only payments received in the current CY can be changed.

Approval from DAFLP is required to make changes in past CY's or after IRS 1098's have been prepared.--*

61 General (Continued)

D Identifying Regular and Extra Payments

When FSA receives a payment from the borrower, the authorized agency official will identify the source of income from which the payment was derived. The source of the income or proceeds is essential to determine whether FSA applies payments as regular or extra.

[7 CFR 765.152(a)] Regular payments are derived from, but are not limited to:

- (1) The sale of normal income security;**
- (2) The sale of farm products;**
- (3) Lease income, including mineral lease signing bonus;**
- (4) Program or disaster-related disbursements from USDA or crop insurance entities; and**
- (5) Non-farm income.**

[7 CFR 765.152(b)] Extra payments are derived from any of the following:

- (1) Sale of chattel security other than normal income security;**
such as farm equipment and breeding livestock.
- (2) Sale of real estate security;**
- (3) Refinancing of Agency debt;**
- (4) Cash proceeds of insurance claims received on Agency security, if not being used to repair or replace the security;**
- (5) Any transaction that results in a loss in the value of any Agency basic security;**
- *--(6) Refunds of duplicate program benefits or assistance to be applied on CL or EM loans; or--***
- (7) Refunds of unused loan funds.**

61 General (Continued)**E Canceling Undisbursed Loan Funds**

--After a loan has been closed, the authorized agency official will complete FSA-2425 to--
cancel the obligation of funds that will not be used by the borrower. No interest accrues,
since the funds were obligated, but not advanced.

FSA-2072 must also be prepared and submitted with a copy of FSA-2425 to NFAOC, FaSB.
See 1-FLP, subparagraph 5 B.

The original FSA-2425 with the borrower's signature will be stapled to the original
--promissory note in the locked, fire-resistant file cabinet. A copy of FSA-2425 will be--
placed in the borrower's file in position 2 with the note and an ADPS Unclosed (UN) Screen
screen-print, after completion of the deobligation by NFAOC, FaSB.

If it is clear that the unused funds will not be used, but the borrowers will not sign FSA-2425,
SED's are authorized to approve cancellation of undisbursed loan funds after all PLS options
have been exhausted. This authority may not be redelegated. If PLS has not been exhausted,
States Offices shall contact LSPMD for directions.

NFAOC, FaSB record of the loan will indicate the loan amount was reduced after
deobligation. Keeping FSA-2425 with the promissory note (both original and copy) is the
paper trail evidence that the loan amount was reduced after closing and the borrower
consented.

DLS will be updated as required.

62 Regular Payments

A Applying Regular Payments

[7 CFR 765.153(a)] A regular payment is credited to a scheduled installment on
--program and non-program loans. Regular payments are applied to loans in the--
following order:

- (1) Annual operating loan;**
- (2) Delinquent FLP installments, paying least secured loans first;**
- (3) Non-delinquent FLP installments due in the current production cycle in order of security priority, paying least secured loans first;**
- (4) Any future installments due.**

Regular payments received will be credited by NFAOC, FaSB to loans in the order provided in subparagraph 64 A, beginning first with administrative costs and protective advances plus interest. Administrative costs and protective advances will only add on to FO's, SW's, and CL's. For other loan types, a new loan account is established. The loan number for these loans is generally between 75 and 99. Any protective advance or administrative cost charged back to a borrower's account is immediately due and payable.

B Regular Payments From Real Estate Sale Security With SED Approval

[7 CFR 765.152(c)] Notwithstanding any other provision of this section, payments derived from the sale of real estate security will be treated as regular payments at the Agency's discretion, if the FLP loans will be adequately secured after the transaction.

When FSA becomes aware that the borrower is selling all or a portion of the real estate security, FSA-2060 should be requested from the borrower. When FSA receives the payment from the sale of real estate security, the authorized agency official must consult FSA-2060 to determine the loan to which the payment should be applied, generally in the order of lien priority.

Note: If the borrower requests that payments resulting from the sale or exchange of real estate security be applied to current, delinquent, or unmatured loan installments; the borrower, with the assistance of the authorized agency official, must complete and submit FSA-2060. Only SED's may approve this application of funds. The authorized agency official will forward the completed FSA-2060 and any other materials required to SED for review. The authorized agency official will inform the borrower of the decision and provide appeal rights according to 1-APP, if FSA-2060 is not approved.

63 Extra Payments**A Applying Extra Payments**

[7 CFR 765.153(b)] An extra payment is not credited to a scheduled installment and does not relieve the borrower's responsibility to make scheduled loan installments, but will reduce the borrower's FLP indebtedness. Extra payments are applied to FLP loans in order of lien priority except for refunds of unused loan funds, which shall be applied to the loan for which the funds were advanced.

64 Distributing Payments to Loans**A Order**

[7 CFR 765.154] The Agency applies both regular and extra payments to each loan in the following order, as applicable:

- *--(a) Recoverable costs and protective advances plus interest;--***
- (b) Deferred non-capitalized interest;**
- (c) Accrued deferred interest;**
- (d) Interest accrued to date of payment; and**
- (e) Loan principal.**

B Distribution

Distribute payments according to the following.

IF the loan...	THEN...
number is identified correctly on the payment information	NFAOC, FaSB will automatically distribute the payment to borrower debt according to subparagraph A.
costs are separate from their parent loan (usually identified by loan numbers between 75 and 99)	the payment needs to be specifically identified to be applied to those loan cost accounts and then to the original loan.

64 Distributing Payments to Loans (Continued)

C Notification of Account Activity and Status

NFAOC, FaSB will normally send the borrower and the local FSA office the following:

- “Reminder of Payments To Be Made” 60 calendar days before the installment due date, which shows the borrower the installments due on each loan

Notes: State Offices that have elected to discontinue the NFAOC, FaSB notification will send a payment reminder letter similar to Exhibit 25.4 to the borrower. A report is under development to assist in accessing the needed data.

The “Reminder of Payments To Be Made” or payment reminder letter sent by the State Office will always provide the VRU telephone number (1-888-518-4983). VRU is a secure, automated system that requires a PIN number, and guides borrowers in obtaining the status of their loans at any time. If further loan information is needed, such as a payoff amount, borrowers are directed to call the FSA office.

*--The borrower has the ability to change their PIN using the following instructions.

- borrower calls toll free number
- after being asked for their ID, the system checks to see if a PIN is present
- if so, the borrower will be asked to enter the PIN
- if they enter the incorrect PIN they will be given the option to PRESS “1” to re-enter it, or PRESS “2” to change it
- after pressing 2, they will be walked through the process of changing their PIN.--*
- FSA-2065 annually, which shows the loan status, all transactions completed during the calendar year, and VRU telephone number.

Note: See Exhibit 25.5 for an explanation of IRS forms sent to borrowers annually.

65 Final Payments

A Calculating the Final Payment

When FSA is notified of the date the borrower will make the final payment, the authorized agency official calculates the final payoff amount by checking the “TPOF” field of the ADPS AI and PF Status Screens.

The authorized agency official shall verify that no other accounting transactions are pending that would affect the payoff amount. This may include, but is not limited to, payments that may not yet have been applied, loan costs that may not be posted on the account yet, interest rate changes, accounting corrections, and shared appreciation recapture.

Final payoffs shall be verified by 2 agency officials to lessen the possibility of an incorrect payoff amount being provided. Both officials will initial the AI and PF Status Screens and any other documentation to certify the amount. Exhibit 26 will be sent to the borrower only if the request for payoff is made before the day of payment in full.

***--Note:** If a customer is on PAD, this must be cancelled prior to submitting the final payment through NRRS.--*

B Supervised Bank Accounts and Undisbursed Loan Funds

If a borrower has a supervised bank account, the authorized agency official may apply any remaining funds in the account to the final payoff, or release the remaining funds in the supervised bank account to the borrower after they have paid the account in full.

See 1-FLP, Part 4 for more information on supervised bank accounts.

If a borrower has undisbursed loan funds, they must be canceled according to subparagraph 61 E before the account is paid off.

C Overpayment

[7 CFR 765.155(c)] If an Agency miscalculation of a final payment results in an overpayment by the borrower of less than \$10, the borrower must request a refund from the Agency in writing. Overpayments of \$10 or more automatically will be refunded by the Agency.

* * *

***--In NRRS, a refund receipt will be created for the remaining portion of the remittance. For refunds less than \$10, the borrower must request the refund from the Agency in writing.**

See 64-FI, paragraph 54, for more information on FLP refunds.--*

65 Final Payments (Continued)**D Underpayment**

[7 CFR 765.155(d)] If an Agency miscalculation of a final payment amount results in an underpayment, the Agency may collect all account balances resulting from its error. If the Agency cannot collect an underpayment from the borrower, the Agency will attempt *--to settle the debt in accordance with subpart B of 7 CFR part 1956. (7-FLP, Part 12)--*

If the authorized agency official discovers that the borrower underpaid FSA in an amount that exceeds \$10, the account will be serviced according to 5-FLP, Part 10.

If the promissory notes or security instruments have been released, the authorized agency official will immediately request guidance from the State Office, who will consult OGC.

If voluntary payment is not made to pay the debt in full, if a compromise offer is not made or accepted, or if court action is not initiated to collect the debt, the account will be referred for collection under TOP and cross-servicing after appropriate notice, if the remaining debt exceeds \$100.

Debt cancellations over \$10 will only be processed after all other attempts to collect the debt have been exhausted.

65 Final Payments (Continued)**E Borrower Refunds**

[7 CFR Part 765.155(b)] If the borrower refunds the entire loan after the loan is closed, the borrower must pay interest from the date of the note to the date the Agency received the funds.

F Security Instrument Releases

[7 CFR Part 765.155(a)] (1) Unless the Agency has reservations regarding the validity of the payment, the Agency may release the borrower's security instruments at the time payment is made, if the borrower makes a final payment by one of the following methods:

- (i) Cash;**
- (ii) U.S. Treasury check;**
- (iii) Cashier's check; or**
- (iv) Certified check.**

[7 CFR Part 765.155(a)(2)] Security instruments will only be released when all loans secured by the instruments have been paid in full or otherwise satisfied.

The authorized agency official will check FSA's automated systems, including ADPS and DLS, and all information in the borrower's file.

SED may issue a State supplement providing guidance about actions and filing fees for the release of loan security instruments.

[7 CFR 765.155(a)(3)] The Agency will return the paid note and satisfied security instruments to the borrower after the Agency processes the final payment and determines that the total indebtedness is paid in full.

After verifying that the loans are paid in full and the payment has cleared, the authorized agency official will close the case files and return the documents to the borrower according to 32-AS. Any assignments held by FSA will be terminated using Exhibit 27 and satisfaction of liens will be recorded on FSA-2433.

66 Preauthorized Debit (PAD)**A Introduction**

PAD payments are customer authorized transactions that allow NFAOC to electronically collect loan payments from a customer's account at a financial institution. CMCB is responsible for setting-up, changing, correcting and canceling PAD agreements. PAD was implemented for our FLP customers as an alternative way to make weekly, bi-weekly, monthly, quarterly, semi-annual or annual payments on their loans. There is no additional cost to customers for using PAD.

B Using Form RD 3550-28

PAD is initiated by the customer using RD 3550-28. Customer use of PAD is strictly voluntary. RD 3550-28 must be completed by the customer and the FI. If the customer has a "filter" on their FI account, they will need to provide the FI with the:

- origination ID: 1220040804
- agency name: USDA RD DCFO.

A separate RD 3550-28 **must** be completed for each loan to which payments are to be applied. RD 3550-28 has no expiration date. The web address for the fillable form can be accessed at <https://forms.sc.egov.usda.gov/eForms/welcomeAction.do?Home>, select RD 3550-28.

--66 Preauthorized Debit (PAD) (Continued)*C County Office Actions**

After a transfer and assumption, new borrowers shall be notified of the availability of PAD using Exhibit 27.5 and RD 3550-28. A copy of the notification will be retained in the borrower's case file. See 3-FLP for instructions on initiating PAD for new applicants.

When a customer returns form RD 3550-28 the County Office will:

- review each RD 3550-28 for accuracy and completeness

Notes: PAD may only be established for future payments. An accuracy check should be completed to ensure that customer's PAD payment goal will be met.

A payment submission that will **not** make the annual installment requires advance notice to the authorizing borrower. The County Office will document the notice in the case file (or FBP if appropriate).

- fax a copy of each accurate and complete RD 3550-28 to CMCB at 314- 457-4370

Note: If using fax2mail, please type //FINE at the end of the subject line.
This method will be used for all PAD related contact with CMCB.

- retain each original RD 3550-28 in the borrower's case file (position 2).

D NFAOC Actions

Upon receipt of RD 3550-28, CMCB will update the PAD agreement into the PAD stand-alone system. Allow up to 20 working days for CMCB to establish a borrower in the PAD system.

PAD confirmation letters are created by CMCB when a new account is established or when a change is made to an existing account. The letters are sent to the field office and borrower.

Note: The County Office will complete a thorough review of all PAD confirmation letters immediately after they are received from NFAOC/CMBC. If an error is identified, CMCB should be contacted by fax as listed in Handbook 1-FLP.--*

67 Managing PAD**A PAD Payments and Receipts**

Scheduled PAD payments are withdrawn from borrowers' FI accounts and updated to PLAS (ADPS). FASB manually applies any payments that do not automatically update to PLAS. The PAD transaction will be reflected on the statement the borrower receives from their FI. The statement is the borrower's payment receipt.

If a correction to an existing PAD agreement needs to be made, it should be clearly marked as a correction at the top of RD 3550-28 and FAXed to CMCB. The correction should be sent to CMCB at least 5 workdays before the correction request date.

B Dealing With Non-Payment

When the FI cannot post the PAD transaction to the designated borrower's account, the FI is instructed by CMCB to reject the transaction.

When a PAD transaction is rejected, CMCB contacts the County Office to verify the reason for rejection (such as insufficient funds, account closed, payment stopped), and to determine how the rejected payment will be collected. CMCB cannot proceed until the rejection is resolved; a timely reply from the County Office will expedite the process.

If the reason for the rejection is no fault of the borrower, the original credit date will be given when the resolution takes place.

If a borrower has three rejections within a 3-month period, the PAD agreement will be terminated. See subparagraph E.

C Restructures and Assumptions

When a loan on PAD is being considered for restructuring or assumption, the County Office must fax a detailed memo to CMCB to terminate the original RD 3550-28. To avoid additional payment withdrawals this should be done at least 5 workdays before the termination request date.

The County Office will notify the borrower that PAD is being cancelled in order to process the restructuring or assumption. A record of the notification will be kept in the case file (or FBP if appropriate). This is not an adverse decision.

After a restructure of a loan formerly on PAD, the County Office will notify the borrower of the continued availability of PAD and provide the borrower with RD 3550-28. A record of the notification will be kept in the case file (or FBP if appropriate).

***--67 Managing PAD (Continued)**

D Final Payments

To ensure proper account coding, final payments should not be submitted through PAD, but by the County Office through the National Receipt and Receivable System. County Office should take future PAD withdrawals into account when calculating final payments to reduce the number of refunds.

At least 5 workdays prior to loan pay off, County Office should notify CMCB to terminate PAD. The County Office will notify the borrower that PAD has been terminated to reduce the risk of overpayment and to ensure proper accounting of the final payment. A copy of the notification will be kept in the case file (or FBP if appropriate). This is not an adverse decision.

E Cancelling PAD

A borrower may voluntarily cancel PAD by submitting a written request to the County Office. Within 5 workday of receipt of borrower's request to cancel PAD, County Office should notify CMCB to terminate PAD by detailed letter. A copy of the borrower's request and County Office's letter will be kept in the case file.

If a borrower has three rejections within a 3 month period, the PAD agreement will be terminated by the Agency. CMCB will notify County Office that the PAD agreement has been terminated for too many rejections. This is not an adverse decision.

F Additional Information

Below is a description of how the Bi-Weekly and Weekly PAD debits work.

- Bi-Weekly:
 - is always the 1st and 3rd or 2nd and 4th week of the month of any day of week
 - cycle (1st and 3rd) or (2nd and 4th) the initial payment falls on.

Note: There will always be (2) debits per month and all will fall on the same day of the week. The initial debit cannot be the 5th week of the month.

Example: If a borrower chooses to have their first payment pulled on Sunday, May 1, the actual debit from their account would be on May 2nd and then on May 16th. In this case, their debit will always be on the 1st and 3rd Mondays of the month and the date of credit will be on the 1st and 3rd Sundays of the month, etc. --*

67 Managing PAD (Continued)

F Additional Information (Continued)

In this case, their debit will always be on the 1st and 15th of the month and the actual debit will be on that date unless it falls on a weekend and then it will be the following Monday. The credit date will always be the 1st and 15th.

Weekly 1 is always the 1st, 2nd, 3rd, and 4th week of the month of any day of the week the initial payment falls on.

If a borrower chooses to have their first payment pulled on May 24th, then the next debit would be on Monday, June 7th. Thereafter, June 14th, June 21st and June 28th. There would be no debit for the last Tuesday in May, which is May 31st.

Weekly 2 is always on the 1st, 8th, 15th, and 22nd of the month. There will always be (4) debits per month and the day of the week will vary from month to month. The initial debit **must** be on the 1st, 8th, 15th, or 22nd of the month.

Example: If a borrower chooses to have their first payment pulled on Sunday, May 1st, the actual debit from their account would be on May 2nd, then May 8th would debit on May 9th, then May 15th would debit on May 16th and then May 22nd would debit on May 23rd.

68 Completing IRS W-9**A Instructions**

When FSA has security interest in proceeds from a borrower's insurance, integrator, buyer etc. FSA may receive a request from the third-party issuer of the payment to complete IRS Form W-9. IRS Form W-9 has instructions, however, the following are specific instructions for FSA:

- item 1 - USDA Farm Service Agency
- item 2 - do not complete
- item 3 - check "Other" and write "Federal Government"
- item 4 - "Exemption Payee Code" (2), and "Exemption from FATCA reporting"
- item 5 - Address, Stop 0523, 1400 Independence Ave. SW
- item 6 - Washington, D.C. 20250-0523
- *--Part I – For FSA employer identification number see 62-FI, subparagraph 47 C
- Part II - an authorized agency official may sign and date the document.--*

Note: A copy of the document should be filed in position 2 of the case file.

69-95 (Reserved)

Part 6 Protecting FSA's Security Interests**Section 1 General Security Preservation and Lien Protection****96 Servicing Policy****A Overview**

This Part describes FSA's policies on general security preservation and lien protection, subordinations, junior liens, severance agreements, and releases of liens without monetary consideration.

B General Policy

[7 CFR 765.201] All Agency servicing actions regarding preservation and protection of Agency security will be consistent with the covenants and agreements contained in all loan agreements and security instruments.

C Security Inspections

*--Chattel security will be inspected annually, except in cases where the authorized agency official has justified in the assessment or analysis that no undue risk exists. However, all chattels will be inspected at least every 2 years. These security inspections shall be scheduled after a new loan has been closed by creating a new Farm Visit workflow in DLS.

After completing the Farm Visit workflow, followup security inspections shall be scheduled in DLS; thereafter, based on the applicable requirements of this section for the type of loan security and for the remainder of the loan term.--*

In times of limited resources, the authorized agency official may prioritize the completion of security inspections within the requirements of the applicable regulations.

Example: An FO borrower who has been current with FSA and has provided chattels only as additional security might not need an annual inspection.

96 Servicing Policy (Continued)

C Security Inspections (Continued)

The authorized agency official:

- will inspect real property security at least once every 3 years
- should conduct more frequent inspections for a delinquent borrower or a borrower who has been indebted to FSA for less than 1 full crop year.

The purpose of inspections is to:

- verify that the borrower possesses all the property listed in the security instruments
- determine that the borrower is maintaining security properly
- update security instruments.

--The authorized agency official will record all security inspections in borrower's FBP and-- in DLS by using the Farm Visit Scheduling, tracking and monitoring, workflow activities.

A field visit to complete a security inspection may be used to:

- review the accomplishments and goals (assessment) with the borrower
- emphasize any agreements that have been made
- discuss any concerns about the operation
- discuss any proposed changes.

For chattel secured loans, the following will be documented on the FSA-2028 work copy:

- individual security items that are inspected
- any revisions to the condition of the individual items
- number and condition of livestock and equipment
- any discrepancies from original livestock numbers that were discussed.

Note: See Part 7 for guidance on handling discrepancies.

D Documenting Reviews Not Completed As Scheduled

When the authorized agency official determines that a scheduled chattel inspection will not be completed as scheduled, the Farm Visit workflow in DLS shall be terminated. The terminated workflow must be documented as to why the workflow was not completed. A new Farm Visit workflow must be created and scheduled immediately as applicable.

97 Maintaining Debt Instruments**A Identifying Debt Instruments**

Debt instruments are documents that show a debt owing with the terms of the debt amount, interest rate, years, etc. These instruments can include any of the following:

- accelerated repayment agreements
- approved debt settlement applications
- assumption agreements
- bankruptcy plans and/or stipulations accompanied by the confirmation order showing approval by the court and, when appropriate, discharge orders
- cost voucher documents
- court ordered or debt settlement documents
- promissory notes
- FSA-2543's
- suspension agreements.

Note: Many of these documents are considered essential FLP records that require maximum
*--protection and must be filed and locked in fire-resistant file cabinets, according to
32-AS, subparagraph 59 A.--*

97 Maintaining Debt Instruments (Continued)**B Conducting Yearly Debt Instrument Inventory**

--In March of each year, NFAOC, FaSB provides County Offices with RC 830A listing all-- borrowers who should have debt instruments maintained in the County Office.

RC 830A includes the following for each borrower:

- name and case number
- fund code and loan numbers
- date of loan
- interest rate
- amount of noncapitalized interest, if applicable
- principal loan amount
- account flag.

When RC 830A is received, County Offices shall:

- verify that the debt instruments exist

Notes: Debt instruments such as bankruptcy plans and discharge orders should be attached to the instruments which they amend.

Shared appreciation payment agreements are not currently reflected on RC 830A, but should be noted and checked for accuracy.

- compare the information provided on RC 830A to the related debt instrument to identify any discrepancies

Note: Review findings shall be documented on RC 830A.

97 Maintaining Debt Instruments (Continued)

B Conducting Yearly Debt Instrument Inventory (Continued)

- take necessary corrective action when the:
 - difference in the principal loan amount or noncapitalized interest amount is more than \$100
 - interest rate must be corrected

Note: Attach a copy of the letter changing the interest rate to the promissory note (it is **not** necessary to correct promissory notes when the rate on the promissory note does not match RC 830A as a result of the interest rate being modified based on a limited resource review).

- obtain guidance from the OGC regional attorney, through the State Office, about any necessary corrections to promissory notes, or shared appreciation agreements
- ensure that copies of all instruments are filed in case files
- submit cases requiring corrections to the State Office coordinator on FSA-2446 and State Office coordinators will send completed FSA-2446's to NFAOC, FaSB. See 1-FLP, subparagraph 5 B.

Note: State Office coordinators should track and monitor the submission and resolution of account corrections using FSA-2445.

- obtain guidance from OGC regional attorney, through the State Office, about the need to replace lost or missing debt instruments
- advise SED of the review results by July 31 of each year and ☐ retain RC 830A as a *--subdivided file under FLP-1-B, "Reports" according to 32-AS until the next year's--* report has been received and reviewed.

98 Maintaining Security Instruments

A Maintaining Security Documents

Each County Office must maintain security instruments according to 32-AS.

B Maintaining Current Information

FSA must review or renew financing statements, security agreements, and other documents for each borrower periodically. County Offices shall use DLS to identify and track security instruments that need to be continued or updated. The authorized agency official will notify the borrower of any required information and documents. Notification, if not made in writing, should be documented in FBP.

*--C Obtaining Subsequent FSA-2028's

FSA obtains new FSA-2028's when:

- a security interest is taken in crops, if an interest was not previously obtained
- FSA obtains additional security new or additional security through a new loan or PLS
- modifications to the security listed on the working copy of current FSA-2028's have been made
- deemed necessary to protect FSA's security interests.

SED will issue a State supplement to specify when to obtain a subsequent FSA-2028 based on State law.

D Direct Operating Loan-Micro Loan (DOL-ML) Identification Requirements for new FSA-2028's

For each DOL-ML, an "M" and the fund code and loan number will remain next to the security for that loan, unless the loan is serviced pursuant to 5-FLP. If a loan is serviced under 5-FLP as a delinquent borrower, the "M", fund code, and loan number will be discontinued.

Example 1: Borrower has a DOL-ML 44-01 secured by a tractor. A subsequent DOL-ML is made for the purchase of a plow. On the subsequent FSA-2028, only the tractor and plow will be listed as security. The servicing official will include next to the tractor "(M-44-01)" and plow "(M-44-02)".--*

98 Maintaining Security Instruments (Continued)

D Direct Operating Loan-Micro Loan (DOL-ML) Identification Requirements for new FSA-2028's (Continued)

***--Example 2:** Borrower has a DOL-ML 44-01 secured by a tractor, a subsequent DOL-ML 44-02, secured by a plow, and a subsequent DOL-ML 44-03 secured by 20 goats. Due to a designated weather disaster, the borrower has applied for and is eligible for PLS. Based upon eDALR\$ calculation, loans 44-01 & 44-02 are current and will not receive servicing, loan 44-03 will be restructured as a delinquent borrower. In the subsequent FSA-2028, the servicing official will include next to the tractor "M-44-01" and "M-44-02" next to the plow. The goats will no longer have the "M", fund code, and loan number designations.

Example 3: Borrower has a DOL-ML 44-01 secured by a tractor, a subsequent DOL-ML 44-02, secured by a plow, and a subsequent DOL-ML 44-03 secured by 20 goats. Due to a designated weather disaster, the borrower is past due, has applied for, and is eligible for PLS. Based upon eDALR\$ calculation, loans 44-01 & 44-02 are current, loan 44-02 will not receive servicing, loans 44-01 and 44-03 will be restructured as past due borrower. In the subsequent FSA-2028, the servicing official will include a complete listing all assets (crops, machinery, equipment, livestock, poultry, etc. Next to the plow the servicing official will include "M-44-02". If separate and identifiable livestock security cannot be clearly established and/or maintained, all of the type of livestock purchased with DOL-ML funds will be listed on FSA-2028 and identified with an "(m)" and the applicable loan numbers "(xx-xx)".

Example 4: Borrower owned 20 cows before DOL-ML. Borrower used DOL-ML to purchase 20 additional cows. Forty-cows will be listed on FSA-2028 and identified with "(M-XX-XX)".--*

E Continuing, Amending, or Obtaining New Financing Statements

Unless State law provides otherwise, financing statements filed according to UCC are effective for 5 years from the filing date. The authorized agency official must continue existing financing statements to retain FSA's security position beyond the original 5-year period. The authorized agency official will file the appropriate continuation form within the 6-month period before the end of the current 5-year period to extend the effective date of the original filing for an additional 5 years.

Note: A lien search is not required when the financing statement is properly continued.

98 Maintaining Security Instruments (Continued)**E Continuing, Amending, or Obtaining New Financing Statements (Continued)**

The authorized agency official shall amend or file a new financing statement only if the debt will be additionally secured either by:

- property not already described specifically or by type in the existing financing statement
- crops growing or to be grown that are not already covered by the existing financing statement
- fixtures not already described on the existing financing statement.

SED's will issue State supplements as needed to provide additional guidance and ensure compliance with State laws and procedures. Supplements should include the appropriate forms to be used for continuation, amendment, or new filings.

F Purchase Money Interest (PMI) Identification Requirements for new FSA-2028's

If separate and identifiable livestock security cannot be clearly established, all of the type of livestock purchased with loan funds will be listed on the security agreement and the PMI identifier (*) will be used with a "Note" showing the number of livestock originally purchased with loan funds.

Example: Borrower used loan funds to purchase 100 cows. Borrower owned 100 cows before receiving the loan. Borrower now also owns 25 bred heifers. The FSA-2028 will list 225 cows identified with (*) PMI and note-PMI in 100 cows.

G Continuing, Amending, or Obtaining New Financing Statements

Unless State law provides otherwise, financing statements filed according to UCC are effective for 5 years from the filing date. The authorized agency official must continue existing financing statements to retain FSA's security position beyond the original 5-year period. The authorized agency official will file the appropriate continuation form within the 6-month period before the end of the current 5-year period to extend the effective date of the original filing for an additional 5 years.

Note: A lien search is not required when the financing statement is properly continued.

98 Maintaining Security Instruments (Continued)

G Continuing, Amending, or Obtaining New Financing Statements (Continued)

The authorized agency official shall amend or file a new financing statement only if the debt will be additionally secured either by:

- property not already described specifically or by type in the existing financing statement
- crops growing or to be grown that are not already covered by the existing financing statement
- fixtures not already described on the existing financing statement.

SED's will issue State supplements as needed to provide additional guidance and ensure compliance with State laws and procedures. Supplements should include the appropriate forms to be used for continuation, amendment, or new filings.

H Obtaining Assignments

FSA may require that borrowers assign FP payments to FSA for FLP loan payments. Assignments for program payments will be maintained according to 63-FI.

SED's will issue State supplements as needed to:

- provide guidance on maintaining existing assignments
- ensure compliance with State laws.

I Real Estate Security Instruments

Real estate security instruments will be obtained, corrected, amended, or continued according to applicable State law. SED's will issue State supplements to provide guidance for complying with State requirements.

G Mineral Leases

[7 CFR 765.252 (b)] The borrower must request Agency consent to lease any mineral *--rights used as security for FLP loans.--*

(2) For all other loans not covered by paragraph (b)(1) of this section (subparagraph 99 G), the Agency will obtain a security interest in any oil, gas, and other mineral on or under the real estate pledged as collateral in accordance with the applicable security agreement, regardless of whether such minerals were included in the original appraisal.

(3) The Agency may consent to a mineral lease if the proposed use of the leased rights will not adversely affect either:

- (i) The Agency's security interest; or**
- (ii) Compliance with any applicable environmental requirements of part 799 of this chapter.**

100 Borrower Noncompliance With Loan Agreements**A Documenting Noncompliance**

To be eligible for any kind of FSA loan servicing options, the borrower must be in compliance with loan agreements. The authorized agency official will fully document a borrower's noncompliance, such as the failure to report using security proceeds, in the borrower's FBP. Documentation must include, but is not limited to:

- type, nature, circumstances, and reasons for noncompliance
- any actions taken by the borrower to correct the noncompliance
- requirements of subparagraph 181 A for conversion.

***--Note:** Failure to complete borrower training is not a noncompliance issue for loan servicing. See 3-FLP, subparagraph 474 C for loan making restrictions for failure to complete borrower training.--*

Borrowers in noncompliance will be given the opportunity to correct the matter whenever possible. The borrower will be contacted and provided the opportunity to explain the potential noncompliance using Exhibit 28.5 or Exhibit 31 for conversion (Part 7, Section 2). The borrower will also be initialized into DLS Special Servicing under "Borrower Potentially Commits a Nonmonetary Default" category and tracked until servicing is completed. Any response received from the borrower will be documented in FBP and any materials will be included in the case file. The authorized agency official will review the borrower's response and determine if the potential noncompliance has been satisfactorily resolved. If the issue is resolved, the case file will be documented and no further action will be taken.

B Nonmonetary Default

Except for third party foreclosures, failure to pay real estate taxes or insurance, and UCC renewal fees, where nonmonetary default decisions can be made in the local office, if the authorized agency official determines that the noncompliance has not been resolved and the borrower is in nonmonetary default, the account will be referred to SED for concurrence. FSA-2551 will be prepared by the local office and must include all pertinent information, evidence, and any responses provided by the borrower about the potential noncompliance. FSA-2551 and all documentation will be forwarded to SED for concurrence of nonmonetary default determination. OGC concurrence is not required.

C Lack of Good Faith

SED will determine if a lack of good faith determination will be pursued and must obtain OGC concurrence. Lack of good faith may only be pursued in conjunction with a submission of the case to OGC and/or OIG for civil or criminal action as described in 5-FLP, Part 11.

101 Making Protective Advances

A Allowed Protective Advance Uses

[7 CFR 765.203] When necessary to protect the Agency's security interest, costs incurred for the following actions will be charged to the borrower's account:

FSA may act to protect its interest when the borrower fails to do so. If there is a prior lien, FSA will not make protective advances unless the prior lienholder refuses to take action. The authorized agency official must document evidence of the prior lienholder's refusal to take action in the borrower's case file. Further, the authorized agency official must document in *--FBP that advancing Government funds to protect FSA collateral is in FSA's best interest--* based on the equity available for FSA recovery or as determined through 5-FLP, Exhibit 37.

FSA will make protective advances according to 1-FLP, Part 7 on program loan expenses. Once a protective advance is made, that protective advance is a debt owing and immediately due and payable. Borrowers will immediately be notified of a nonmonetary default and serviced according to 5-FLP. According to 5-FLP, Part 4, only protective advances used to pay real estate taxes may receive primary loan servicing. All other protective advances cannot be restructured and must be immediately repaid by the borrower.

Borrower payments received will be applied first to annual operating loans and then to any advance made for protective advance purposes according to Part 5.

[7 CFR 765.203(a)] Maintain abandoned security property;

FSA may only make a protective advance for necessary emergency repairs, if the borrower abandons the property or the property is custodial property. Total expenditures for emergency repairs in excess of \$1,000 must have prior SED approval. The authorized agency official will determine if the borrower has abandoned the property according to 5-FLP, paragraph 701.

[7 CFR 765.203(b)] Preserve inadequately maintained security;

FSA may maintain security that the borrower has not adequately maintained, but has not *--abandoned. FSA must document in the borrower's FBP the borrower's failure to maintain--* the security adequately. Expenditures under this paragraph must receive prior approval from SED.

101 Making Protective Advances (Continued)**A Allowed Protective Advance Uses (Continued)****[7 CFR 765.203(c)] Pay real estate taxes and assessments;**

FSA may pay borrower real estate taxes and assessments. FSA will make protective advances to pay delinquent real estate taxes only if there is imminent danger that the property will be forfeited. SED will issue a State supplement on processing actions, procedures, and timing for the payment of a borrower's real estate taxes.

[7 CFR 765.203(d)] Pay property, hazard, or flood insurance;

FSA may make protective advances to maintain insurance coverage on security only to protect FSA's financial interests and with the express concurrence of the Administrator.

[7 CFR 765.203(e)] Pay harvesting costs;**[7 CFR 765.203(f)] Maintain Agency security instruments;**

FSA may make protective advances to maintain security instruments only when necessary to protect the interest of FSA.

[7 CFR 765.203(g)] Pay ground rents;**[7 CFR 765.203(h)] Pay expenses for emergency measures to protect the Agency's collateral; and**

The authorized agency official will determine when it is appropriate to make protective advances for the payment of harvesting costs, ground rents, or expenses for emergency measures to protect FSA's collateral on a case-by-case basis.

[7 CFR 765.203(i)] Protect the Agency from actions by third parties (5-FLP, paragraphs 602 and 603).**B Protective Advance Alternatives**

FSA may consider making a loan, releasing income, loan servicing, subordination, or transfer and assumption, if the borrower meets all applicable eligibility, feasibility, and security requirements instead of making a protective advance.

102 Notifying Potential Purchasers

A States With CFS

[7 CFR 765.204(a)] The Agency participates and complies with central filing systems in States where CFS has been organized. In a State with a CFS, the Agency is not required to additionally notify potential purchasers that the Agency has a lien on the borrower's chattel security, unless specifically required by State law.

States with CFS maintain records reflecting liens placed against agricultural products
 --according to the Food Security Act of 1985 (Pub. L. 99-198). It is the purchasers'-- responsibility to obtain information about lien filings using CFS.

B States Without CFS

[7 CFR 765.204(b)] In a State without CFS, the Agency follows the filing requirements specified for perfecting a lien on a borrower's chattel security under State law. The Agency will distribute the list of chattel and crop borrowers to sale barns, warehouses, and other businesses that buy or sell chattels or crops. In addition, the Agency may provide the list of borrowers to potential purchasers upon request.

--Potential purchasers listed by the borrower on FSA-2040 will be notified of the Agency's lien on the borrower's chattel security. Exhibit 29 will be completed and must include the following items as required by Section 1324 of the Food Security Act of 1985, codified at 7 U.S.C. § 1631:--

- FSA Office address (the name and address of any secured party)
- name and address of each debtor
- Social Security number of each debtor, or other approved unique identifier, and if a debtor does business other than as an individual, the tax ID number
- description of the farm products given as security, including:
 - reasonable description of the farm product or products produced by the borrower (such as type and amount of crops, livestock, or farm machinery)
 - crop year
 - county (or counties) in which the products are produced or located
 - any payment obligations imposed on the buyer by FSA (the secured party) as a condition for release of the security interest.

102 Notifying Potential Purchasers (Continued)**B States Without CFS (Continued)**

SED shall issue a State Supplement after consulting with the Regional OGC, providing the method to notify potential purchasers, and document receipt of the notification as required by *--the Food Security Act, 7 U.S.C. § 1631 (g)(3).--*

Note: Follow applicable directives providing guidance for protecting PII.

To ensure that purchasers are aware of the Government's security interests, this notification will be updated annually by a new Exhibit 29 or Exhibit 30. If there are any material changes or at the discretion of the authorized agency official, a new Exhibit 29 and/or 30 should be sent more often.

If requests are made for notification beyond the listed requirements, they can only be sent by Exhibit 29 to business firms in the trade area that buy chattel or crops or sell them for commission.

103 FSA Responsibilities Under Third Party Actions**A County Office Responsibility**

The authorized agency official will immediately send the borrower notice to cure the nonmonetary default according to 5-FLP, Part 3 when FSA:

- learns about a third party action or other borrower's failure to comply with the loan agreement that could affect FSA's security interest, or
- is made a party to a court action that could affect FSA's security interest.

B SED's Responsibility

SED's will:

- consult with OGC about all lawsuits involving the property and any other third party actions when necessary
- advise the authorized agency official on the actions the County Office should take to protect FSA's security interest.

104-115 (Reserved)

Section 2 Subordinations

116 Requesting Subordinations

A Borrower Application

[7 CFR 765.205 (a)] The borrower must submit the following, unless it already exists in the Agency's file and is still current as determined by the Agency:

[7 CFR 765.205 (a)] (1) Completed Agency application for subordination form;

FSA-2001 with the exact, full legal name in the following, as applicable:

- Part A, item 1, or
- Part B, items 1 and 13, or
- Part C, items 1 and 14, and
- Part D, items 4A and 4B, and
- Part F.

FSA-2060 will also be required for real estate subordination requests.

[7 CFR 765.205 (a)] (2) A current financial statement, including, in the case of an entity, financial statements from all entity members;

FSA-2037, FSA-2038, or any other format approved by FSA containing the same information.

[7 CFR 765.205 (a)] (3) Documentation of compliance with the Agency's environmental *--regulations contained in part 799 of this chapter;--*

AD-1026.

See 1-FLP, subparagraph 222 C for guidance to identify potential wetlands that may be impacted by the proposed action.

[7 CFR 765.205 (a)] (4) Verification of all non-farm income;

[7 CFR 765.205 (a)] (5) The farm's operating plan, including a projected cash flow budget reflecting production, income, expenses, and debt repayment plan; and

[7 CFR 765.205 (a)] (6) Verification of all debts.

A credit report is required unless current credit information is already contained in the borrower's case file or is otherwise available. The credit report fee will be paid by FSA unless the borrower has also applied for an FLP loan.

See 3-FLP, subparagraph 42 A for the verification process of non-farm income and debts.

116 Requesting Subordinations (Continued)

A Borrower Application (Continued)

*--With subordinations, FSA and the lender essentially partner in providing joint financing to the borrower and share applicable financial and loan information.

FSA may accept the following items from borrowers, or directly from lenders who submit documents on behalf of the borrower; or obtain copies of the items from the guaranteed lenders FSA file, to support subordination requests using FSA-2001 and/or FSA-2060, as provided in paragraph 116:

- written request or confirmation (e-mail) from the lender detailing the loan rate, term, purposes, security requirements, and what the lender specifically needs from FSA
- current financial statement from the borrower and all entity members
- the farm's operating plan, including a projected cash flow budget reflecting production, income, expenses, and debt repayment plan
- loan agreements or other documentation outlining the approval, loan advance, and closing requirements
- copies of appraisals
- copies of any construction and/or environmental documents, title opinions, and/or lien search
- verification of nonfarm income and debts.

These items will be input into FBP. The analysis completed by the approval official can be brief, since both FSA and the lender have processed loans according to their respective credit quality requirements.

Note: FSA should not be approving or issuing the subordination before the items in the first and fourth bullets are received.--*

B Processing Subordination Requests

The authorized agency official will enter the following information into DLS and use it to track and monitor subordination requests:

- date the application is received
- applicant name
- type of assistance requested
- subordination amount requested.

117 Conditions for Real Estate Subordinations

A Real Estate Security

[7 CFR 765.205(b)] For loans secured by real estate, the Agency will approve a request
***--for subordination subject to the following conditions:**

(1) If a lender requires that the Agency subordinate its lien position on the borrower's existing property in order for the borrower to acquire new property and the request meets the requirements in paragraph (b) (3) of this section (subparagraph 117 A), the request may be approved. The Agency will obtain a valid mortgage and the required lien position on the new property. The Agency will require title clearance and loan closing for the property in accordance with § 764.402 of this chapter (3-FLP, Part 16).

(2) If the borrower is an entity and the Agency has taken real estate as additional security on property owned by a member, a subordination for any authorized loan purpose may be approved when it meets the requirements in paragraph (b)(3) of this section (subparagraph 117 A) and it is needed for the entity member to finance a separate farming operation. The subordination must not cause the unpaid principal and interest on the FLP loan to exceed the value of loan security or otherwise adversely affect the security.

(3) The Agency will approve a request for subordination of real estate to a creditor if:

(i) The loan will be used for an authorized loan purpose or is to refinance a loan made for an authorized loan purpose by the Agency or another creditor;

(ii) The credit is essential to the farming operation, and the borrower cannot obtain the credit without a subordination;

(iii) The FLP loan is still adequately secured after the subordination, or the value of the loan security will be increased by an amount at least equal to the advance to be made under the subordination;

(iv) Except as authorized by paragraph (c)(2) of this section (subparagraph 118 B), there is no other subordination outstanding with another lender in connection with the same security;

(v) The subordination is limited to a specific amount;

(vi) The loan made in conjunction with the subordination will be closed within a reasonable time and has a definite maturity date;

(vii) If the loan is made in conjunction with a guaranteed loan, the guaranteed loan meets the requirements of § 762.142(c) of this chapter (2 FLP, paragraph 279);

(viii) The borrower is not in default or will not be in default on FLP loans by the time the subordination closing is complete;--*

117 Conditions for Real Estate Subordinations (Continued)**A Real Estate Security (Continued)**

(ix) The borrower can demonstrate, through a current farm operating plan, the ability to repay all debt payments scheduled, and to be scheduled, during the production cycle;

(x) Except for CL, the borrower is unable to partially or fully graduate;

(xi) The borrower must not be ineligible as a result of a conviction for controlled substances according to part 718 of this chapter (1-CM);

(xii) The borrower must not be ineligible due to disqualification resulting from Federal crop insurance violation according to part 718 of this chapter (1-CM);

(xiii) The borrower will not use loan funds in a way that will contribute to erosion of highly erodible land or conversion of wetlands as described in part 799 of this

--chapter; (1-EQ and 6-CP)--

(xiv) Any planned development of real estate security will be performed as directed by the lessor or creditor, as approved by the Agency, and will comply with the terms and conditions of § 761.10 of this chapter (1-FLP);

(xv) If a borrower with an SAA mortgage is refinancing a loan held by a lender, subordination of the SAA mortgage may only be approved when the refinanced loan does not increase the amount of debt; and

(xvi) In the case of a subordination of non-program loan security, the non-program loan security also secures a program loan with the same borrower.

(4) The Agency will approve a request for subordination of real estate to a lessee if the conditions in paragraphs (b)(3)(viii) through (b)(3)(xvi) of this section are met (subparagraph 117 A).

Note: Real estate subordination to a lessee must be approved by SED.

B Releasing and Refiling Lien Instruments Instead of Subordination

SED's may approve releasing and refiling lien instruments instead of subordination when the request meets the following:

- application meets requirements in subparagraphs 116 A and 117 A
- subordination is unacceptable to the lender refinancing the borrower's loan

Note: The refinanced loan will be sold on the secondary market and a first lien is required.

117 Conditions for Real Estate Subordinations (Continued)**B Releasing and Refiling Lien Instruments Instead of Subordination (Continued)**

- the borrower agrees to execute new security instruments

Notes: The new security instruments will be refiled immediately after the refinancing is completed.

SED will consult OGC, as needed, to obtain instructions in protecting FLP's lien position.

- no additional debt will be placed ahead of FLP's debt, except for customary costs appropriate to the transaction

***--Notes:** If construction is started before a request is received, approval will not be provided.--*

See subparagraph 197 B for customary costs.

- the refinancing will result in better repayment terms that, except for CL, will assist the borrower in progressing toward graduation.

Note: SED's may delegate their approval authority for releasing and refiling lien instruments instead of subordination to FLC, FLS, or DD.

118 Conditions for Chattel Subordinations**A Chattel Security**

[7 CFR 765.205(c)] The requirement for chattel subordinations are as follows: (1) For loans secured by chattel, the subordination must meet the conditions contained in paragraphs (b)(3)(i) through (xiii) of this section (subparagraph 117 A). Multi-year subordinations may only be approved according to OGC-approved State supplements.

Multi-year subordination must meet all requirements set forth in this subparagraph. State supplements must specifically address the following:

- borrower's inability to obtain credit without subordination, including guarantee;
- borrower's inability to partially graduate; and
- borrower's ability to pay debt before funds are released for each production cycle.

B Second Subordinations on Chattel Security

[7 CFR 765.205(c)(2)] The Agency will approve a request for a second subordination to enable a borrower to obtain crop insurance, if the following conditions are met:

118 Conditions for Chattel Subordinations (Continued)**B Second Subordinations on Chattel Security (Continued)**

- (i) The creditor to whom the first subordination was given did not provide for payment of the current year's crop insurance premium, and consents in writing to the provisions of the second subordination to pay insurance premiums from the crop or insurance proceeds;**
- (ii) The borrower assigns the insurance proceeds to the Agency or names the Agency in the loss payable clause of the policy; and**
- (iii) The subordination meets the conditions under paragraphs (b)(1) through (12) of this section (subparagraph 117 A).**

C CCC Loans

CCC-679's will be used according to 8-LP instead of a subordination when FP makes a CCC loan to the borrower. FSA does not subordinate to CCC loans.

119 Appraisal Requirements**A Appraisals**

[7 CFR 765.205(d)] An appraisal of the property that secures the Agency loan will be required when the Agency determines it necessary to protect its interest. Appraisals will be obtained in accordance with § 761.7 (1-FLP) of this chapter.

At a minimum, real estate appraisals will be obtained when property is to be improved, purchased, or exchanged. FSA does not require an appraisal for real estate security when the:

- loan for which the borrower requests the subordination is:
 - to refinance an existing prior lien and the resulting prior lien will **not** be increased
*--except for customary costs appropriate to the transactions
- **Note:** See subparagraph 197 B for customary costs.--*
- for an essential repair that is needed to restore the value of the security and complies with subparagraph 117 A
- borrower's case file contains an existing appraisal that is less than 1 year old and FSA determines the appraisal to still be sufficiently accurate.

FSA does **not** require an appraisal for chattel security when the:

- proposed subordination is for annual operating and family living expenses only and the projected income from farm production exceeds the subordination amount
- existing FSA chattel appraisal is less than 1 year old and the authorized agency official determines it to be adequate (the authorized agency official must consider property additions to, and deletions from, the latest FSA appraisal) and fully document the decision.

119 Appraisal Requirements (Continued)**A Appraisals (Continued)**

***--Note:** Exceptions may be requested in accordance with paragraph 4 for appraisals completed between 12 and 18 months ago which have not been updated by the appraiser.--*

120 Approving or Denying Subordination Requests**A Approval Authority**

Except for SED's, approval officials may approve subordinations if the amount of the subordination, plus the principal balance of existing subordinations, is not more than their approval authority for the type of loan being subordinated. When the lien priority for more than 1 type of loan is subordinated, the total amount of the approval official's authority will be limited to the loan with the lowest approval authority for that official. SED authority to approve subordinations is limited to \$1 million total EM indebtedness; otherwise, SED's may approve subordinations regardless of the amount. SED's may delegate their authority for approving subordinations to FLC, FLS, or DD.

Note: SED's are the only FSA officials with approval authority for subordinating real estate security for an operating-type loan purpose.

The authorized agency official may approve the subordination by executing the electronic signature command in the credit presentation section of FBP. Under the electronic signature, the approval official may designate the local servicing official the responsibility to execute *--agency and required legal documents to complete the subordination.

The authorized agency official must include in the physical case file, all components of FBP that require signatures as provided in the FPB User Guide, available at <https://inside.fsa.usda.gov/program-areas/daflp/software-manuals/index>.--*

The authorized agency official will sign FSA-2455 or any other format required in State supplements, as necessary, to meet State legal requirements.

Once a request is approved, it is closed according to State supplements. The authorized agency official must enter the date that FSA approves a request in DLS.

B Appeal Rights

If a request under this section cannot be approved, the borrower will be notified of all appeal rights according to 1-APP.

121-125 (Reserved)

Section 3 Junior Liens**126 General Conditions for Junior Liens****A General Policy**

[7 CFR 765.206(a)] The borrower will not give a lien on Agency security without the consent of the Agency. Failure to obtain Agency consent will be considered by the Agency when making eligibility determinations for future requests for assistance and may adversely impact such requests.

To request FSA approval of a junior lien, the borrower must submit to FSA:

- *--for chattels, FSA-2001 with the following completed:
 - Part A, item 1
 - Part C, items 1 and 5A
 - Part D, items 4A and 4B
 - Part E, items 18A and 18B
- FSA-2060 for real estate cases (FSA will assist the borrower in completing FSA-2060)
- a copy of the farm operating plan submitted to the junior lienholder
- an FBP or other similar plan of operation that shows the junior lien and repayment schedule
- any other information necessary for FSA to make a decision.

126 General Conditions for Junior Liens (Continued)**B Conditions for Consent to a Junior Lien**

[7 CFR 765.206(b)] The Agency will consent to the terms of a junior lien if all of the following conditions are met:

[7 CFR 765.206(b)] (1) The borrower's ability to make scheduled loan payments is not jeopardized;

[7 CFR 765.206(b)] (2) The borrower provides the Agency a copy of the farm operating plan submitted to the junior lienholder, and the plan is consistent with the Agency operating plan;

[7 CFR 765.206(b)] (3) The total debt against the security does not exceed the security's market value;

FSA will not obtain appraisals to consider junior liens. Any appraisal required by FSA to make this decision must be supplied by the borrower or lender and will be reviewed by FSA to ensure that all 1-FLP requirements are met.

[7 CFR 765.206(b)] (4) The junior lienholder agrees in writing not to foreclose the security instrument unless written notice is provided to the Agency;

[7 CFR 765.206(b)] (5) The borrower is unable to graduate on any program except for CL; and

[7 CFR 765.206(b)] (6) The junior lien will not otherwise adversely impact the Agency's financial interests.

***--Note:** Approval authority rests with any authorized agency official.--*

C Unapproved Junior Liens

FSA will consider an unapproved junior lien on security when determining future borrower eligibility for FSA loanmaking or servicing actions.

127-135 (Reserved)

Section 4 Severance Agreements

136 Conditions for Severance Agreements

A Severance Agreements Conditions

[7 CFR 765.207] For loans secured by real estate, a borrower may request Agency consent to a severance agreement or similar instrument so that future chattel acquired ~~by the borrower will not become part of the real estate securing the FLP debt. 136 Conditions for Severance Agreements (Continued)**C Approving Severance Agreements (Continued)**

The authorized agency official may approve the severance agreement by executing the electronic signature command in the credit presentation section of FBP. Under the electronic signature, the approval official may designate the FLM, SFLO, or FLO the responsibility to execute agency and required legal documents to complete the severance agreement. The authorized agency official must include in the physical case file, all components of FBP that

--require signatures as provided in the FPB User Guide, available at <https://inside.fsa.usda.gov/program-areas/daflp/software-manuals/index.-->

Processing and tracking a request for severance agreement will be done in DLS, Consent Request. Indicate in the comment section “Severance Agreement dated mm/dd/yr” (insert date).

SED’s may issue State supplements on approving severance agreements, as appropriate.

D Appeals Rights

If a request under this section cannot be approved, the borrower will be notified of all appeal rights according to 1-APP.

Section 5 Release of Real Estate and Chattel Security Liens Without Monetary Consideration

146 Release Without Monetary Consideration

A Approval

SED may approve a release request by executing FSA-2060, FSA-2470, or other documents approved by OGC.

--SED may approve a release request by executing FSA-2060, FSA-2470, or other documents approved by OGC. The transaction may be approved by using the electronic signature command in the credit presentation section of FBP. SED may designate responsibility to an authorized agency official to execute agency and required legal documents to complete the transaction in FBP. All components of FBP that requires signatures must be included in the physical case file.--

146 Release Without Monetary Consideration (Continued)

D Borrower Requested Chattel Security Release

- (3) The security margin on each FLP direct loan will be 150 percent or more after the release. The value of the retained and released security will normally be based on appraisals obtained as specified in § 761.7 of this chapter (1-FLP, Part 6); however, well documented recent sales of similar properties can be used if the Agency determines a supportable decision can be made without current appraisals;**

Part 7 Disposition of Security**Section 1 Disposition of Normal Income and Basic Chattel Security****161 General Requirements****A Security Accounting**

***--[7 CFR 765.301(a)] The borrower must account for all chattel security, and maintain records of dispositions of chattel security and the actual use of proceeds. The borrower must make these records available to the Agency upon request.**

The authorized agency official may require that the borrower provide receipts or other documentation to verify the chattel security sale.--*

B Fair Market Value

[7 CFR 765.301(b)] The borrower may not dispose of chattel security for an amount less than its market value. All proceeds, including any amount in excess of the market value, must be distributed to lienholders for application to the borrower's account in the order of lien priority.

[7 CFR 765.301(b)(1)] The Agency considers the market value of normal income security to be the prevailing market price of the commodity in the area in which the farm is located.

The authorized agency official may consult readily and commonly available sources of price information to assess the adequacy of the price.

[7 CFR 765.301(b)(2)] The market value for basic security is determined by an appraisal obtained in accordance with § 761.7 of this chapter (1-FLP, Part 6).

FSA may require an appraisal to determine the fair market value of basic chattel security, unless the security is sold through a legitimate public auction.

C FSA Lien Release

[7 CFR 765.301(c)] When the borrower sells chattel security, the property and proceeds remain subject to the Agency lien until the lien is released by the Agency.

161 General Requirements (Continued)

D Consent of Lienholders for Release of Proceeds

[7 CFR 765.301(d)] The Agency and all other lienholders must provide written consent before a borrower may use proceeds for a purpose other than payment of lienholders in the order of lien priority.

The authorized agency official may permit the borrower to use proceeds from the sale of normal income security for payment of transaction costs before application to FSA loan balances if:

- costs incurred are considered routine and customary marketing costs for the transaction
- the borrower cannot pay the costs
- the purchaser will not pay the costs.

The authorized agency official may require:

- that the borrower provide receipts or other documents that can be used to verify the type and amount of transaction costs
- the borrower to reimburse FSA, if it is determined that any of these conditions have not been met.

E Disruption of Farming Operation

[7 CFR 765.301(e)] The transaction must not interfere with the borrower's farming operation or jeopardize the borrower's ability to repay the FLP loan.--*

When reviewing the borrower's proposal for disposition of basic security and use of proceeds, the authorized agency official must determine if and how the proposed disposition and use of proceeds will affect:

- the financial viability of the borrower's operation, including the borrower's ability to repay obligations to FSA and non-FSA creditors
- the management of the borrower's operation
- FSA's security interest.

The authorized agency official may approve the transaction after determining that it will improve the borrower's financial position or structure in such a way that improves the borrower's ability to repay FSA loans or improves the financial basis of the operation.

161 General Requirements (Continued)

F Furthering FSA Program Objectives

[7 CFR 765.301(f)] The disposition must enhance the program objectives of the Agency loan.

G Security Exchange or Replacement

[7 CFR 765.301(g)] When the borrower exchanges security property for other property or purchases new property with sale proceeds, the acquisition must be essential to the farming operation as well as meet the program objectives, purposes, and limitations for the type of loan.

H Proceeds Payable to Both the Borrower and FSA

[7 CFR 765.301(h)] All checks, drafts, or money orders which the borrower receives from the sale of Agency security must be payable to the borrower and the Agency. If all *--FLP loan installments and any past due installments, for the period of the agreement--* for the use of proceeds have been paid, however, these payments from the sale of normal income security may be payable solely to the borrower.

162 Annual Agreement for Disposition of Normal Income and Basic Chattel Security**A Annual Agreement**

***--[7 CFR 765.302(a)] The borrower and the Agency will execute an agreement for the use of proceeds.** FSA, in consultation with the borrower, will complete the FSA-2040 to describe plans for disposition of security and use of proceeds. Borrower will review the FSA-2040, initial and sign it in the designated places. For borrowers with:

- normal income security, the agreement shall be updated at least annually, as necessary, to reflect changes in the operation
- basic income security only, the agreement shall be updated as part of a scheduled annual review (1-FLP, paragraph 223) or as necessary to reflect changes in the operation.

B Using the Annual Agreement

[7 CFR 765.302(b)] The borrower must report any disposition of basic or normal income security to the Agency as specified in the agreement for the use of proceeds.

[7 CFR 765.302(c)] If a borrower wants to dispose of normal income security in a way different than provided by the agreement for the use of proceeds, the borrower must obtain the Agency's consent before the disposition unless all FLP payments planned on the agreement have been paid.

[7 CFR 765.302(d)] If the borrower sells normal income security to a purchaser not listed in the agreement for the use of proceeds, the borrower must immediately notify the Agency of what property has been sold and of the name and business address of the purchaser.--*

162 Annual Agreement for Disposition of Normal Income and Basic Chattel Security (Continued)

B Using the Annual Agreement (Continued)

*--FSA will record the disposition of security on FSA-2045. When the borrower sells chattel security and notifies FSA, the authorized agency official must complete the FSA-2045 to record the:

- description of security sold
- quantity of security sold
- way in which security was sold (such as to a wholesaler, to a neighbor, etc.)
- date of sale
- amount of proceeds received
- use of proceeds (exact amount recorded for debt repayment, operating expenses, family living, or capital purchases).

The authorized agency official must indicate whether approval is granted for the disposition and use of proceeds by marking “yes” or “no,” initialing, and dating the agreement in the appropriate location. If the disposition or use of proceeds is not authorized on the agreement, the authorized agency official shall take action according to Part 7, Section 2.

Normal income security dispositions will continue to be reported and recorded until all annual installments due to FSA have been paid current. Basic security dispositions must be reported until FSA no longer has a lien against the security.--*

* * *

C Government Payments and Insurance

The borrower must submit documentation of all Government payments, crop insurance, and insurance proceeds derived from the loss of security.

162 Annual Agreement for Disposition of Normal Income and Basic Chattel Security (Continued)

D Modifying and Updating Annual Agreements

***-[7 CFR 765.302(e)] The borrower must provide the Agency with the necessary information to update the agreement for the use of proceeds.**

[7 CFR 765.302(f)] Changes to the agreement on the use of proceeds will be--* recorded, dated, and initialed by the borrower and the Agency.

FSA and the borrower will document agreed upon changes to FBP and FSA-2040 through entering, initialing, and dating mutually accepted modifications as indicated for each FBP and FSA-2040. See 1-FLP, Part 8, Section 3.

Note: The authorized agency official and the borrower must complete a new FBP and revise FSA-2040 for major changes to the borrower's farming operation.

SED's may issue further guidance as needed on the changes that require FBP revision or replacement.

When FSA and the borrower agree to revisions over the telephone, the authorized agency official will:

- initial and date the change
- mark FBP or FSA-2040 with "Revised through telephone contact."
- send written confirmation to the borrower of any significant changes
- have the borrower date and initial the change the next time the borrower is in the County Office.

163 Using Proceeds From Chattel Security**A General Requirements**

[7 CFR 765.303(a)] (1) Proceeds from the sale of basic security and normal income security must be remitted to lienholders in order of lien priority.

(2) Proceeds remitted to the Agency may be used as follows:

--(i) Applied to the FLP loan;--

(ii) Pay customary costs appropriate to the transaction.

(3) With the concurrence of all lienholders, proceeds may be used to preserve the security because of a natural disaster or other severe catastrophe, when funds cannot be obtained by other means in time to prevent the borrower and the Agency from suffering a substantial loss.

(4) Security may be consumed as follows:

(i) Livestock may be used by the borrower's family for subsistence;

(ii) If crops serve as security and usually would be marketed, the Agency may allow such crops to be fed to the borrower's livestock, if this is preferable to marketing, provided the Agency obtains a lien or assignment on the livestock, and livestock products, at least equal to the lien on the crops.

163 Using Proceeds From Chattel Security (Continued)**B Releasing Normal Income Security for Essential Family Living and Farm Operating Expenses**

[7 CFR 765.303(b)] In addition to the uses specified in paragraph (a) of this section, the agreement for the use of proceeds will allow for release of proceeds from the sale of normal income security to be used to pay essential family living and farm operating expenses. Such releases will be terminated when an account is accelerated.

See Exhibit 2 for the definition of essential family living and farm operating expenses. FSA may not consider all of the examples included in the definition as essential for every family and farming operation. The authorized agency official must consider all of the following:

- the individual borrower's operation
- what is typical for that type of operation in that area
- what is an efficient method of production considering the borrower's resources.

The borrower must contact FSA for approval if the borrower wants to use proceeds to pay for farm operating expenses for future operations not included in the current FBP, so that FSA may work with the borrower to develop a feasible FBP. When the borrower and FSA cannot agree on security releases for essential family living and operating expenses, the borrower must request the release in writing. If rejected, the authorized agency official will notify the borrower, in writing, why the requested release was denied, including why the expenses requested for release are not basic, crucial, or indispensable to the family, the farming operation, or both. Appeal rights will be included with the notification. See 1-APP for appeal procedures.

C Basic Security

[7 CFR 765.303] (c) In addition to the uses specified in paragraph (a) of this section:

(1) Proceeds from the sale of basic security may not be used for any family living and farm operating expenses.

(2) Security may be exchanged for chattel property better suited to the borrower's needs if the Agency will acquire a lien on the new property at least equal in value to the lien held on the property exchanged.

(3) Proceeds may be used to purchase chattel property better suited to the borrower's needs if the Agency will acquire a lien on the purchased property. The value of the *--purchased property, together with any proceeds applied to the FLP loan, must at--* least equal the value of the Agency lien on the old security.

164, 165 (Reserved)

166 Releasing Security Interest**A Lien Release General Requirements**

[7 CFR 765.305(a)] When Agency security is sold, exchanged, or consumed in accordance with the agreement for the use of proceeds, the Agency will release its security interest to the extent of the value of the security disposed.

B Specific Security Item Releases

When releasing specific items that must be recorded under UCC or chattel mortgage laws, the authorized agency official will use FSA-2470 or other form approved by OGC and required by State law. However, FSA may not deliver the actual release until 15 calendar days after receiving the payment unless the payment is made in cash, money order, certified check, or check from a known and reputable lender. When SED's must approve a transaction or when FLM, SFLO, or DD want advice on approval of a transaction, the borrower's case folder and any other information pertinent to the transaction will be sent to the State Office. The authorized agency official must ensure that only specific items are released.

Note: When specific items are listed on FSA-2028, the authorized agency official **must**
--record the disposition on the working copy of FSA-2028 and FSA-2045.--

166 Releasing Security Interest (Continued)**C Releasing Wool and Mohair Lien Conditions**

[7 CFR 765.305(b)] Security interests on wool and mohair may be released when the security is marketed by consignment, provided all of the following conditions are met:

- (1) The borrower assigns to the Agency the proceeds of any advances made, or to be made, on the wool or mohair by the broker, less shipping, handling, processing, and marketing costs;**
- (2) The borrower assigns to the Agency the proceeds of the sale of the wool or mohair, less any remaining costs in shipping, handling, processing, and marketing, and less the amount of any advance (including any interest which may have accrued on the advance) made by the broker against the wool or mohair; and**
- (3) The borrower and broker agree that the net proceeds of any advances on, or sale of, the wool or mohair will be paid by checks made payable jointly to the borrower and the Agency.**

The authorized agency official may execute releases of FSA's lien on wool and mohair on FSA-2465. As FSA-2465 is not a binding agreement until executed by all parties in interest, including the borrower, the broker, and FSA. The authorized agency official may execute it before other parties.

167-180 (Reserved)

Section 2 Unapproved Disposition of Security

181 Initial FSA Actions Upon Discovery

A Unauthorized Chattel Security Disposition Discoveries

[7 CFR 765.304(a)] If a borrower disposes of chattel security without Agency approval, or misuses proceeds, the borrower must:

(1) Make restitution to the Agency within 30 days of Agency notification; or

(2) Provide disposition or use information to enable the Agency to consider post-approval within 30 days of Agency notification.

Borrower disposal of security or use of proceeds in a way not listed on FSA-2040 violates the loan agreement and FSA will not release its security interest.

Upon noting an apparent unauthorized disposition of security, FSA will notify the borrower using Exhibit 31.

--The authorized agency official must document an unapproved disposition of chattel security on FSA-2045, FSA-2551, and in the borrower's FBP. The borrower will also be initialized into DLS Special Servicing under the "Borrower Potentially Commits a Non-Monetary Default" category and tracked until servicing is completed. DD will review any unauthorized dispositions being tracked in DLS Special Servicing as part of the Quarterly Review.--

* * *

If the borrower does not make restitution or provide information necessary for FSA to post-approve the sale within 30 calendar days, the authorized agency official will notify the borrower of nonmonetary default according to 5-FLP, Part 3, and proceed according to 5-FLP, Part 11, Section 2.

181 Initial FSA Actions Upon Discovery (Continued)**B Notification to Third Party Purchasers**

With SED concurrence, the authorized agency official will send Exhibit 32 * * * to third-party purchasers when the:

- disposition cannot be approved
- third party has purchased collateral for an FSA loan
- borrower is unable or unwilling to make restitution and has been notified according to 5-FLP, Part 3.

If the borrower's account is in liquidation, FSA will often attempt to liquidate remaining chattel security on which FSA holds a first lien before making demand or taking civil action against third-party purchasers. Exhibit 32 makes demand on the third-party purchaser to return the property or pay the value of the security to FSA within 30 calendar days.

If no response has been received within 30 calendar days, Exhibit 33 will be forwarded to the purchaser by SED. If satisfaction is not made within 15 calendar days, SED will forward the account to OGC according to 5-FLP, paragraph 421.

182 Post-Approval of Chattel Security Disposition**A Post-Approval of Unapproved Dispositions**

When FSA discovers that a borrower has disposed of all or some of the security property not listed on the agreement or has used funds for some purpose not listed on the borrower's agreement, FSA may post-approve the disposition if all of the requirements of paragraph 163 are met.

The authorized agency official must document the decision to post-approve an unauthorized *--chattel property disposition on the agreement and in the borrower's FBP.--*

B Denying Post-Approval Requests

The authorized agency official may not post-approve a disposition of chattel security if the use of proceeds does not comply with paragraph 163. Servicing will continue according to subparagraph 181 A.

C Determining the Disposed Security's Value

FSA will not release its lien if the security was sold for less than the market value, until the full value of the security is remitted to FSA.

FSA will determine the disposed security's value in each unapproved disposition case through either:

- the most recent appraisal
- a current value price listing for similar property
- an updated property value appraisal based on FSA-2028 information.

183 Requirements for Handling Borrower Noncompliance

A Future Eligibility Decisions

[7 CFR 765.304(b)] Failure to cure the first unauthorized disposition in accordance with paragraph (a) of this section (subparagraph 181 A), or a second unauthorized disposition, whether or not cured, constitutes a non-monetary default, will be considered by the Agency when making eligibility determinations for future requests for assistance, may adversely impact such requests, and may result in civil or criminal action.

--The authorized agency official will process the nonmonetary default according to 5-FLP, Part 3. The default can be corrected by post-approval, but will be considered by FSA in future eligibility decisions. If FSA does not post-approve the transaction or the borrower does not make restitution, FSA will proceed according to 5-FLP, Part 11, Section 2.

184-195 (Reserved)

**Section 3 Real Estate Security Releases, Exchanges or other Disposition
of Portion or Interest****196 Requirements****A General**

[7 CFR 765.351] The borrower must obtain prior consent from the Agency for any transactions affecting the real estate security, including but not limited to, sale or exchange of security, a right-of-way across security, and a partial release. The Agency may consent to such transactions provided the conditions in this section are met.

*--The borrower must:

- complete and sign FSA-2060 with the assistance of the authorized agency official
- provide a written contract or an agreement for the property indicating the price and terms of the transaction
- sell the property for not less than the appraised value unless FSA is being paid in full.

Borrower's request to sell real estate at public auction may only be approved through an Administrator's Exception. In addition to information required under subparagraph 4 B, the request will also address:

- auctioneer's experience with selling real estate
- auctioneer's plan for advertising auction including where advertisements will be placed and how long they will run
- how the auction will maximize FSA recovery over a traditional sale through a realtor.--*

196 Requirements (Continued)

B Conditions for Approval

[7 CFR 765.351(a)] The following conditions apply to all transactions affecting real estate:

[7 CFR 765.351(a)] (1) The transaction will enhance the objectives for which the Agency loan or loans were made;

[7 CFR 765.351(a)] (2) The transaction will not jeopardize the borrower's ability to repay the Agency loan, or is necessary to place the borrower's operation on a sound basis;

Note: Partial releases after acceleration can be approved, according to subparagraph 197 E, as items (1) and (2) can be met by orderly liquidation.

[7 CFR 765.351(a)] (3) Except for releases in paragraph (f) of this section (subparagraph 146 E), the amount received by the borrower for the security being disposed of, or the rights being granted, is not less than the market value and will be remitted to the lienholders in the order of lien priority;

Note: Release of real estate security to be retained by the borrower is not authorized except in conjunction with an approved debt settlement action or as set forth in subparagraph 146 E.

[7 CFR 765.351(a)] (4) The transaction must not interfere with the borrower's farming operation;

[7 CFR 765.351(a)] (5) The market value of the remaining security is adequate to secure the Agency loans, or if the market value of the security before the transaction was inadequate to fully secure the Agency loans, the Agency's equity in the security is not diminished;

196 Requirements (Continued)

B Conditions for Approval (Continued)

[7 CFR 765.351(a)] (6) The environmental requirements of part 799 of this chapter must be met (1-EQ and 6-CP);

See 1-FLP, subparagraph 222 C for guidance to identify potential wetlands that may be impacted by the proposed action.

[7 CFR 765.351(a)] (7) The borrower cannot graduate to other credit on any program except for CL; * * *

[7 CFR 765.351(a)] (8) The borrower must not be ineligible due to disqualification resulting from Federal Crop Insurance violation according to 7 CFR part 718.

C Sale of Timber, Gravel, Oil, Gas, Coal, or Other Minerals

[7 CFR 765.351(b)] (1) Agency security instruments require that the borrower request and receive written consent from the Agency prior to certain transactions, including but not limited to, cutting, removal, or lease of timber, gravel, oil, gas, coal, or other minerals, except small amounts used by the borrower for ordinary household purposes.

***--(i) The sale of timber from real estate which secures an FLP loan will be considered--* a disposition of a portion of the security.**

(ii) When the Agency has a security interest in oil, gas, or other minerals as provided by § 765.252(b) (subparagraph 99 G), the sale of such products will be considered a disposition of a portion of the security by the Agency.

D Compensation for Damage to Real Estate Security

[7 CFR 765.351(b)(2)] Any compensation the borrower may receive for damages to the surface of the real estate security resulting from exploration for, or recovery of, minerals must be assigned to the Agency. Such proceeds will be used to repair the damage, and any remaining funds must be remitted to lienholders in the order of lien priority or, with all lienholders' consent, used for an authorized loan purpose.

E Disposition of Security for Outstanding ST's

[7 CFR 765.351(a)(9)] The disposition of real estate security for an outstanding ST loan will only be authorized if the transaction will result in full repayment of the loan.

Commodities produced by the property, such as when timber is thinned, can be sold without paying ST in full, as long as all proceeds are applied to ST.

196 Requirements (Continued)**F Exchange of Security Property**

[7 CFR 765.351(c)] (1) When an exchange of security results in a balance owing to the borrower, the proceeds must be used in accordance with § 765.352 (paragraph 197).

(2) Property acquired by the borrower must meet program objectives, purposes and limitations relating to the type of loan involved as well as applicable requirements for appraisal, title clearance and security.

G Sale Under a Contract for Deed

[7 CFR 765.351(d)] A borrower may sell a portion of the security for not less than its market value under a contract for deed subject to the following:

(1) Not less than 10 percent of the purchase price will be paid as a down payment and remitted to lienholders in the order of lien priority;

(2) Payments will not exceed 10 annual installments of principal plus interest or the remaining term of the FSA loan, whichever is less. The interest rate will be the current rate being charged on a regular FO loan plus 1 percent or the rate on the borrower's notes, whichever is greater. Payments may be in equal or unequal installments with a balloon final installment;

(3) The Agency's security rights, including the right to foreclose on either the portion being sold or retained, will not be impaired;

(4) Any subsequent payments must be assigned to the lienholders and remitted in order of lien priority, or with lienholder's approval, used in accordance with § 765.352; (paragraph 197)

(5) The mortgage on the property sold will not be released prior to either full payment of the borrower's account or receipt of the full amount of sale proceeds;

(6) The sale proceeds applied to the borrower's loan accounts will not relieve the borrower from obligations under the terms of the note or other agreements approved by the Agency;

(7) All other requirements of this section are met.

197 Allowable Use of Proceeds From the Release of Real Estate Security

A Applying Proceeds to Liens

[7 CFR 765.352(a)] Proceeds from transactions affecting the real estate security may only be used as follows:

(1) Applied on liens in order of priority;

B Use of Proceeds for Paying Costs

[7 CFR 765.352(a)(2)] To pay customary costs appropriate to the transaction, which meet the following conditions:

(i) Are reasonable in amount;

(ii) Cannot be paid by the borrower;

(iii) Will not be paid by the purchaser;

(iv) Must be paid to consummate the transaction; and

(v) May include postage and insurance when it is necessary for the Agency to present the promissory note to the recorder to obtain a release of a portion of the real estate from the mortgage.

Examples of customary costs may include:

- abstracts

*** * ***

- real estate broker's commissions
- real estate taxes that must be paid to complete the transaction
- reasonable attorney's fees
- surveys
- title examination
- title insurance.

197 Allowable Use of Proceeds From the Release of Real Estate Security (Continued)**C Use of Proceeds for Land Development**

With SED consent, proceeds may also be used for:

[7 CFR 765.352(a)(3)] For development or enlargement of real estate owned by the borrower as follows:

- (i) Development or enlargement must be necessary to improve the borrower's debt repayment ability, place the borrower's farming operation on a sound basis, or otherwise enhance the objectives of the loan;**
- (ii) Such use will not conflict with the loan purposes, restrictions or requirements of the type of loan involved;**
- (iii) Funds will be deposited in a supervised bank account in accordance with subpart B of part 761 (1 FLP, Part 4) of this chapter;**
- (iv) The Agency has, or will obtain, a lien on the real estate developed or enlarged;**
- (v) Construction and development will be completed in accordance with § 761.10 of this chapter.**

The authorized agency official must:

- require the borrower to prepare a development plan for the planned activity
- conduct a final inspection of the borrower's property after construction completion.

197 Allowable Use of Proceeds From the Release of Real Estate Security (Continued)

D Additional Proceeds Usage Requiring FSA Consent

With SED's consent, proceeds may be applied to FSA as regular payments, according to *--paragraph 62. SED's should consider the following when providing consent:

- using real estate proceeds as regular payment should not be a re-occurring event
- FSA has significant excess security based upon current appraisals
- the security being sold is a non-essential asset
- the borrower has not received disaster set-aside or PLS within the past 3 years or have payments deferred
- the application of the payment is not being used to resolve nonmonetary default or impending acceleration
- the borrower has been impacted directly by a disaster, is still in recovery, and the sale and application of the proceeds will allow the borrower to resume normal payments.

Note: SED's authority may be redelegated to FLC.

E Pending Liquidation

[7 CFR 765.352(b)] After acceleration, according to 5-FLP, Part 15, the Agency--* may approve transactions only when all the proceeds will be applied to the liens against the security in the order of their priority, after deducting customary costs appropriate to the transaction. Such approval will not cancel or delay liquidation, unless all loan defaults are otherwise cured.

Necessary and customary costs appropriate to the transaction:

- include only those costs that the borrower cannot pay from their own resources
- do not include capital gains taxes or junior liens.

198 Appraisals

A Appraisal Requirements

[7 CFR 765.353(a)] (1) The Agency will obtain an appraisal of the security proposed for disposition.

(2) The Agency may waive the appraisal requirement when the estimated value is less than \$25,000.

--The authorized agency official is responsible for estimating value. The estimate will be based upon the intended use of the real estate and will be supported by comparable sales and/or discussions with real estate agents and documented in the case file.--

[7 CFR 765.353(b)] The Agency will obtain an appraisal of the remaining security if it determines that the transaction will reduce the value of the remaining security.

A new appraisal report for the security to be:

- transferred or released will be obtained when the authorized agency official believes it necessary to protect the financial interests of the Government or when the transaction involves more than \$25,000

*--**Note:** Exceptions may be requested in accordance with paragraph 4 for appraisals completed between 12 and 18 months ago.--*

- retained will only be obtained when the authorized agency official determines that the value of the retained property could be adversely affected by the loss of the transferred or released property.

Appraisal reports under this section may show the current market value of the property being transferred or released, and the property being retained, on a single appraisal report or on separate appraisal reports.

The value of rights to mining products, gravel, oil, gas, coal or other minerals will be specifically included as a part of the appraised value of the real estate security.

[7 CFR 765.353(c)] Appraisals, when required, will be conducted in accordance with § 761.7 of this chapter (1-FLP, Part 6).

199 Approving or Denying Partial Releases or Exchanges

A Approval Authority

Approval officials may approve partial releases or exchanges when FSA indebtedness, after the transaction, does not exceed their approval authority for the type of loan or a combination of types of loans according to 1-FLP, subparagraph 29 D. When more than 1 type of loan is involved in the transaction, the loan approval authority of the approval official will be the highest combination amount authorized in 1-FLP, subparagraph 29 D for any loan types involved. SED is authorized to approve any transaction consistent with this section.

*--On an individual case basis, SED may approve a partial release or exchange for less than the appraised value under this paragraph when:

- the amount being received is within 10 percent of the appraised value

Note: This authority applies to this paragraph only.

Example 1: A borrower is selling a parcel of real estate and has agreed to a sales contract for \$200,000. However, the appraisal indicates a value of \$215,000. Since the appraisal is within 10 percent ($215,000 \times .10 = 21,500$ ~ 193500-215,000), the transaction can be approved without a DAFLP exception.

- the property has been professionally and extensively marketed
- borrower requests to sell real estate at public auction may only be approved through an Administrator's Exception.--*

The authorized agency official must approve a partial release by executing FSA-2060 and FSA-2470.

The authorized agency official may approve the transaction by executing the electronic signature command in the credit presentation section of FBP. Under the electronic signature, the approval official may designate the FLM, SFLO, or FLO the responsibility to execute agency and required legal documents to complete the transaction.

The authorized agency official must include in the physical case file, all components of FBP *--that require signatures as provided in the FPB User Guide, available at https://inside.fsa.usda.gov/program-areas/daflp/software-manuals/index.--*

Processing and tracking a request for partial release will be done in DLS.

199 Approving or Denying Partial Releases or Exchanges (Continued)

B Appeal Rights

If a request under this section cannot be approved, the borrower will be notified of all appeal rights according to 1-APP.

200-210 (Reserved)

Section 4 (Withdrawn--Amend. 28)

211, 212 (Withdrawn--Amend. 28)

213-230 (Reserved)

Part 8 Withdrawing Existing Party**231 Withdrawal Requirements****A General**

If a jointly liable party requests FSA approval for withdrawal from an entity and conveyance of interest in the security to the remaining members in the entity, FSA considers this request according to this Part when all of the following conditions are met:

- a remaining spouse or entity member is already personally liable for the debt
- there is no change in the entity name (except in divorce cases when the account must be renamed to match the remaining spouse)
- FSA can issue FSA-2080 according to subparagraph B.

If a proposed action does not meet the requirements of this subparagraph, FSA will process the withdrawal as a transfer and assumption according to Part 9.

Note: For the purposes of this Part and Part 9, an entity is defined as a husband and wife, partnership, corporation, or any other entity in which more than 1 person is liable for the debt.

231 Withdrawal Requirements (Continued)

B FSA-2080's

[7 CFR 765.406(b)(4)] Except for loans in default being serviced under 7 CFR part 766 (5-FLP), if an individual who is jointly liable for repayment of an Agency loan withdraws from the farming operation and conveys all of their interest in the security to the remaining borrower, the withdrawing party may be released from liability under the following conditions:

- (i) A divorce decree or property settlement states that the withdrawing party is no longer responsible for repaying the loan;**
- (ii) All of the withdrawing party's interests in the security are conveyed to the persons with whom the loan will be continued; and**
- (iii) The persons with whom the loan will be continued can demonstrate the ability to repay all of the existing and proposed debt obligations.**

When a transfer is not required under Part 9, and an existing party is requesting a release, the request must be submitted to the local FSA office detailing which members want to be released from liability and which members will remain liable for the debt. In addition, the borrower entity must both:

- file, with the proper authority, documentation that properly identifies and legally accomplishes the intended withdrawal and submit copies of this documentation to FSA

Note: This could include a divorce decree or documentation of a change in the corporation or partnership composition.

- submit:
 - a new FBP that projects the repayment ability of the remaining entity members or new entity that will be liable for the debt
 - any other documentation required by FSA in connection with the proposed withdrawal, such as individual financial statements and earning statements of the *--withdrawing party when the account is undersecured--*
 - a copy of the document transferring any security interest from the withdrawing party to the remaining borrower, and could include a new deed or bill of sale to the remaining members of the borrower entity.

231 Withdrawal Requirements (Continued)**C Approval Authority**

When FSA's debt plus prior liens, less the market value, is \$1 million or more (including principal, interest, and other charges), FSA-2080's must be approved by the Administrator or designee. FLM's or SFLO's may approve FSA-2080's when all FLP security is transferred and the total outstanding FLP debt is assumed; otherwise, SED's must approve FSA-2080's. All cases requiring FSA-2080's from SED's will be submitted for review or debt settlement under 7-FLP, Part 12.

--The authorized agency official may approve the transaction by executing the electronic signature command in the credit presentation of FBP. Under the electronic signature, the approval official may designate the FLM, SFLO, or FLO the responsibility to execute agency and required legal documents to complete the transaction.--

If the borrower is delinquent, FSA will consider FSA-2080's according to 5-FLP, subparagraph 84 D.

232-245 (Reserved)

Part 9 Transfer of Real Estate and Chattel Security

246 Transfer of Security and Assumption of Debt

A General

[7 CFR 765.401(a)] (1) Approval of a security transfer and corresponding loan assumption obligates a new borrower to repay an existing Agency debt.

(2) All transferees will become personally liable for the debt and assume the full responsibilities and obligations of the debt transferred when the transfer and assumption is complete. If the transferee is an entity, the entity and each entity member must assume personal liability for the loan.

(3) A transfer and assumption will only be approved if the Agency determines it is in the Agency's financial interest.

FBP * * * must demonstrate the repayment ability and management capacity of the transferee.

[7 CFR 765.401(b)] A borrower must request and obtain written Agency consent prior to selling or transferring security to another party.

FSA requires the transfer and assumption of security and FSA debt when:

- a new borrower wants to replace the existing borrower
- *--an existing borrower is now operating, or proposes to operate as an entity with a non-relative
- an existing borrower proposes to transfer FSA security to an entity controlled or owned by the borrower.

FSA requires an assumption of debt, but not a transfer of security (assumes title to assets is not changing) when:

- a new member wants to join the borrower entity
- the entity member withdraws when remaining entity members are not personally liable for the debt

Note: See definition of operator in Exhibit 2.

Operators include borrowers who obtained individual loans and later formed an operating entity with a relative. If the member with the individual loan owns at least 50 percent of the operating entity, the individual meets the definition of operator for loan servicing purposes.--*

246 Transfer of Security and Assumption of Debt (Continued)**A General (Continued)**

***--Example:** An individual obtains an FO and later forms an operating-only entity with a relative and obtains an OL for the same operation. The individual then needs servicing for the individual FO. In these cases, if the individual owns at least 50 percent of the operating entity, the definition of operation is met.

Borrowers who obtained individual loans and later formed an operating-only entity with a non-relative must have the entity assume the debt to be eligible for loan servicing, as provided in 4-FLP, subparagraph 248 C. However, transfer of the collateral to the entity is not required.

In either of these circumstances, the operating entity must have their own unique tax ID number.--*

B ST's

ST's will only be transferred on NP rates and terms according to subparagraph 248 E, unless transfer is required because of the death of a borrower, in which case transfer will be considered according to Part 10.

C Junior Liens

When a transferee assumes:

- the transferor's entire FSA debt, SED's must concur with the proposed transfer of any junior liens
- less than the full amount of FSA's debt, junior liens to the assumed debt are prohibited.

D Partial Transfer and Assumption

A borrower may transfer FSA indebtedness in whole notes only. The borrower and transferee may not split an individual loan. The borrower must demonstrate that a proposed partial sale is in the best financial interest of the operation and that the sale will not adversely affect the security and/or Government's financial interest.

The compensation received by the transferor and applied to the transferor's FSA debt may not be less than the market value of the property sold.

When the value of the property exceeds the debt to be assumed, the transferee may pay with cash on hand or obtained through credit. FSA applies such cash payment to the transferor's indebtedness according to Part 5.

246 Transfer of Security and Assumption of Debt (Continued)**E Determining the Assumption Amount**

[7 CFR 765.403(d)] The transferee must assume the lesser of:

- (1) The outstanding balance of the transferor's loan; or**
- (2) The market value of the security, less prior liens and authorized costs, if the outstanding loan balance exceeds the market value of the property.**

F Determining the Value of the Security Property

The value of the security property must be determined before approving a transfer and assumption. Appraisals will be conducted according to 1-FLP, Part 6. The appraisal determines the value of the security and the amount of the indebtedness that may be assumed.

G Forgiveness of Youth Loan Debt

Notwithstanding any other FSA regulation, forgiveness of youth loan debt, because of circumstances beyond the borrower's control, does not preclude the applicant, or any member of an entity applicant, from obtaining additional direct or guaranteed loans from FSA. This includes assumption of FSA debt or any other financial assistance that cites this section as part of its eligibility. The criteria for determining if the forgiveness was beyond the borrower's control are the same criteria used in 7 CFR section 766.104(a)(1). Any borrower who met those criteria when the youth loan was forgiven will not be denied loan assistance based on forgiveness of youth loan debt. Debt that was forgiven on any other type of loan, even with the same borrower, is still considered according to the present regulations and can preclude the applicant from receiving a loan from FSA.

247 Types of Transfers and Assumptions**A New Eligible Borrower**

[7 CFR 765.403(a)] The Agency may approve transfers of security with assumption of Agency debt, other than EM loans for physical or production losses, by transferees eligible for the type of loan being assumed if:

- (1) The transferee meets all loan and security requirements in part 764 (3-FLP) of this chapter for the type of loan being assumed; and**
- (2) The outstanding loan balance (principal and interest) does not exceed the maximum loan limit for the type of loan as contained in § 761.8 (1-FLP) of this chapter.**

Before a sale, the borrower and the proposed transferee should contact their local FSA office and submit or participate in completion of the documents to initiate the transfer and assumption process.

247 Types of Transfers and Assumptions (Continued)**A New Eligible Borrower (Continued)**

The completed documents may include:

- complete application by the proposed transferee for the type of loan and amount of debt to be assumed according to 3-FLP, Part 3
- narrative by the authorized agency official describing the proposal
- appraisal from the transferor's file, with a copy to the transferee's file
- transferring "deed" or "bill of sale" from the transferor to the transferee
- FSA-2025
- FSA-2060
- FSA-2080, if applicable
- FSA-2476
- FSA-2489
- additional documents such as UCC1's, FSA-2028's, and mortgages as required.

B Adding a New Member to a Borrower Entity

To add new entity members to an existing borrower entity, the proposed individual entity members and the entity as a whole must meet the eligibility requirements as defined in 3-FLP, Part 4.

The borrower and the proposed entity member should contact their local FSA office and submit or participate in the completion of the documents to initiate the transfer and assumption process. The completed documents may include:

- complete application by the proposed new entity for the type of loan and amount of debt to be assumed according to 3-FLP, Part 3
- narrative by the authorized agency official describing the proposal
- FSA-2025
- *--FSA-2489 or FSA-2026, or both
- new FSA-2026's, if needed
- FSA-2476, if applicable
- security instruments, as appropriate.

The transaction will be completed under subparagraph 248 C.--*

247 Types of Transfers and Assumptions (Continued)**C Withdrawing a Member and the Remaining Members are Not Jointly Liable**

If a personally liable party withdraws from an entity and all remaining entity members are not jointly liable for the debt, FSA will process the transfer and assumption according to this Part. Accordingly, all transferees will become personally liable for the debt and assume the full responsibilities and obligations of the debt transferred when the transfer and assumption is complete. If all remaining entity members are jointly liable, the withdrawal is processed according to Part 8.

The borrower and the proposed transferee should contact their local FSA office and submit or participate in completion of the documents to initiate the transfer and assumption process. The completed documents may include:

- FBP, for the new entity demonstrating the repayment ability and management capacity of the remaining borrower entity
- updated farm assessment
- documents identifying the reason for the withdrawal such as a death certificate, a divorce decree, or a change in the composition of a corporation or partnership
- documentation of the transfer of the property such as a “deed” or “bill of sale” to the remaining members of the borrower entity
- narrative by the authorized agency official describing and recommending the proposal
- FSA-2025
- *--FSA-2489, FSA-2026, or both
- FSA-2080, if applicable
- FSA-2476, if applicable--*
- new security instruments, as appropriate.

247 Types of Transfers and Assumptions (Continued)***--D Adding New Entity**

When an existing individual borrower forms an entity, the borrower should contact their local FSA office and submit or participate in the completion of the documents to initiate the transfer and assumption process. The completed documents may include:

- FSA-2001
- narrative by the authorized agency official describing the proposal
- FBP demonstrating the replacement ability
- new security instruments, as appropriate
- FSA-2489, FSA-2026, or both
- FSA-2476, if applicable.

The transaction will be completed under subparagraph 248 C.--*

E NP Applicant

FSA may allow NP assistance only when it is in FSA's best interest.

FSA allows NP assistance only to accommodate enhanced collection potential for outstanding loans.

The documents FSA requires for a NP transfer and assumption are the same as for a program eligible applicant, except FSA does not need to determine the borrower's eligibility.

248 Assumption Terms**A Basic Policy**

Loans will generally be assumed on new rates and terms. A loan may only be assumed on the same rates and terms according to paragraph C.

B Eligible Applicant - New Rates and Terms

[7 CFR 765.403(e)] The interest rate and loan term will be determined according to rates and terms established in part 764 (3-FLP) of this chapter for the type of loan being assumed.

C Eligible Applicant - Same Rates and Terms

A transfer and assumption of all debt and security processed at the same rates and terms does not require an appraisal.

[7 CFR 765.402] An eligible applicant may assume an Agency loan under the same rates and terms as the original note if:

- (a) The original borrower has died and the spouse, other relative, or joint tenant who is not obligated on the note inherits the security property;**
- (b) A family member of the borrower or an entity comprised solely of family members of the borrower assumes the debt along with the original borrower;**
- (c) An individual with an ownership interest in the borrower entity buys the entire ownership interest of the other members and continues to operate the farm in accordance with loan requirements. The new owner must assume personal liability for the loan;**
- (d) A new entity buys the borrower entity and continues to operate the farm in accordance with loan requirements; or**

***--Note:** The new entity must replace the present entity and consist of the same members.--*

248 Assumption Terms (Continued)

C Eligible Applicant - Same Rates and Terms (Continued)

(e) The original loan is an EM loan for physical or production losses and persons who were directly involved in the farm's operation at the time of the loss will assume the loan. If the original loan was made to:

(1) An individual borrower, the transferee must be a family member of the original *--borrower or an entity in which the entity members are comprised solely of family--* members of the original borrower.

(2) A trust, partnership or joint operation, the transferee must have been a member, partner or joint operator when FSA made the original loan or remain an entity *--comprised solely of people who were original entity members, partners or joint--* operators when the entity received the original loan.

*--(3) A corporation, including limited liability company, cooperative, or other legal business organization, the transferee must:

(i) Have been a corporate stockholder, cooperative member, or other member of a legal business organization, when the Agency made the original loan or will be an entity comprised solely of entity members who were entity members when the entity--* received the loan; and

(ii) Assume only the portion of the physical or production loss loan equal to the transferee's percentage of ownership. In the case of entity transferees, the transferee must assume that portion of the loan equal to the combined percentages of ownership of *--the individual stockholders or entity members in the transferee.--*

D Transfer and Assumption of Types of Loans No Longer Made by FSA

[7 CFR 765.403(c)] Real estate loan types the Agency no longer makes (i.e. EE, RL, RHF) may be assumed and reclassified as FO loans if the transferee is eligible for an FO loan under part 764 of this chapter (3-FLP) and the property proposed for transfer meets program requirements.

248 Assumption Terms (Continued)**E Transfer of Security and Assumption of Debt by Ineligible Borrowers**

See 1-FLP, Part 2 for levels of authority for approval of NP loans. SED has unlimited approval authority for NP loans. FSA approves NP loans on FSA-2025. Applications for NP *--assistance that cannot be approved will be denied by sending Exhibit 35 to the applicant.--* Applicants have 15 calendar days to request a review of the decision by the next level supervisor within FSA.

[7 CFR 765.404(a)] (1) The Agency will allow the transfer of real estate and chattel security property to applicants who are ineligible for the type of loan being assumed only on Non-program loan rates and terms.

(2) The Agency will reclassify the assumed loan as a Non-program loan.

[7 CFR 765.404(b)] Transferees must:

(1) Provide written documentation verifying their credit worthiness and debt repayment ability;

(2) Not have received debt forgiveness from the Agency;

(3) Not be ineligible for loans as a result of a conviction for controlled substances according to 7 CFR part 718; and

(4) Not be ineligible due to disqualification resulting from Federal Crop Insurance violation according to 7 CFR part 718.

248 Assumption Terms (Continued)**E Transfer of Security and Assumption of Debt by Ineligible Borrowers (Continued)**

[7 CFR 765.404(c)] The transferee must assume the total outstanding Agency debt or if the value of the property is less than the entire amount of debt, an amount equal to the market value of the security less any prior liens. The total outstanding Agency debt will include any unpaid deferred interest that accrued on the loan to the extent that the debt does not exceed the security's market value.

[7 CFR 765.404(d)] Non-program transferees must make a downpayment to the Agency of not less than 10 percent of the lesser of the market value or unpaid debt.

[7 CFR 765.404(e)] The interest rate will be the Non-program interest rate in effect at the time of loan approval.

See 1-FLP, Exhibit 17 for NP interest rates.

[7 CFR 765.404(f)] (1) For a Non-program loan secured by real estate, the Agency schedules repayment in 25 years or less, based on the applicant's repayment ability.

(2) For a Non-program loan secured by chattel property only, the Agency schedules repayment in five years or less, based on the applicant's repayment ability.

248 Assumption Terms (Continued)**F Modification of Security Instruments**

Covenants in promissory notes and/or security instruments (mortgage or deed of trust) relating to graduation to other credit, inability to secure other financing, restrictions on leasing, FLP operation requirements, and consent to junior lien encumbrance will be deleted. Deletions are made by lining through only the specific inapplicable language with both the NP borrower and the approval official initialing the changes.

G Transfer from a NP Borrower

[7 CFR 765.403(b)] Applicants eligible for FO loans under part 764 (3-FLP) of this chapter may assume Non-program loans made for real estate purposes if the Agency determines the property meets program requirements. In such case, the Agency will reclassify the Non-program loan as an FO loan.

When a NP borrower proposes to sell security property, the authorized agency official may approve assumption of indebtedness on program or NP terms based on the eligibility of the transferee.

FSA does not release NP borrowers of liability.

249 Reviewing Transfer Request

A Reviewing Required Documents

The authorized agency official will review the transfer request to assure that the documents required are present and complete according to paragraph 247. See 1-FLP, Part 2 for transfer and assumption approval authority.

If the required documents are incomplete or additional information is needed, FSA will request the transferor and the transferee to provide the additional information, as appropriate. The authorized agency official must inform the transferor and the transferee that FSA will not process the transfer request until the application is complete.

B Insurance Requirements

A transferee must obtain insurance according to 3-FLP, Part 6.

C Title Clearance

A transferee must obtain title clearance and legal services for closing a transfer according to 3-FLP, Part 16. FSA does not require title clearance and legal services when the interest of a liable party on the note is conveyed to another liable party who assumes the total indebtedness at same rates and terms.

D Reviewing Loan Application

The authorized agency official will review the application according to this Part and 3-FLP, Part 3.

E Approving the Transfer and Assumption

Approval officials may approve transfer and assumption when the FSA indebtedness, after the transaction, does not exceed their approval authority for the type of loan or a combination of types of loans according to 1-FLP, subparagraph 29 D. When more than 1 type of loan is involved in the transaction, the loan approval authority of approval official will be the highest combination amount authorized in 1-FLP, subparagraph 29 D for any loan types involved. SED may redelegate their authority to approve transfer and assumption to FLC, FLS, or DD.

The authorized agency official may approve the transfer and assumption by executing the electronic signature command in the credit presentation section of FBP. Under the electronic signature, the approval official may designate the FLM, SFLO, or FLO, the responsibility to execute the required documents to complete the transaction.

The authorized agency official must include in the physical case file, all components of FBP
 *--that require signatures as provided in the FPB User Guide, available at
https://inside.fsa.usda.gov/program-areas/daflp/software-manuals/index.--*

249 Reviewing Transfer Request (Continued)**E Approving the Transfer and Assumption (Continued)**

The authorized agency official will use FSA-2025 to notify the applicant that the transfer and assumption has been approved.

If FSA rejects the transfer and assumption request, the authorized agency official will notify the borrower of appeal rights according to 1-APP.

250 Closing the Transfer**A Basic Policy**

[7 CFR 765.405] The transferor and transferee are responsible for paying transfer costs such as real estate taxes, title examination, attorney's fees, surveys, and title insurance. When the transferor is unable to pay its portion of the transfer costs, the transferee, with Agency approval, may pay these costs provided:

- (a) Any cash equity due the transferor is applied first to payment of costs and the transferor does not receive any cash payment above these costs;**
- (b) The transferee's payoff of any junior liens does not exceed \$5,000;**
- (c) Fees are customary and reasonable;**
- (d) The transferee can verify that personal funds are available to pay transferor and transferee fees; and**
- (e) Any equity due the transferor is held in escrow by an Agency designated closing agent and is disbursed at closing.**

The authorized agency official will prepare closing documents according to 3-FLP, Part 16 and State and local requirements. Closing documents will be filed according to State law and as described in the State supplement.

B Final Processing

The authorized agency official will follow the flowchart in DLS Loan Servicing Users Guide, Section 5.2, to determine if a "1M", "4A", or "4D" transaction is needed in DLS to record the transfer and assumption of the loan or loans.

The signed documents in the transfer docket will be placed in the transferee's case file and
--the transferor's file shall be maintained according to 32-AS.--

251 Determining Transferor Liability After Closing**A Full and Complete Transfer**

[7 CFR 765.406(b)(1)] The Agency may release the transferor from liability when all of the security is transferred and the total outstanding debt is assumed.

B Transfer and Assumption of a Portion of the Indebtedness

[7 CFR 765.406(a)] Agency approval of an assumption does not automatically release the transferor from liability.

[7 CFR 765.406(b)(2)] If an outstanding debt balance will remain and only part of the transferor's Agency security is transferred, the written request for release of liability will not be approved, unless the deficiency is otherwise resolved to the Agency's satisfaction.

[7 CFR 765.406(b)(3)] If an outstanding balance will remain and all of the transferor's security has been transferred, the transferor may pay the remaining balance or request *--debt settlement in accordance with subpart B of 7 CFR part 1956. (7-FLP, Part 12)--*

If all security has been transferred, the remaining debt will be considered for debt settlement instead of release of liability under this Section.

In partial debt and partial security transfer cases, the transferee may pay any sale price or security shortfalls to resolve deficiencies as approved by the authorized agency official by any of the following:

- cash contribution
- participation credit
- subsequent FSA loans.

If only a portion of the indebtedness is to be assumed by the transferee, the authorized agency official must recommend and SED must approve or deny settlement of the remaining indebtedness.

251 Determining Transferor Liability After Closing (Continued)

C Authority

--The approval official for the transfer and assumption may consider and execute FSA-2080-- in conjunction with the transfer and assumption action when all of the following conditions are met:

- transferee assumes the entire amount of the indebtedness
- transferee's indebtedness is fully secured
- transferor transfers all security
- transfer and assumption will not result in a loss to the Government.

If any of these requirements are not met, only SED's have the authority to execute FSA-2080's.

Part 10 Deceased Borrowers**266 General****A Overview**

This Part describes the procedures FSA follows upon learning of the death of an FLP borrower.

B Contacting the Deceased's Family, Heirs, or Other Liable Parties

The authorized agency official will contact the family, heirs, or liable parties as soon as practical after the death of a borrower to discuss plans for the farm.

The authorized agency official will complete FSA-2490 to:

- determine how to proceed with the deceased borrower's account
- assess FSA's security position
- ensure FSA's security is adequately protected and maintained.

If no liable party remains, the heirs/representatives contacted will be informed that:

- the loan can be paid in full or assumed on eligible or ineligible rates and terms, if all requirements are met
- estates cannot be FSA program or NP borrowers.

* * *

266 General (Continued)**C Consulting SED**

To complete FSA-2490 and determine an appropriate course of action, the authorized agency official will refer to State supplements, as appropriate; however, SED's will always be notified when:

- determining claim priority
- filing a proof of claim
- withdrawing a proof of claim
- initiating, participating in, or contributing to a probate or administrative hearing
- servicing a borrower's account when no will exists.

SED's will consult with OGC, as appropriate.

When necessary, the authorized agency official will forward the following information to SED:

- FSA-2490
- the borrower's case file
- a recommendation on how FSA should proceed with the borrower's account.

267 Servicing Options for Program Loan Accounts**A Continuation**

[7 CFR 765.451(a)] Following the death of a borrower, the Agency will continue the loan with any individual who is liable for the indebtedness provided that the individual complies with the obligations of the loan and security agreements.

The authorized agency official will process applicable changes to MIDAS Business Partner and DLS to change any name, account number, or case number.

B Transfer and Assumption

[7 CFR 765.451(b)] The Agency will continue the loan with a person who is not liable for the indebtedness in accordance with subpart I of this part.

See Part 9 for more information on transfer and assumptions.

C Shared Appreciation (FSA-2543's)

If an FSA-2543 exists at the time of the borrower's death, see 5-FLP, subparagraph 342 A.

D Liquidation

If a deceased borrower's farm loan accounts cannot be paid in full, voluntarily liquidated, resolved through continuation with existing obligors, or transferred to a third party, the authorized agency official will comply with subparagraph 100 B before proceeding according *--to 5-FLP, paragraph 66. If the deceased borrower's loan payments are deferred, the authorized agency official will include canceling the deferral as of the date of the borrower's death with the notification provided in subparagraph 100 B.--*

268 Servicing Options for NP Accounts**A General Policy**

When a borrower with only NP's dies, FSA shall determine whether the borrower's NP's may be continued or assumed by another party. If NP's cannot be continued or assumed, FSA shall liquidate NP's according to 5-FLP, Part 16.

B Continuation with a Jointly Liable Borrower

[7 CFR 765.452(a)(1)] The Agency will continue the loan with a jointly liable borrower if the remaining borrower continues to pay the deceased borrower's loan in accordance with the loan and security instruments.

--The authorized agency official shall process applicable changes to MIDAS Business Partner and DLS to change the borrower's name and case number.--

C Transfer and Assumption

[7 CFR 765.452(b)] A deceased borrower's loan may be assumed by an individual not liable for the indebtedness in accordance with subpart I of this part (Part 9).

[7 CFR 765.452(a)(2)] The Agency may continue the loan with an individual who inherits title to the property and is not liable for the indebtedness provided the individual makes payments as scheduled and fulfills all other responsibilities of the borrower according to the loan and security instruments.

See subparagraph 248 C for information on continuing or assuming a loan.

D Security Transfer Beyond Heirs

[7 CFR 765.452(c)] (1) The Agency will not continue a loan for any subsequent transfer of title by the heirs, or sale of interests between heirs to consolidate title; and

(2) The Agency treats any subsequent transfer of title as a sale subject to requirements listed in subpart I of this part (Part 9).

269-280 (Reserved)

Part 11 Borrowers Entering the Armed Forces**281 General****A Act Impact**

The Servicemembers Civil Relief Act of 2003 and the Ronald W. Reagan National Defense Authorization Act for Fiscal Year (FY) 2005 both affect FSA loan servicing. The Servicemembers Civil Relief Act of 2003 authorization affects FLP borrowers on active duty at all times whereas the requirements of the Ronald W. Reagan National Defense Authorization Act for Fiscal Year (FY) 2005 are only implemented during a time of a war or national emergency as declared by the President or Congress. The FLP National Office will *--notify SED's when we are no longer under a national emergency conflict or at war.--*

B Active Duty

National Guard members must be on duty at least 30 calendar days to be considered on active duty for protections under both the Servicemembers Civil Relief Act and Ronald W. Reagan National Defense Authorization Act.

Reservists are covered by both the Servicemembers Civil Relief Act and Ronald W. Reagan National Defense Authorization Act from the date orders are received to report for active duty.

282 Servicemembers Civil Relief Act of 2003**A Interest Rate**

Subject to paragraph 283, FSA may not charge interest exceeding 6 percent on existing FLP debt if the borrower enters full-time active military duty.

Upon learning that a borrower enters active duty, the authorized agency official shall send Exhibit 52 to the borrower stating that the interest rate on their existing FSA loans will not exceed 6 percent while the borrower is on active military duty. The borrower shall submit written notice and a copy of the military orders calling the service member to military service and any orders further extending military service. The interest rate change will be effective with the date the military service started (as verified in the military orders submitted by the borrower).

If the borrower's interest rate is already lower than the 6 percent rate, the borrower will be notified that FSA will not increase the borrower's interest rate.

--In times of war or national emergency, active duty members are eligible to have their FSA interest and payments deferred on existing loans. Exhibit 52 may be used as is or a similar notification letter may be used to address the borrower's specific circumstances. See paragraph 283 for additional details.--

Adjustments to the interest rate based on military service must be processed by NFAOC, FaSB only; therefore, the authorized agency official should send a memorandum to NFAOC, FaSB that confirms the military service of the borrower and the effective date of that service.

In addition, the authorized agency official shall process applicable changes to MIDAS Business Partner to change the borrower's address to the address at which FSA may contact the borrower while on active military duty or the address of a designated power of attorney.

B Penalty for Violations

Violations of the Servicemembers Civil Relief Act of 2003 are misdemeanors. Knowingly violating the provisions of the Servicemembers Civil Relief Act of 2003 is punishable by fines, imprisonment for not more than 1 year, or both.

282 Servicemembers Civil Relief Act of 2003 (Continued)

C Borrower Contact

When the authorized agency official learns that a borrower plans to enter the Armed Forces on full-time active duty, the authorized agency official shall immediately contact the borrower to ensure that someone adequately cares for the borrower's loan security during their absence. The authorized agency official shall determine whether the borrower wants to:

- retain chattel or real estate security while on active duty
- lease real estate security while on active duty
- dispose of chattel or real estate security before reporting to active duty.

--In addition, during the contact the authorized agency official shall ask the borrower to provide the servicing office with a copy of the military orders calling the service member to military service and any orders further extending military service that apply. The orders will be placed in position 4 of the case file. The contact efforts and the outcome must be documented in FBP running record.--

D Power of Attorney

If the borrower decides to retain ownership of the FSA loan security while on active duty and there are no other parties liable for the debt, the authorized agency official shall encourage the borrower to authorize a power of attorney. The borrower may designate a power of attorney before entering active duty. A person designated with a power of attorney has the responsibility to ensure both:

- proper use and maintenance of the borrower's chattel and real estate security
- timely payment on the borrower's insurance, taxes, and FSA loan.

The borrower should be encouraged to use a military power of attorney prepared and executed pursuant to 10 U.S.C. 100b. No further legal review is required for a power of attorney prepared for the borrower by the military. SED's shall issue State supplements for all other acceptable power of attorney documents.

E Real Estate Security Leases

The authorized agency official, when appropriate, may encourage a borrower, while on active duty, to lease real estate security in which FSA has a security interest when the rental income fully repays the borrower's:

- annual installment
- real estate taxes
- required hazard insurance.

If the borrower decides to lease the real estate security, the authorized agency official may encourage the borrower to enter into a written lease and obtain an assignment of rental income proceeds in an amount sufficient to cover the borrower's annual FSA installment using FSA-2044.

282 Servicemembers Civil Relief Act of 2003 (Continued)**F Disposal of Security**

If the borrower decides to sell the security before entering military service, the borrower may:

- dispose of the security with a voluntary sale and then apply the sale proceeds to the balance of the FSA loan according to Part 5
- transfer the security and the loan to another person according to Part 9.

G Borrower Default

If, while serving on active duty, the borrower becomes delinquent on payments or is otherwise in default, the authorized agency official will send the borrower and the person designated by the borrower with power of attorney notices as required by 5-FLP, Part 3. SED's will fully use the exception authority granted in 5-FLP when additional time is needed by the borrower for submitting a complete servicing application.

FSA may not sell or seize a borrower's property while the borrower is on active duty and 3 months thereafter, except by court order. OGC and SED must provide consent before an authorized agency official may accelerate an account.

If the account has been referred to DOJ, FSA must notify DOJ that the borrower is entitled to relief under the Servicemembers Civil Relief Act of 2003.

H Security Abandonment

If the borrower abandons the security, FSA will service the borrower's account according to 5-FLP, Part 18.

I Failure to Cooperate

--The date a borrower is released from active duty may often be obtained from the Service Members Civil Relief Act website at <https://scra.dmdc.osd.mil/>.--

However, if the borrower fails to cooperate with FSA and the date cannot be obtained, the authorized agency official shall consult with the State Office for servicing guidance.

282 Servicemembers Civil Relief Act of 2003 (Continued)**J Treasury and Internal Administrative Offsets**

Treasury and internal administrative offsets will be discontinued once a borrower is ordered to report for induction or military service, and any payments received as a result of offset after the date the borrower was called to active duty will be refunded. Treasury offsets shall be suspended by State Offices by deleting affected loans each quarter on the Borrowers Eligible for TOP Offset Certified Screen or the Borrowers Eligible for TOP Offset Screen. Co-borrowers associated with this debt must also be deleted in an effort to reduce hardship on the family. See applicable FI directives for further information. The suspension will begin when the borrower is ordered to report for induction or military service and continues during the period of active duty and 3 months thereafter.

Note: Use delete code “07”, “Borrower was indebted to FSA before entering full time active duty military service and the account is being serviced according to the National Defense Act.”

K Treasury Cross-Servicing

Borrowers and co-borrowers called to active military duty similarly shall not be referred for cross-servicing.

Note: If the borrower has been referred to Treasury for cross-servicing, State Offices must *--FAX FSA-2722's with code “07” in item 14A to NFAOC, FaSB. See 1-FLP, subparagraph 5 B.

L Canceling the 6 Percent Interest Rate

If FSA decreased the borrower's interest rate, as soon as the authorized agency official verifies that a borrower is no longer on active duty, the authorized agency official shall send a letter to NFAOC, FaSB. This letter instructs NFAOC, FaSB to terminate the 6 percent--* interest rate and revert to the rate in existence before the assignment of the 6 percent rate.

283 Ronald W. Reagan National Defense Authorization Act for Fiscal Year (FY) 2005

A Suspension of Interest Accrual and Payments

During a time of war or national emergency as declared by the President or Congress, the FLP payments on existing loans of borrowers on active duty will be suspended and interest will not accrue beginning on October 28, 2004, or the date in which they enter active duty, whichever is later. If any regular payments have been made since the date noted, October 28, 2004, the borrower should be contacted, and the payment will be refunded at their request. For **existing** loans; all payments due, as well as the due dates of all payments due during and after such active duty will be suspended or deferred for a period of time equal to the time the borrower is on active duty during war or a national emergency.

***--Example:** A borrower with an OL (matures January 15, 2019, annual payment on January 1) and a FO (matures February 15, 2040, annual payment on January 1) enters active duty on October 1, 2016, and is discharged on April 1, 2017 (182 days).

- Interest will not accrue from October 1, 2016, to April 1, 2017.
- The payments on both loans will be due on September 30 each year (April 1, 2017 + 182 days = September 30).--*

Note: Funds from the sale of basic security must be applied as an extra payment according to subparagraph 63 A.

When information is received by the County Office that a borrower has entered or is entering active duty, the County Office will send:

- the borrower, Exhibit 52, informing them that for **existing** loans, payments will be suspended and interest will not accrue during time of active duty
- NFAOC, FaSB a courtesy copy by FAX (1-FLP, subparagraph 5 B).

**283 Ronald W. Reagan National Defense Authorization Act for Fiscal Year (FY) 2005
(Continued)**

B Reinstating Annual Payments and Interest Accrual

*--The payment suspension and interest nonaccrual status will end on the earlier of the date the:

- war or national emergency is over
- borrower is released from active duty.

When information is received that the war or national emergency is over, or the borrower has been released from active duty, the County Office shall:

- send the borrower Exhibit 53, informing them that suspension and nonaccrual status has *--ended, the payment deferral period has started, and the expected due date of the post-deferral payment--*
- send NFAOC, FaSB a courtesy copy by FAX
- attach a copy of Exhibit 53 to the impacted promissory notes.

Note: Pre-military service delinquent payments will also be deferred on Exhibit 53 for a period equal to the length of service. Any delinquency remaining at the end of the deferral period will be serviced under 5-FLP, Part 3.

C PLS and DSA

State Offices shall contact LSPMD for assistance with processing PLS or DSA on a promissory note subject to Exhibit 53.

D Acceleration or Foreclosure

FSA will not accelerate or foreclose on the property of a borrower in the armed forces during the borrower's tenure of service and for the term of their deferral, thereafter.

Notes: If the account has been referred to DOJ, notify DOJ that the borrower is entitled to relief under the Servicemembers Civil Relief Act of 2003 and the Ronald W. Reagan National Defense Authorization Act for Fiscal Year (FY) 2005 (subparagraph 281 A).

Notify DOJ once information is received that the war or national emergency is over, or if the borrower has been released from active duty.

284-290 (Reserved)

Part 12 Transferring Borrower Records, Security, and Servicing Responsibilities

291 Procedures and Servicing Responsibility

A General

When a borrower moves from 1 office jurisdiction to another, FSA will transfer loan records and servicing responsibilities. In general, the County Office for the borrower's old location should transfer borrower records when the farm headquarters is relocated to another jurisdiction.

When FSA has referred an account to DOJ or Treasury, borrower records will remain in the existing County Office location.

A County Office may not transfer a borrower's records to another County Office while FSA is considering a debt settlement application for that borrower.

B Borrower Responsibilities

When FSA receives notification that a borrower intends to relocate loan security, the authorized agency official must notify the borrower of his or her responsibilities arising from the move.

A borrower who moves or plans to move must:

- notify the County Office in which the security is currently located that they want to move FSA security and provide the intended new address or property location through FSA-2495
- arrange for the care and/or disposition of any loan-related security or properties that the borrower will not move
- promptly execute and provide recording and lien search fees for any new security instruments FSA may require.

For moves within a county, the borrower may apply verbally for approval to relocate security.

291 Procedures and Servicing Responsibility (Continued)**C File Transfer and Notification Procedure**

When files or servicing responsibilities are proposed for transfer to another FSA jurisdiction within the same State, the transferring County Office must route FSA-2495, together with the borrower's case file, to SED for concurrence and processing guidance.

When the borrower proposes a move to another State, the transferring County Office must route FSA-2495 and the borrower's case file to the transferring SED. SED reviews the transfer material for relocation acceptability and route the transfer material to the receiving State's SED. In such cases, the receiving SED will then:

- contact transferring SED with any concerns or questions
- notify the transferring SED of the address of the receiving County Office
- forward the transferred material to the receiving County Office.

The transferring County Office should process the transfer by completing a "9G" transaction in DLS.

The transferring County Office:

- shall send the receiving office the original security and debt instruments along with the case file, using a carrier method that provides for protection of PII and documentation of delivery
- is responsible for notifying the borrower about whether the relocation of chattel security is authorized.

For moves within a county, the authorized agency official may verbally notify the borrower of FSA's decision. However, the authorized agency official should always document any *--decision in the borrower's FBP.--*

If FSA does not approve the transfer, the transferring County Office will service the case according to 5-FLP, Part 3.

Transferring and receiving FSA Offices may request each other's assistance as appropriate.

For special or problem circumstances accompanying a security or records relocation, SED should seek assistance from the Regional OGC.

291 Procedures and Servicing Responsibility (Continued)**D Receiving Office Responsibilities**

New security instruments are necessary for borrower relocations and borrower crop and chattel relocations, unless other guidance is provided through a State supplement or from the Regional OGC.

--The receiving County Office must obtain a new UCC1 and FSA-2028 (3-FLP, Part 16)-- when a borrower moves:

- to a new farm and crops or fixtures on new real estate will serve as security
- to a new farm which is to serve as security
- FSA chattel security to a new County Office location.

The receiving County Office must obtain a new UCC1 and FSA-2028 as soon as possible, but no later than 30 calendar days after the borrower's move.

If the borrower does not execute the new instruments, the County Office shall refer the case to SED with recommendations for appropriate action. Normally, the receiving County Office will notify the borrower according to 5-FLP, subparagraph 66 A * * * and proceed to liquidation with the assistance of the transferring County Office. For interstate moves, the receiving County Office must execute and file a new UCC1 with the following text:

“The above collateral was brought into ____ from ____ County, State of ____, subject to a security interest of the Secured Party.”

The receiving County Office should see the applicable State supplement for instructions and guidance on lien searches.

292-300 (Reserved)

***--Part 13 Servicing Borrowers With Both FSA and RD Loans**

301 General Servicing Procedures

A Payoff Requests

If a borrower with both FSA and RD loans requests payoff information from FSA, the agency official shall:

- provide the payoff information according to paragraph 65
- remind borrower of the RD loans
- provide information on how to request payoff information from RD.

B Graduation and Classification

For graduation requirements see Part 4. For classification requirements see 1-FLP, Part 8, Section 4.

Note: Copies of financial statements, cash flows, and other related documents may be shared by FSA and RD.--*

--301 General Servicing Procedures (Continued)*C Partial Release, Subordination, and Consent**

A request for partial release, subordination, and consent (for FSA this is FSA-2060) for security instruments that describe both the FSA and RD loan must be approved by both agencies. The agency receiving the request shall take the lead in processing the request.

Note: Borrowers may submit 1 request only.

The agency receiving the request will obtain any appraisals needed. Appraisal for farm tracts must meet the requirements of 1-FLP, Part 6, and appraisals for nonfarm tracts must meet RD requirements. Authority to execute these actions will be based on the established policies and procedures of each agency. FSA's policies and procedures are set forth under 1-FLP, Parts 6 and 7.

Response to the borrower's request will be issued by the agency that received the request.

If both agencies cannot approve the borrowers' request, the request will be denied and appeal rights provided. The denial will be issued by the lead agency. If only 1 agency cannot approve the borrowers' request, that agency will send the denial letter and provide appeal rights according to the agency's established procedures.

Note: Adverse decision letters issued by FSA must comply with 1-APP.--*

--301 General Servicing Procedures (Continued)*D Releasing Joint Security Instruments**

FSA and RD State Office approval is required to release security instruments that describe both an FSA and RD loan. If all the security cannot be released because of outstanding obligations by the other agency, then do the following.

Step	Action	
1	IF...	THEN...
	FSA's debt is paid in full or satisfied first	FSA will send the original joint security instruments to RD with a letter indicating satisfaction of FSA debt.
	RD's debt is paid in full or satisfied first	RD will send FSA a letter indicating satisfaction of RD debt.
2	Return the promissory notes according to applicable agency procedures. FSA may return promissory notes to the borrower according to subparagraph 65 F.	
3	Attach a copy of the releasing agency's letter, if applicable, to the original security instruments.	
4	The remaining agency will release the security instruments when appropriate. After all debt against the security instrument has been paid in full or satisfied, FSA may release the security instrument according to subparagraph 65 F.	

E Determining Lien Position When Both FSA and RD Loans Were Made at the Same Time

The lien position is shared by both FSA and RD when the FSA FLP and RD loans were made at the same time, or the security was taken at the same time, and included on the same mortgage or deed of trust. The amount of the lien is proportionate to the total amount of debt owed on these loans. See 5-FLP, Exhibit 79 for calculating the proportionate share of security value for sales by borrower or losses covered by insurance.--*

***--301 General Servicing Procedures (Continued)**

F Losses Covered by Insurance

If insurance proceeds will be used to repair or replace joint security property, the agencies must decide which agency will oversee and approve the repairs and replacements and make all required inspections. Normally, the agency holding the greatest proportion of security value will be responsible for seeing that any repairs or replacements are completed. However, these duties may be shared by both agencies to the extent that FSA may handle all farm property and RD may handle all single family housing property. Copies of development plans and inspections shall be shared with the other agency. If FSA is responsible for supervision of repairs, see 1-FLP, Part 5.

Insurance proceeds to be applied against the debt will be applied based on lien priority according to subparagraph 301 E. Both agencies must approve any release of insurance proceeds of joint security property.

G Labor Housing Loans

If the security is the same for both FSA and/or Labor Housing loan, servicing will be handled according to this paragraph.--*

Farm

Farm is a tract or tracts of land, improvements, and other appurtenances that are used or will be used in the production of crops, livestock, or aquaculture products for sale in sufficient quantities so that the property is recognized as a farm rather than a rural residence. The term “farm” also includes the term “ranch.” It may also include land and improvements and facilities used in a non-eligible enterprise or the residence which, although physically separate from the farm acreage, is ordinarily treated as part of the farm in the local community.

The Agency considers a borrower to act in good faith, however, if the borrower’s inability to adhere to all agreements is due to circumstances beyond the borrower’s control. In addition, the Agency will consider fraud, waste, or conversion actions, when substantiated by a legal opinion from OGC, when determining if an applicant or borrower has acted in good faith.

Definitions of Terms Used in This Handbook (7 CFR 761.2(b)) (Continued)**Graduation**

Hazard insurance is insurance covering fire, windstorm, lightning, hail, explosion, riot, civil commotion, aircraft, vehicles, smoke, builder's risk, public liability, property damage, flood or mudslide, workers compensation, or any similar insurance that is available and needed to protect the Agency security or that is required by law.

Initial Loan

Initial loan is the first loan of its type processed by FSA. A borrower having one OL and one FO has 2 initial loans, because they are different loan types.

Joint Operation

Joint operation is an operation run by individuals who have agreed to operate a farm or farms together as an entity, sharing equally or unequally land, labor, equipment, expenses, or income, or some combination of these items. The real and personal property is owned separately or jointly by the individuals.

Definitions of Terms Used in This Handbook (7 CFR 761.2(b)) (Continued)**Liquidation**

Liquidation is the act of selling security for recovery of amounts owed to the Agency or lender.

Liquidation occurs when no further assistance will be given and includes instituting civil suit against a borrower to recover security or Economic Opportunity property or against third parties to recover security or its value or to recover amounts owed to FSA; filing claims in bankruptcy or similar proceedings or in probate or administrative proceedings.

Loan Costs

Loan costs are administrative costs and/or protective advances that have been charged back to a borrower's account according to the promissory note, other security instrument, or FSA regulation.

Note: Most loan costs are tied to specific loans; however, PLAS will only "Add on" this cost if the loan fund code is that of farm ownership or soil and water. If the loan fund code is for operating, emergency, or other loan types, the cost item is established under a separate loan number with the same fund code as the original loan. This loan numbering system generally starts with loan 99 and works backwards (98, 97, 96) with each loan cost paid. The interest rate of the loan cost will be the same as the original loan; however, the loan account is immediately due and payable and will reflect a final year of the loan the same as the year the cost was paid.

Loan Agreement

Loan Agreement is a contract between the borrower and the lender that contains certain lender and borrower agreements, conditions, limitations, and responsibilities for credit extension and acceptance.

Loan Servicing Programs

--Loan servicing programs include any primary loan servicing program, conservation-- contract, current market value buyout, and homestead protection.

Market Value

Market value is the amount that an informed and willing buyer would pay an informed and willing, but not forced, seller in a completely voluntary sale.

Mortgage

Mortgage is a legal instrument giving the lender a security interest or lien on real or personal property of any kind. The term "mortgage" also includes the terms "deed of trust" and "security agreement."

Definitions of Terms Used in This Handbook (7 CFR 761.2(b)) (Continued)

* * *

Net Recovery Value of Agency Security

Net recovery value of Agency security is the market value of the security property, assuming that the lender in the case of a guaranteed loan, or the Agency in the case of a direct loan, will acquire the property and sell it for its highest and best use, less the lender's or the Agency's costs of property acquisition, retention, maintenance, and liquidation.

Net Recovery Value of Non-Essential Assets

Net recovery value of non-essential assets is the appraised market value of the non-essential assets less any prior liens and any selling costs that may include such items as taxes due, commissions, and advertising costs. However, no deduction is made for maintenance of the property while in inventory.

Non-Capitalized Interest

Non-capitalized interest is accrued interest on a loan that was not reclassified as principal at the time of restructuring. Between October 10, 1988, and November 27, 1990, the Agency did not capitalize interest that was less than 90 days past due when restructuring a direct loan.

***--Non-Essential Assets**

Non-essential assets are assets in which the borrower has an ownership interest, that:

(1) Do not contribute to either of the following:

- (i) Income to pay essential family living expenses, or
- (ii) The farming operation; and

(2) Are not exempt from judgment creditors or in a bankruptcy action.--*

Nonmonetary Default

A borrower is in nonmonetary default when the borrower has broken the loan agreement for a reason other than being delinquent.

Nonprogram Loan

Non-program loan is a loan on terms more stringent than terms for a program loan that is an extension of credit for the convenience of the Agency, because the applicant does not qualify for program assistance or the property to be financed is not suited for program purposes. Such loans are made or continued only when it is in the best interest of the Agency.

Definitions of Terms Used in This Handbook (7 CFR 761.2(b)) (Continued)

Normal Income Security

Normal income security is all security not considered basic security, including crops, livestock, poultry products, other property covered by Agency liens that is sold in conjunction with the operation of a farm or other business, and FSA Farm Program payments.

Normal income security does not include any equipment (including fixtures in States that have adopted UCC) or foundation herd or flock that is the basis of the farming operation and is the basic security for an FSA loan.

Note

A note is written evidence of indebtedness, such as a bond or FSA-2026.

Operator

Operator is the individual or entity that provides the labor, management, and capital to operate the farm. The operator can be either an owner-operator or tenant-operator. Under applicable State law, an entity may have to receive authorization from the State in which the farm is located to be the owner and/or operator of the farm. Operating-only entities may be considered owner-operators when the individuals who own the farm real estate own at least 50 percent of the family farm operation.

Note: Operators include borrowers who obtained individual loans and later formed an operating entity with a relative. If the member with the individual loan owns at least 50 percent of *--the operating entity, the individual meets the definition of operator for loan servicing purposes.--*

Example: An individual obtains an FO and later forms an operating-only entity with a relative and obtains an OL for the same operation. The individual then needs servicing for the individual FO. In these cases, if the individual owns at least 50 percent of the operating entity, the definition of operation is met.

Borrowers who obtained individual loans and later formed an operating-only entity with a non-relative must have the entity assume the debt to be eligible for loan servicing, as provided in 4-FLP, subparagraph 248 C. However, transfer of the collateral to the entity is not required.

In either of these circumstances the operating entity must have their own unique tax ID number.

Definitions of Terms Used in This Handbook (7 CFR 761.2(b)) (Continued)**Partnership**

Partnership is any entity consisting of two or more individuals who have agreed to operate a farm as one business unit. The entity must be recognized as a partnership by the laws of the State in which the partnership will operate a farm. It also must be authorized to own both real and personal property and to incur debt in its own name.

Primary Loan Servicing Programs

Primary loan servicing programs include:

- loan consolidation and rescheduling, or reamortization;
- interest rate reduction, including use of the limited resource rate program;
- deferral;
- write-down of the principal or accumulated interest; or
- any combination of the above.

Prior Lien * * *

A **prior lien** is a lien that is recorded in front of, or is otherwise superior to, an FSA lien on the same security. The individual or entity that has filed this lien is the prior lienholder.

Prospectus

Prospectus consists of a transmittal letter, a current balance sheet, and projected year's budget which is sent to commercial lenders to determine their interest in financing or refinancing specific FSA direct loan applicants and borrowers.

Protective Advance

A **protective advance** is an advance made by the Agency or a lender to protect or preserve the collateral itself from loss or deterioration. A protective advance may be used for purposes, including but not limited to the following:

- delinquent taxes
- annual assessments
- ground rents
- hazard or flood insurance premiums against or affecting the collateral
- harvesting costs
- other expenses needed for emergency measures to protect the collateral.

Definitions of Terms Used in This Handbook (7 CFR 761.2(b)) (Continued)

***--Relative**

Relative is the spouse and anyone having one of the following relationships to an applicant or borrower: parent, son, daughter, sibling, stepparent, stepson, stepdaughter, stepbrother, stepsister, half brother, half sister, uncle, aunt, nephew, niece, cousin, grandparent, grandson, granddaughter, or the spouses of the foregoing.--*

Security

Security is property or right of any kind that is subject to a real or personal property lien. Any reference to “collateral” or “security property” will be considered a reference to the term “security.”

Security Instrument

Security instrument includes any document given the Agency a security interest on real or personal property.

Shared Appreciation Agreement

Shared Appreciation Agreement is an agreement between the Agency, or a lender in the case of a guaranteed loan, and a borrower on the appropriate Agency form that requires the borrower who has received a writedown on a direct or guaranteed loan to repay the Agency or the lender some or all of the writedown received, based on a percentage of any increase in the value of the real estate securing an SAA at a future date.

Subordination

Subordination is a creditor’s temporary relinquishment of all or a portion of its lien priority to another party providing the other party with a priority lien on the collateral.

Subsequent Loan

A **subsequent loan** is any FLP loan processed by the Agency after an initial loan of the same type has been made to the same borrower.

Transfer and Assumption

Transfer and assumption is the conveyance by a debtor to an assuming party of the assets, collateral, and liabilities of a loan in return for the assuming party’s binding promise to pay the debt outstanding or the market value of the collateral.

Definitions of Terms Used in This Handbook (7 CFR 761.2(b)) (Continued)**Trust**

Trust is an entity that under applicable state law meets the criteria of being a trust of any kind but does not meet the criteria of being a farm cooperative, private domestic corporation, partnership, or joint operation.

Unauthorized Disposition Of Chattel Security

Unauthorized disposition of chattel security is the sale of chattel security not authorized by FSA before the sale.

VRU

VRU is a secure automated system that requires a PIN number, and guides borrowers in obtaining the status of their loans at any time. If further loan information is needed, such as a payoff amount, borrowers are directed to call the FSA office.

REQUEST FOR GRADUATION INFORMATION

Dear:

At the time you obtained your loan from the Farm Service Agency (FSA), you were unable to get the credit you needed from conventional lenders. The objective of the FSA credit program is to provide you with temporary credit assistance. Once you become financially able to obtain credit from conventional lenders, you are required to obtain the credit you need to refinance and pay off your FSA loan (also called “Graduation”).

Agency regulations require that we complete a review of your financial status and the progress you are making. In order to complete an accurate review, we ask you to provide the following information to our office:

- 1) Actual financial performance for the past year (a copy of your last year’s tax return or last year’s income and expense records is acceptable);
- 2) Current balance sheet; and
- 3) Projected income/expense for next year (a copy of your current year’s is also acceptable).

Enclosed are forms you can use to provide us with the requested information, or you can provide us with copies of the actual records as indicated above. This information or other information in your case file may be provided to lenders to determine if they can refinance your Farm Loan Programs debt. (Please provide this information to our office by:)

(1st mailing) [insert date 30 days from letter].

(2nd mailing) [insert date 15 days from letter].

Failure to submit any required documents is a violation of your loan agreement and FSA can accelerate your account. It is important that you are not in violation of your loan agreement since this can impact any future request for Farm Loan Programs assistance. Graduation is mandated by law.

If you have any questions, or need help putting this information together, let us know and we will help.

Sincerely,

SERVICE MEMBERS CIVIL RELIEF

Dear:

It has come to the attention of FSA that you may have entered active military duty, or may be entering active military duty in the near future.

If so, there are certain benefits you may be able to receive pursuant to the Servicemembers Civil Relief Act of 2003. These benefits may include a reduced interest rate if your current rate is above 6%; and if your account is delinquent, suspension/termination of collection through the Treasury Offset Program and cross-servicing program.

Please provide a copy of your military orders so FSA may provide all applicable benefits to you as quickly as possible.

If you are currently on active military duty and there is a pending FSA foreclosure sale scheduled for the property pledged as collateral for your FSA farm loans, please respond to this letter immediately via phone, or e-mail, or letter, so that the sale can be suspended.

If FSA does not receive a copy of your military orders to verify active duty status within 30 days of this letter, FSA will have no choice but to continue to service your account as if you are not on active military duty and FSA will not be able to provide any Servicemembers Civil Relief benefits until the required documentation is received.

If you have a military power of attorney already prepared and executed pursuant to 10 U.S.C. 100b, and would like FSA to work with that person, please provide a copy of that document. Please note that FSA is unable to prepare or help you prepare a power of attorney. We would encourage you to work with your attorney, military recruiter, or military chain of command for assistance with a power of attorney.

In addition, if you are on active duty during a time period that is declared by the President or Congress to be a war or national emergency, there are additional benefits you may be able to receive pursuant to the Ronald W. Reagan National Defense Authorization Act for Fiscal Year (FY) 2005. You will receive separate notification concerning these benefits if they apply to you.

Please do not hesitate to contact this office if any further information is required.

BORROWERS ENTERING ACTIVE DUTY

Dear:

As per the Act, while you are on active duty, interest will not accrue and annual payments will not be required (will be suspended) on your existing Farm Service Agency (FSA) Farm Loan Program (FLP) loans while the United States is at war or during a national emergency as declared by the President or Congress. The beginning date of the suspension and non-accrual status is _____. The suspension and non-accrual status will end on the earlier of when your active duty ends or the war or national emergency is concluded.

FSA is committed to providing service to assist our borrowers who are impacted by military deployment. Please continue to keep this office apprised of your current duty status so your account can be updated in a timely manner once you are relieved from active duty (with a copy of your release orders) or the national emergency has ended.

Please do not hesitate to contact this office if any further information is required.

BORROWERS LEAVING ACTIVE DUTY

Dear:

On October 28, 2004, the President signed into law the Ronald W. Reagan National Defense Authorization Act for Fiscal Year 2005 (the Act). As per this Act, interest did not accrue and annual payments were suspended on your existing Farm Service Agency (FSA) Farm Loan Program (FLP) loans when the United States was at war or during a national emergency and you were on active duty. As we understand these conditions no longer exist, interest is now accruing on all your FLP loans. Your payments will be deferred for a period of time equal to the time of your active duty. This period of time has, therefore, been added to the term of your FLP loans impacted by the Act.

NOTE: Loans made after you went on active duty are not subject to the Act.

The beginning date of the suspension and non-accrual status was _____. The ending date of the suspension and non-accrual status was _____. The time period for your active duty was _____; therefore your post deployment deferral period ends _____.

Estimated daily interest accrual on loans with post deployment deferral are set forth below:

Loan Number	Principal Balance	Interest Rate	Daily Interest Accrual
-------------	-------------------	---------------	------------------------

Your total daily interest accrual is \$ _____. If annual payments are not made during the post deployment deferral period, your total estimated interest accrual will be \$ _____. Voluntary payments during the deferral period will reduce the overall amount of interest accrual because payments are applied to accrued interest first, then to principal.

Please do not hesitate to contact this office if any further information is required.
