

UNITED STATES DEPARTMENT OF AGRICULTURE

Farm Service Agency
Washington, DC 20250

Regular Direct Loan Servicing 4-FLP	Amendment 19
--	---------------------

Approved by: Deputy Administrator, Farm Loan Programs

Amendment Transmittal

A Reason for Amendment

Exhibit 2 has been amended for editorial reasons to correctly order the definitions.

Definitions of Terms Used in This Handbook (7 CFR 761.2(b)) (Continued)

Family Living Expenses

Family living expenses are the costs of providing for the needs of family members and those for whom the borrower has a financial obligation, such as alimony, child support, and care expenses of an elderly parent.

Family Members

Family members are the immediate members of the family residing in the same household with the borrower, or, in the case of an entity, with the operator.

Farm

Farm is a tract or tracts of land, improvements, and other appurtenances that are used or will be used in the production of crops, livestock, or aquaculture products for sale in sufficient quantities so that the property is recognized as a farm rather than a rural residence. The term “farm” also includes the term “ranch.” It may also include land and improvements and facilities used in a non-eligible enterprise or the residence which, although physically separate from the farm acreage, is ordinarily treated as part of the farm in the local community.

FLP’s

Farm Loan Programs are Agency programs to make, guarantee, and service loans to family farmers authorized under the Act or Agency regulations.

Foreclosed

Foreclosed is the completed act of selling security either under the power of sale in the security instrument or through judicial proceedings.

Good Faith

Good faith is when an applicant or borrower provides current, complete, and truthful information when applying for assistance and in all past dealings with the Agency, and adheres to all written agreements with the Agency including, but not limited to, loan agreement, security instruments, farm operating plans, and agreements for use of proceeds. The Agency considers a borrower to act in good faith, however, if the borrower’s inability to adhere to all agreements is due to circumstances beyond the borrower’s control. In addition, the Agency will consider fraud, waste, or conversion actions, when substantiated by a legal opinion from OGC, when determining if an applicant or borrower has acted in good faith.

Definitions of Terms Used in This Handbook (7 CFR 761.2(b)) (Continued)

Graduation

Graduation means the payment in full of all direct FLP loans, except for CLs, made for operating, real estate, or both purposes by refinancing with other credit sources either with or without an Agency guarantee.

Guaranteed Loan

Guaranteed loan is a loan made and serviced by a lender for which the Agency has entered into a Lender's Agreement and for which the Agency has issued a Loan Guarantee. This term also includes guaranteed lines of credit except where otherwise indicated.

Hazard Insurance

Hazard insurance is insurance covering fire, windstorm, lightning, hail, explosion, riot, civil commotion, aircraft, vehicles, smoke, builder's risk, public liability, property damage, flood or mudslide, workers compensation, or any similar insurance that is available and needed to protect the Agency security or that is required by law.

Initial Loan

Initial loan is the first loan of its type processed by FSA. A borrower having one OL and one FO has 2 initial loans, because they are different loan types.

Joint Operation

Joint operation is an operation run by individuals who have agreed to operate a farm or farms together as an entity, sharing equally or unequally land, labor, equipment, expenses, or income, or some combination of these items. The real and personal property is owned separately or jointly by the individuals.

Junior Lien

A **junior lien** is a lien that is subordinate to a prior lien on the same item of security.

Lien

Lien is a legally enforceable claim against real or chattel property of another obtained as security for the repayment of indebtedness or an encumbrance on property to enforce payment of an obligation.

Limited Resource Interest Rate

Limited resource interest rate is an interest rate normally below the Agency's regular interest rate, which is available to applicants unable to develop a feasible plan at regular rates and are requesting:

- (1) FO or OL loan assistance under part 764 of this title; or
- (2) Primary loan servicing on an FO, OL, or SW loan under part 766 of this title.
