May 2011

Dear Producer:

You are encouraged to nominate yourself or someone else to represent your interests on the Farm Service Agency County Committee. FSA county committees are a unique arrangement that allow local guidance for federal farm programs. These committees are a direct link between the farm community and the U.S. Department of Agriculture. Committee members are a critical component of ensuring FSA agricultural programs serve the needs of local producers. Committee members are compensated for their time and travel related to county committee duties.

The duties of county FSA committee members include:

- Participating in county meetings and hearing producer appeals at the local county level;
- Informing farmers of the purpose and provisions of FSA programs;
- Monitoring changes in farm programs and assisting with delivery of FSA farm programs at the local level;
- Performing other duties as assigned by the State FSA Committee.

This year, nominations are for a committee member to represent producers in Douglas County and Chelan County Local Administrative Areas (LAA). Please feel free to call the County Office for a more detailed description or a copy of the LAA maps.

LAA #3 is located in the area of Douglas County, south of State Highway 2 including Orondo, East Wenatchee, Rock Island and the Palisades.

LAA #1 is located in the eastern half of Chelan County. This includes Entiat, Chelan and Manson.

To hold office as a county committee member, a person must meet the basic eligibility requirements described below:

- Actively participate in the operation of a farm or ranch;
- Be eligible to vote in a county committee election. (Be of legal voting age and have an interest in a farm or ranch; not of legal voting age but supervises and conducts farming operations on an entire farm; participates in any FSA program);
- Reside in the LAA in which the person is a candidate.

The nomination form FSA-669A allows individuals to nominate themselves or any other person as a candidate. Each form submitted must be limited to one nominee and signed and dated by the nominee (Item 3A) to indicate a willingness to have their name placed on the ballot and agree to serve if elected. Item 8A reflects the nominator's signature and date. For detailed instructions on completing the nomination form or requesting a form, please contact your local county FSA office, or refer to the website <http://www.fsa.usda.gov/wa>.

The deadline for nominations is August 1, 2011. Completed nomination forms are to be submitted to the county FSA address listed at the top of this letter and should be returned, delivered, or postmarked no later than August 1, 2011.

Sincerely,
/s/ Michel Ruud

Notice to Hispanic or Women Farmers and Ranchers: Compensation for Claims Discrimination

If you believe that the United States Department of Agriculture (USDA) improperly denied farm loan benefits to you between 1981 and 2000 because you are Hispanic, or because you are female, you may be eligible to apply for compensation. You may be eligible if:

1. you sought a farm loan or farm loan servicing from USDA during that period; and
2. the loan was denied, provided late, approved for a lesser amount than requested, approved with restrictive conditions, or USDA failed to provide an appropriate loan service; and
3. you believe these actions occurred because you are Hispanic or female.

If you want to register your name to receive a claims package, you can call the Farmer and Rancher Call Center at 1-888-508-4429 or access the following website: www.farmerclaims.gov.

2011 ACRE/DCP Deadline

The deadline to enroll in both the Average Crop Revenue Election (ACRE) and the Direct and Counter-cyclical Programs (DCP) is **June 1, 2011**.

Acres Reporting Deadline

Acres reports are required under the 2008 Farm Bill to maintain eligibility for the DCP and ACRE programs, as well as CRP, NAP, SURE and most livestock disaster programs. Reports are also required for commodity loan eligibility. **June 30, 2011**, is the final date to timely certify. Beyond that date, fees will be assessed for late-filed acres reporting.

ACRE Production Deadline

Producers have until **July 15, 2011** to certify their 2010 ACRE production. Production amounts are used to calculate potential ACRE-ACRE payments and benchmark yields for future benefits. Failure to meet this deadline will require a refund of all 2010 payments and termination of the ACRE

contract.

2009 SURE Sign up Deadline

The deadline for producers to submit applications for 2009 crop year Supplemental Revenue Assistance Payments Program (SURE) is **July 29, 2011**. The application and all required documentation must be on file and signed by close of business on that day.

A fact sheet with more detailed information is available on the FSA website. Maps of disaster designations by county are on the FSA website at www.fsa.usda.gov/wa. For more information, contact our office.

Farm Changes and Reconstitutions

Any changes in your farm's physical makeup, such as adding or removing land, can impact your acreage base. Farm reconstitutions must be requested by **August 1** to be effective for the 2011 program year. Your farm must comply with program requirements as the operation is currently structured, including required signatures and acreage reporting. Requesting a farm reconstitution after signup could delay your payment, require refunds, or require the process to be completed again.

Emergency Conservation Program

Producers in the northern portion of Douglas County who suffered damage to livestock fencing due to fire last year, may be eligible for ECP benefits. Funding is expected in the near future. Please contact the office if you are interested in signing up for cost share.

BUDGET CUTS: Due to budget cuts, this may be the last county newsletter for the fiscal year, ending September 30, 2011. County offices may also not have the funds necessary to print field maps. Producers are encouraged to contact this office for program deadlines and other information.
