Acresage Reporting

Acresage reporting time is here. Filing an accurate acresage report for all crops and land uses, including failed acresage and prevented planting acresage, can prevent the loss of benefits for a variety of programs.

Failed acresage must be reported within 15 days of the disaster event and before disposition of the crop. Prevented planting must be reported no later than 15 days after the final planting date.

Acresage reports are required for many Farm Service Agency programs. For crops other than NAP (Noninsured Crop Disaster Assistance Program) crops, acresage reports are to be certified by **July 1, 2009**.

The ACRE Program

Signup for the 2009 Direct and Counter-cyclical Payment (DCP) Program has been extended until August 14, 2009. FSA will not accept any late-filed applications. Signup in the ACRE option is also available through August 14, 2009.

FSA computes DCP Program payments using base acres and payment yields established for each farm. Eligible producers receive direct payments at rates established by statute regardless of market prices. For 2009, you may request to receive advance direct payments based on 22 percent of the direct payment for each commodity associated with the farm. Counter-cyclical payment rates vary depending on market prices and are issued only when prices fall below a threshold level.

The electronic DCP (or eDCP) service will save you time, reduce paperwork and speed up contract processing at FSA offices. It is available to anyone eligible to participate in the DCP Program. To access this on-line service, you must have an active USDA eAuthentication Level 2 account, which requires filling out an online registration form at <http://www.eauth.egov.usda.gov> followed by a visit to the local USDA Service Center for identity verification.

NAP Production Reporting

Production records for individual crops need to be filed with our office to establish an approved NAP yield. If this is the first year you participated in NAP, you can provide production and acresage information from prior years to establish your yield. If you participated in NAP in previous years, you must report your production and acresage on a yearly basis to keep your yield up-to-date. Records submitted must be reliable or verifiable. Records need to show crop disposition. We recommend producers submit 2009 production records as soon as harvest is complete. **All production records must be submitted by the subsequent crop year's final acresage reporting date.**

Timely Filing of Loss

The CCC-576, Notice of Loss, is used to report failed acresage and prevented planting and may be completed by any producer with an interest in the crop. Timely filing a Notice of Loss is required for **ALL CROPS INCLUDING GRASSES**. For losses on crops covered by the Non-insured Crop Disaster Assistance Program (NAP) and crop insurance, you must file a CCC-576 (notice of loss) in the FSA County Office within 15 days of the occurrence of the disaster or when losses become apparent.

If filing for prevented planting, an acresage report and CCC-576 must be filed within 15 calendar days of the final planting date for the crop.

County Committee Election "FSA Counts on You"

Since COC elections happen only once a year, here is an election refresher. For election purposes, counties are divided into *local administrative areas*, or LAAs. Each LAA selects one producer to serve a three-year term on the Farm Service Agency county committee.

Each year, an election is held in an LAA to replace the committee member whose three-year term is expiring. Charles Murray is the incumbent, finishing up his first three year term. Nominations for this year's election may include anyone owing and/or operating within the Wind River Indian Reservation boundaries.

NOMINATION FORM FOR COUNTY FSA COMMITTEE ELECTION

The County FSA Committee election will be held on the first Monday of December. Ballots will be mailed to voters not less than 4 weeks before the election.

This form allows individuals to nominate themselves or any other person as a candidate. If additional forms are needed, this one may be copied or may be obtained at the County FSA Office or obtained electronically at <http://forms.sc.egov.usda.gov>. Each form submitted must be:

A. Limited to one nominee.

B. Signed and dated by the nominee in Item 4. Nominee must sign if willing to have his/her name placed on the ballot and agrees to serve if elected.

Note: Name shown on ballot will appear exactly the same as in Agency records.

C. Delivered to the County FSA Office or postmarked no later than August 3.

The County FSA Committee is responsible for reviewing each form to determine the eligibility of nominees. A person who files this form and is found ineligible will be so notified and have an opportunity to file a challenge.

Persons nominated should actively participate in the operation of a farm or ranch and be well qualified for committee work. A producer is eligible to be a County FSA committee member if the producer resides in the Local Administrative Area (LAA) in which the election is to be held and is eligible to vote.

Federal regulations may prohibit County FSA Committee members from holding certain positions in some farm, commodity, and political organizations if such positions pose a conflict of interest with FSA duties. The positions include functional offices such as president, vice president, secretary, or treasurer; and positions on boards or executive committees. Conflict of interest restrictions also apply to employees, operators, managers, and majority owners of tobacco warehouses. Questions concerning eligibility should be directed to the County FSA Office.

A candidate has the option to request that all voted ballots for an individual county committee election be returned to the respective State Office in lieu of being returned to the county office. This request must be in writing and submitted to the local County Executive Director prior to the announced end of the nomination period.

The duties of County FSA Committee members include:

- A. Administering farm program activities conducted by the County FSA Office.
- B. Informing farmers of the purpose and provisions of the FSA programs.
- C. Keeping the State FSA Committee informed of LAA conditions.
- D. Monitoring changes in farm programs.
- E. Participating in county meetings as necessary.
- F. Performing other duties as assigned by the State FSA Committee
