B   Responsibilities

COC’s are responsible for timely making payment limitation and payment eligibility determinations for producers of farming operations that are consistent with the rules provided in this handbook and 7 CFR Part 1400. See Part 6 for determination requirements.

The recording county COC is responsible for making determinations and hearing appeals for a multi-county producer.
C Notification

Program participants selected for review must be notified in writing of the following:

- nature and reason for the review
- suggested sources and types of information most descriptive and illustrative
- established deadline to provide the information to the reviewing authority
- identity of the reviewing authority
- mailing address of the reviewing authority
- consequences of the failure to timely provide the requesting information.

D Failure to Provide Information

Failure to provide correct and accurate information, in the time prescribed in the notification letter, to establish compliance with the average AGI provisions will result in any or all of the following:

- ineligibility for all program payments and benefits subject to the average AGI requirements for the applicable years
- required refund of these program payments and program benefits
- possible prosecution under civil or criminal statutes
- record the SED determination as “Not Compliant-Review” in subsidiary, according to 3-PL (Rev. 2)

E Written Notice of Ineligibility

If requested information is not timely provided to the reviewing authority:

- notify the program participant of their ineligibility for payments and benefits from the applicable programs

  **Note:** See example notification letters in paragraph 488.

- include appeal rights according to 1-APP.
A Selecting Cases

Compliance reviews for producers submitting CPA or attorney certification statement to satisfy average AGI provisions may be:

- initiated by COC through the STO specialist;
- initiated by STC representative; or
- selected on a nationwide basis by DAFP.

B Verifying Compliance

STO specialist with responsibility for Payment Eligibility must verify that CPA and attorney certification statements accurately reflect selected producer’s AGI as reported on income tax returns and supporting documentation or other equivalent documents.

Federal income tax returns must be compared to CPA and attorney certification statements unless the selected producer did not file Federal income tax returns during the applicable three-year period.

If income tax returns were not filed, other credible information for the qualification period may be used.

The STO specialist must safeguard the confidentiality of the information provided.

Note: Ensure that information provided by program participants to verify compliance with average AGI provisions is not released to others or in response to requests under FOIA.

473.6 CSCRT System

A CSCRT Definition and Design

CSCRT System means a web-based system:

- in which National and State users can record all findings, recommendations, and conclusions from CSCR reviews completed on selected farming operations for 2019 and subsequent years
- that provides reporting and summarization capabilities for CSCR reviews and related information recorded for the farming operations reviewed.

CSCRT System was designed for the following:

- recording and tracking, by participant/farming operation and program year, all CSCR review findings, results, and determinations
- as a data source for status reports on the completion and results of CSCR’s.

B Responsibilities

DAFP and STC or COC selections and compliance review results will be tracked in the Certification Statement Compliance Review Tracking (CSCRT) System on the Payment Limitation EYR SharePoint at https://usdagcc.sharepoint.com/sites/fsa-dafp-disaster/PL_EYR/SitePages/Home.aspx.

The National Program Manager is responsible for entering the DAFP selections.

State Office Specialists with payment eligibility responsibility must enter COC and STC selections in the CSCRT System.

C Submission Date

The National Program Manager must annually establish the date by which reviews must be completed and results of the review loaded in the CSCRT System. This date will be announced in correspondence to each State Office when the DAFP selections are announced.
A Commensurate Payment Reductions

[7 CFR 1400.503] Any payment and benefit earned by a legal entity or joint operation must be reduced by an amount that is commensurate with the direct and indirect interest of any member or shareholder who either:

- is determined to have an average AGI in excess of the limitations
- fails to timely submit a certification statement.

Ownership interest in a legal entity must be reviewed to the fourth level, if applicable, to determine applicable commensurate share reductions.

Note: If the fourth level ownership interest is not held by a person, that share is not eligible for payment or benefits.

B Applying Commensurate Payment Reductions

Commensurate payment and benefit reductions apply to:

- the crop year, program year, or FY
- all program payments and benefits to which average AGI applies.
Average AGI Amounts at or Below Threshold Levels

A Average AGI Within Limitations

A report will list participants with an indicator that the average AGI amount is within the limitation for all programs.

No further actions will be required of:

- participants identified for the applicable crop, program, and FY
- County Offices in regard to eligibility files of identified participants for the applicable crop year, program year, and FY.

FSA Review and Compliance Determinations

A Review of Questionable Average AGI Certifications Identified Through Using IRS Data

The reviewing authority will:

- not be the local FSA office staff or COC
- be SED
- review tax data or other information supplied by the person or legal entity
- if necessary, calculate the average AGI values based on supplied information
- confer with the person or legal entity if questions arise in this process
- determine AGI compliance for the person or legal entity
- provide results and conclusions of the review.

Note: SED’s are delegated authority to act on initial AGI review determinations referenced in subparagraph B, after performing the review actions specified in this subparagraph.

B Determination of Person’s or Legal Entity’s Compliance With Average AGI

SED’s will:

- issue written notice of determination, adverse or otherwise, to the person or legal entity
- include right to SED reconsideration, mediation, and appeal rights to NAD according to 1-APP
- send a copy of determinations involving NRCS participants to the State Conservationist
- follow paragraph 488 for an example notification letter for AGI compliance.
C AGI Compliance Review File for State Office Only

An AGI Compliance Review File created for each person or legal entity and program year reviewed should contain the following after completing the review:

- all documentation (CPA or attorney statement, or tax information) received from the person or legal entity
- copy of the original AGI certification (CCC-941 or CPA or attorney certification)
- copy of the Average AGI Calculation Worksheet (Required only for Tax Return submissions) (subparagraph 486 E)
- copy of the written notice of determination or completion of the review sent to the person or legal entity.

**Note:** AGI Compliance Review Checklists (CCC-770 CPA and CCC-770 TAX) are required for the first five AGI compliance reviews, beginning October 1st of the current FY. SED’s may require additional reviews at the SED’s discretion. See Exhibit 24.

*--*A CPA or attorney average AGI certification statement compliance review file created for each person or legal entity and program year reviewed according to paragraph 473.5 should contain the following after completing the review:

- all documentation (CPA or attorney statement, tax information, other credible documentation) received from the person or legal entity
- copy of the original AGI certification (CCC-941 and CPA or attorney certification)
- AGI Compliance Review Checklist (CCC-770 CSCR) completed and signed by the State Office specialist

**Note:** AGI Compliance Review Checklists (CCC-770 CSCR) are required for ALL CPA or attorney average AGI certification statement compliance reviews in addition to the first five AGI compliance review CCC-770 requirements in this subparagraph. See Exhibit 24.

- copy of the written notice of determination or completion of the review sent to the person or legal entity.--*
B Producer Requests for Reconsideration

Producers may timely request reconsideration of the SED decision or appeal the SED’s decision to NAD. In a request for reconsideration, the appellant must provide complete tax returns or an acceptable CPA/Attorney statement to reestablish eligibility with the average AGI provisions.

Note: A producer’s failure to timely request reconsideration or appeal will result in the initial determination becoming final. The State Office Specialists must:

- set the State Office/SED Determination to “Not Compliant-Review” in Subsidiary (3-PL (Rev. 2)) to indicate the compliance review process has been completed
- notify the recording county of the results of the compliance review.

C Reviewing Documentation Provided Under Appeal

A review of average AGI compliance requires the following actions:

- collecting the copy of average AGI certification (CCC-941, or acceptable statement from CPA or attorney) submitted by the person or legal entity for the applicable year
- reviewing the complete tax returns for each of the 3-year qualification period; or acceptable financial documents if filing tax returns is not required; or an acceptable statement from CPA or attorney with all required items that illustrate and document income levels and average AGI compliance for the person or legal entity for the applicable year
- comparing both sets of information to the rules and regulations governing average AGI for payment eligibility for the applicable year subject to review
- verify the following:
  - subsidiary flags are accurately set to reflect the certification of record
  - there is a valid CCC-941 on file supporting record certification.

D Results and Findings

The results and findings of the review and evaluation are the basis to determine whether person or legal entity meets or exceeds the average AGI limitation.

Notify the producer of the appeal determination and afford applicable appeal rights.

Completing form CCC-941, Average Adjusted Gross Income (AGI) Certification and Consent to Disclosure of Tax Information, allows the IRS to average your AGI for the three applicable tax years to provide FSA information on whether your average appears to meet or exceed the AGI limitation amount. Individuals, legal entities, and all members of legal entities must complete form CCC-941.

As of the date of this letter, the records indicate that you have not submitted the required form CCC-941. Accordingly, you are determined ineligible for [insert applicable program year] farm and/or conservation program benefits. A refund is required of [insert applicable program year] farm and/or conservation program payment benefits received. You and/or any legal entity you may have indirect payment interest in will be notified by separate letters from the administrative Agencies of FSA and NRCS, as appropriate, of refund amounts required.

If you believe that FSA has not properly determined the facts of this case regarding your AGI ineligibility, you may appeal this determination to the FSA County Committee by filing a written request no later than 30 calendar days after you receive this notice in accordance with the FSA appeal procedures found at 7 CFR Part 780. If you choose, your appeal can include submission of a completed CCC-941. If you appeal to the FSA County Committee, you have the right to an informal hearing which you or your representative may attend either personally or by telephone. If you appeal this determination to the FSA County Committee, you may later appeal an adverse determination of the FSA County Committee to the FSA State Committee or the National Appeals Division. To appeal, write to the FSA County Committee at the following address and explain why you believe this determination is erroneous.

(Insert COC address.)

If you do not timely file an appeal of this determination, this must be the final administrative determination with respect to this matter in accordance with regulations at 7 CFR Part 780.

Sincerely,

County Executive Director
FSA County Office

 разв **H** Example Notification for CPA or Attorney Average AGI Certification Statement

Review Selection

The following is an example for the notification of a participant selected for a review of the submitted CPA or Attorney certification statement for average AGI compliance.

[Date]

[Address

Block]

Dear [Name of Participant]:

The Agricultural Act of 2014 (2014 Farm Bill) and Agriculture Improvement Act of 2018 (2018 Farm Bill) provides an average adjusted gross income (AGI) limitation for participants who enroll in farm and conservation programs administered by the Farm Service Agency and the Natural Resources Conservation Service. This limitation applies to individuals, legal entities, as well as to members of legal entities, that receive farm and conservation program payments.

In response to a previously initiated adjusted gross income review, you submitted a signed statement from a CPA or attorney for the program year [insert program year] which provided verification that your average AGI did not exceed the applicable AGI limitation. This statement was accepted by FSA as evidence of meeting payment and/or program eligibility requirements. As such, the statement is subject to review by FSA.

You have been selected for a review of your AGI certification by the Deputy Administrator for Farm Programs (DAFP). To facilitate a review of the statement supplied, please submit copies of your complete tax returns for the [insert applicable tax years] tax years that you submitted to the United States Internal Revenue Service (IRS), within 30 calendar days from the date of this notification to the FSA State Executive Director (SED) at:

[State Office Address Block]

Documentation may also be emailed to: [Program Specialist Email Address]

Following a review of the tax returns, FSA will provide written notice of the results of the review.
If you discover that your applicable certification of average AGI and/or average Farm AGI may have been in error, you may submit a signed acknowledgement that your certification was in error.

Failure to provide the requested tax returns to support your previously submitted CPA or attorney certification statement within 30 calendar days from the date of this notification will result in the Agency determining the certification is not acceptable to support your AGI compliance. As a result, you will be determined ineligible for benefits subject to AGI compliance for the [insert program year] program year. A refund of program payments subject to the AGI limitation which you received directly or indirectly through another entity is required. A separate letter will be sent with the required refund amount and instructions for submitting the refunds. If you earned benefits indirectly through a legal entity or joint operation, the entity or joint operations will be notified of the amount of refund that is required.

If circumstances prevent you from providing documentation to support your eligibility for this review within the 30-day timeframe, please contact this office at [xxx-xxx-xxxx], or at the email above, to request an extension.

Sincerely,

[Name]
State Executive Director

Review-Additional Information Required

The following is an example for the notification of a participant selected for a review of the submitted CPA or Attorney certification statement for average AGI compliance when additional information is required following an initial review of supporting documentation.

[Date]

[Address]

Block]

Dear [Name of Participant]:

You were previously notified that you had been selected for a review of your CPA or attorney certification used to support your compliance with adjusted gross income (AGI) provisions for the [insert program year] program year. In response, FSA received documentation to support the validity of the previously submitted CPA or attorney certification. FSA appreciates this information.

After reviewing the information submitted, FSA has identified discrepancies between income information submitted on the CPA or attorney certification and the tax returns you submitted. [Insert explanation of the noted discrepancy or discrepancies.]

Due to the discrepancies noted above, FSA is requesting an explanation of the discrepancies or, if you determine necessary, a corrected CPA or attorney certification. Please submit this within 30 calendar days from the date of this notification to the FSA State Executive Director (SED) at:

[State Office Address Block]

Documentation may also be emailed to: [Program Specialist Email Address].

If a response is not received, FSA will utilize the joint income report on your tax returns to determine your AGI compliance. If the joint income averages over $900,000, you will be determined not compliant with adjusted gross income provisions for the year under review and ineligible for benefits subject to such compliance.

If circumstances prevent you from providing a response within the 30-day timeframe, please contact this office at [insert phone number] or through the email address provided above to request an extension.

Sincerely,

Example Notification for CPA or Attorney Average AGI Certification Statement  
Review-Ineligible for Failing to Respond

The following is an example for the notification of a participant selected for a review of the submitted CPA or Attorney certification statement for average AGI compliance when the participant failed to respond to a request for supporting documentation and is determined ineligible.

[date]

[address]

[Block]

Dear [Name of Participant]:

In response to a previously initiated adjusted gross income review, you submitted a signed statement from a CPA or attorney for the [insert program year] program year to support your compliance with the applicable AGI limitation. You were subsequently selected for a review of your average AGI certification by the Deputy Administrator for Farm Programs (DAFP) and asked to submit copies of your complete [insert applicable tax years] tax returns. This information was requested in for FSA to determine if the CPA or attorney certification previously provided represented your income consistent with the federal tax returns filed for the applicable tax year.

Regulations in 7 CFR, Part 1400.01 specify that adjusted gross income for a person is the adjusted gross income specified on the federal income tax return. Specifically for joint tax filers, Part 1400.01(a)(2) specifies that the AGI on jointly filed tax returns will be used to determine AGI compliance unless a certification is provided by a CPA or attorney specifying a person’s income as if they would have filed a separate tax return and that calculation is consistent with information from the jointly filed returns. Since FSA was not provided the tax returns previously requested, we are unable to conclude that the CPA or attorney certification used to support your AGI compliance is consistent with your federal tax returns and therefore determined it is not an acceptable certification to support your compliance as required under 7 CFR, Part 1400.502.

As a result, FSA has determined that you have failed to provide acceptable documentation to support your AGI compliance as required by the regulation noted above. Therefore, FSA has determined you are not compliant with the $900,000 adjusted gross income provisions for the [insert program year] program year and are ineligible for benefits subject to such AGI compliance.

A refund of program payments subject to the AGI limitation for which you received directly or indirectly through another entity is required. A separate letter will be sent with the required refund amount and instructions for submitting the refunds. If you earned benefits indirectly through a legal entity or joint operation, the entity or joint operations will be notified of the amount of refund required.

Example Notification for CPA or Attorney Average AGI Certification Statement
Review Completion

The following is an example for the notification of a participant selected for a review of the submitted CPA or Attorney certification statement for average AGI compliance when the review is complete, and the participant is determined to have met the requirements.

[Date]

[Address]

Block]

Dear [Name of Participant]:

You were previously notified that you had been selected for a review of your CPA or attorney certification used to support your compliance with adjusted gross income (AGI) provisions for the [insert program year] program year. In response, FSA received documentation from [you, CPA, Attorney] to support the validity of the previously submitted [CPA or Attorney] certification. FSA appreciates this information.

After reviewing the information submitted, FSA has concluded your [CPA, Attorney] statement meets the requirements to maintain your eligibility for program benefits previously received and potential benefits that may be forthcoming, for the [insert program year] program year.

This determination is based on the facts as submitted. Any unrevealed circumstances could require the application of a more restrictive rule.

Thank you for your cooperation. There is no further action on your part regarding this matter. If you have questions concerning this letter, please contact our office.

Sincerely,

Example Notification for CPA or Attorney Average AGI Certification Statement Review Completion, Ineligible

The following is an example for the notification of a participant selected for a review of the submitted CPA or Attorney certification statement for average AGI compliance when the review is complete, and the participant is determined not to have met the requirements.

[Date]

[Address]

[Block]

Dear [Name of Participant]:

In response to a previously initiated adjusted gross income review, you submitted a signed statement from a CPA or attorney for the [insert program year] program year to support your compliance with the applicable AGI limit. You were subsequently selected for a review of your average AGI certification by the Deputy Administrator for Farm Programs (DAFP) and submitted copies of your complete [insert applicable tax years] tax returns.

The documents you submitted have been reviewed and the following discrepancies were identified between the CPA or attorney certification and tax returns submitted:

- [list discrepancies]

Regulations in 7 CFR, Part 1400.01 specify that adjusted gross income for a person is the adjusted gross income specified on the federal income tax return. Specifically for joint tax filers, Part 1400.01(a)(2) specifies that the AGI on jointly filed tax returns will be used to determine AGI compliance unless a certification is provided by a CPA or attorney specifying a person’s income as if they would have filed a separate tax return and that calculation is consistent with information from the jointly filed returns. FSA has determined that the CPA or attorney certification provided to support your compliance is not consistent with the tax returns you have provided. As a result, FSA has used the joint income on your tax returns to calculate your average AGI. This average exceeds $900,000.

Therefore, FSA has determined you are not compliant with the $900,000 adjusted gross income provisions for the [insert program year] program year and are ineligible for benefits subject to such AGI compliance.

A refund of program payments subject to the AGI limitation for which you received directly or indirectly through another entity is required. A separate letter will be sent with the required refund amount and instructions for submitting the refunds. If you earned benefits indirectly through a legal entity or joint operation, the entity or joint operations will be notified of the amount of refund required.

A AGI Provisions based on Farm Income

Certain FSA programs make exceptions to the enforcement of the average AGI rule or allow for expanded payment limitation when a participant’s average AGI for the applicable period is at least 75% from farming.

The following exceptions apply based on the participant’s average AGI for the applicable period being 75% from farming.

<table>
<thead>
<tr>
<th>Program</th>
<th>Farm AGI Applicability</th>
<th>Form</th>
</tr>
</thead>
<tbody>
<tr>
<td>2017 WHIP</td>

</tr>
<tr>
<td>2018/2019 MFP</td>
<td>Exception to $900,000 Average AGI Rule</td>

</tr>
<tr>
<td>2018/2019/2020 WHIP+</td>

</tr>
<tr>
<td>ERP and ELRP</td>
<td>Exception to $125,000 Payment Limitation, Increased to $250,000</td>
<td>FSA-510</td>
</tr>
</tbody>
</table>

These exceptions are applicable only to the filer of the applicable form for which the exception is being sought.

**Example:** Corporation A, owned solely by Individual A, files an FSA-510 indicating 75% of its average AGI was from farming for expanded payment limitation for ERP. The corporation’s payment limitation for ERP is increased. However, the payment limitation for Individual A is not increased unless Individual A also files an FSA-510 indicating 75% of Individual A’s average AGI is from farming.

B Alternative $900,000 AGI Rule

Certain FSA programs provide that a participant may maintain AGI eligibility when their applicable average AGI exceeds $900,000 but their single year AGI for a specified year does not exceed $900,000.

PARP and SMHPP provide the exception that if a participant’s average AGI for program year 2020 (2016, 2017, and 2018 tax years) exceeds $900,000, the participant may remain eligible for benefits if their 2020 tax year AGI is less than $900,000. This certification is recorded on FSA-1123.--*
