NOTICE AMD-07-004
Approved January 9, 2007

REVIEW OF GSA SCHEDULE-ONLY COMPETITIONS

A BACKGROUND

OSDBU exempts from their review any GSA Schedule awards, whether made sole source or competitively among schedule holders. Since these awards make up a substantial portion of our awards, and have an impact on our socioeconomic goals, there needs to a division-specific review of anticipated actions to ensure that all efforts have been made to include small and disadvantaged businesses in the process.

B ACTION

Effective immediately, all proposed GSA Schedule set asides in excess of \$100,000 must be submitted to the Chief, POD, for review and concurrence before the solicitation is issued to the schedule holders.

C EXPIRATION DATE

This Notice will expire when the policy contained herein is included in the AMD Procurement Policy Handbook.
