**T.V. Rao Jude, Ph.D. 202-720-3774**

**Brad Hoppe 202-720-0956**

The Commodity Procurement Policy and Analysis Division (CPPAD) formulates national policies and procedures to administer the operations of the Commodity Credit Corporation related to the price support program for milk and the procurement of commodities under various legislative authorities specifically for donation to domestic and foreign food assistance programs. CPPAD is made up of two Branches:

- The **Export Programs Branch** formulates national policies and procedures and coordinates program operations to carry out the purchase and export of both bulk and processed commodities for use under foreign food aid programs.

**Contacts:**

Sandra Wood, Chief	202-720-3571
Richard Chavez	202-690-0194
Dave Lovo	202-690-4799
Carlos Valdivia	202-690-3818
Carol Van Alstine	202-690-2220

- The **Domestic Programs Branch** formulates national policies and procedures and coordinates program operations to carry out the purchase and delivery of processed commodities to domestic food distribution program outlets and formulates national policies and procedures to administer the price support program for milk through the purchase of dairy products at announced prices.
