

SALE OF CCC-OWNED SALTED BUTTER FOR UNRESTRICTED USE, INVITATION 1 TO  
ANNOUNCEMENT SDP1 - Amendment 1, 5/29/2009

Note: Landscape printer preference must be used to print Internet data.

The Commodity Credit Corporation (CCC) invites competitive offers, subject to the terms and conditions of Announcement SDP1 and this Invitation, to buy from CCC approximately 4,639,010 pounds of salted butter packaged in 25- Kg containers for unrestricted use. The CCC-owned butter herein offered for sale was acquired in January and February, 2009, under the Dairy Product Price Support Program and specifications of Announcement Dairy-6, and is stored at Van G Trucking, Inc. (Sanger Cold Storage), in Sanger, California (CCC warehouse code 3534).

Dairy-6 requires butter to be U.S. Grade A or higher, evidenced by a grading certificate issued by the Agriculture Marketing Service, and containerized with liners in 25-kg (55.115 lb.) blocks. To review other specifications, Dairy-6 may be accessed on the Internet at the following link:

[http://www.fsa.usda.gov/Internet/FSA\\_File/dairy6.pdf](http://www.fsa.usda.gov/Internet/FSA_File/dairy6.pdf)

CCC purchased the butter at a rate of \$1.05 per pound, which is the minimum purchase price authorized by the Food, Conservation, and Energy Act of 2008 (2008 Farm Bill).

Section 1501 (f) of the 2008 Farm Bill authorizes the sale of butter at the market prices prevailing at the time of sale, except that "the sale price may not be less than 110 percent of the minimum purchase price...". Accordingly, while competitive bids will be considered under this invitation, any bid at a rate less than \$1.1550 per pound will be deemed nonresponsive and will not be accepted.

The grade of the product delivered by CCC shall be evidenced by the most recent grading certificate issued by the Agricultural Marketing Service. A copy of the certificate will be furnished to the Contractor if requested in the offer. Products delivered will be conclusively presumed to be of the grade stated in such certificate. The contractor may, before payment and transfer of title, request reinspection of any of the product in accordance with grade information in section 7. of SDP1.

The butter will be sold and delivered in-store at the point(s) of storage, with loadout handling charges (pallet exchange basis) prepaid by CCC and will accrue to the benefit of the buyer (Contractor). Floor loadout handling may be extra cost and shall be for the account of the contractor.

Offers may be submitted on one or more Item No's.

Offers must be submitted per Item No. in its entirety. Each Item No. will be analyzed independently. No offer on an Item No. can be contingent upon the acceptance of another Item No.

Offerors are allowed to bid on all Item No's in this Invitation and restrict maximum quantity wanting to purchase. A minimum quantity restriction will be considered non-responsive. No Item No. will be split.

Announcement SDP1 and the offer form can be accessed on the internet at the following address:

[http://www.fsa.usda.gov/Internet/FSA\\_File/sdp1.pdf](http://www.fsa.usda.gov/Internet/FSA_File/sdp1.pdf)

All offers must be signed and submitted in an original and one copy of the offer form. A master copy of Offer Form KC-327-SDP dated 05/13/09 is provided in Announcement SDP1, Appendix 1. Your company will need to reproduce copies of the master offer form for this and future invitations. All information required by the offer must be supplied.

Do not submit bids that are more than four places past the decimal point.

Bid submitted by express mail must be sealed inside a second envelope. All envelopes must be plainly marked: **"DO NOT OPEN UNTIL PRESCRIBED TIME UNDER ANNOUNCEMENT SDP1 DAIRY INVITATION 1"**. If express service is utilized, this statement should be printed clearly on the outer envelope, not on the label.

Offers, modifications, or withdrawals must be addressed as shown in this invitation. Failure to address a bid or a bid modification to the **Commodity Management Division Bid Box** - or failure to properly identify the envelope as required may result in the bid or the bid modification, if applicable, to be considered nonresponsive by the Contracting Officer.
