- 2) Explanation of the reason for the certification statement (see enclosed example).
- 3) Acknowledgement of having read and understood, and agreement to, the terms and conditions of this enclosure (AGI Enclosure 1), including the following:

 - The representations the CPA/attorney makes in the certification statement may be relied on by the government to allow benefits to be retained or received and that a false certification can result in sanctions including criminal sanctions for those persons associated with the false representations.
 - Additional information may be requested by USDA, a review may be conducted by USDA, and further inquiry may be made to IRS to assure that all information filed with USDA by all parties is true, correct, and complete.
- 4) Relevant information on the most recently filed tax returns for the period in question.
- 5) If applicable, detailed explanations of how the applicable average AGI limitation(s) was not exceeded even though the information on the tax returns indicate otherwise.
