

**Food Safety Modernization Act (FSMA)
Listening Session**
with officials from the US Food & Drug Administration (FDA)

August 20, 2013
Alumni Hall Auditorium
at the Hopkins Center, Dartmouth College
Hanover, NH

9:30 a.m.—12:30 p.m.

*Jointly hosted by
the NH Dept. of Agriculture, Markets & Food and
the VT Agency of Agriculture, Food and Markets*

Farmers and food processors will have the opportunity to learn about FSMA, the food safety legislation that was signed into law in 2011 and the recently proposed rules that will govern how the law is implemented.

FDA officials will make presentations and there will be a public question and answer period during the session.
