

FISCAL YEAR 2005  
 BIOENERGY PROGRAM PRODUCTION AND PAYMENTS EARNED BY COMMODITY  
 as of December 12, 2005

The sum of quarterly Fiscal Year (FY) 2005 data published on the Bioenergy Program (Program) website does not balance with year end totals due to refunds for production increases not maintained through the end of the FY and examination corrections. Program funding restrictions require use of \$34.5 million of FY 2006 funds for fourth quarter FY 2005 payments and refunds received from earlier FY 2005 payments (quarters 1 through 3) cannot be used after the end of FY 2005 (September 30, 2005).
