Get GovDelivery – Instant News, Updates

Farm Service Agency offices are adopting an instant delivery, electronic option. Producers can now enroll in the new GovDelivery system which will provide notices, newsletters and reminders via email, rather than costly paper copies delivered through the mail.

FSA, like many other organizations, is working smarter and more efficiently. Conversion to electronic notifications via email helps conserve resources and save taxpayer dollars.

County Committee ballots will continue to be mailed to all eligible producers. Subscribe right now to receive your free e-mail updates instantly by going to: www.fsa.usda.gov/subscribe.
