Sam & Tony Bayaoa's Farm

Waimea: Wednesday Dec 8, 2010
Waimea Civic Center

Kona: Thursday Dec 9, 2010
Kainaliu CES Office

Kau: tba

Workshop 1: **Crop Insurance and Disaster Assistance** (repeat event). **Disaster assistance rules have changed!** Producers are reminded of the new linkage requirement, where USDA Farm Service Agency (FSA) disaster assistance programs will only be available to producers who have crop insurance or NAP coverage. Sign up deadlines for 2011 are December 1, 2010 for NAP and Dec 31 for most crop insurance.

This workshop will inform participants about risk management, AGR-Lite, crop-specific USDA-RMA crop insurance products, and USDA-FSA disaster assistance programs that concern all Hawaii growers. Producers are encouraged to attend to learn about what applies to their crops, what it takes to qualify, and how to apply.

Workshop 2: **Farm Recordkeeping**. Good records are a prerequisite for crop insurance & disaster assistance and for running a farm as a business. The Farm Recordkeeping workshop is for growers wanting to get started with recordkeeping as well as those who already have a system, but who perhaps can learn something extra to help their operations. **Growers who preregister receive a free workbook**; \$25 at the door for shipping and handling.

Please preregister so we can contact you in the event a workshop needs to be cancelled.

Questions? Contact Stuart T. Nakamoto via email at snakamo@hawaii.edu or tel (808) 956-8125

Open to everyone without regard to race, age, sex, color or disability. Educational activities are accessible for individuals with disabilities. For information or to request an auxiliary aid or service (e.g., sign language interpreter, designated parking, or materials in alternate format), contact Stuart Nakamoto @ (808)956-8125 seven days before the activity/event.
