## *Forum for the Future... Pathways to Wisconsin Job Creation*

### **Participate in the Forum for the Future without leaving your Desk!**

Have another commitment? Unable to travel to the venue?

We are offering the opportunity for remote participation in this event. You can listen, view and be a part of the conversation right through your computer.

When registering, please indicate if you would like to be a remote participant. Connection information, instructions and event materials will be sent to you prior to the event. Support will also be available the day of the event to help ensure that your voice is heard.

*You are invited to attend a Community Forum on job creation and economic growth led by the United States Department of Agriculture and Chippewa Valley Technical College. This gathering is designed to bring business leaders, community representatives, educators, regional experts, innovators and policy makers to share ideas on what is needed to create jobs in Wisconsin, specifically in rural communities. We intend to create a blueprint for directing public policy that will foster and support economic growth for our state. Please join us - your voice is important!*
