COC Nomination Deadline

The election of agricultural producers to Farm Service Agency (FSA) county committees is important to farmers and ranchers. It is crucial that every eligible producer participate in these elections because FSA county committees are a link between the agricultural community and the U.S. Department of Agriculture (USDA).

County committee members are a critical component of the operations of FSA. They help deliver FSA farm programs at the local level. Farmers and ranchers who serve on county committees help with the decisions necessary to administer the programs in their counties. They work to ensure FSA agricultural programs serve the needs of local producers.

FSA county committees operate within official regulations designed to carry out federal laws. County committee members apply their judgment and knowledge to make local decisions.

The COC nomination period runs from June 17, 2014 through August 1, 2014. The nomination form is available at USDA Service Centers and online. For more information contact your local FSA office.

2012 & 2013 ELAP Losses Must be Filed by Aug. 1, 2014 for Honeybee, Livestock and Farm-Raised Fish Losses

Producers who suffered eligible livestock, honeybee or farm-raised fish losses have until August 1, 2014, to submit a notice of loss and application for payment under the Emergency Assistance for Livestock, Honeybees and Farm-raised Fish Program (ELAP).

ELAP provides emergency assistance to eligible producers of livestock, honeybees and farm-raised fish that have losses due to disease, adverse weather, or other conditions, such as blizzards and wildfires. ELAP assistance is provided for losses not covered by the Livestock Forage Program (LFP) and Livestock Indemnity Program (LIP). Producers who suffered eligible livestock, honeybee or farm-raised fish losses during 2012 and 2013 program years must submit a notice of loss and application for payment to their local FSA office by August 1, 2014. For 2014 program year losses, the notice of loss and an application for payment must be submitted by November 1, 2014.

For more information, producers can review the ELAP Fact Sheet on the [Farm Bill webpage](#). Producers are encouraged to make an appointment with their local FSA office to apply for these programs.

USDA Announces Changes to Fruit, Vegetable and Wild Rice Planting Rules

Farm Service Agency (FSA) has announced fruit, vegetable and wild rice provisions that affect producers who intend to participate in certain programs authorized by the Agricultural Act of 2014.

Producers who intend to participate in the Agriculture Risk Coverage (ARC) or Price Loss Coverage (PLC) programs are subject to an acre-for-acre payment reduction when fruits and nuts, vegetables or wild rice are planted on the payment acres of a farm. Payment reductions do not apply to mung beans, dry peas, lentils or chickpeas. Planting fruits, vegetables or wild rice on acres that are not considered payment acres will not result in a payment reduction. Farms that are eligible to participate in ARC/PLC but are not enrolled for a particular year may plant unlimited fruits, vegetables and wild rice for that year but will not receive ARC/PLC payments for that year. Eligibility for succeeding years is not affected.

Planting and harvesting fruits, vegetables and wild rice on ARC/PLC acreage is subject to the acre-for-acre payment reduction when those crops are planted on either more than 15 percent of the base acres of a farm enrolled in ARC using the county coverage or PLC, or more than 35 percent of the base acres of a farm enrolled in ARC using the individual coverage.

Fruits, vegetables and wild rice that are planted in a double-cropping practice will not cause a payment reduction if the farm is in a double-cropping region as designated by the USDA's Commodity Credit Corporation.

2014 MAL and LDP Requests

The USDA Farm Service Agency (FSA) is accepting requests for marketing assistance loans (MALs) and loan deficiency payments (LDPs) for eligible 2014 commodities.

MALs and LDPs for the 2014 crop year become available to eligible producers beginning with harvest/shearing season and extending through a specific commodity's final loan availability date. Sugar commodity loans for the 2014 crop will be available to sugar processors beginning Oct. 1, 2014.

MALs and LDPs provide financing and marketing assistance for wheat, feed grains, soybeans, and other oilseeds, pulse crops, rice, peanuts, cotton, wool, mohair and honey. MALs provide producers interim financing after harvest to help them meet cash flow

needs without having to sell their commodities when market prices are typically at harvest-time lows. A producer who is eligible to obtain a loan, but agrees to forgo the loan, may obtain an LDP if such a payment is available. Marketing loan provisions and LDPs are not available for sugar and extra-long staple cotton.

The 2014 Farm Bill also establishes payment limitations per individual or entity not to exceed \$125,000 annually on certain commodities for the following program benefits: price loss coverage payments, agriculture risk coverage payments, marketing loan gains (MLGs) and LDPs. These payment limitations do not apply to MAL loan disbursements.

Adjusted Gross Income (AGI) provisions were modified by the 2014 Farm Bill, which states that a producer whose total applicable three-year average AGI exceeds \$900,000 is not eligible to receive an MLG or LDP.

National and county loans rates for 2014 crops are posted on the FSA website at: www.fsa.usda.gov/pricesupport.

For more information, please visit a nearby USDA Service Center or FSA's website www.fsa.usda.gov.

Filing for NAP Losses

The CCC-576, Notice of Loss, is used to report failed acreage and prevented planting and may be completed by any producer with an interest in the crop. Timely filing a Notice of Loss is required for all crops including grasses. For losses on crops covered by the Non-Insured Crop Disaster Assistance Program (NAP) you must file a CCC-576, Notice of Loss, in the FSA County Office within 15 days of the occurrence of the disaster or when losses become apparent.

If filing for prevented planting, an acreage report and CCC-576 must be filed within 15 calendar days of the final planting date for the crop.

Foreign Buyers Notification

The Agricultural Foreign Investment Disclosure Act (AFIDA) requires all foreign owners of U.S. agricultural land to report their holdings to the Secretary of Agriculture. The Farm Service Agency administers this program for USDA.

All individuals who are not U.S. citizens, and have purchased or sold agricultural land in the county are required to report the transaction to FSA with 90 days

Continued from page 2

of the closing. Failure to submit the AFIDA form (FSA-153) could result in civil penalties of up to 25 percent of the fair market value of the property. County government offices, Realtors, attorneys and others involved in real estate transactions are reminded to notify foreign investors of these reporting requirements.

Land Contract (LC) Guarantees

The Land Contract (LC) Guarantee Program is a valuable tool to transfer farm real estate to the next generation of farm-ers and ranchers. Guarantees will be offered to the owner of a farm who wishes to sell real estate through a land contract to a beginning or socially disadvantaged farmer or rancher. The guarantee reduces the financial risk to the seller.

FSA offers two types of guarantees:

- Prompt Payment Guarantee - A guarantee up to the amount of three amortized annual installments plus the cost of any related real estate taxes and insurance.
- Standard Guarantee - A guarantee of 90 percent of the outstanding principal balance under the land contract.

The guarantee period is 10 years and the contract payments must be amortized for a minimum of 20 years. The purchase price of the farm cannot exceed the lesser of \$500,000 or the market value of the property.

For additional information you can read the [Land Contract Guarantee Program Fact Sheet](#).

Save Time – Make an Appointment with FSA

As we roll out the Farm Bill programs administered by FSA, there will be related signups and in some cases multiple management decisions that need to be made by you, the producer, in consult with FSA staff. To insure maximum use of your time and to insure that you are afforded our full attention to your important business needs, please call our office ahead of your visit to set an appointment and to discuss any records or documentation that you may need to have with you when you arrive for your appointment. For local FSA Service Center contact information, please visit: <http://offices.sc.egov.usda.gov/locator/app>.
