## 2012 DCP/ACRE Sign-up

2012 Direct and Counter-Cyclical Program (DCP) enrollment will begin January 23, 2012 and will end June 1, 2012. **IMPORTANT REMINDERS:**

- 1) All producers planting on DCP base acres must be identified on the DCP/ACRE contract and receive a proportionate share of DCP/ACRE payment for the farm.
- 2) Changes on the farm after enrolling June 1<sup>st</sup> in DCP/ACRE must be reported to the county office. This includes: ownership changes, producer changes (individuals and entities), change in crop shares arrangements.

**Important Note:** Changes cannot be made after September 30, 2012.

## *Get GovDelivery – Instant News, Updates*

Farm Service Agency offices are adopting an instant delivery, electronic option. Producers can now enroll in the new GovDelivery system which will provide notices, newsletters and reminders via email, rather than costly paper copies delivered through the mail.

FSA, like many other organizations, is working smarter and more efficiently. Conversion to electronic notifications via email helps conserve resources and save taxpayer dollars.

County committee ballots will continue to be mailed to all eligible producers. Subscribe right now to receive your free e-mail updates instantly by going to:

## **Supplemental Revenue Assistance Program (SURE)**

The sign-up for recovery payment for 2010 losses under the Supplemental Revenue Assistance Program (SURE) runs through June 1, 2012. SURE provides benefits for farm revenue losses due to natural disasters and is available to eligible producers on:

- 0) Farms in counties with Secretarial disaster declarations, including contiguous counties, that have incurred crop production or quality losses, or both, and includes all crops grown by a producer nationwide, except grazed crops.
- 1) Any farm in which, for the crop year, the actual production on the farm because of disaster-related conditions is 50 percent or less than normal production of the farm.

**NOTICE  
TO HISPANIC  
AND/OR  
WOMEN  
FARMERS OR  
RANCHERS  
COMPENSATION  
FOR CLAIMS OF  
DISCRIMINATION**

If you believe that the United States Department of Agriculture (USDA) improperly denied farm loan benefits to you between 1981 and 2000 because you are Hispanic, or because you are female, you may be eligible to apply for compensation.

To register your name to receive a claims packet, call the Farmer and Rancher Call Center at 1-888-508-4429 or visit: [www.farmerclaims.gov](http://www.farmerclaims.gov)

The claims package will have detailed information about the eligibility and claims process.

## Noninsured Crop Disaster Assistance Program (NAP)

The Non-Insured Crop Disaster Assistance Program (NAP) is a federally funded program that helps producers reduce their risk when growing food and fiber crops, specialty crops and crops for livestock feed. These benefits are only available for crops for which the catastrophic level of crop insurance is not available. Application for coverage must be filed by the applicable crop's application closing date.

Production records for all crops must be reported to FSA no later than the acreage reporting date for the crop for the following year. FSA requires that any production reported in a loss year be verifiable according to agency specifications. NAP Losses must be reported within 15 days of loss.

## Farm Loan Programs

The Farm Service Agency is committed to providing family farmers with loans to meet their farm credit needs. If you are having trouble getting the credit you need for your farm, direct and guaranteed loans are currently available.

Ask your lender about an FSA loan guarantee if you've had a setback and your lender is reluctant to extend or renew your loan.

Farm ownership loans or farm operating loans may be obtained as direct loans for a maximum of up to \$300,000. Guaranteed loans have a maximum limit of \$1,214,000.

The one-time loan origination fee charged on FSA guaranteed loans has increased from 1 percent to 1.5 percent of the guaranteed portion of the loan, for loans obligated after October 1, 2011.

## Farming Operation Changes

If you have bought or sold land, or if you have added or dropped rented land from your operation, make sure you report the changes to the office as soon as possible. You need to provide a copy of your deed or recorded land contract for

purchased property. Failure to maintain accurate records with FSA on all land you have an interest in can lead to possible program ineligibility and penalties. Making the record changes now will save you time in the spring. Update signature authorization when changes in the operation occur. Producers are reminded to notify the county office of a change in operations on a farm so that records can be kept current and accurate.

## Payment Limitations

Several FSA programs are subject to payment limitation provisions. Violation of any of these provisions may subject the producer to loss of payment and possible prosecution.

The following are current FSA program payment limitations:

PROGRAM	LIMIT
DCP Program	\$40,000
DCP CC / ACRE	\$65,000
CRP	\$50,000
SURE, LIP, LFP, ELAP	\$100,000
NAP	\$100,000
LDP, Market Gain	No Limit

## Payment Eligibility

Note that specific eligibility criteria exist for the DCP and ACRE programs. Contact the county for further information regarding these and other provisions: 1) actively engaged, 2) cash-rent tenant rule and 3) foreign persons.

## Special Accommodations

Special accommodations will be made upon request for individuals with disabilities, vision impairment or hearing impairment. If accommodations are required, individuals should contact the county FSA office staff directly or by phone.

## Average Adjusted Gross Income (AGI) Provisions

For 2012, there are now four qualifying levels for AGI provisions as follows:

1) **\$500,000 Nonfarm Income** – if a person or legal entity has AGI nonfarm income that exceeds, \$500,000, the person or legal entity is ineligible for all commodity program payments and benefits.

2) **\$750,000 Farm Income** – if a person or legal entity has AGI farm income that exceeds \$750,000, the person or legal entity is ineligible for DCP direct payments only.

3) **\$1,000,000 Nonfarm Income** – if a person or legal entity has AGI nonfarm income that exceeds \$1,000,000, the person or legal entity is ineligible for all conservation program benefits unless at least 66.66% of total AGI is average adjusted gross farm income.

4) **\$1,000,000 Total Farm and Nonfarm Income** – if a person or legal entity has AGI farm and nonfarm income that exceeds \$1,000,000, the person or legal entity is ineligible for 2012 direct payments under DCP.

Form CCC 931 must be completed to authorize the AGI certification process in conjunction with the IRS. The average AGI is based on the average adjusted gross income for the three taxable years preceding the most immediately preceding complete taxable year. For the 2012 program year, the three taxable years for AGI would include 2008, 2009 and 2010.

## Direct Attribution

For 2009 and subsequent crop years, payments will be limited by direct attribution rather than by “person.” Under direct attribution, payments made to individuals remain unchanged. However, payments to legal entities such as corporations, limited partnerships, limited liability corporations and other similar entities are limited by attributing the payment to an individual based on his or her direct and indirect interest in the entity.

## IRS Form 1099-G

Producers annually receive their CCC-1099-G forms detailing payments producers have received from the Commodity Credit Corporation. The annual report of program payments on the CCC-1099-G form is a service intended to help our customers report taxable income. It is not intended to replace the producers’ responsibilities to report income to IRS.

FSA staff cannot interpret IRS regulations or advise producers about which payments to report on their income tax returns. However, county office staff can review payments for accuracy.

## Appeal Process

After an FSA official makes a decision on your request for USDA services or application, you will be sent a letter informing you of the decision and options you can pursue if you disagree.

Generally, program participants have three choices — an informal review with the original agency decision-maker, an opportunity for mediation and finally an appeal to the next level of authority within the agency.

## FSA Signature Policy

Husbands and wives may sign documents on behalf of each other for FSA and Commodity Credit Corporation programs in which either has an interest. This option is automatically available unless a written request for exclusion is made to the county office staff by either spouse.

There are exceptions to the rule, where spouses may not sign on behalf of each other for partnerships, joint ventures, corporations or other similar entities. Individual signatures are also required on certain Farm Loan Program and Farm Storage Facility Loan documents.

For more clarification on spousal signature authority, feel free to contact your local FSA office.
