Registration 3:30 p.m. - 4:00 p.m.

-  What do you want out of your forest or agricultural land?
-  Does your family know your goals and dreams for the land?
-  Do their goals and dreams differ from yours?
-  Did you know there are agencies and organizations that could help you plan for and meet those goals?

This workshop will focus on the importance of having a written management plan for your property. We will introduce you to the various types of plans available and discuss the monetary benefits of having a plan.
