Livestock Indemnity Program (LIP)

LIP provides compensation to eligible livestock producers who have incurred livestock death losses in excess of normal mortality on or after January 1, 2008, and before October 1, 2011. Eligible losses as a result of adverse weather, as determined by the Secretary during the calendar year, include blizzards, disease caused by adverse weather, extreme cold, extreme heat, floods, hurricanes, tornadoes, lightning, and wildfires. (Drought is not an eligible adverse weather event except when associated with anthrax, a condition that occurs because of drought and results in the death of eligible livestock.)

Livestock owners and contract growers who suffered livestock losses during 2008 must file a notice of loss and application for payment no later than September 13, 2009, to be eligible for LIP.

Livestock owners and contract growers who suffered 2009 livestock losses prior to July 13, 2009, to be eligible for LIP, must file a notice of loss by no later than September 13, 2009, and an application for payment by no later than January 30, 2010.

Livestock owners and contract growers who suffer livestock losses July 13, 2009 through September 30, 2011, to be eligible for LIP, must file a notice of loss within 30 calendar days of when the loss of livestock is apparent, and an application for payment no later than 30 calendar days after the end of the calendar year in which the loss of livestock occurs. ***Payment rates and normal mortality rates are listed below.***

Contact your County FSA Office for additional information and to file a LIP notice of loss and application for payment. The below attachments provide the normal mortality rates for Oklahoma and the payment rate by livestock kind and type.

Payment Rates for Eligible Livestock for Livestock Owners

LIP provides separate payment rates for eligible livestock owners and eligible contract growers. Payment rates for livestock owners are based on 75 percent of a fair market value, as determined by FSA, for the specific livestock category. The following table provides LIP per head payment rates, by livestock category, for eligible livestock owners.
