USDA Geospatial Data Gateway Compressed County Mosaic (CCM) Downloads in FY2012

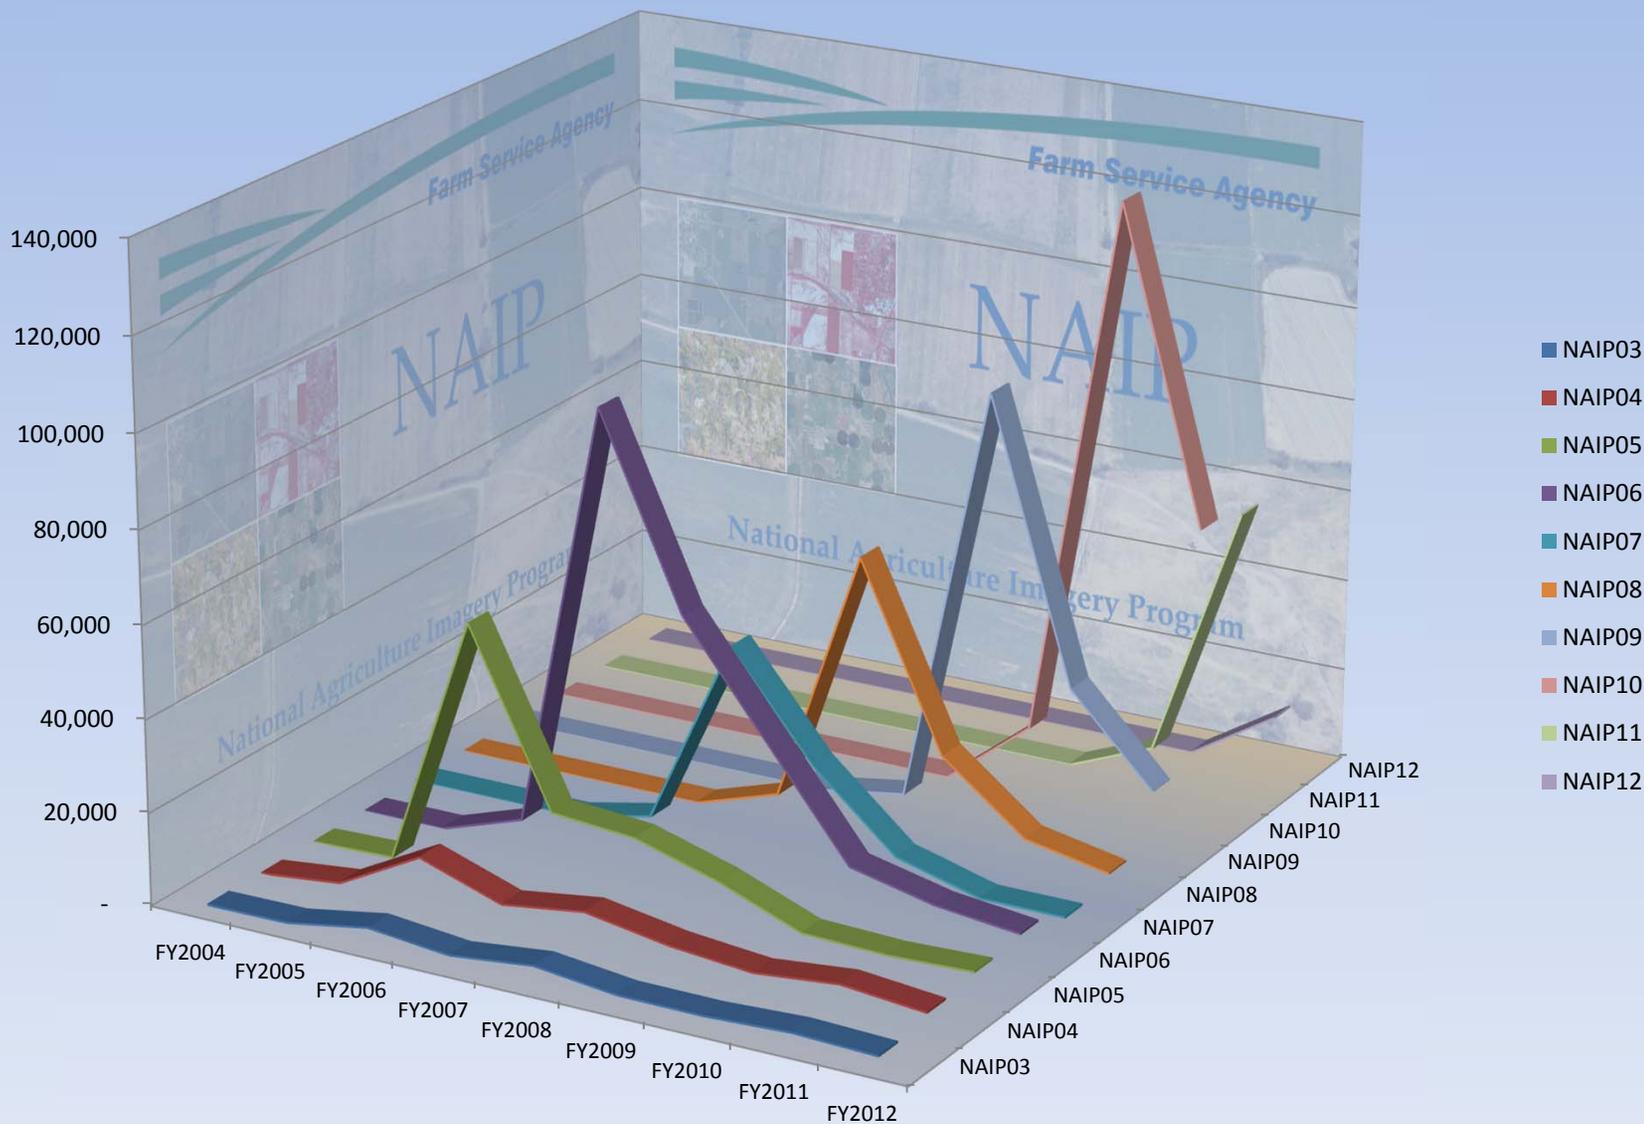

CCMs furnished by APFO Customer Service Section (CSS) in FY2012

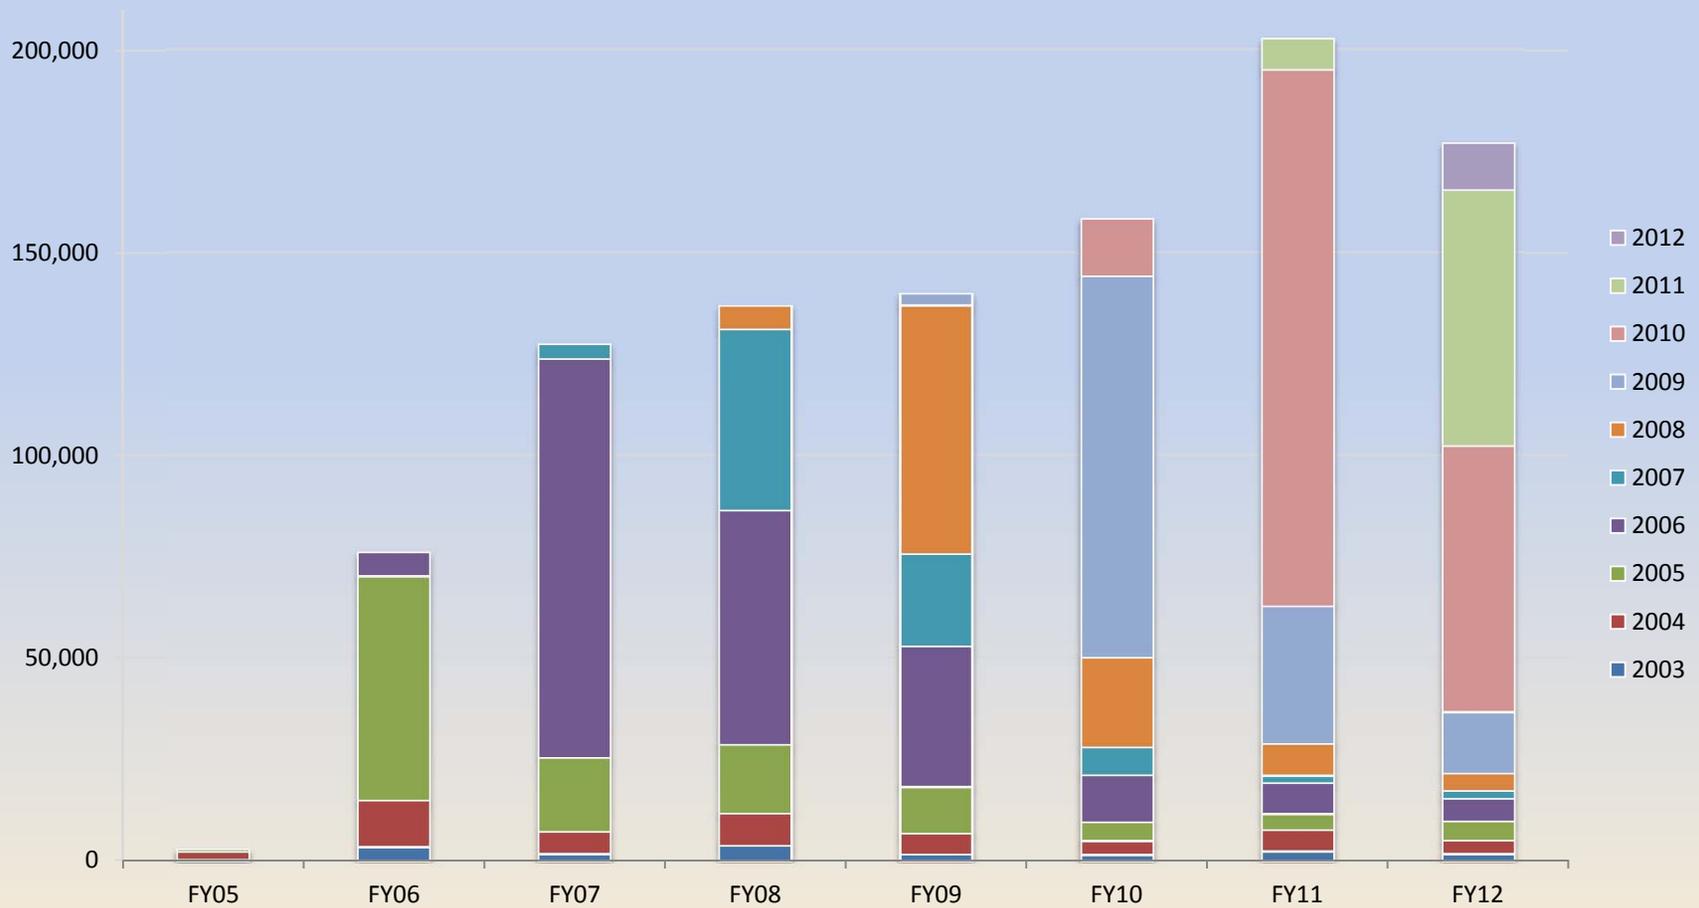

GDG Compressed County Mosaic (CCM) downloads by NAIP year can be presented in different graphical formats such as . . .

NAIP CCM Downloads from the USDA Geospatial Data Gateway

NAIP CCM Downloads from the USDA Geospatial Data Gateway in FY2012

National Agriculture Imagery Program (NAIP) Coverage 2003 - 2012

To view year
and format information
click or hover over
a state abbreviation

Unless otherwise noted, standard state coverages
are full-coverage, three-band (natural-color)
GeoTIFF quarter-quads (QQ) and three-band
MSID compressed county mosaics (CCM).

Example:
 08 1m CFP → i = Three-Band Color-Infrared CCM
 → P = Partial Coverage of state for this year
 → J = JPEG 2000 four-band (natural-color/color-infrared) CCM
 → F = Film available
 → C = Three-band Color-Infrared GeoTIFF QQ & CCM
 → 4 = Four-Band (Natural Color/Color Infrared) GeoTIFF QQ.

Check "All NAIP Format & Years" layer to view all years available
To view layers individually click on the paper sheets icon in the
left margin of the document. Uncheck (turn off eyeball symbol)
each NAIP Coverage year except for the one that you want to view.
This will ensure the accurate coverage is portrayed.

*2012 NAIP coverage is contracted coverage only.

APFO NAIP Distribution

Media orders furnished by APFO are typically provided for:

- CCMs over 8GB are not available as downloads from the GDG,
- Those with a need for extensive coverage that do not want to spend time downloading,
- Customers with a need for the fourth band present in GeoTIFF quarter-quads.

Imagery Furnished by APFO

<u>Quarter Quads</u>		<u>APFO CCMs</u>	
USDA	7,423	USDA	0
Other Federal Agencies	5,700	Other Federal Agencies	27
Public	173,125	Public	13,356
State & Local	14,337	State & Local	12

Fiscal Year 2012 Highlights

Total CCM Downloads through GDG: 177,079

Major CCM Downloads:

- 8,169 by an aviation flight simulator company
- 3,905 by a single hotmail account
- 3,303 by a private crop insurance company
- 3,119 by Dept. of Justice (FBI)

Other Distribution Sources

The NAIP distribution information provided are from the USDA Geospatial Data Gateway and APFO. It does not include information regarding NAIP redistribution by private, commercial or other government entities.

Through USDA imagery agreements, NAIP imagery has been integrated in daily browsing of the internet through sites such as Google Earth and Maps, NASA World Wind, and ESRI map services.
