County Committees: The Farm Service Agency county/area committees are responsible for the administration of Federal farm programs at the local level. Elections are held each year to elect or re-elect a member(s) whose term expires. Effective May 1, 2006, Powell County producers began being serviced from the Clark County FSA Office in Winchester.

Elections: Nominations have been accepted for candidates to run in the following Local Administrative Areas (LAA's):

Clark County will be holding an election for a person to represent LAA 1 beginning January 1, 2007. This position is currently held by Woodie Yeary, who is unable to run again due to term limitations. LAA 1 includes Ford, Forrest Grove, Renick, and Hayden's Corner.

Powell County will be holding an election for a person to represent LAA 4 beginning January 1, 2007. This position is currently held by Darnell Fletcher. LAA 4 includes West Bend, Clay City and Hardwick's Creek.

Ballots will be mailed in November to all producers in the LAA's having an election. All producers receiving a ballot are encouraged to participate in the election process and return ballots by the deadline, December 4.
