COUNTY COMMITTEE ELECTION RESULTS

The Nicholasville Farm Service Agency Service Center would like to congratulate Brian Rhineheimer on being re-elected to the Jessamine County FSA Committee. Brian began his second 3-year term in January and was Chairperson in 2007. Brian represents the northern and northeastern portions of Jessamine County. We look forward to working with Brian as we administer federal farm programs to Jessamine County producers.

FORAGES COST-SHARE PROGRAM STARTS IN JANUARY

The Jessamine County Conservation District will take applications for the Phase I Forage Improvement Program from January 25 until February 20, 2008. Coming out of a year like we had in 2007, most producers need to take a close look at your pastures and hayfields. Most, if not all fields will need some renovations and fertilization this spring to get back to full production status.

For more information on the forages cost-share program contact the Jessamine County Conservation District at 859-887-2461 ext. 3.
