COUNTY COMMITTEE ELECTION

Ballots will be mailed November 3, 2006 to the Oxford/Newtown area for the 2006 County Committee Election. Nominees are Johnny Cannon, Reggie Happy, and Dr. William Offutt, IV. December 4, 2006 is the last day to return voted ballots. We encourage all eligible voters to vote and participate in your Committee election. This area will not vote again for 3 years. If you do not receive a ballot, feel free to call and we will provide you with a ballot.

The newly elected Committee will take office on January 1, 2007. The County Committee make decisions regarding farm program payments. Their knowledge of the area is very valuable.

PROGRAM PAYMENTS

Payments to be made in October include the DCP(grain program) payments. If you signed up in 2006 This is your final 06 regular payment. If you were signed up in 2005 DCP and have a corn base you will also receive a 2005 Counter Cyclical payment. These payments result whenever the price received by producers nationwide for the 1 year market time period is less that the target set by Congress. Corn prices for 05 crop were \$0.35 deficient and therefore corn base holders will receive payments based on their base and yield.

Also, Conservation Reserve Program (CRP) annual payments will be issued in October. Producers who have set-aside an area for Conservation and have signed a 10-15 year contract are eligible for these payments. If you may be interested, contact the office for further program eligibility requirements.
