## County Committee Election

The Shelbyville FSA County Committee Election was held on December 6<sup>th</sup>. Gene Witt was the winner and will continue to be on the committee for another three year term Mr. Witt's alternate is Harold Tingle. County Committees (COC) are a unique system that offers producers participating or cooperating in federal programs a chance to administer the programs that affect the well-being of all producers in their COC jurisdiction. One of the reasons the Farm Service Agency is recognized for delivering its programs so well is because County Committees give FSA local expertise and guidance on information such as yields, productivity of the land, and local farming methods and periods.

All regular session County Committee meetings are open to the public. Feel free to stop by and voice your opinions or concerns. The meetings are held on the last Thursday of each month.
