(Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at (202) 720-2600 (voice and TDD). To file a complaint of Discrimination, write to USDA, Director, Office of Civil Rights, 1400 Independence Avenue, SW., Washington, DC 20250-9410, or call (800) 795-3272 (voice) or (202) 720-6382 (TDD). County Committee Election

The Springfield FSA County Committee Election was held on December 4th. Larry Chesser was the winner and will become the Regular Member of the committee for the next three years. County Committees (COC) are a unique system that offers producers participating or cooperating in federal programs a chance to administer the programs that affect the well-being of all producers in their COC jurisdiction. One of the reasons the Farm Service Agency is recognized for delivering its programs so well is because County Committees give FSA local expertise and guidance on information such as yields, productivity of the land, and local farming methods and periods.

All regular session County Committee meetings are open to the public. Feel free to stop by and voice your opinions or concerns. The meetings are held on the first Tuesday of each month.
