

Wednesday, November 9  
“Your Land, CLEAN WATER, Your Legacy”  
6 – 8:30 PM at the Governor’s Inn  
78 Wakefield St, Rochester NH

Learn why it’s important to protect the Salmon Falls Watershed! Enhance and protect your drinking water, recreational areas, property values, and fish and wildlife habitats through proven practices to reduce watershed pollution. Find out about **financial and technical assistance** available to landowners and municipalities for forest management plans, conservation easements and more.

Join us for a panel presentation by local landowners, foresters, and conservation experts and a social hour with complimentary refreshments. For more information and program details, see [www.prep.unh.edu/sfwc.htm](http://www.prep.unh.edu/sfwc.htm).

Please RSVP by November 2: on-line at [www.prep.unh.edu/sfwc.htm](http://www.prep.unh.edu/sfwc.htm), by email to [Sharon.hughes@unh.edu](mailto:Sharon.hughes@unh.edu), or call (603) 862-1029. **Registration required for handouts and refreshments.**
