

TENNESSEE PREMISES REGISTRATION NATIONAL ANIMAL IDENTIFICATION SYSTEM

In corporation with the Tennessee Department of Agriculture (TDA), effective **Friday, July 1, 2005** local FSA offices in Tennessee will begin registering premises into the USDA, National Animal Identification System (NAIS). FSA has been designated by TDA as the primary source of premises registration in TN.

The premises registration forms are available on the TDA web site. Forms may be completed and mailed to your local FSA office or you may visit the office for assistance. Check the mailing address, location and phone number of your local office on this web site at <http://offices.sc.egov.usda.gov/locator/app?state=tn&agency=fsa>.

Click on the link below for access to Tennessee Premises Registration forms:
