COC SDA Voting Member Appointments

Approved by: Acting Deputy Administrator, Field Operations

1 Overview

A Background

Pub. L. 107-171 (2002 Farm Bill), Section 10708, made significant changes to the COC election process. The goals of the legislation were to:

- ensure public transparency and accountability of election results
- provide additional tools to increase COC representation of SDA farmers and ranchers.

A key provision to accomplish this was granting the Secretary authority to appoint 1 additional voting member to a county, area, or local committee to ensure inclusion of SDA farmers and ranchers. The Secretary approved implementation of this authority and revised requirements for “Selection and Functions of Farm Service Agency State and County Committees”.

An analysis by the National Office was conducted after the 2012 COC election cycle to determine the need for using the authority. The authority to appoint members to 1-year terms to achieve fair representation will now be applied to COC’s identified as needing an SDA member for fair representation if an SDA member was **not** elected through the normal election process during any of the previous 4 election cycles.

The analysis has determined the counties in which the percentage of SDA producers indicates there is a need for increased SDA representation. There are a total 353 counties in 45 States that have been identified with a need for increased representation. Of the 353 counties that have been identified, 237 have elected an SDA member through the normal election process during at least 1 of the previous 4 election cycles. An SDA voting member appointment is required in each of the remaining 116 counties in 43 States for the 2013 COC.

Only one SDA appointment is allowed per identified COC. For counties or multi-county jurisdictions with multiple SDA groups, the appointments will be recommended based on the primary SDA group, which is the SDA group with the highest share of producers in a particular county or multi-county jurisdiction.

B Purpose

This notice provides guidance to State Offices and Service Centers on the process that will be used to appoint 1 additional voting SDA member on COC's identified as needing SDA representation. Further guidance on the SDA voting member appointment process will be provided in 15-AO and 16-AO amendments.

C COC's Identified as Needing SDA Representation

For purposes of the data analysis, the categories of race and ethnicity were evaluated separately from gender. COC jurisdictions were identified as needing SDA representation based on the demographics of the entire COC jurisdiction. In COC jurisdictions with multiple SDA groups, the appointments are recommended based on the SDA group with the highest share of producers in the COC jurisdiction. The analysis for gender was based on the number of farms where a female was listed as the primary operator.

Exhibit 1 lists the headquarter counties for all of the COC jurisdictions identified as needing an SDA member for fair representation by the following:

- State
- county
- primary race, ethnicity, or gender (REG) needed for fair representation
- SDA COC appointment required for the following:
 - African American or Black
 - American Indian or Alaska Native
 - Gender
 - Hispanic or Latino
 - None.

Note: The counties with “None” in the “SDA COC Appointment Required” column have elected an SDA member who meets the requirements for fair representation in at least 1 of the last 4 elections. **No appointment is required on 2013 COC's for counties with “None” in this column, and no action is required of them at this time.**

STC shall require COC's identified in Exhibit 1 to solicit candidates and recommend an SDA member from the primary SDA group. **No action is required in those counties with "None" shown in the "SDA COC Appointment Required" column.** Reported 2012 election results indicate that 10 of the counties listed with "None" have elected an SDA member for 2013. Those counties are footnoted in Exhibit 1. If this is correct and the elected winner takes office, no action is required in those 10 counties.

The process for obtaining candidate nominations and submitting to the Secretary will follow the following timeline:

- **The week of January 14, 2013** – outreach for eligible SDA candidates begins (Exhibits 2 and 3)

COC SDA Appointment Suggested Outreach Activities

- Prepare informational packet for distribution to local organizations with a cover letter explaining the new COC appointment process for SDA membership. Example template letter (Exhibit 3) is available for employee download and use from the DAFO Outreach SharePoint web site at <https://fsa.sc.egov.usda.gov/mgr/DAFO/Outreach/default.aspx>.
- Arrange a meeting with all members of the local extension service office to provide the informational packet. Request their assistance in identifying potential SDA appointment candidates for COC nomination.
- Arrange a meeting with local government leadership to explain the intent of the Secretary to appoint an SDA representative to COC. Request their recommendation of a candidate who would meet appointment criteria.
- State Office shall contact State Department of Agriculture to arrange a conference call with State Agriculture officials to inform them of the new COC appointment process for SDA membership. Request their assistance in identifying potential appointment nominees.
- Request time to meet with the **representative leadership** of the following types of organizations, within the community:
 - Executive Director and/or Presidents and Boards of Directors of local agriculture support organizations including, but not limited to, the following:

Authority to appoint the voting SDA members was granted in the 2002 Farm Bill. The purpose of the law was to give the Secretary of Agriculture the power to create fair representation for SDA farmers and ranchers.</p> <p>SDA farmers and ranchers represent a large portion of the farm population in many jurisdictional areas, however in (insert name of county) County, an SDA candidate was not elected to the committee in the annual voting process. The Secretary can now appoint a voting SDA member from names submitted locally. The appointed member will serve for one year. Each year, a statistical analysis will be conducted to determine whether re-appointment of an SDA member is necessary to provide a voice for all SDA producers on the County Committee.</p> <p>FSA is contacting groups and community based organizations that represent producers who are underrepresented on COC to notify them of the opportunity to nominate an SDA voting member to serve on the 2013 COC in (insert name of the identified county) County. An FSA-669A-2, “<u>Nomination Form for County FSA Committee SDA Appointment</u>” is being provided for this purpose. Please make additional copies as needed. They are also available online at: http://forms.sc.gov.usda.gov/eForms/welcomeAction.do?Home</p> <p>Please submit an eligible candidate for nomination. Appointment nomination forms will be accepted in our office through January 28, 2013. Candidates for appointment must meet the same eligibility requirements as candidates for election, except for the requirement to live in a specific LAA. Candidates may reside in any LAA within the COC jurisdiction for the position of COC SDA Voting Member. See the enclosed fact sheet on “<u>Eligibility to Vote and Hold Office as a COC Member</u>”.</p> <p>I will be happy to speak to your organization regarding this process and answer any questions. Feel free to contact me at (insert County Office telephone number). Thank you in advance for your cooperation in serving our state’s farmers.</p> <p>Sincerely,</p> <p>Insert CED Name Enclosures</p> |
