D State Office Action

State Office official shall coordinate with local staff to complete a separate FSA-954 for each identified County Office (AO for State Office, if applicable) housed under an FSA commercial lease. State Offices can access a fillable Word version of FSA-954 from the FSA Intranet at **<https://inside.fsa.usda.gov>**. Click on “**Employee Forms**”, then “**Find Current Forms Using Our Form Number Search**” and in the “**Form Number**” field, ENTER “954”.

It is imperative that space measurements and square footages are accurately reported, and must include free space. Laser measuring devices will be provided by MSD to aid in accurately measuring space.

Additionally, if available, include a copy of the lease and a floorplan with current measurements in the submission.

Note: State Offices shall not update CPAIS. MSD will be responsible for updating the records in CPAIS.

The requested information shall be submitted no later than June 29, 2018, to **fsaleasing@fsa.usda.gov**. For tracking purposes, e-mail responses **must** include in the subject line “FSA-954 ST COUNTY” where “ST” is the abbreviation for the State responding and “COUNTY” is where the office is located.
