

For: State and County Offices

**Web Site Migration**

Approved by: Deputy Administrator, Farm Programs

**1 Overview**

**A Background**

The FSA GIS web site has:

- served as a central repository for GIS information for several years
- provided geospatial guidance to National, State, and County Offices in completing their daily work assignments through the use of documents, user guides, and training manuals.

The FSAGIS web site is being replaced by a SharePoint web site to provide effective support to FSA GIS users.

**B Purpose**

This notice provides State and County Offices that:

- as of **Tuesday, September 30, 2008**, the FSAGIS web site, located at <http://fsagis.usda.gov/FSAGIS10/Default.aspx>, is officially **inoperational**
- after **Tuesday, September 30, 2008**, all documentation will be relocated to the FSAGIS SharePoint web site as part of the final transitional phase
- the CLU certification tracking process, to include maps and reports, will be available on the SharePoint web site in the near future
- obsolete documents formerly stored on the FSAGIS web site will be relocated to the SharePoint web site in the “Archive” section.

**Note:** The “Archive” section will be forthcoming.

The new FSAGIS SharePoint web site can be found at <https://fsa.sc.egov.usda.gov/mgr/GIS/training/default.aspx>.

## Notice CM-617

### 2 Action

#### A State Office Action

As of Thursday, October 2, 2008, State Office GIS personnel will be required to provide a bi-weekly update of their CLU certification status through e-mail. These updates shall continue every 2 weeks until each of the remaining 11 States have completed the CLU certification process.

The following should be included in the e-mail:

- State abbreviation
- target CLU certification completion date
- number of counties CLU certified
- number of counties left to CLU certify
- name and date of counties certified or reported after October 1, 2008
- State-wide CLU certification date (only if the whole State is certified)
- comments.

Questions or concerns about this manual CLU certification process shall be directed to Todd Anderson at [todd.anderson@wdc.usda.gov](mailto:todd.anderson@wdc.usda.gov).

#### B County Office Action

County Offices shall review the information posted to the SharePoint web site for all GIS assistance.
