

For: State and County Offices

DCP and ACRE Maps Available on the FSA Internet

Approved by: Deputy Administrator, Farm Programs

1 Overview

A Background

In previous years, the National Office has responded to numerous State and County Office inquiries about the contract status for each State. To provide an easier way to track this information, the National Office has posted maps on the FSA Internet. The maps will provide State and County Offices with a means to visually identify DCP/ACRE approved contracts, certification, and distributed payments directly from the Internet. By providing these maps, it will not only allow these programs to operate more efficiently but it will also enable the National Office to assist States and counties more effectively.

B Purpose

This notice advises State and County Offices of the DCP and ACRE maps that are available on the FSA Internet.

2 DCP and ACRE Maps

A Accessibility

DCP and ACRE maps may be accessed from the web site located at <http://www.fsa.usda.gov/FSA/webapp?area=home&subject=dccp&topic=dpr>

This web site also contains DCP Payment Information.

All maps will be displayed at both the national (with State boundaries) and State (with county boundaries) level.
