New Processing Schedule for the CMA Process

Approved by: Acting Deputy Administrator, Farm Programs

1 Making Submissions for the 2006 Crop Year CMA Process

A Background

The CMA Process is an automated process used by CCC to provide CMA's, DMA's, and LSA's the most accurate eligibility and PLM data for requested loans and LDP's according to parent ID numbers submitted to the process on a weekly basis.

B Purpose

This notice instructs CMA's, DMA's, and LSA's to begin submitting and downloading data **twice** weekly with the issuance of this notice.

Note: CMA's, DMA's, and LSA's shall continue to follow Notice CMA-96 for assistance on preparing files, installing, and using the new Secure FTP Software.

C New Submission and Download Schedule

For the 2006 crop year, the submission deadline is:

- **Sundays** by 6 p.m. c.t.; the resulting download will be available the following **Tuesday**
- **Wednesdays** by 6 p.m. c.t.; the resulting download will be available the following **Friday**.

Note: All files arriving after these deadlines will be held and processed during the next scheduled CMA Process run.
