

For: Cotton State and County Offices

Delivery of Cotton PC's to County Offices

Approved by: Deputy Administrator, Farm Programs

1 Overview

A

Background

New cotton PC's will be delivered beginning in February. Cotton County Offices will receive new PC's which will:

- replace existing Cotton County Office PC's
- be made functional with new software for the **1999** crop year.

B

Purpose

This notice provides instructions to cotton County Offices about the receipt and use of new cotton PC's.

Note: These changes **do not** apply to 1998 crop cotton.

<p>Disposal Date</p> <p>September 1, 1999</p>	<p>Distribution</p> <p>Cotton State Offices; State Offices relay to applicable County Offices</p>

Notice CN-895

2 PC Use and Instructions

A County Office Use

Cotton County Offices shall:

- continue to use the "old" cotton PC's for all crop year 1998 processing
 - **not** remove any hardware from the "old" cotton PC
 - set up the "new" cotton PC, with guidance from AC, simply to verify that the machine can power-on and function
 - **not** use the "new" cotton PC for any cotton-related process until instructed to do so
 - **not** modify **in any manner** the new cotton PC without instructions.
-

B Additional Instructions

Over the next several months, instructions will be issued to "configure" each new cotton PC.

Additional instructions about "new" cotton PC's will be provided in future CN notices.
