Revisions to Shares on FSA-578's

Approved by: Deputy Administrator, Farm Programs

1 Release No. 420

A

Background

Release No. 415, containing the files for the CMA process, caused a problem when revising shares on FSA-578. Release No. 415 is not updating shares that are revised on a farm that had defaulted shares. Release No. 420 will correct this problem.

B

Purpose

This notice informs County Offices to avoid making changes to shares on FSA-578 until Release No. 420 is installed.

C

**County Office
Action**

County Offices shall revise shares, according to 2-CP, paragraph 100, after installing Release No. 420.
