National Agriculture Imagery Program (NAIP) Imagery Status

Approved by: Acting Deputy Administrator, Farm Programs

1 2005 NAIP

A Background

In prior years, compliance imagery was flown under a national contract (NAIP) for counties that had common land units. For crop year 2005, APFO contracted for NAIP imagery for over 2,000 counties.

B Purpose

This notice informs State and County Offices that are contracted for compliance imagery in 2005 of the following:

- method to check the status of NAIP imagery
- location of status maps to track their imagery acquisition progress.
