**Providing Producer Acreage Reports and Map Photo Copies to
Private Insurance Company Representatives**

Approved by: Acting Deputy Administrator, Farm Programs, FSA
Deputy Administrator, Compliance, RMA

1 Overview

A Background

Historically, FSA has not provided FSA-578 or map photo copies to Private Crop Insurance Company representatives unless it was for loss adjustment purposes or AD-2007 or AD-2027 had been forwarded from FSA to RMA for action.

B Purpose

This notice informs FSA State and County Offices that effective immediately, County Offices shall provide Private Crop Insurance Company representatives with current year FSA-578 and map photo copies if requested, and the requirements set forth in this notice are met.

2 Guidelines for Providing Information

A When to Provide Information

FSA County Offices shall provide FSA-578 and/or map photo copies to the following:

- loss adjusters submitting FSA-426 or FSA-426-A according to 2-CP, paragraph 508
- insurance agents only if a signed statement is provided from the producer.

Notes: The statement shall specify the crop year and the related documents that the producer wants reproduced for the insurance agent.

Information shall **not** be provided if a statement is not provided from the producer.
