Decommissioning Acreage Reports on AS400/System 36

Approved by: Deputy Administrator, Farm Programs

1 Overview

A Background

To support efforts to decommission the AS400/System 36, a migration process was completed to move acreage reports for crop years 2008 through 2010 from the AS400/System 36 to the Crop Acreage Reporting System (CARS) on the Web. Currently, acreage reports for crop years 1998 through 2007 remain on the AS400/System 36. Acreage reports for 1998 through 2007 will **not** be migrated to CARS.

B Purpose

This notice advises State and County Offices that access to acreage reports for 1998 through 2007 using the AS400/System 36 will be:

- restricted to “read only” beginning on or about February 2, 2015
- decommissioned on or about February 16, 2015.
