Loading CRP Contracts into System 36

Approved by: Acting Deputy Administrator, Farm Programs

1 Overview

A Background

Notice CRP-588 established revised per acre maintenance incentive rates for all CRP contracts except those enrolled under Conservation Reserve Enhancement Program (CREP) that specify maintenance rates in the CREP agreement. The revised maintenance rates became effective with CRP contracts approved after receiving Notice CRP-588. County Offices were instructed not to load contracts into System 36 until software was made available.

B Purpose

This notice informs County Offices that:

- System 36 software has been modified to reflect the revised maintenance rates
- CRP contracts can now be loaded into System 36.

2 Action

A State Office Action

State Offices shall ensure that County Offices follow the requirements of this notice.

B County Office Action

County Offices shall resume loading CRP contracts in System 36.
