

For: State and County Offices

Payment Factor for Poult Enteritis Mortality Syndrome (PEMS)

Approved by: Acting Deputy Administrator, Farm Programs

1 PEMS Payments

A

Background

Pub. Law 106-554 provides \$2 million to carry out a program for income losses as a result of PEMS sustained before April 30, 2001, by individuals who raise poultry owned by other individuals.

B

Purpose

This notice provides the payment factor and instructions to issue payments under PEMS based on the data uploaded.

C

Processing LIP Payments

A new rate table will be transmitted overnight on July 12, 2001. This revised rate table contains the payment factor of 3 for PEMS, required to issue payments.

County Offices shall immediately process payments according to 1-DAP, paragraphs 372 and 375.
