

For: State and County Offices

Crop Disaster Program (CDP) 2005 Crop Table

Approved by: Acting Deputy Administrator, Farm Programs

1 2005 Crop Table Records

A Previous Instructions

Notice DAP-216 instructed State Offices to dataload crop data for CDP into the 2003/2004 CDP crop table.

B Purpose

This notice instructs State Offices that the process to establish or modify 2005 crop disaster records is available.

C Initial 2005 Crop Table Disaster Records

All records dataloaded by COB June 20, 2005, using the instructions in Notice DAP-216, into the 2003/2004 crop disaster crop table were used to create the initial 2005 records. All records that passed the validations were updated and will be downloaded to County Offices without any intervention by State Offices. Records that could not be updated can be identified by the modified records report according to Notice DAP-216, paragraph 5.

D Create or Modify Crop Table Disaster Records

Follow Notice DAP-216 if any crop table records need to be created or modified. The crop table software will now make the changes or additions to all CDP disaster years, 2003 through 2005.

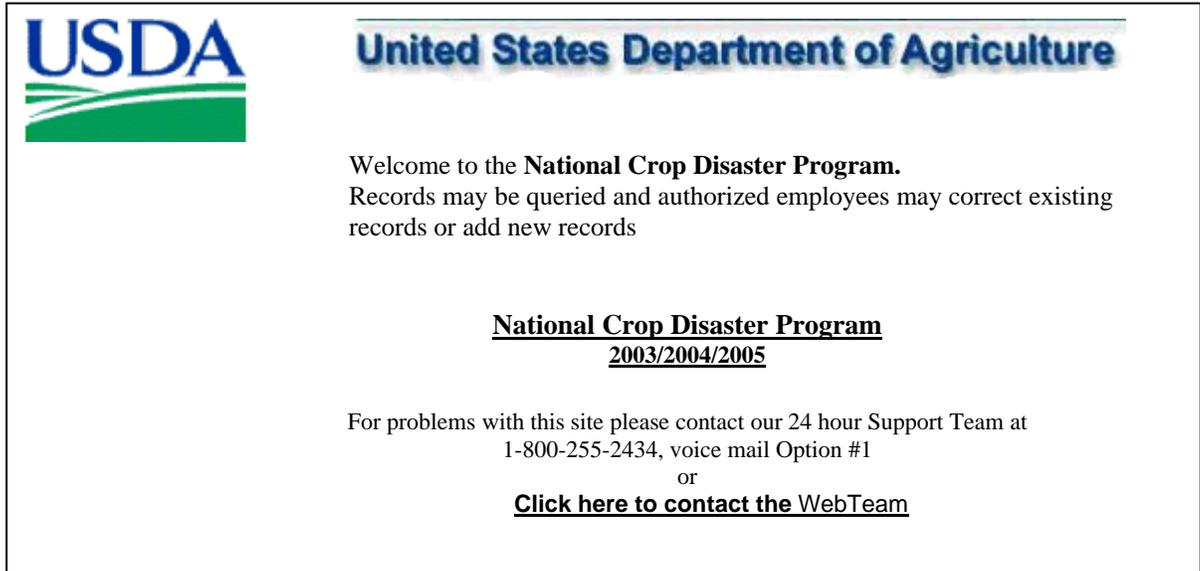

Disposal Date	Distribution
May 1, 2006	State Offices; State Offices relay to County Offices

Notice DAP-225

2 CDP Crop Table Changes

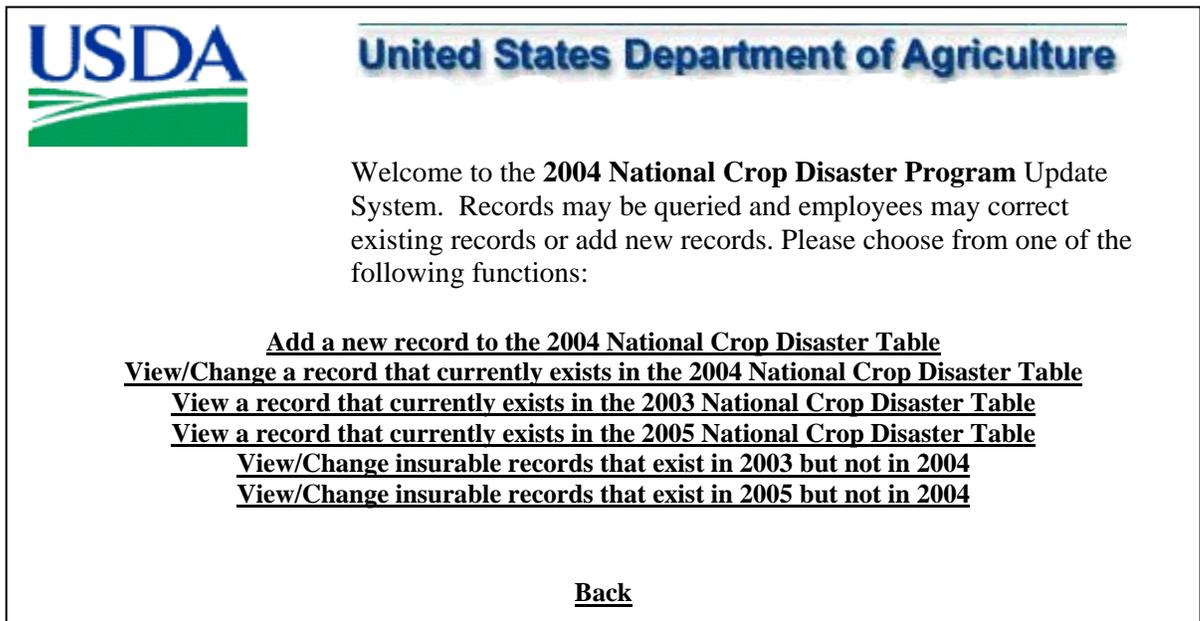

A Home Page Change

The year 2005 was added to the following screen.

B Crop Table Options Change

The option to view a 2005 CDP crop record was added to the following screen.

Note: A 2003, 2004, or 2005 crop table record can only be added or modified through the 2004 option. The 2003 and 2005 records will be built by adding or modifying 2004 records.
