Hurricane Indemnity Program (HIP) RMA Download

Approved by: Deputy Administrator, Farm Programs

1 RMA Download

A Background

HIP was announced for certain counties of Alabama, Florida, Louisiana, Mississippi, North Carolina, and Texas.

To assist those County Offices with the administration of HIP, RMA has provided data that identifies crop insurance indemnity payments that were paid in eligible counties during the recognized disaster period. RMA data will be downloaded to the affected County Offices.

B Schedule

The first RMA download will be transmitted to County Offices COB Thursday, May 11, 2006. County Offices will receive the download during start-of-day on Friday, May 12, 2006.

Subsequent RMA downloads will occur weekly thereafter.

C HIP RMA Download Reports

The HIP RMA Download Reports will automatically print when the download file is received during start-of-day on Friday, May 12, 2006. Reports will be printed for producers who are:

- active in the name and address file
- not active in the name and address file.

During subsequent downloads, the HIP RMA Download Reports will only print new indemnity records received from RMA.

D HIP RMA Deleted Download Report

The HIP RMA Deleted Download Report will automatically print when the download file is received during start-of-day on Friday, May 12, 2006. The initial report will be printed with the message, "No Data to Report". During subsequent downloads, the HIP RMA Deleted Download Report will print producers who have been deleted since the last RMA download was received.
