Notice DAP-251

2 Action (Continued)

B State Office Action

State Offices shall ensure that County Offices:

- are immediately informed of the contents of this notice
- immediately publicize the signup deadline
- disapprove all late-filed applications
- act on all applications received by April 13, 2007, and record the determination in the automated system by April 20, 2007
- forward all approved TFP applications:
 - to the National Office by COB April 16, 2007
 - by FAX or FedEx as instructed in 5-DAP, paragraph 1039.

Note: County Offices will **not** be able to access application software after April 20, 2007. Software for these programs will be locked out during start-of-day April 23, 2007. The software must be locked out so an upload can occur to determine a national payment factor.
