2005/2006/2007 Crop Disaster Program (CDP) Crop Table Establishment

Approved by: Deputy Administrator, Farm Programs

1 Establishing 2005/2006/2007 CDP Crop Table Initial Records

A Background

Notice DAP-257:

- notified State Offices that approved records in the 2007 National Crop Table (NCT) would be used to populate the 2005/2006/2007 CDP crop table
- instructed State Offices to data load crop data for CDP into the 2007 NCT until the CDP crop table was established.

B Purpose

This notice provides the anticipated date on which the 2007 NCT data will be captured to establish the initial records for the 2005/2006/2007 CDP crop table.

C Migration of 2007 NCT Data

Approved records in the 2007 NCT as of COB September 27 2007, will be used to create the initial records.

Any records loaded, updated, or approved in the 2007 NCT after **COB September 27, 2007**, will **not** be migrated to the CDP crop table. New or modified records not loaded in the NCT by **COB September 27, 2007**, must be loaded directly in the 2005/2006/2007 CDP crop table if the crop record is necessary for CDP.
