

For: State and County Offices

Extending Flood Compensation Program (FCP) Signup

Approved by: Deputy Administrator, Farm Programs

1 Signup Extended Through July 16, 1999

A

Background

Signup for FCP was scheduled to end on July 2, 1999. Adverse weather conditions in areas of heavy FCP signup caused an extended planting season. As a result, many producers in these areas will be unable to meet the current July 2, 1999, FCP application deadline.

B

Purpose

This notice extends the end of signup through July 16, 1999, for all FCP applications.
