

For: State and County Offices

Removing Base and Yield Election Menu Options

Approved by: Deputy Administrator, Farm Programs

1 Overview

A Background

Various software options associated with base and yield elections will be removed upon installing County Release No. 521, which should be in field offices on or about October 1, 2003.

All base and yield elections must be completed in the automated system before installing County Release No. 521.

B Purpose

This notice:

- notifies State and County Offices:
 - of the deadline for completing base and yield elections in the automated system
 - that various software options associated with base and yield elections will be removed upon installing County Release No. 521
- advises State and County Offices of the action required before October 1, 2003.

The options being removed are:

- option 6, "Acreage History", on Farm Records Main Menu MC0097
- all options on Menus MIBSQM0A, MIBSYR01, MIB85001, MIB80001, and MIB70001.

Disposal Date	Distribution
December 1, 2003 9-11-03	State Offices; State Offices relay to County Offices

Notice DCP-92

2 Action

A State Office Action

State Offices shall ensure that County Offices:

- are notified of the contents of this notice
- have completed all base and yield elections in the automated system.

B County Office Action

County Offices shall:

- ensure that all base and yield elections have been completed in the automated system
- contact the State Office if there are any problems loading base and yield elections in the automated system.

Note: Do not delay installing County Release No. 521.
