1 Signup Deadline for Registration and Coverage Election for 2019 DMC Program

A Background

The annual coverage election period for calendar year 2019 DMC coverage began June 17, 2019, and will end on September 20, 2019. Dairy operations can register for DMC annually or lock in and make a 1-time election of coverage level and coverage percent during the registration and coverage election period.

Dairy operations that choose to register for coverage for 2019 must submit coverage elections on CCC-801 and pay the \$100 administrative fee to the applicable County Office, unless exempt, by COB September 20, 2019.

On September 6, 2019, the National Office mailed out the 2019 annual coverage election deadline reminder postcards (Exhibit 1) to those with 2018 MPP-Dairy contracts that have not yet registered for 2019 DMC.

Note: County Offices are **not** required to mail out the reminder postcards of 2019 signup deadline since the National Office mailed the postcard reminders.
