

For: State and County Offices

Returning ECP Funds

Approved by: Deputy Administrator, Farm Programs

1 Overview

A Background

According to 1-ECP:

- subparagraph 1 A, ECP is established to rehabilitate farmlands and conservation facilities damaged by natural disasters and to provide assistance during periods of severe drought
- subparagraph 1 C, ECP assistance is limited to producers who have suffered damage of such magnitude that it would be too costly to rehabilitate without Federal assistance
- subparagraph 67 B, ECP funds **shall be returned** to CEPD as soon as it is determined that funds are no longer needed for the disaster in which funds were originally allocated
- subparagraph 152 A, signup periods for ECP benefits may be no longer than **60 calendar days** unless approved by the National Office
- subparagraph 182 A, requires realistic expiration dates for completing approved ECP practices of no more than **6 months**
- subparagraph 184 A, AD-245 shall be canceled when completing the practices and the performance report is not filed by the expiration date.

ECP funds are in very high demand because of damage by tornadoes, persistent severe drought conditions, floods, ice storms, and other disasters.

B Purpose

This notice requires State Offices to:

- perform a review of all ECP ledgers
- return all unneeded, unused, slipped, and deobligated funds to the National Office.
